Subject: Please fund VIT

Please fund VIT!

UVM's use of VIT has made it possible for me as a working mother in the southern part of the state to go back to school in pursuit of a career change. I don't think it would be feasible for me to complete these classes if I needed to travel to Burlington, which is a 3 hour drive. The current class format, 2 Saturday meetings a semester in Burlington, then 4-6 VIT Saturday morning meetings within 40 minutes of my home make it possible. Please continue to fund this program which provides access to education to all corners of our state.

Thank you,
Margi Putney
Manchester, VT
