Subject: Vermont State Budget, Specifically VIT Budget

To Vermont State Senate Committee on Appropriations,

Good evening. I am writing to ask that you support the proposed Vermont state budget, specifically VIT budget, that is now under your review from the House.

I am an adult learner through the Vermont Technical College (VTC) Nursing program in Randolph Vermont. VTC uses Vermont Interactive Television (VIT) in order to provide an excellent educational experience to Vermonters across the state. If it were not for this exceptional program and the Vermont Interactive Television, I would be unable to attend college and reach for my dream of becoming a nurse. This program allows me to attend class and clinical locally while still working.

Thank you for your consideration in this matter,
