4 neither the student nor the student's parent or guardian shall be required to pay

3 \* \* \* Complete College Program \* \* \*

4 Sec. 5. COMPLETE COLLEGE PROGRAM

5 (a) Program creation. There is created the Complete College Program to  
6 enable more Vermonters, who are from families with low incomes and whose  
7 parents have not completed postsecondary education, to obtain a postsecondary  
8 degree and allow the University of Vermont and the Vermont State Colleges to  
9 improve their recruitment and support services for these students. The goal of  
10 the program is to improve graduation rates of these students, narrow the  
11 inequality gap, reduce social services costs over time, and expand the State's  
12 workforce.

13 (b) Appropriation. The sum of \$3,000,000.00 is appropriated from the  
14 General Fund for fiscal year 2017 to the Secretary of Administration. The

6           the academic year ending on or before June 30 of that year. The amount paid  
7           shall be \$1,500.00 for each eligible student who was awarded an associate's  
8           degree in that academic year, and \$2,000.00 for each eligible student who was  
9           awarded a bachelor's degree in that academic year. In the event that the  
10           payments owed to the University of Vermont and the Vermont State Colleges  
11           exceed the amount of the appropriation from the current fiscal year, the  
12           payment per eligible student amounts set forth in this subdivision shall be  
13           reduced proportionally.

14           (e) Use of payments. The University of Vermont and the Vermont State
