6 ~~department of health~~ Department of Health, or a court of competent
7 jurisdiction under existing law, or the interpretation or administration of a
8 charitable gift under 14 V.S.A. § 2328.

9 (2) This section shall not be construed to limit the regulatory and
10 enforcement authority of the ~~commissioner~~ Board, or exempt any applicant or

6 hospital that the hospital's annual budget approved under subchapter 7 of this
7 chapter be adjusted, modified, or reduced.

8 (b) In addition to all other sanctions, if any person offers or develops any
9 new health care project without first having been issued a certificate of need or
10 certificate of exemption for the project, or violates any other provision of this
11 subchapter or any lawful rule adopted pursuant to this subchapter, the Board,
12 ~~the Commissioner~~, the Office of the Health Care Advocate, the State
13 Long-Term Care Ombudsman, and health care providers and consumers
14 located in the State shall have standing to maintain a civil action in the
15 Superior Court of the county in which such alleged violation has occurred, or
16 in which such person may be found, to enjoin, restrain, or prevent such
17 violation. Upon written request by the Board, it shall be the duty of the
18 Vermont Attorney General to furnish appropriate legal services and to
19 prosecute an action for injunctive relief to an appropriate conclusion, which
20 shall not be reimbursed under subdivision (a)(2) of this section.

1 Sec. 27. 18 V.S.A. § 9456(h) is amended to read:

2 (h)(1) If a hospital violates a provision of this section, the Board may
3 maintain an action in the Superior Court of the county in which the hospital is
4 located to enjoin, restrain, or prevent such violation.

6 (3)(A) The Board shall require the officers and directors of a hospital to
7 file under oath, on a form and in a manner prescribed by the ~~Commissioner~~
8 Board, any information designated by the Board and required pursuant to this
9 subchapter. The authority granted to the Board under this subsection is in
10 addition to any other authority granted to the Board under law.

11 (B) A person who knowingly makes a false statement under oath or
12 who knowingly submits false information under oath to the Board or to a
13 hearing officer appointed by the Board or who knowingly testifies falsely in
14 any proceeding before the Board or a hearing officer appointed by the Board
15 shall be guilty of perjury and punished as provided in 13 V.S.A. § 2901.

16 Sec. 28. SUSPENSION; PROHIBITION ON MODIFICATION OF
17 UNIFORM FORMS

18 The Department of Financial Regulation shall not modify the existing
19 common forms, procedures, and rules based on 18 V.S.A. §§ 9408, 9408a(b),
20 9408a(e), and 9418(f) prior to January 1, 2017. The Commissioner of
21 Financial Regulation may review and examine, at his or her own discretion or

1 in response to a complaint, a managed care organization’s administrative
2 policies and procedures, quality management and improvement procedures,
3 credentialing practices, members’ rights and responsibilities, preventive health
4 services, medical records practices, member services, financial incentives or
5 disincentives, disenrollment, provider contracting, and systems and data
6 reporting capacities described in 18 V.S.A. § 9414(a)(1).

7 Sec. 29. UNIFORM FORMS; EVALUATION

8 The Director of Health Care Reform in the Agency of Administration, in
9 collaboration with the Green Mountain Care Board and the Department of
10 Financial Regulation, shall evaluate:

11 (1) the necessity of maintaining provisions regarding common claims
12 forms and procedures, uniform provider credentialing, and suspension of
13 interest accrual for failure to pay claims if the failure was not within the
14 insurer’s control, as those provisions are codified in 18 V.S.A. §§ 9408,
15 9408a(b), 9408a(e), and 9418(f);

16 (2) the necessity of maintaining provisions requiring the Commissioner
17 to review and examine a managed care organization’s administrative policies
18 and procedures, quality management and improvement procedures,
19 credentialing practices, members’ rights and responsibilities, preventive health
20 services, medical records practices, member services, financial incentives or

1 disincentives, disenrollment, provider contracting, and systems and data
2 reporting capacities, as those provisions are codified in 18 V.S.A. § 9414(a)(1);

3 (3) the appropriate entity to assume responsibility for any such function
4 that should be retained and the appropriate enforcement process; and

5 (4) the requirements in federal law applicable to the Department of
6 Vermont Health Access in its role as a public managed care organization in
7 order to identify opportunities for greater alignment between federal law and
8 18 V.S.A. § 9414(a)(1).

9 (b) In performing the evaluation required by subsection (a) of this section,
10 the Director shall consult regularly with interested stakeholders, including
11 health insurance and managed care organizations, as defined in 18 V.S.A.
12 9402; health care providers; and the Office of the Health Care Advocate.

13 (c) On or before December 15, 2015, the Director shall provide his or her
14 findings and recommendations to the House Committee on Health Care, the
15 Senate Committees on Health and Welfare and on Finance, and the Health
16 Reform Oversight Committee.

17 * * * Presuit Mediation for Medical Malpractice Claims * * *

18 Sec. 30. 12 V.S.A. chapter 215, subchapter 2 is added to read:

19 Subchapter 2. Mediation Prior to Filing a Complaint of Malpractice
20 § 7011. PURPOSE

1 The purpose of mediation prior to filing a medical malpractice case is to
2 identify and resolve meritorious claims and reduce areas of dispute prior to
3 litigation, which will reduce the litigation costs, reduce the time necessary to
4 resolve claims, provide fair compensation for meritorious claims, and reduce
5 malpractice-related costs throughout the system.

6 § 7012. PRESUIT MEDIATION; SERVICE

7 (a) A potential plaintiff may serve upon each known potential defendant a
8 request to participate in presuit mediation prior to filing a civil action in tort or
9 in contract alleging that an injury or death resulted from the negligence of a
10 health care provider and to recover damages resulting from the personal injury
11 or wrongful death.

12 (b) Service of the request required in subsection (a) of this section shall be
13 in letter form and shall be served on all known potential defendants by certified
14 mail. The date of mailing such request shall toll all applicable statutes of
15 limitations.

16 (c) The request to participate in presuit mediation shall name all known
17 potential defendants, contain a brief statement of the facts that the potential
18 plaintiff believes are grounds for relief, and be accompanied by a certificate of
19 merit prepared pursuant to section 1051 of this title, and may include other
20 documents or information supporting the potential plaintiff's claim.

1 (d) Nothing in this chapter precludes potential plaintiffs and defendants
2 from presuit negotiation or other presuit dispute resolution to settle potential
3 claims.

4 § 7013. MEDIATION RESPONSE

5 (a) Within 60 days of service of the request to participate in presuit
6 mediation, each potential defendant shall accept or reject the potential
7 plaintiff's request for presuit mediation by mailing a certified letter to counsel
8 or if the party is unrepresented to the potential plaintiff.

9 (b) If the potential defendant agrees to participate, within 60 days of the
10 service of the request to participate in presuit mediation, each potential
11 defendant shall serve a responsive certificate on the potential plaintiff by
12 mailing a certified letter indicating that he or she, or his or her counsel, has
13 consulted with a qualified expert within the meaning of section 1643 of this
14 title and that expert is of the opinion that there are reasonable grounds to
15 defend the potential plaintiff's claims of medical negligence. Notwithstanding
16 the potential defendant's acceptance of the request to participate, if the
17 potential defendant does not serve such a responsive certificate within the
18 60-day period, then the potential plaintiff need not participate in the presuit
19 mediation under this title and may file suit. If the potential defendant is willing
20 to participate, presuit mediation may take place without a responsive certificate
21 of merit from the potential defendant at the plaintiff's election.

1 § 7014. PROCESS; TIME FRAMES

2 (a) The mediation shall take place within 60 days of the service of all
3 potential defendants' acceptance of the request to participate in presuit
4 mediation. The parties may agree to an extension of time. If in good faith the
5 mediation cannot be scheduled within the 60-day time period, the potential
6 plaintiff need not participate and may proceed to file suit.

7 (b) If presuit mediation is not agreed to, the mediator certifies that
8 mediation is not appropriate, or mediation is unsuccessful, the potential
9 plaintiff may initiate a civil action as provided in the Vermont Rules of Civil
10 Procedure. The action shall be filed:

11 (1) within 90 days of the potential plaintiff's receipt of the potential
12 defendant's letter refusing mediation, the failure of the potential defendant to
13 file a responsive certificate of merit within the specified time period, or the
14 mediator's signed letter certifying that mediation was not appropriate or that
15 the process was complete; or

16 (2) prior to the expiration of the applicable statute of limitations,
17 whichever is later.

18 (c) If presuit mediation is attempted unsuccessfully, the parties shall not be
19 required to participate in mandatory mediation under Rule 16.3 of the Vermont
20 Rules of Civil Procedure.

1 § 7015. CONFIDENTIALITY

2 All written and oral communications made in connection with or during the
3 mediation process set forth in this chapter shall be confidential. The mediation
4 process shall be treated as a settlement negotiation under Rule 408 of the
5 Vermont Rules of Evidence.

6 Sec. 31. REPORT

7 On or before December 1, 2019, the Secretary of Administration or
8 designee shall report to the Senate Committees on Health and Welfare and on
9 Judiciary and the House Committees on Health Care and on Judiciary on the
10 impacts of 12 V.S.A. § 1042 (certificate of merit) and 12 V.S.A. chapter 215,
11 subchapter 2 (presuit mediation). The report shall address the impacts that
12 these reforms have had on:

13 (1) consumers, physicians, and the provision of health care services;

14 (2) the rights of consumers to due process of law and to access to the
15 court system; and

16 (3) any other service, right, or benefit that was or may have been
17 affected by the establishment of the medical malpractice reforms in 12 V.S.A.
18 § 1042 and 12 V.S.A. chapter 215, subchapter 2.

19 * * * Medicaid Rates * * *

20 Sec. 32. PROVIDER RATE SETTING; MEDICAID

1 (a) The Department of Disabilities, Aging, and Independent Living and the
2 Division of Rate Setting in the Agency of Human Services shall review current
3 reimbursement rates for providers of enhanced residential care, assistive
4 community care, and other long term home-and community-based care
5 services and shall consider ways to:

6 (1) ensure that rates are reviewed regularly and are sustainable,
7 reasonable, and adequately reflect economic conditions, new home- and
8 community-based services rules, and health system reforms; and

9 (2) encourage providers to accept residents without regard to their
10 source of payment.

11 (b) On or before December 1, 2015, the Department and the Agency shall
12 provide their findings and recommendations to the House Committee on
13 Human Services, the Senate Committees on Health and Welfare and on
14 Finance, and the Health Reform Oversight Committee.

15 * * * Designated Agency Budgets * * *

16 Sec. 33. GREEN MOUNTAIN CARE BOARD; DESIGNATED AGENCY
17 BUDGETS

18 The Green Mountain Care Board shall analyze the budget and Medicaid
19 rates of one or more designated agencies providing services to Vermont
20 residents using criteria similar to the Board's review of hospital budgets
21 pursuant to 18 V.S.A. § 9456. The Board shall also consider whether to

1 include designated and specialized service agencies in the all-payer model. On
2 or before January 31, 2016, the Board shall recommend to the House
3 Committees on Appropriations, on Health Care, and on Human Services and
4 the Senate Committees on Appropriations, on Health and Welfare, and on
5 Finance whether the Board should be responsible for the annual review of all
6 designated agency budgets and whether designated and specialized service
7 agencies should be included in the all-payer model.

8 * * * Universal Primary Care * * *

9 Sec. 34. PURPOSE

10 The purpose of Secs. 34 through 38 of this act is to establish the
11 administrative framework and reduce financial barriers as preliminary steps to
12 the implementation of the principles set forth in 2011 Acts and Resolves
13 No. 48 to enable Vermonters to receive necessary health care and examine the
14 cost of providing primary care to all Vermonters without deductibles,
15 coinsurance, or co-payments or, if necessary, with limited cost-sharing.

16 Sec. 35. FINDINGS

17 The General Assembly finds that:

18 (1) Research has shown that universal access to primary care enhances
19 the quality of care, improves patient outcomes, and reduces overall health care
20 spending.

1 (2) Universal access to primary care will advance the health of
2 Vermonters by preventing disease and by reducing the need for emergency
3 room visits and hospital admissions.

4 (3) Vermonters face financial barriers to accessing primary care because
5 of the widespread cost-sharing requirements, including deductibles,
6 coinsurance, and co-payments.

7 (4) The cost of providing universal primary care to Vermonters should
8 be estimated to determine whether universal primary care should be the first
9 step in implementing the principles and intent set forth in 2011 Acts and
10 Resolves No. 48, Secs. 1 and 1a.

11 Sec. 36. DEFINITION OF PRIMARY CARE

12 As used in Secs. 34 through 38 of this act, “primary care” means health
13 services provided by health care professionals who are specifically trained for
14 and skilled in first-contact and continuing care for individuals with signs,
15 symptoms, or health concerns, not limited by problem origin, organ system, or
16 diagnosis, and includes pediatrics, internal and family medicine, gynecology,
17 primary mental health services, and other health services commonly provided
18 at federally qualified health centers. Primary care does not include dental
19 services.

20 Sec. 37. COST ESTIMATES FOR UNIVERSAL PRIMARY CARE

1 (a) No later than October 15, 2015, the Joint Fiscal Office, in consultation
2 with the Green Mountain Care Board and the Secretary of Administration or
3 designee, shall provide to the Joint Fiscal Committee, the Health Reform
4 Oversight Committee, the House Committees on Appropriations, on Health
5 Care, and on Ways and Means, and the Senate Committees on Appropriations,
6 on Health and Welfare, and on Finance an estimate of the costs of providing
7 primary care to all Vermont residents, with and without cost-sharing by the
8 patient, beginning on January 1, 2017.

9 (b) The report shall include an estimate of the cost of primary care to those
10 Vermonters who access it if a universal primary care plan is not implemented,
11 and the sources of funding for that care, including employer-sponsored
12 and individual private insurance, Medicaid, Medicare, and other
13 government-sponsored programs, and patient cost-sharing such as deductibles,
14 coinsurance, and co-payments.

15 (c) The Secretary of Administration or designee, in collaboration with the
16 Joint Fiscal Office, shall arrange for the actuarial services needed to perform
17 the estimates and analysis required by this section. Departments and agencies
18 of State government and the Green Mountain Care Board shall provide such
19 data to the Joint Fiscal Office as needed to permit the Joint Fiscal Office to
20 perform the estimates and analysis. If necessary, the Joint Fiscal Office may
21 enter into confidentiality agreements with departments, agencies, and the

1 Board to ensure that confidential information provided to the Office is not
2 further disclosed.

3 Sec. 38. APPROPRIATION

4 Up to \$100,000.00 is appropriated from the General Fund to the Agency of
5 Administration, Secretary's Office in fiscal year 2016 to be used for assistance
6 in the calculation of the cost estimates required in Sec. 37 of this act; provided,
7 however, that the appropriation shall be reduced by the amount of any external
8 funds received to carry out the estimates and analysis required by Sec. 37.

9 Sec. 39. REPEALS

10 (a) 18 V.S.A. §§ 9411 (other powers and duties of the Commissioner of
11 Financial Regulation) and 9415 (allocation of expenses) are repealed.

12 (b) 12 V.S.A. chapter 215, subchapter 2 shall be repealed on July 1, 2020.
