

The Senate Committee on Finance

Al Gobeille

Chair, Green Mountain Care Board

2/4/2015

The Problem: Health care costs growing faster than GDP

Slowing health care cost growth

Currently:

- Hospital Budgets
- Insurance Rate Review
- Blueprint for Health
- ACO Shared Savings Programs

Looking Forward:

- Move from fee for service to value based care
- Create a culture of health
- Focus on primary care/Blueprint for Health
- Move from hospital budget centric to rate setting
