

Vermont Humane Federation Statement Regarding VSNIP

The Vermont Humane Federation (VHF), a 501(c)3, is a strong, unified network of organizations and individuals dedicated to promoting the welfare of all animals.

The VHF was instrumental in lobbying for and passing legislation to create a statewide spay/neuter assistance program, now known as VSNIP. The VHF supports VSNIP's current administrators, Department of Children and Families (DCF). The DCF is a credible and trustworthy organization that understands and respects the needs of clients and veterinarians, in addition to the animal welfare needs.
