Hi Katie,

Please find below some additional materials that Senator Bray asked me for.

Cheers, Gillian

Vermont Climate Assessment www.vtclimate.org

New Climate Economy http://newclimateeconomy.report

Vermont GHG emissions increased since 1990 and have now returned to 1990 levels: <a href="http://www.anr.state.vt.us/anr/climatechange/Vermont Emissions.html">http://www.anr.state.vt.us/anr/climatechange/Vermont Emissions.html</a>
