Dear Representative Head and Members of the Committee:

I am writing to thank you for your work on S. 6 and to let you know that we are supportive of the Administration's recommended changes to the bill.

As you know, we have advocated for a level playing field between our regulated member lodging properties and lodging properties available on online rental platforms. We are hopeful that S.6 will be adopted and signed into law and we are committed to continued advocacy as the bill is implemented.

Thank you for your continued work on this important issue.

Best wishes,
Cathy Davis
