The Office of Legislative Council main number: 828-2231

The Office of Legislative Council serves as the General Assembly's law firm. All services are provided on a nonpartisan basis and materials and discussions with members are confidential unless authorized by the member for release. Legal services provided include:

1. drafting bills, amendments, resolutions, and committee reports;
2. legal and policy research;
3. legal and policy analysis such as identification and explanation of issues, including opposition issues;
4. committee presentation and mark-up of bills;
5. drafting of summaries and other support materials; and
6. staffing of legislative interim committees.
