
This act summary is provided for the convenience of the public and members of the General Assembly. It is intended to provide a general summary of the act and may not be exhaustive. It has been prepared by the staff of the Office of Legislative Council without input from members of the General Assembly. It is not intended to aid in the interpretation of legislation or to serve as a source of legislative intent.

Act No. 32 (H.50). Public service; conservation and development

An act relating to the telecommunications siting law

This act extends the sunset of the Public Service Board's (PSB) telecommunications siting authority from July 1, 2017 to July 1, 2020. The act also adds to the content of a notice that, under current law, the applicant must send the municipal legislative body and planning commissions at least 60 days before filing the PSB. The additional content is to notify the municipal bodies of rights and opportunities that they have under existing law, as well as notice of how to obtain an existing guide to the telecommunications siting process before the PSB.

Effective Date: July 1, 2017
