14 on, or after the effective date of this chapter;

15 (2) a personal representative acting for a decedent who died before, on,
16 or after the effective date of this chapter;

17 (3) a guardianship proceeding commenced before, on, or after the
18 effective date of this chapter; and

19 (4) a trustee acting under a trust created before, on, or after the effective
20 date of this chapter.

21 (b) This chapter applies to a custodian if the user resides in this State or

1 resided in this State at the time of the user's death.

2 (c) This chapter does not apply to a digital asset of an employer used by an
3 employee in the ordinary course of the employer's business.

4 § 3554. USER DIRECTION FOR DISCLOSURE OF DIGITAL ASSETS

5 (a) A user may use an online tool to direct the custodian to disclose to a
6 designated recipient or not to disclose some or all of the user's digital assets,
7 including the content of electronic communications. If the online tool allows
8 the user to modify or delete a direction at all times, a direction regarding
9 disclosure using an online tool overrides a contrary direction by the user in a
10 will, trust, power of attorney, or other record.

11 (b) If a user has not used an online tool to give direction under subsection
12 (a) of this section or if the custodian has not provided an online tool, the user
13 may allow or prohibit in a will, trust, power of attorney, or other record,
14 disclosure to a fiduciary of some or all of the user's digital assets, including
15 the content of electronic communications sent or received by the user.

16 (c) A user's direction under subsection (a) or (b) of this section overrides a
17 contrary provision in a terms-of-service agreement that does not require the
18 user to act affirmatively and distinctly from the user's assent to the terms of
19 service.

20 § 3555. TERMS-OF-SERVICE AGREEMENT

21 (a) This chapter does not change or impair a right of a custodian or a user

1 under a terms-of-service agreement to access and use digital assets of the user.

2 (b) This chapter does not give a fiduciary or designated recipient any new
3 or expanded rights other than those held by the user for whom, or for whose
4 estate, the fiduciary or designated recipient acts or represents.

5 (c) A fiduciary's or designated recipient's access to digital assets may be
6 modified or eliminated by a user, by federal law, or by a terms-of-service
7 agreement if the user has not provided direction under section 3554 of this
8 title.

9 § 3556. PROCEDURE FOR DISCLOSING DIGITAL ASSETS

10 (a) When disclosing digital assets of a user under this chapter, the
11 custodian may in its sole discretion:

12 (1) grant a fiduciary or designated recipient full access to the user's
13 account;

14 (2) grant a fiduciary or designated recipient partial access to the user's
15 account sufficient to perform the tasks with which the fiduciary or designated
16 recipient is charged; or

17 (3) provide a fiduciary or designated recipient a copy in a record of any
18 digital asset that, on the date the custodian received the request for disclosure,
19 the user could have accessed if the user were alive and had full capacity and
20 access to the account.

21 (b) A custodian may assess a reasonable administrative charge for the cost

1 of disclosing digital assets under this chapter.

2 (c) A custodian need not disclose under this chapter a digital asset deleted
3 by a user.

4 (d) If a user directs or a fiduciary requests a custodian to disclose under
5 this chapter some, but not all, of the user's digital assets, the custodian need
6 not disclose the assets if segregation of the assets would impose an undue
7 burden on the custodian. If the custodian believes the direction or request
8 imposes an undue burden, the custodian or fiduciary may seek an order from
9 the court to disclose:

10 (1) a subset limited by date of the user's digital assets;

11 (2) all of the user's digital assets to the fiduciary or designated recipient;

12 (3) none of the user's digital assets; or

13 (4) all of the user's digital assets to the court for review in camera.

14 § 3557. DISCLOSURE OF CONTENT OF ELECTRONIC

15 COMMUNICATIONS OF DECEASED USER

16 If a deceased user consented, or if a court directs disclosure of the contents
17 of electronic communications of the user, the custodian shall disclose to the
18 personal representative of the estate of the user the content of an electronic
19 communication sent or received by the user if the representative gives the
20 custodian:

21 (1) a written request for disclosure in physical or electronic form;

1 (2) a certified copy of the death certificate of the user;

2 (3) a certified copy of the certificate of appointment of a fiduciary;

3 (4) unless the user provided direction using an online tool, a copy of the
4 user's will, trust, power of attorney, or other record evidencing the user's
5 consent to disclosure of the content of electronic communications; and

6 (5) if requested by the custodian:

7 (A) a number, username, address, or other unique subscriber or
8 account identifier assigned by the custodian to identify the user's account;

11 (i) the user had a specific account with the custodian, identifiable
12 by the information specified in subdivision (A) of this subdivision (5);

13 (ii) disclosure of the content of electronic communications of the
14 user would not violate 18 U.S.C. § 2701 et seq., 47 U.S.C. § 222, or other
15 applicable law;

16 (iii) unless the user provided direction using an online tool, the
17 user consented to disclosure of the content of electronic communications; or

18 (iv) disclosure of the content of electronic communications of the
19 user is reasonably necessary for administration of the estate.

20 § 3558. DISCLOSURE OF OTHER DIGITAL ASSETS OF DECEASED

21 USER

1 Unless the user prohibited disclosure of digital assets or the court directs
2 otherwise, a custodian shall disclose to the personal representative of the estate
3 of a deceased user a catalogue of electronic communications sent or received
4 by the user, and digital assets of the user other than the content of electronic
5 communications, if the representative gives the custodian:

6 (1) a written request for disclosure in physical or electronic form;

7 (2) a certified copy of the death certificate of the user;

8 (3) a certified copy of the certificate of appointment of fiduciary; and

9 (4) if requested by the custodian:

10 (A) a number, username, address, or other unique subscriber or
11 account identifier assigned by the custodian to identify the user's account;

12 (B) evidence linking the account to the user;

13 (C) an affidavit stating that disclosure of the user's digital assets is
14 reasonably necessary for administration of the estate; or

15 (D) a finding by the court that:

16 (i) the user had a specific account with the custodian, identifiable
17 by the information specified in subdivision (A) of this subdivision (4); or

18 (ii) disclosure of the user's digital assets is reasonably necessary
19 for administration of the estate.

5 gives the custodian:

8 agent authority over the content of electronic communications of the principal;

13 account identifier assigned by the custodian to identify the principal's
14 account; or

15 (B) evidence linking the account to the principal.

17 Unless otherwise ordered by the court, directed by the principal, or
18 provided by a power of attorney, a custodian shall disclose to an agent with
19 specific authority over digital assets or general authority to act on behalf of a
20 principal a catalogue of electronic communications sent or received by the
21 principal, and digital assets of the principal other than the content of electronic

1 communications, if the agent gives the custodian:

3 (2) an original or a copy of the power of attorney that gives the agent
4 specific authority over digital assets or general authority to act on behalf of the
5 principal;

6 (3) a certification by the agent, under penalty of perjury, that the power
7 of attorney is in effect; and

8 (4) if requested by the custodian:

9 (A) a number, username, address, or other unique subscriber or
10 account identifier assigned by the custodian to identify the principal's
11 account; or

12 (B) evidence linking the account to the principal.

6 custodian:

17 § 3563. DISCLOSURE OF OTHER DIGITAL ASSETS HELD IN TRUST
