H.411

SHORT FORM

Introduced by Representatives Gardner of Richmond, McCormack of Burlington, Brumsted of Shelburne, Buckholz of Hartford, Christie of Hartford, Dunn of Essex, Gannon of Wilmington, Hill of Wolcott, Keefe of Manchester, O’Sullivan of Burlington, Squirrell of Underhill, Sullivan of Burlington, Townsend of South Burlington, Weed of Enosburgh, and Wood of Waterbury

Referred to Committee on

Date:

Subject: Energy; commerce and trade; energy efficiency standards for appliances and equipment

Statement of purpose of bill as introduced: This bill proposes two sets of amendments to Vermont’s energy efficiency standards for appliances and equipment.

First, it would adopt, in Vermont statute, current federal appliance and lighting efficiency standards so that the same standards will be in place in Vermont should the federal standards be repealed or voided.

Second, it would adopt, in Vermont statute, federal standards for general service lighting scheduled to come into effect on January 1, 2020, so that the

1 same standards will be in place in Vermont should the federal standards be
2 prevented from taking effect.

3 An act relating to Vermont's energy efficiency standards for appliances and
4 equipment

5 It is hereby enacted by the General Assembly of the State of Vermont:
