H.427

SHORT FORM

Introduced by Representative Conquest of Newbury

Referred to Committee on

Date:

Subject: Workforce training; education; career technical education

Statement of purpose of bill as introduced: This bill proposes to require that career technical education centers offer: (1) courses to high school graduates for a duration of one academic year that result in a certification that demonstrates to potential employers that the recipient of the certification has achieved a knowledge or skill level in a particular area of career technical education; and (2) summer courses that either expand on programming or are in addition to the types of programming offered during the academic year.

An act relating to expanding career technical education programming

It is hereby enacted by the General Assembly of the State of Vermont:
