

House Proposal of Amendment to Senate Proposal of Amendment

H. 526

An act relating to regulating notaries public

The House concurs in the Senate proposal of amendment with further amendment thereto as follows:

First: In Sec. 1, 26 V.S.A. chapter 103 (notaries public), by striking out § 5323 (rules) in its entirety and inserting in lieu thereof a new § 5323 to read:

§ 5323. RULES

(a) The Office, with the advice of the advisor appointees, may adopt rules to implement this chapter. The rules may:

(1) prescribe the manner of performing notarial acts regarding tangible and electronic records;

(2) include provisions to ensure that any change to or tampering with a record bearing a certificate of a notarial act is self-evident;

(3) include provisions to ensure integrity in the creation, transmittal, storage, or authentication of electronic records or signatures;

(4) prescribe the process of granting, renewing, conditioning, denying, suspending, or revoking the commission of or otherwise disciplining a notary public and assuring the trustworthiness of an individual holding a commission as notary public;

(5) include provisions to prevent fraud or mistake in the performance of notarial acts; and

(6) prescribe standards for remote online notarization, including standards for credential analysis, the process through which a third person affirms the identity of an individual, the methods for communicating through a secure communication link, the means by which the remote notarization is certified, and the form of notice to be appended disclosing the fact that the notarization was completed remotely on any document acknowledged through remote online notarization.

(b) Rules adopted regarding the performance of notarial acts with respect to electronic records and remote online notarization may not require, or accord greater legal status or effect to, the implementation or application of a specific technology or technical specification. In adopting, amending, or repealing rules regarding notarial acts with respect to electronic records and remote online notarization, the Office shall consider, as far as is consistent with this chapter:

(1) the most recent standards regarding electronic records and remote online notarization promulgated by national bodies, such as the National Association of Secretaries of State;

(2) standards, practices, and customs of other jurisdictions that substantially enact this chapter; and

(3) the views of governmental officials and entities and other interested persons.

(c) Neither electronic notarization nor remote online notarization shall be allowed until the Secretary of State has adopted rules and prescribed standards in these areas.

Second: In Sec. 1, 26 V.S.A. chapter 103, by striking out § 5364 (personal appearance required) in its entirety and inserting in lieu thereof a new § 5364 to read:

§ 5364. PERSONAL APPEARANCE REQUIRED

(a) If a notarial act relates to a statement made in or a signature executed on a record, the individual making the statement or executing the signature shall appear personally before the notary public.

(b) The requirement for a personal appearance is satisfied if:

(1) the notary public and the person executing the signature are in the same physical place; or

(2) the notary public and the person are communicating through a secure communication link using protocols and standards prescribed in rules adopted by the Secretary of State pursuant to the rulemaking authority set forth in this chapter.
