(b) An acknowledgment that contains a notary commission expiration date that is either inaccurate or expired shall not invalidate the acknowledgment if it can be established that on the date the acknowledgment was taken, the notary public's commission was active.

(c) The validity of a notarial act under this chapter shall not prevent an aggrieved person from seeking to invalidate the record or transaction that is the subject of the notarial act or from seeking other remedies based on law of this State other than this chapter or law of the United States.

(d) Defects in the written evidence of acknowledgment in a document in the public records may be cured by the notary public who performed the original notarial act. The notary public shall, under oath and before a different notary public, execute a writing correcting any defect. Upon recording, the corrective document corrects any deficiency and ratifies the original written evidence of acknowledgment as of the date the acknowledgment was originally taken.

(e) Notwithstanding any provision of law to the contrary, a document that conveys an interest in real property shall be recordable in the land records and, if recorded, shall be sufficient for record notice to third parties, notwithstanding the failure of a notary public to perform any duty or meet any requirement specified in this chapter. Such failure includes the failure to comply in full or in part with the requirements of sections 5367-5369 of this title.

(f) This section does not validate a purported notarial act performed by an individual who does not have the authority to perform notarial acts.

§ 5374. NOTARIAL ACT IN ANOTHER STATE

(a) A notarial act performed in another state has the same effect under the law of this State as if performed by a notary public of this State, if the act performed in that state is performed by:

(1) a notary public of that state;

(2) a judge, clerk, or deputy clerk of a court of that state; or

(3) any other individual authorized by the law of that state to perform the notarial act.

(b) If a deed or other conveyance or a power of attorney for the conveyance of land, the acknowledgment or proof of which is taken out of State, is certified agreeably to the laws of the state in which the acknowledgment or

proof is taken, it shall be valid as though it were taken before a proper officer in this State.

(c) An acknowledgment for a deed or other conveyance or a power of attorney for the conveyance of land that is taken out of State before a proper officer of this State shall be valid as if taken within this State.

(d) The signature and title of an individual performing a notarial act in another state are prima facie evidence that the signature is genuine and that the individual holds the designated title.

(e) The signature and title of a notarial officer described in subdivision (a)(1) or (2) of this section conclusively establish the authority of the officer to perform the notarial act.

§ 5375. NOTARIAL ACT UNDER AUTHORITY OF FEDERALLY
RECOGNIZED INDIAN TRIBE

(a) A notarial act performed under the authority and in the jurisdiction of a federally recognized Indian tribe has the same effect as if performed by a notary public of this State, if the act performed in the jurisdiction of the tribe is performed by:

(2) a judge, clerk, or deputy clerk of a court of the tribe; or

(3) any other individual authorized by the law of the tribe to perform the notarial act.

(b) The signature and title of an individual performing a notarial act under the authority of and in the jurisdiction of a federally recognized Indian tribe are prima facie evidence that the signature is genuine and that the individual holds the designated title.

(c) The signature and title of a notarial officer described in subdivision (a)(1) or (2) of this section conclusively establish the authority of the officer to perform the notarial act.

§ 5376. NOTARIAL ACT UNDER FEDERAL AUTHORITY

(a) A notarial act performed under federal law has the same effect under the law of this State as if performed by a notary public of this State, if the act performed under federal law is performed by:

(1) a judge, clerk, or deputy clerk of a court;

(2) an individual in military service or performing duties under the authority of military service who is authorized to perform notarial acts under federal law;

(3) an individual designated a notarizing officer by the U.S. Department of State for performing notarial acts overseas; or

(4) any other individual authorized by federal law to perform the notarial act.

(b) The signature and title of an individual acting under federal authority and performing a notarial act are prima facie evidence that the signature is genuine and that the individual holds the designated title.

(c) The signature and title of an officer described in subdivision (a)(1), (2), or (3) of this section shall conclusively establish the authority of the officer to perform the notarial act.

§ 5377. EVIDENCE OF AUTHENTICITY OF NOTARIAL ACT
PERFORMED IN THIS STATE

(a) The authenticity of the official notarial stamp and signature of a notary public may be evidenced by either:

(1) A certificate of authority from the Secretary of State authenticated as necessary.

(2) An apostille from the Secretary of State in the form prescribed by the Hague convention of October 5, 1961 abolishing the requirement of legalization of foreign public documents.

(b) An apostille as specified by the Hague convention shall be attached to any document that requires authentication and that is sent to a nation that has signed and ratified this convention.

§ 5378. FOREIGN NOTARIAL ACT

(a) In this section, “foreign state” means a government other than the United States, a state, or a federally recognized Indian tribe.

(b) If a notarial act is performed under authority and in the jurisdiction of a foreign state or constituent unit of the foreign state or is performed under the authority of a multinational or international governmental organization, the act has the same effect under the law of this State as if performed by a notary public of this State.

(c) If the title of office and indication of authority to perform notarial acts in a foreign state appears in a digest of foreign law or in a list customarily used as a source for that information, the authority of an officer with that title to perform notarial acts is conclusively established.

(d) The signature and official stamp of an individual holding an office described in subsection (c) of this section are prima facie evidence that the signature is genuine and the individual holds the designated title.

(e) An apostille in the form prescribed by the Hague Convention of October 5, 1961, and issued by a foreign state party to the Convention, conclusively establishes that the signature of the notarial officer is genuine and that the officer holds the indicated office.
