4 Referred to Committee on

5 Date:

6 Subject: Health; advance directives; DNR/COLST orders; clinicians; hospitals;

7 nursing homes

8 Statement of purpose of bill as introduced: This bill proposes to identify
9 additional individuals who may explain the nature and purpose of an advance
10 directive to persons who are being admitted to or are residents of a nursing
11 home or residential care facility or who are being admitted to or are patients in
12 a hospital, and it would require nursing homes and residential care facilities to
13 designate individuals for this purpose. The bill would specify that a do-not-
14 resuscitate (DNR) order or clinician order for life-sustaining treatment
15 (COLST) to be used in Vermont may be signed by a licensed clinician
16 practicing in another state if the clinician was treating the patient in the other
17 state at the time the DNR/COLST was issued.

18 An act relating to explanation of advance directives and treating clinicians
19 who may sign a DNR/COLST
