Tenth: In Sec. 21, amending 16 V.S.A. § 2973, by striking out subsections (a) and (b) in their entirety and inserting in lieu thereof the following:

(a)(1) Notwithstanding any provision of law to the contrary, an approved independent school that accepts public tuition shall enroll any student with an individualized education program who requires special education services and who is placed in the approved independent school as an appropriate placement and least restrictive environment for the student by the student's individualized education program team or by the local education agency (LEA); provided, however, that this requirement shall not apply to an independent school that limits enrollment to students who are on an individualized education program or a plan under Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794, and who are enrolled pursuant to a written agreement between the LEA and the school.

(2) In placing a student with an independent school under subdivision (1) of this subsection, the student's individualized education program team and the LEA shall comply with all applicable federal and State requirements.

(3) An approved independent school is not required to demonstrate that it has the resources to serve every category of special education as defined under State Board of Education rules in order to be approved or retain its approval to receive public funding for general tuition.

(4) The terms "special education services," "LEA," and "individualized education program" or "IEP" as used in this section shall have the same meanings as defined by State Board rules.

(b)(1) The Secretary of Education shall establish minimum standards of services for students receiving special education services in independent schools in Vermont; shall set, after consultation with independent schools in Vermont, the maximum rates to be paid by the Agency and school districts for tuition, room, and board based on the level of services; and may advise independent schools as to the need for certain special education services in Vermont.

(2)(A) The Secretary of Education shall set, after consultation with independent schools in Vermont, and based on the level of services provided by the schools, the maximum rates to be paid by the Agency and supervisory unions or school districts for tuition, room, and board for residential placement of students who require special education services. The amount charged by an independent school for tuition shall reflect the school's actual or anticipated costs of providing special education services to the student and shall not exceed the maximum rates set by the Secretary, provided that the Secretary

may permit charges in excess of these maximum rates where the Secretary deems warranted.

(B)(i) An approved independent school that enrolls a student under subdivision (a)(1) of this section may bill the responsible LEA for excess special education costs incurred by the independent school in providing special education services beyond those covered by general tuition. Reimbursement of these excess special education costs shall be based on the direct-cost rates approved by the Secretary for services actually provided to the student consistent with the Agency of Education Technical Manual for special education cost accounting. The Agency of Education shall publish specific elements that must be included as part of an independent school's invoice for excess special education costs, and these elements shall be included in the written agreement required under subdivision (c)(2) of this section.

(ii) In establishing the direct-cost rates for reimbursement under this subdivision (B), the Secretary shall apply the principle of treating an approved independent school and a public school with parity in the amount of federal, State, and local contributions to cover the costs of providing special education services.

(iii) An approved independent school that enrolls a student under subdivision (a)(1) of this section shall provide such documentation to the Secretary as the Secretary deems necessary in order to ensure that amounts payable under this subdivision (B) to the school are reasonable in relation to the special education services provided by the school. The Secretary may withhold, or direct an LEA to withhold, payment under this subdivision pending the Secretary's receipt of required documentation under this subdivision, or may withhold, or direct an LEA to withhold, an amount determined by the Secretary as not reasonable in relation to the special education services provided by the school.

(C)(i) The Secretary shall set, after consultation with independent schools in Vermont, the maximum tuition rates to be paid by the Agency and supervisory unions or school districts to independent schools that limit enrollment to students who are on an IEP or a plan under Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794, and who are enrolled pursuant to a written agreement between the LEA and the school. The maximum tuition rates shall be based on the level of services provided by the school.

(ii) The tuition rates established by the Secretary under this subdivision (C) shall be no more than the costs that are reasonably related to the level of services provided by the school and shall be set forth on a form prescribed for that purpose by the Secretary of Education. The Secretary shall determine the relationship between costs and the level of services by using generally accepted accounting principles, such as those set forth in the

Handbook (II) for Financial Accounting of Vermont School Systems.

(iii) After the Secretary approves a tuition rate for an independent school under this subdivision (C), the school shall not exceed that tuition rate until such time as a new tuition rate is approved by the Secretary.

Eleventh: In Sec. 21, amending 16 V.S.A. § 2973, in subdivision (c)(1), by striking out subdivision (C) in its entirety and inserting in lieu thereof the following:

(C) employing or contracting with staff who have the required licensure to provide special education services;

Twelfth: In Sec. 21, amending 16 V.S.A. § 2973, in subsection (c), by striking out subdivision (2) in its entirety and inserting in lieu thereof the following:

(2) An approved independent school that enrolls a student requiring special education services who is placed with the school under subdivision (a)(1) of this section:

(A) shall enter into a written agreement with the LEA committing to the requirements under subdivision (1) of this subsection (c); and

(B) shall ensure that qualified school personnel attend planning meetings and IEP meetings for the student.

Thirteenth: In Sec. 21, amending 16 V.S.A. § 2973, by striking out subsection (d) in its entirety and inserting in lieu thereof the following:

(d)(1) If a student is placed with an approved independent school under subsection (a) of this section and either the LEA and the school each certifies, or the hearing officer under subdivision (3) of this subsection certifies, to the Secretary of Education that the school is unable to provide required IEP services due to its inability to retain qualified staff, then the LEA shall make another placement that satisfies the federal requirements to provide the student with a free and appropriate public education in the least restrictive environment.

(2) If the conditions in subdivision (1) of this subsection are satisfied:

(A) the approved independent school shall not be subject to any disciplinary action or the revocation of its approved status by the State Board of Education due to its failure to enroll the student; and

(B) no private right of action shall be created on the part of the student or his or her family members, or any other private party, to:

(i) require the LEA to place the student with the approved independent school or the school to enroll the student; or

(ii) hold the LEA or the approved independent school responsible for monetary damages due to the failure of the school to enroll the student or the necessity for the LEA to make an alternative placement.

(3) If the LEA and approved independent school do not agree on whether the school is unable to retain qualified staff under subdivision (1) of this subsection, then the LEA and the school shall jointly contract with a hearing officer to conduct a hearing with the parties and make a determination, which shall be final. The cost for the hearing officer shall be split evenly between the two parties.
