2	Introduced by Committee on Health Care
3	Date:
4	Subject: Health; health information technology; Department of Vermont
5	Health Access; Vermont Information Technology Leaders; Green
6	Mountain Care Board; health information exchange
7	Statement of purpose of bill as introduced: This bill proposes to require the
8	Department of Vermont Health Access and the Vermont Information
9	Technology Leaders, Inc. (VITL) to submit to the General Assembly a work
10	plan, a contingency plan, and bimonthly progress reports regarding their efforts
11	to implement systemic improvements to health information technology and
12	health information exchange in Vermont. It would also require them to
13	provide testimony on their progress to the Health Reform Oversight
14	Committee. It would shift responsibility for Vermont's Health Information
15	Technology Plan from the Agency of Administration to the Department of
16	Vermont Health Access and require approval by the Green Mountain Care
17	Board. The bill would extend a portion of the health care claims tax that is
18	dedicated to health information technology through July 1, 2019. In the
19	absence of contrary legislative action during the 2019 legislative session, it
20	would also sunset VITL's statutory authority on July 1, 2019, including

1	VITL's role as operator of the State's health information exchange network
2	and its eligibility to use funds from the Health IT-Fund.

3 4	An act relating to health information technology and health information exchange
5	It is hereby enacted by the General Assembly of the State of Vermont:
6	Sec. 1. HEALTH INFORMATION TECHNOLOGY; HEALTH
7	INFORMATION EXCHANGE; PROGRESS REPORTS
8	(a) On or before May 1, 2018, the Department of Vermont Health Access
9	and the Vermont Information Technology Leaders, Inc. (VITL) shall submit to
10	the House Committees on Appropriations, on Health Care, and on Ways and
11	Means; the Senate Committees on Appropriations, on Health and Welfare, and
12	on Finance; and the Green Mountain Care Board a work plan detailing the
13	process by which the Department and VITL shall implement the
14	recommendations of the health information technology report submitted to the
15	General Assembly in accordance with 2017 Acts and Resolves No. 73, Sec. 15
16	(Act 73 report). The work plan shall be informed by stakeholder and consumer
17	input and by technology options and opportunities. The Plan shall identify
18	potential steps for addressing issues of data ownership and issues of
19	intellectual property. It shall also set forth both a timeline of tasks to be

1	completed and a list of clear objectives to assist the General Assembly in
2	evaluating the success or failure of the parties' work.
3	(b) On or before September 1, 2018, the Department of Vermont Health
4	Access and VITL shall submit to the House Committees on Appropriations, on
5	Health Care, and on Ways and Means; the Senate Committees on
6	Appropriations, on Health and Welfare, and on Finance; the Health Reform
7	Oversight Committee; and the Green Mountain Care Board a contingency plan
8	for health information technology to be used if the Department and VITL are
9	unable to implement the recommendations from the Act 73 report. The
10	contingency plan shall contain the following:
11	(1) a description of the health information exchange services that would
12	need to be replaced;
13	(2) a process for determining the manner in which the services would be
14	replaced and the mechanism for acquiring the replacement services, such as a
15	request for proposals;
16	(3) an assessment of the State's ownership interests in hardware
17	systems, software systems, applications, data, and other physical and
18	intellectual property that would need to be licensed to a future operator of
19	Vermont's health information exchange;
20	(4) a plan for transitioning operations from VITL to the new operator or
21	operators; and

1	(5) the impacts of the change on health care providers, health care
2	consumers, State government, and Vermont's health care reform initiatives.
3	(c) On or before October 15, 2018, the Department of Vermont Health
4	Access shall submit to the House Committees on Appropriations, on Health
5	Care, and on Ways and Means; the Senate Committees on Appropriations, on
6	Health and Welfare, and on Finance; the Health Reform Oversight Committee
7	and the Green Mountain Care Board the results of an evaluation, which shall
8	be conducted by an independent entity with expertise in health information
9	technology, of the work plan, the contingency plan, and the Department's and
10	VITL's progress toward implementing the recommendations in the Act 73
11	<u>report.</u>
12	(d) On or before May 1, July 1, September 1, and November 1, 2018 and
13	January 1, 2019, the Department of Vermont Health Access and VITL shall
14	provide to the House Committees on Appropriations, on Health Care, and on
15	Ways and Means; the Senate Committees on Appropriations, on Health and
16	Welfare, and on Finance; the Health Reform Oversight Committee; and the
17	Green Mountain Care Board written updates on their progress toward
18	implementing the recommendations contained in the Act 73 report.
19	(e) In addition to the written updates required by subsection (d) of this
20	section, the Department of Vermont Health Access and VITL shall provide
21	testimony on their progress toward implementing the recommendations

1	contained in the Act 73 report at a meeting of the Health Reform Oversight
2	Committee at least once every two months or more frequently if so requested
3	by the Committee. The testimony at the Committee's first meeting after the
4	General Assembly has adjourned in 2018 shall also include information
5	regarding the work plan required by subsection (a) of this section, and the
6	testimony at the Committee's first meeting after September 1, 2018 shall also
7	include information regarding the contingency plan required by subsection (b)
8	of this section.
9	Sec. 2. 18 V.S.A. § 9351 is amended to read:
10	§ 9351. HEALTH INFORMATION TECHNOLOGY PLAN
11	(a)(1) The Secretary of Administration or designee Department of Vermont
12	Health Access, in consultation with the Department's Health Information
13	Exchange Steering Committee, shall be responsible for the overall
14	coordination of Vermont's statewide Health Information Technology Plan.
15	The Plan shall be revised annually and updated comprehensively every five
16	years to provide a strategic vision for clinical health information technology.
17	(2) The Department shall submit the proposed Plan to the Green
18	Mountain Care Board annually on or before November 1. The Green
19	Mountain Care Board shall approve, reject, or request modifications to the Plan
20	within 45 days following its submission; if the Board has taken no action after
21	45 days, the Plan shall be deemed to have been approved.

(3) The Secretary or designee Department, in consultation with the Steering Committee, shall administer the Plan, which shall include the implementation of an integrated electronic health information infrastructure for the sharing of electronic health information among health care facilities, health care professionals, public and private payers, and patients. The Plan shall include standards and protocols designed to promote patient education, patient privacy, physician best practices, electronic connectivity to health care data, and, overall, a more efficient and less costly means of delivering quality health care in Vermont.

Department of Vermont Health Access, in consultation with the Steering

Committee and subject to Green Mountain Care Board approval, may propose updates to the Plan in addition to the annual updates as needed to reflect emerging technologies, the State's changing needs, and such other areas as the Secretary or designee Department deems appropriate. The Secretary or designee Department shall solicit recommendations from Vermont Information Technology Leaders, Inc. (VITL) and other entities interested stakeholders in order to update propose updates to the Health Information Technology Plan pursuant to subsection (a) of this section and to this subsection, including applicable standards, protocols, and pilot programs, and following approval of

1	the proposed updates by the Green Mountain Care Board, may enter into a
2	contract or grant agreement with VITL or other appropriate entities to update
3	some or all of the Plan. Upon approval by the Secretary of the updated Plan by
4	the Green Mountain Care Board, the Department of Vermont Health Access
5	shall distribute the updated Plan shall be distributed to the Secretary of
6	Administration: the Commissioner of Information and Innovation; the
7	Commissioner of Financial Regulation; the Commissioner of Vermont Health
8	Access; the Secretary of Human Services; the Commissioner of Health; the
9	Commissioner of Mental Health; the Commissioner of Disabilities, Aging, and
10	Independent Living; the Senate Committee on Health and Welfare; the House
11	Committee on Health Care; affected parties; and interested stakeholders.
12	Unless major modifications are required, the Secretary Department may
13	present updated information about the Plan to the Green Mountain Care Board
14	and legislative committees of jurisdiction in lieu of creating a written report.
