§ 4651. WHOLESAL IMPORTATION PROGRAM FOR PRESCRIPTION DRUGS; DESIGN

(a) The Agency of Human Services, in consultation with interested stakeholders and appropriate federal officials, shall design a wholesale prescription drug importation program that complies with the applicable requirements of 21 U.S.C. § 384, including the requirements regarding safety and cost savings. The program design shall:

(1) designate a State agency that shall either become a licensed drug wholesaler or contract with a licensed drug wholesaler in order to seek federal certification and approval to import safe prescription drugs and provide significant prescription drug cost savings to Vermont consumers;

(2) use Canadian prescription drug suppliers regulated under the laws of Canada or of one or more Canadian provinces, or both;

(3) ensure that only prescription drugs meeting the U.S. Food and Drug Administration's safety, effectiveness, and other standards shall be imported by or on behalf of the State;

(4) import only those prescription drugs expected to generate substantial savings for Vermont consumers;

(5) ensure that the program complies with the tracking and tracing requirements of 21 U.S.C. §§ 360eee and 360eee-1 to the extent feasible and practical prior to imported drugs coming into the possession of the State wholesaler and that it complies fully after imported drugs are in the possession of the State wholesaler;

(6) prohibit the distribution, dispensing, or sale of imported products outside Vermont's borders;

(7) recommend a charge per prescription or another method of support to ensure that the program is funded adequately in a manner that does not jeopardize significant consumer savings; and

(8) include a robust audit function.

(b) On or before January 1, 2019, the Secretary of Human Services shall submit the proposed design for a wholesale prescription drug importation program to the House Committees on Health Care and on Ways and Means and the Senate Committees on Health and Welfare and on Finance.

§ 4652. MONITORING FOR ANTICOMPETITIVE BEHAVIOR

The Agency of Human Services shall consult with the Office of the Attorney General to identify the potential, and to monitor, for anticompetitive behavior in industries that would be affected by a wholesale prescription drug importation program.

(b) The Agency of Human Services shall seek the appropriate federal approvals, waivers, exemptions, or agreements, or a combination thereof, as needed to enable all covered entities enrolled in or eligible for the federal 340B Drug Pricing Program to participate in the State's wholesale prescription drug importation program to the fullest extent possible without jeopardizing their eligibility for the 340B Program.

§ 4654. PROGRAM FINANCING

The Agency of Human Services shall not implement the wholesale prescription drug importation program until the General Assembly enacts legislation establishing a charge per prescription or another method of financial support for the program.
