Working Group * * *

Sec. 15. ETHNIC AND SOCIAL EQUITY STANDARDS ADVISORY

WORKING GROUP

(a) Findings.

(1) In 1999, the Vermont Advisory Committee to the U.S. Commission on Civil Rights published a report titled Racial Harassment in Vermont Public Schools and described the state of racism in public schools. The Committee held various hearings and received reports from stakeholders and concluded that “racial harassment” appeared “pervasive in and around the State’s public schools,” and observed that “the elimination of this harassment” was “not a priority among school administrators, school boards, elected officials, and State agencies charged with civil rights enforcement.”

(2) In 2003, the Commission released a follow-up report concluding that, although some positive efforts had been made since the original report was published, the problem persisted. One of the many problems highlighted was “curriculum issues in the State’s public schools. In some instances, teachers employ curriculum materials and lesson plans that promote racial stereotypes.” One of the conclusions was that there was a need for a bias-free curriculum.

(3) On December 2017, the Act 54 report on Racial Disparities in State Systems, issued by the Attorney General and Human Rights Commission Task Force, was released. According to the report, education is one of the five State systems in which racial disparities persist and need to be addressed. The Attorney General and Human Rights Commission held three stakeholder meetings and found “a surprising amount of coalescence around the most important issues” and “the primary over-arching theme was that we will be able to reduce racial disparities by changing the underlying culture of our state with regard to race.” One of the main suggestions for accomplishing this was to “teach children from an integrated curriculum that fairly represents both the contributions of People of Color (as well as indigenous people, women, people with disabilities, etc.), while fairly and accurately representing our history of oppression of these groups.” The other suggestions were to educate State employees about implicit bias, white privilege, white fragility, and white supremacy, and increase the representation of people of color in the State and school labor forces by focusing on recruitment, hiring, and retention, as well as promotion of people of color into positions of authority and responsibility on boards and commissions.

(4) The harassment of lesbian, gay, bisexual, transgender, queer, questioning, intersex, asexual, and nonbinary communities; other students of color; and students with disabilities and the lack of understanding of people in power about the magnitude of the systemic impacts of harassment and bias damage the whole community.

(b) Definitions. As used in this act:

(1) “Ethnic groups” means nondominant racial and ethnic groups in the

United States, including people who are indigenous and people of African, Asian, Pacific Island, Chicanx, Latinx, or Middle Eastern descent.

(2) “Ethnic studies” means the instruction of students in prekindergarten through grade 12 in the historical contributions and perspectives of ethnic groups and social groups.

(3) “Social groups” means females, people with disabilities, immigrants, refugees, and individuals who are lesbian, gay, bisexual, transgender, queer, questioning, intersex, asexual, or nonbinary.

(c) Creation and composition. The Ethnic and Social Equity Standards Advisory Working Group is established. The Working Group shall comprise the following 17 members:

(1) eight members who are members of, and represent the interests of, ethnic groups and social groups;

(3) the Secretary of Education or designee;

(2) As a group, the Working Group shall represent the breadth of geographic areas within the State and shall have experience in the areas of

ethnic standards or studies, social justice, inclusivity, and advocacy for the groups they represent.

(3)(A) The Secretary of Education or designee shall call the first meeting of the Working Group to occur on or before September 1, 2018.

(B) The Working Group shall select a chair from among its members at the first meeting.

(C) A majority of the membership shall constitute a quorum.

(D) The Working Group shall cease to exist on July 1, 2021.

(e) Compensation and reimbursement. Members of the Committee who are not employees of the State of Vermont and who are not otherwise compensated or reimbursed for their attendance shall be entitled to per diem compensation and reimbursement of expenses pursuant to 32 V.S.A. § 1010 for not more than ten meetings per year. These payments shall be made from monies appropriated to the Agency of Education.

(f) Appropriation. The sum of \$13,420.00 is appropriated to the Agency of Education from the General Fund for fiscal year 2019 for the per diem compensation and expense reimbursements authorized by this section to be paid to the members of the Ethnic and Social Equity Standards Advisory Working Group.
