

Senate proposal of amendment to House proposal of amendment

S. 262

An act relating to miscellaneous changes to the Medicaid program and the Department of Vermont Health Access

The Senate concurs in the House proposal of amendment with the following proposal of amendments thereto:

First: In Sec. 12, 33 V.S.A. § 1814, by striking out subdivision (a)(1) and inserting a new subdivision (a)(1) to read as follows:

(a)(1) Notwithstanding any provision of 8 V.S.A. § 4089i to the contrary, the Green Mountain Care Board may approve modifications to the out-of-pocket prescription drug limit established in 8 V.S.A. § 4089i for one or more bronze-level plans, as long as the Board finds that the offering of such plans will not adversely impact the plan options available to consumers with high prescription drug needs who benefit from the out-of-pocket prescription drug limit established in 8 V.S.A. § 4089i.

Second: By adding a reader assistance heading and a new section to be Sec. 14a to read as follows:

* * * Membership of Health Reform Oversight Committee * * *

Sec. 14a. 2 V.S.A. § 691 is amended to read:

§ 691. COMMITTEE CREATION

There is created the legislative Health Reform Oversight Committee. The Committee shall be composed of the following eight members:

* * *

(8) ~~the Chair of the Senate Committee on Economic Development, Housing and General Affairs~~ one member of the Senate appointed by the Committee on Committees.
