

S.285

An act relating to universal recycling requirements

The Senate concurs in the House proposal of amendment with the following proposal of amendment thereto:

By adding Sec. 4a and a reader assistance heading to read as follows:

\* \* \* Unclaimed Beverage Container Deposits \* \* \*

Sec. 4a. 10 V.S.A. § 1530 is added to read:

§ 1530. ABANDONED BEVERAGE CONTAINER DEPOSITS; DEPOSIT  
TRANSACTION ACCOUNT; BEVERAGE REDEMPTION FUND

(a) As used in this section, “deposit initiator” means the first distributor or manufacturer to collect the deposit on a beverage container sold to any person within the State.

(b) A deposit initiator shall open a separate interest-bearing account to be known as the deposit transaction account in a Vermont branch of a financial institution. The deposit initiator shall keep the deposit transaction account separate from all other revenues and accounts.

(c) Beginning on July 1, 2019, each deposit initiator shall deposit in its deposit transaction account the refund value established by section 1522 of this title for all beverage containers sold by the deposit initiator. The deposit initiator shall deposit the refund value for each beverage container in the deposit transaction account not more than three business days after the date on

which the beverage container is sold. All interest, dividends, and returns earned on the deposit transaction account shall be paid directly to the account. The deposit initiator shall pay all refunds on returned beverage containers from the deposit transaction account.

(d) Beginning on October 10, 2019, and quarterly thereafter, every deposit initiator shall report to the Secretary of Natural Resources and the Commissioner of Taxes concerning transactions affecting the deposit initiator's deposit transaction account in the preceding quarter. The deposit initiator shall submit the report on a form provided by the Commissioner of Taxes. The report shall include:

(1) the balance of the deposit transaction account at the beginning of the preceding quarter;

(2) the number of beverage containers sold in the preceding quarter and the number of beverage containers returned in the preceding quarter;

(3) the amount of beverage container deposits received by the deposit initiator and deposited into the deposit transaction account;

(4) the amount of refund payments made from the deposit transaction account in the preceding quarter;

(5) any income earned on the deposit transaction account in the preceding quarter;

(6) any other transactions, withdrawals, or service charges on the deposit transaction account from the preceding quarter; and

(7) any additional information required by the Commissioner of Taxes.

(e)(1) On or before October 10, 2019, and quarterly thereafter, each deposit initiator shall remit from its deposit transaction account to the Commissioner of Taxes any abandoned beverage container deposits from the preceding quarter. The amount of abandoned beverage container deposits for a quarter is the amount equal to the amount of deposits that should be in the deposit transaction account less the sum of:

(A) income earned on amounts on the deposit transaction account during that quarter; and

(B) the total amount of refund value paid out by the deposit initiator for beverage containers during that quarter.

(2) In any calendar quarter, the deposit initiator may submit to the Commissioner of Taxes a request for reimbursement of refunds paid under this chapter that exceed the funds that are or should be in the deposit initiator's deposit transaction account. The Commissioner of Taxes shall pay a request for reimbursement under this subdivision from the funds remitted to the Commissioner under subdivision (1) of this subsection, provided that:

(A) the Commissioner determines that the funds in the deposit initiator's deposit transaction account are insufficient to pay the refunds on returned beverage containers; and

(B) a reimbursement paid by the Commissioner to the deposit initiator shall not exceed the amount paid by the deposit initiator under subdivision (1) of this subsection (e) during the preceding 12 months less amounts paid to the initiator pursuant to this subdivision (2) during that same 12-month period.

(f) The Secretary of Natural Resources may prohibit the sale of a beverage that is sold or distributed in the State by a deposit initiator who fails to comply with the requirements of this chapter. The Secretary may allow the sale of a beverage upon the deposit initiator's coming into compliance with the requirements of this chapter.
