S. 267

An act relating to timing of a decree nisi in a divorce proceeding

Pending Action: Shall the report of the committee on Judiciary be substituted by the Amendment offered by Rep. LaLonde, et al.?

Amendment to be offered by Reps. Lalonde of South Burlington, Colburn of Burlington, Jessup of Middlesex, Morris of Bennington, Conquest of Newbury and Grad of Moretown to S. 267

Move to substitute for the report of the Committee on Judiciary by striking all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. 13 V.S.A. § 9 is amended to read:

§ 9. ATTEMPTS

(a) Attempts; generally. Except as provided in subsection (d) of this section, a person who attempts to commit an offense and does an act toward the commission thereof, but by reason of being interrupted or prevented fails in the execution of the same, shall be punished as herein provided unless other express provision is made by law for the punishment of the attempt. If the offense attempted to be committed is murder, aggravated murder, kidnapping, arson causing death, human trafficking, aggravated human trafficking, aggravated sexual assault, or sexual assault, a person shall be punished as the offense attempted to be committed is by law punishable.

(b) Felonies. If the offense attempted to be committed is a felony other than those set forth in subsection (a)(d) of this section, a person shall be punished by the less severe of the following punishments:

(1) imprisonment for not more than 10 years or fined not more than $10,000.00, or both; or

(2) as the offense attempted to be committed is by law punishable.

(c) Misdemeanors. If the offense attempted to be committed is a misdemeanor, a person shall be imprisoned or fined, or both, in an amount not to exceed one-half the maximum penalty for which the offense so attempted to be committed is by law punishable.

(d) Serious violent felonies.
(1) If the offense attempted to be committed is murder, aggravated murder, kidnapping, arson causing death, human trafficking, aggravated human trafficking, aggravated sexual assault, or sexual assault, the penalty shall not exceed the maximum penalty for the offense attempted to be committed, but any presumptive or mandatory minimum penalty applicable to the offense attempted to be committed shall not apply to an attempt to commit that offense.

(2) Notwithstanding subsection (a) of this section, a person is guilty of an attempt to commit an offense under this subsection if, with the purpose of committing the offense, he or she performs any act that is a substantial step toward the commission of the offense. A “substantial step” is conduct strongly corroborative of the actor’s intent to complete the commission of the offense and that advances beyond mere preparation.

(3) Conduct shall not be held to constitute a substantial step under subdivision (2) of this subsection unless it is strongly corroborative of the actor’s criminal purpose. Without negating the sufficiency of other conduct, the following, if strongly corroborative of the actor’s criminal purpose, shall not be held insufficient as a matter of law:

(A) lying in wait, searching for, or following the contemplated victim of the crime;

(B) enticing or seeking to entice the contemplated victim of the crime to go to the place contemplated for the commission of the crime;

(C) reconnoitering the place contemplated for the commission of the crime;

(D) unlawfully entering a structure, vehicle, or enclosure contemplated for the commission of the crime;

(E) possessing materials to be employed in the commission of the crime that are:

   (i) specially designed for such unlawful use; or

   (ii) that can serve no lawful purpose under the circumstances;

(F) possessing, collecting, or fabricating of materials to be employed in the commission of the crime, at or near the place contemplated for its commission, if such possession, collection, or fabrication serves no lawful purpose of the actor under the circumstances; or

(G) soliciting an innocent agent to engage in conduct constituting an element of the crime.

(4) Defenses.
(A) It is no defense to a prosecution under this subsection (d) that the offense attempted was, under the actual attendant circumstances, factually or legally impossible of commission, if such offense could have been committed had the attendant circumstances been as the actor believed them to be.

(B) It shall be an affirmative defense to a charge under this subsection (d) that the actor abandoned his or her effort to commit the crime or otherwise prevented its commission, under circumstances manifesting a complete and voluntary renunciation of his or her criminal purpose. The establishment of such a defense does not affect the liability of an accomplice who did not join in such abandonment or prevention. Renunciation of criminal purpose is not voluntary if it is motivated, in whole or in part, by circumstances, not present or apparent at the inception of the actor’s course of conduct, that increase the probability of detection or apprehension or that make more difficult the accomplishment of the criminal purpose. Renunciation is not complete if it is motivated by a decision to postpone the criminal conduct until a more advantageous time or to transfer the criminal effort to another but similar objective or victim.

An act relating to consumer justice enforcement

Rep. Colburn of Burlington, for the Committee on Judiciary, recommends that the House propose to the Senate that the bill be amended by striking all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. 9 V.S.A. chapter 152 is added to read:

CHAPTER 152. MODEL STATE CONSUMER JUSTICE ENFORCEMENT ACT; STANDARD-FORM CONTRACTS

§ 6055. UNCONSCIONABLE TERMS IN STANDARD-FORM CONTRACTS PROHIBITED

(a) Unconscionable terms. There is a rebuttable presumption that the following contractual terms are substantively unconscionable when included in a standard-form contract to which one of the parties to the contract is an individual and that individual does not draft the contract:

(1) A requirement that resolution of legal claims take place in an inconvenient venue. As used in this subdivision, “inconvenient venue” includes for State law claims a place other than the state in which the individual resides or the contract was consummated, and for federal law claims a place other than the federal judicial district where the individual resides or the contract was consummated. Inconvenient venue shall not include the State or federal judicial district in which the individual suffered injury during the performance of the contract.

(2) A waiver of the individual’s right to assert claims or seek remedies provided by State or federal statute.

(3) A waiver of the individual’s right to seek punitive damages as provided by law.

(4) Pursuant to 12 V.S.A. § 465, a provision that limits the time in which an action may be brought under the contract or that waives the statute of limitations.

(5) A requirement that the individual pay fees and costs to bring a legal claim substantially in excess of the fees and costs that this State’s courts require to bring such a State law claim or that federal courts require to bring such a federal law claim.
(b) Relation to common law and the Uniform Commercial Code.

(1) In determining whether the terms described in subsection (a) of this section are unenforceable, a court shall consider the principles that normally guide courts in this State in determining whether unconscionable terms are enforceable. Additionally, the common law and Uniform Commercial Code shall guide courts in determining the enforceability of unfair terms not specifically identified in subsection (a) of this section.

(2) When a party claims or it appears to the court that the contract or any clause within the contract is unconscionable, the parties shall be afforded a reasonable opportunity to present evidence regarding its commercial setting, purpose, and effect to aid the court in making a determination.

(c) Severability. If a court finds that a standard-form contract contains an unconscionable term, the court shall:

(1) so limit the application of the unconscionable term or the clause containing that term as to avoid any illegal or unconscionable result; or

(2) refuse to enforce the entire contract or the specific part, clause, or provision containing the unconscionable term.

(d) Unfair and deceptive act and practice.

(1) In an underlying legal dispute between the drafting and non-drafting parties in which the drafting party seeks to enforce one or more terms identified in subsection (a) of this section, and upon a finding that such terms are actually unconscionable, the court may also find that the drafting party has thereby committed an unfair and deceptive practice in violation of section 2453 of this title and may order up to $1,000.00 in statutory damages per violation and an award of reasonable costs and attorney’s fees.

(2) Each term the drafting party seeks to enforce that is found by the court to be actually unconscionable may constitute a separate violation of this section.

(e) Limitation on applicability. This section shall not apply to contracts to which one party is:

(1) regulated by the Vermont Department of Financial Regulation; or

(2) a financial institution as defined by 8 V.S.A. § 11101(32).

Sec. 1. 28 V.S.A. §107 is amended to read:

§ 107. OFFENDER AND INMATE RECORDS; CONFIDENTIALITY; EXCEPTIONS; CORRECTIONS

(a)(1) The Commissioner shall adopt a rule pursuant to 3 V.S.A. chapter 25 defining what are “offender and inmate records,” as that phrase is produced or acquired by the Department.

(2) As used in this section, the phrase “offender and inmate records” means the records defined under the rule required under subdivision (1) of this subsection.

The information in the records may be used for any lawful purpose but shall not otherwise be made public.

(4) Shall release or permit inspection of such records to the Department for Children and Families for the purpose of child protection, unless otherwise prohibited by law.

(C) may limit the offender’s or inmate’s access to include only records produced or acquired in the year preceding the date of the request;

(D) may limit the number of requests by an offender or inmate that will be fulfilled per calendar year, as long as provided that the Department fulfills at least one request two requests by the offender or inmate per calendar year excluding any release of records ordered by a court, and at least one additional request in the same calendar year limited to records not in existence at the time of the original request or not within the scope of the original request. The rules also;

The rule shall provide for a final exhaustion of administrative appeals no later than 45 days from the Department’s receipt of the initial request.

(e)(d) An offender or inmate may request that the Department correct a fact in a record maintained by the Department that is material to his or her rights or

The rule required under subsection (c) of this section shall reference that requests for such corrections are handled in accordance with the Department’s grievance process. If the Department issues a final decision denying a request under this subsection, the offender or inmate may appeal the decision to the Civil Division of the Superior Court pursuant to Rule 74 of the Vermont Rules of Civil Procedure. An act relating to the Vermont Fair Repair Act

Rep. Myers of Essex, for the Committee on Commerce and Economic Development, recommends that the House propose to the Senate that the bill be amended by striking all after the enacting clause and inserting in lieu thereof the following:

bill be amended by striking out all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. FINDINGS

The General Assembly finds:

(1) The repair of modern electronic products, even for such minor repairs as replacing a battery or screen, often becomes difficult or impossible due to manufacturers’ limitation of access to information or parts to effect those repairs.

(2) Manufacturers may limit access to only those customers who are under warranty; may refuse access for owners of older models; and may refuse to stock or sell parts at fair and reasonable prices. Consequently, consumers are often left with few options other than to buy new.

(3) Modern repairs involve electronics. Repairing those electronics requires information, parts, firmware access, and tooling specifications from the product designers.

(4) The knowledge and tools to repair and refurbish consumer electronic products should be distributed as widely and freely as the products themselves. In contrast to centralized manufacturing, reuse must be broadly distributed to achieve economies of scale.

(5) Many manufacturers have made commitments to sustainability, repair, and reuse, and the innovation economy of Vermont and the United States has had many positive economic and environmental impacts. Legislation that further promotes extending the lifespan of consumer electronic products can create jobs and benefit the environment.

(6) As demonstrated by Massachusetts’s experience with a right to repair initiative concerning automobiles in 2014, which resulted in a compromise between manufacturers and independent repair providers to adopt a voluntary nationwide approach for providing diagnostic codes and repair data available in a common format by the 2018 model year, legislative action to
secure a right to repair can achieve positive benefits for manufacturers, independent businesses, and consumers.

Sec. 2. RIGHT TO REPAIR TASK FORCE; REPORT

(a) Creation. There is created the Right to Repair Task Force.

(b) Membership. The Task Force shall be composed of the following five members:

(1) one current member of the House of Representatives, appointed by the Speaker of the House;

(2) one current member of the Senate, appointed by the Committee on Committees;

(3) the Attorney General or designee;

(4) the Secretary of Commerce and Community Development or designee; and

(5) the Secretary of Digital Services or designee.

(c) Stakeholder engagement. The Task Force shall solicit testimony and participation in its work from representatives of relevant stakeholders, including authorized and independent repair providers, and business and consumer groups with an interest in consumer electronic products.

(d) Powers and duties. The Task Force shall review and consider the following issues relating to potential legislation designed to secure the right to repair consumer electronic products, including personal electronic devices such as cell phones, tablets, and computers:

(1) the scope of products to include;

(2) economic costs and benefits, including economic development and workforce opportunities;

(3) effects on the cost and availability to consumers of new and used consumer electronic products in the marketplace, including diminished availability of refurbished products for secondary users;

(4) environmental and economic costs of electronic waste;

(5) legal issues, including intellectual property and trade secrets, potential for alignment or conflict with federal law, and litigation risks;

(6) privacy and security features in electronic products; and

(7) any other issues the Task Force considers relevant and necessary to accomplish its work.
(e) Assistance. The Task Force shall have the administrative, legal, and fiscal assistance of the Office of Legislative Council and the Joint Fiscal Office. Relevant agencies and departments within State government shall provide their technical and other expertise upon request of the Task Force.

(f) Report. On or before January 15, 2019, the Task Force shall submit a written report to the Senate Committee on Economic Development, Housing and General Affairs and the House Committee on Commerce and Economic Development with its findings and any recommendations for legislative action, including specific findings and recommendations concerning personal electronic devices such as cell phones, tablets, and computers.

(g) Meetings.

(1) The Office of Legislative Council shall call the first meeting of the Task Force to occur on or before August 15, 2018.

(2) The legislative members of the Task Force shall serve as co-chairs.

(3) A majority of the membership shall constitute a quorum.

(4) The Task Force shall cease to exist on January 15, 2019.

(h) Compensation and reimbursement. For attendance at meetings during adjournment of the General Assembly, a legislative member of the Task Force serving in his or her capacity as a legislator shall be entitled to per diem compensation and reimbursement of expenses pursuant to 2 V.S.A. § 406 for not more than five meetings. These payments shall be made from monies appropriated to the General Assembly.

An act relating to adjudicating all teenagers in the Family Division, except those charged with a serious violent felony

Rep. Grad of Moretown, for the Committee on Judiciary, recommends that the House propose to the Senate that the bill be amended by striking all after the enacting clause and inserting in lieu thereof the following:
*** Findings ***

Sec. 1. 33 V.S.A. § 5101a is added to read:

§ 5101a. JUVENILE JUSTICE LEGISLATIVE FINDINGS

(a) The General Assembly finds and declares as public policy that an effective juvenile justice system: protects public safety; connects youths and young adults to age-appropriate services that reduce the risk of reoffense; and, when appropriate, shields youths from the adverse impact of a criminal record.

(b) In order to accomplish these goals, the system should be based on the implementation of data-driven evidence-based practices that offer a broad range of alternatives, such that the degree of intervention is commensurate with the risk of reoffense.

(c) High-intensity interventions with low-risk offenders not only decrease program effectiveness, but are contrary to the goal of public safety in that they increase the risk of recidivism. An effective youth justice system includes pre-charge options that keep low-risk offenders out of the criminal justice system altogether.

*** Expungement ***

Sec. 2. 13 V.S.A. § 7609 is added to read:

§ 7609. EXPUNGEMENT OF CRIMINAL HISTORY RECORDS OF AN INDIVIDUAL 18-21 YEARS OF AGE

Except as provided in subsection (b) of this section, the record of the criminal proceedings for an individual who was 18-21 years of age at the time the individual committed a qualifying crime shall be expunged within 30 days after the date on which the individual successfully completed the terms and conditions of the sentence for the conviction of the qualifying crime, absent a finding of good cause by the court. The court shall issue an order to expunge all records and files related to the arrest, citation, investigation, charge, adjudication of guilt, criminal proceedings, and probation related to the sentence. A copy of the order shall be sent to each agency, department, or official named in the order. Thereafter, the court, law enforcement officers, agencies, and departments shall reply to any request for information that no record exists with respect to such individual. Notwithstanding this subsection, the record shall not be expunged until restitution has been paid in full.

(b) Exceptions.

(1) A criminal record that includes both qualifying and nonqualifying offenses shall not be eligible for expungement pursuant to this section.
(2) The Vermont Crime Information Center shall retain a special index of sentences for sex offenses that require registration pursuant to chapter 167, subchapter 3 of this title. This index shall only list the name and date of birth of the subject of the expunged files and records, the offense for which the subject was convicted, and the docket number of the proceeding that was the subject of the expungement. The special index shall be confidential and shall be accessed only by the Director of the Vermont Crime Information Center and an individual designated for the purpose of providing information to the Department of Corrections in the preparation of a presentence investigation in accordance with 28 V.S.A. §§ 204 and 204a.

Sec. 3. 13 V.S.A. § 7606 is amended to read:

§ 7606. EFFECT OF EXPUNGEMENT

* * *

(d)(1) The court may shall keep a special index of cases that have been expunged together with the expungement order and the certificate issued pursuant to section 7602 or 7603 of this title this chapter. The index shall list only the name of the person convicted of the offense, his or her date of birth, the docket number, and the criminal offense that was the subject of the expungement.

(2) The special index and related documents specified in subdivision (1) of this subsection shall be confidential and shall be physically and electronically segregated in a manner that ensures confidentiality and that limits access to authorized persons.

(3) Inspection of the expungement order and the certificate may be permitted only upon petition by the person who is the subject of the case or by the court if the court finds that inspection of the documents is necessary to serve the interest of justice. The Administrative Judge may permit special access to the index and the documents for research purposes pursuant to the rules for public access to court records.

(4) All other court documents in a case that are subject to an expungement order shall be destroyed.

Sec. 6. 33 V.S.A. § 5225 is amended to read:

§ 5225. PRELIMINARY HEARING; RISK ASSESSMENT

(a) Preliminary hearing. A preliminary hearing shall be held at the time and date specified on the citation or as otherwise ordered by the court. If a
child is taken into custody prior to the preliminary hearing, the preliminary hearing shall be at the time of the temporary care hearing. Counsel for the child shall be assigned prior to the preliminary hearing.

(b) Risk and needs screening.

(1) Prior to the preliminary hearing, the child shall be afforded an opportunity to undergo a risk and needs screening, which shall be conducted by the Department or by a community provider that has contracted with the Department to provide risk and need screenings for children alleged to have committed delinquent acts.

(2) If the child participates in such a screening, the Department or the community provider shall report the risk level result of the screening, the number and source of the collateral contacts made, and the recommendation for charging or other alternatives to the State’s Attorney. The State’s Attorney shall consider the results of the risk and needs screening in determining whether to file a charge. In lieu of filing a charge, the State’s Attorney may refer a child directly to a youth-appropriate community-based provider that has been approved by the Department, which may include a community justice center or a balanced and restorative justice program. Referral to a community-based provider pursuant to this subsection shall not require the State’s Attorney to file a charge. If the community-based provider does not accept the case or if the child fails to complete the program in a manner deemed satisfactory and timely by the provider, the child’s case shall return to the State’s Attorney for charging consideration.

(3) If a charge is brought in the Family Division, the risk level result shall be provided to the child’s attorney. Except on agreement of the parties, the results shall not be provided to the court until after a merits finding has been made.

(c) Counsel for the child shall be assigned prior to the preliminary hearing. Referral to diversion. Based on the results of the risk and needs screening, if a child presents a low to moderate risk to reoffend, the State’s Attorney shall refer the child directly to court diversion unless the State’s Attorney states on the record why a referral to court diversion would not serve the ends of justice. If the court diversion program does not accept the case or if the child fails to complete the program in a manner deemed satisfactory and timely by the provider, the child’s case shall return to the State’s Attorney for charging consideration.

(d) Guardian ad litem. At the preliminary hearing, the court shall appoint a guardian ad litem for the child. The guardian ad litem may be the child’s parent, guardian, or custodian. On its own motion or motion by the child’s
attorney, the court may appoint a guardian ad litem other than a parent, guardian, or custodian.

(e) Admission; denial. At the preliminary hearing, a denial shall be entered to the allegations of the petition, unless the juvenile, after adequate consultation with the guardian ad litem and counsel, enters an admission. If the juvenile enters an admission, the disposition case plan required by section 5230 of this title may be waived and the court may proceed directly to disposition, provided that the juvenile, the custodial parent, the State’s Attorney, the guardian ad litem, and the Department agree.

(f) Conditions. The court may order the child to abide by conditions of release pending a merits or disposition hearing.

Sec. 7. 33 V.S.A. § 5203 is amended to read:

§ 5203. TRANSFER FROM OTHER COURTS

(a) If it appears to a Criminal Division of the Superior Court that the defendant was under 18 years of age at the time the offense charged was alleged to have been committed and the offense charged is a misdemeanor, that court shall forthwith transfer the case to the Family Division of the Superior Court under the authority of this chapter, and the minor shall then be considered to be subject to this chapter as a child charged with a delinquent act.

(b) If it appears to a Criminal Division of the Superior Court that the defendant was under 18 years of age at the time a felony offense not specified in subsection 5204(a) of this title was alleged to have been committed, that court shall forthwith transfer the proceeding to the Family Division of the Superior Court under the authority of this chapter, and the minor shall thereupon be considered to be subject to this chapter as a child charged with a delinquent act.

Sec. 8. 33 V.S.A. § 5280 is amended to read:
§ 5280. COMMENCEMENT OF YOUTHFUL OFFENDER
PROCEDINGS IN THE FAMILY DIVISION

(a) A proceeding under this chapter shall be commenced by:

(1) the filing of a youthful offender petition by a State’s Attorney; or

(2) transfer to the Family Court of a proceeding from the Criminal
Division of the Superior Court as provided in section 5281 of this title.

(b) A State’s Attorney may commence a proceeding in the Family Division
of the Superior Court concerning a child who is alleged to have committed an
offense after attaining 16 years of age but not 22 years of age that could
otherwise be filed in the Criminal Division.

(c) If a State’s Attorney files a petition under subdivision (a)(1) of this
section, the case shall proceed as provided under subsection 5281(b) of this
title.

(d) Within 15 days after the commencement of a youthful offender
proceeding pursuant to subsection (a) of this section, the youth shall be offered
a risk and needs screening, which shall be conducted by the Department or by
a community provider that has contracted with the Department to provide risk
and needs screenings. The risk and needs screening shall be completed prior to
the youthful offender status hearing held pursuant to section 5283 of this title.
Unless the court extends the period for the risk and needs screening for good
cause shown, the Family Division shall reject the case for youthful offender
treatment if the youth does not complete the risk and needs screening within
15 days.

(1) The Department or the community provider shall report the risk level
result of the screening, the number and source of the collateral contacts made,
and the recommendation for charging or other alternatives to the State’s
Attorney.

(2) Information related to the present alleged offense directly or
indirectly derived from the risk and needs screening or other conversation with
the Department or community-based provider shall not be used against the
youth in the youth’s criminal or juvenile case for any purpose, including
impeachment or cross-examination. However, the fact of participation in risk
and needs screening may be used in subsequent proceedings.

(e) If a youth presents a low to moderate risk to reoffend based on the
results of the risk and needs screening, the State’s Attorney shall refer a youth
directly to court diversion unless the State’s Attorney states on the record at the
hearing held pursuant to section 5283 of this title why a referral would not
serve the ends of justice. If the court diversion program does not accept the
case or if the youth fails to complete the program in a manner deemed
satisfactory and timely by the provider, the youth’s case shall return to the State’s Attorney for charging consideration.

Sec. 9. 33 V.S.A. § 5282 is amended to read:

§ 5282. REPORT FROM THE DEPARTMENT

(a) Within 30 days after the case is transferred to the Family Division or a youthful offender petition is filed in the Family Division, youth has completed the risk and needs screening pursuant to section 5280 of this title, unless the court extends the period for good cause shown, the Department for Children and Families shall file a report with the Family Division of the Superior Court.

Sec. 10. 33 V.S.A. § 5285(d) is amended to read:

(d) If a youth’s status as a youthful offender is revoked and the case is transferred to the Criminal Division pursuant to subdivision (c)(2) of this section, the court shall hold a sentencing hearing and impose sentence. Unless it serves the interest of justice, the case shall not be transferred back to the Family Division pursuant to section 5203 of this title. When determining an appropriate sentence, the court may take into consideration the youth’s degree of progress toward or regression from rehabilitation while on youthful offender status. The Criminal Division shall have access to all Family Division records of the proceeding.

(c) The purpose or capacity of the Woodside Juvenile Rehabilitation Center shall not be altered except by act of the General Assembly following a study recommending any change of use by the Agency of Human Services.

(d) No person who has reached his or her 18th birthday may be placed at Woodside. Notwithstanding any other provision of law, a person under the age of 18 years of age may be placed at Woodside, provided that he or she meets the admissions criteria for treatment as established by the Department for Children and Families. Any person already placed at Woodside may voluntarily continue receiving treatment at Woodside beyond his or her 18th birthday, provided that he or she continues to meet the criteria established by
the Department for continued treatment. The Commissioner shall ensure that a child placed at Woodside has the same or equivalent due process rights as a child placed at Woodside in its previous role as a detention facility prior to the enactment of this act.

To the extent that inadequate funding and supports are available for the expansion, the Committees shall, on or before December 1, 2018, December 1, 2019, and December 1, 2021, recommend legislation to address the inadequacies or amend the timeline for the rollout of the expansion.

(1) Within Vermont there are 7,100 miles of rivers and streams and 812 lakes and ponds of at least five acres in size.
(2) Currently, over 350 waters or water segments in the State do not meet water quality standards, are at risk of not meeting water quality standards, or are altered due to the presence of aquatic nuisances.

(3) In 2015, the General Assembly enacted 2015 Acts and Resolves No. 64, an act relating to improving the quality of State waters (Act 64), for the purpose, among others, of providing mechanisms, staffing, and financing necessary for the State to achieve and maintain compliance with the Vermont Water Quality Standards for all State waters.

(4) Act 64 directed the State Treasurer to recommend to the General Assembly a long-term mechanism for financing water quality improvement in the State, including proposed revenue sources for water quality improvement programs.

(5) The State Treasurer submitted a Clean Water Report in January 2017 that included:

(A) an estimate that over 20 years it would cost $2.3 billion to achieve compliance with water quality requirements;

(B) a projection that revenue available for water quality over the 20-year period would be approximately $1.06 billion, leaving a 20-year total funding gap of $1.3 billion;

(C) an estimate of annual compliance costs of $115.6 million, which, after accounting for projected revenue, would leave a funding gap of $48.5 million to pay for the costs of compliance with the first tier of federal and State water quality requirements; and

(D) a financing plan to provide more than $25 million annually in additional State funds for water quality programs.

(6) After determining that a method to achieve equitable and effective long-term funding methods to support clean water efforts in Vermont was necessary, the General Assembly established in 2017 Acts and Resolves No. 73, Sec. 26 the Working Group on Water Quality Funding to develop draft legislation to accomplish this purpose.

(7) The Act 73 Working Group did not recommend a long-term funding method to support clean water efforts in Vermont and instead recommended that the General Assembly maintain a Capital Bill clean water investment of $15 million a year through fiscal years 2020 and 2021.

(8) In the years beyond fiscal year 2021, the Act 73 Working Group acknowledged that capital funds would need to be reduced to $10 to $12 million a year and that additional revenues would need to be raised.
(9) The U.S. Environmental Protection Agency (EPA) in a letter to the General Assembly stated that it is important for the State of Vermont to establish a long-term revenue source to support water quality improvement in order to comply with the accountability framework of the Lake Champlain Total Maximum Daily Load plan.

(10) To ensure that the State has sufficient funds to clean and protect the State’s waters so that they will continue to provide their integral and inherent environmental and economic benefits, the State should require a Clean Water Working Group to recommend to the General Assembly draft legislation to establish equitable and effective long-term funding methods to support clean water efforts in Vermont.

(11) If the General Assembly does not enact a recommendation of the Clean Water Working Group, the State shall implement a water quality revenue occupancy surcharge to support water quality improvement.

Sec. 2. CLEAN WATER WORKING GROUP

(a) Creation. There is created the Clean Water Working Group to recommend to the General Assembly how to establish an equitable and effective long-term funding method to:

(1) fund the necessary water quality programs and projects that will remediate, improve, and protect the quality of the waters of the State;

(3) a funding plan for water quality programs and projects in the State that includes priorities for funding water quality programs in the State and that will sufficiently fund the following State obligations:

(A) federally required or State-required cleanup plans for individual waters or water segments, such as total maximum daily load plans;

(B) the requirements of 2015 Acts and Resolves No. 64; and

(C) the Agency of Natural Resources’ Combined Sewer Overflow Rule;

(4) one or more funding alternatives that are sufficient to implement the financing plan for water quality recommended under subdivision (3) of this subsection, including how each recommended funding alternative revenue source shall be implemented, assessed, and collected; and

(5) whether the State Treasurer’s estimate of State funding needs in the Clean Water Report in January 2017 should be revised or updated due to economic conditions or due to the need to reflect the most effective measures to improve water quality.

* * * Clean Water Funding * * *

Sec. 1. FINDINGS

The General Assembly finds that:

(1) Within Vermont there are 7,100 miles of rivers and streams and 812 lakes and ponds of at least five acres in size.

(2) Currently, over 350 waters or water segments in the State do not meet water quality standards, are at risk of not meeting water quality standards, or are altered due to the presence of aquatic nuisances.

(3) In 2015, the General Assembly enacted 2015 Acts and Resolves No. 64, an act relating to improving the quality of State waters (Act 64), for the purpose, among others, of providing mechanisms, staffing, and financing necessary for the State to achieve and maintain compliance with the Vermont Water Quality Standards for all State waters.

(4) Act 64 directed the State Treasurer to recommend to the General Assembly a long-term mechanism for financing water quality improvement in the State, including proposed revenue sources for water quality improvement programs.

(5) The State Treasurer submitted a Clean Water Report in January 2017 that included:

(A) an estimate that over 20 years it would cost $2.3 billion to achieve compliance with water quality requirements;

(B) a projection that revenue available for water quality over the 20-year period would be approximately $1.06 billion, leaving a 20-year total funding gap of $1.3 billion;

(C) an estimate of annual compliance costs of $115.6 million, which, after accounting for projected revenue, would leave a funding gap of $48.5 million to pay for the costs of compliance with the first tier of federal and State water quality requirements; and

(D) a financing plan to provide more than $25 million annually in additional State funds for water quality programs.
(6) After determining that a method to achieve equitable and effective long-term funding methods to support clean water efforts in Vermont was necessary, the General Assembly established in 2017 Acts and Resolves No. 73, Sec. 26 the Working Group on Water Quality Funding to develop draft legislation to accomplish this purpose.

(7) The Act 73 Working Group did not recommend a long-term funding method to support clean water efforts in Vermont and instead recommended that the General Assembly maintain a Capital Bill clean water investment of $15 million a year through fiscal years 2020 and 2021.

(8) In the years beyond fiscal year 2021, the Act 73 Working Group acknowledged that capital funds would need to be reduced to $10 to $12 million a year and that additional revenues would need to be raised.

(9) The U.S. Environmental Protection Agency (EPA) in a letter to the General Assembly stated that it is important for the State of Vermont to establish a long-term revenue source to support water quality improvement in order to comply with the accountability framework of the Lake Champlain Total Maximum Daily Load plan.

(10) The General Assembly should in this act establish the necessary long-term revenue sources to support water quality improvement and should encourage the Executive Branch and other interested parties to propose additional or alternative revenue sources sufficient to achieve the State goals for water quality improvement.

(c) An acknowledgment for a deed or other conveyance or a power of attorney for the conveyance of land that is taken out of State before a proper officer of this State shall be valid as if taken within this State.

(c) If the title of office and indication of authority to perform notarial acts in a foreign state appears in a digest of foreign law or in a list customarily used as a source for that information, the authority of an officer with that title to perform notarial acts is conclusively established.

(d) The signature and official stamp of an individual holding an office described in subsection (c) of this section are prima facie evidence that the signature is genuine and the individual holds the designated title.

(e) An apostille in the form prescribed by the Hague Convention of October 5, 1961, and issued by a foreign state party to the Convention, conclusively establishes that the signature of the notarial officer is genuine and that the officer holds the indicated office.

(f) A consular authentication issued by an individual designated by the U.S. Department of State as a notarizing officer for performing notarial acts overseas and attached to the record with respect to which the notarial act is performed conclusively establishes that the signature of the notarial officer is genuine and that the officer holds the indicated office.

(a) Applications for planning grants. The Secretary of Education shall accept applications for planning grants for capital construction that would result in the consolidation of student populations and the closure of at least one building pursuant to the provisions of this section.

(b) Districts eligible to apply. A district is eligible to apply for a planning grant under this section (eligible district) if it:

(1) is a unified union school district created by the affirmative votes of the electorate between June 30, 2015 and December 31, 2018;

(2) is either its own supervisory district or is a member district within a supervisory union;

(3) is fully operational or will be fully operational before July 2, 2019; and

(4) provides or has intended to provide education for students in the same grade, after becoming fully operational, by operating more than one school building offering that grade.

(c) Eligible projects.

(1) An eligible district can apply for a grant to reimburse the cost of architects, engineers, or other professional planning costs under this section if the proposed project will:

(A) consolidate the provision of education for all resident students in at least four grade levels into one existing building that will house those grades either by renovating or adding additional square-footage to that building or both; and

(B) result in the closure of at least one existing building that houses those grades in the year prior to the proposed consolidation of students.

(2) Notwithstanding the provisions of subdivision (1)(A) of this subsection, if an eligible district operates more than two schools providing education in the pertinent grades, then a project is eligible under this section if the project will result in the closure of at least one school building and the consolidation of students into one or more remaining buildings.

(d) Process.

(1) An eligible district shall submit a written application to the Secretary of Education on or before October 1, 2018. The application shall specify the purpose of and need for the proposed eligible project, shall include educational specifications based upon a facility analysis and enrollment projections, and shall concisely provide details addressing the ways in which the proposed project:
(A) will cause the eligible district to provide education in a manner that is more educationally appropriate;

(C) will result in or lead to sustained financial savings for the eligible district;

(D) will result in or lead to more efficient use of statewide education funds;

(E) will result in improvements that comply with standards for school construction adopted by the Division of Fire Safety, the Agency of Natural Resources, the Division for Historic Preservation, the Department of Health, the Agency of Agriculture, Food and Markets, the Agency of Transportation, and any standards of other State or federal agencies and local or regional planning authorities; and

(F) will incorporate recommendations received after consultation with the School Energy Management Program and Efficiency Vermont, as appropriate.

(2) The Secretary, in consultation with other public and private entities at the Secretary’s discretion, shall evaluate and rank all eligible projects based upon the proposed project’s ability:

(B) to support increased connectivity, energy efficiency, and use of renewable resources; and

(C) to cease using buildings that are inappropriate for direct instruction due to, for example, conditions that threaten the health or safety of students or employees, difficulty in complying with the requirements of the Americans with Disabilities Act or other State or federal laws or regulations, or excessive energy use.

(3) On or before January 15, 2019, the Secretary shall present a prioritized list of eligible projects to the General Assembly together with a request for capital funding not to exceed a total of $300,000.00 to provide planning grants for some or all projects on the list. (e) Disclaimers. Nothing in this section shall be construed:
(1) to guarantee that the General Assembly shall appropriate funds during the 2019 Legislative Session or after for planning grants contemplated by this section; or
