\* \* \* Solid Waste Management Facility Requirements \* \* \*

Sec. 1. 10 V.S.A. § 6605 is amended to read:

#### § 6605. SOLID WASTE MANAGEMENT FACILITY CERTIFICATION

(a)(1) No person shall construct, substantially alter, or operate any solid waste management facility without first obtaining certification from the Secretary for such facility, site, or activity, except for sludge or septage treatment or storage facilities located within the fenced area of a domestic wastewater treatment plant permitted under chapter 47 of this title. This exemption for sludge or septage treatment or storage facilities shall exist only if:

(B) the facility is not a drying bed, lagoon, or nonconcrete bunker; and

(C) the owner of the facility has submitted a sludge and septage management plan to the Secretary and the Secretary has approved the plan. Noncompliance with an approved sludge and septage management plan shall constitute a violation of the terms of this chapter, as well as a violation under chapters 201 and 211 of this title.

(2) Certification shall be valid for a period not to exceed 10 years.

(b) Certification for a solid waste management facility, where appropriate, shall:

(B)(ii) except as provided in subdivision (B) of this subdivision (3), if the waste is being delivered from a municipality that does not have an approved implementation plan, leaf and yard residuals shall be removed from the waste stream, and 100 percent of each of the following shall be removed from the waste stream: mandated recyclables, hazardous waste from households, and hazardous waste from small quantity generators.

(B) If waste delivered to the facility is process residuals from a material recovery facility, the facility receiving the waste shall not be required to remove 100 percent of mandated recyclables from the process residuals if the facility receiving the waste has a plan approved by the Secretary to remove mandated recyclables from the process residuals to the maximum extent practicable.

\* \* \*

(j) A facility certified under this section that offers the collection of municipal solid waste shall:

(1) Beginning on July 1, 2014, collect mandated recyclables separate from other solid waste and deliver mandated recyclables to a facility maintained and operated for the management and recycling of mandated recyclables. A facility shall not be required to accept mandated recyclables from a commercial hauler.

(2) Beginning on July 1, 2015, collect leaf and yard residuals between April 1 and December 15 separate from other solid waste and deliver leaf and yard residuals to a location that manages leaf and yard residuals in a manner consistent with the priority uses established under subdivisions 6605k(a)(3)-(5) of this title.

(3) Beginning on July 1, 2017, collect food residuals separate from other solid waste and deliver food residuals to a location that manages food residuals in a manner consistent with the priority uses established under

subdivisions 6605k(a)(2)-(5) of this title.

\* \* \*

A facility certified under this section may incorporate the cost of the collection of mandated recyclables into the cost of the collection of municipal solid waste and may adjust the charge for the collection of municipal solid waste. A facility certified under this section may charge a separate fee for the collection of mandated recyclables, leaf and yard residuals, or food residuals. If a facility collects mandated recyclables from a commercial hauler, the facility may charge a fee for the collection of those mandated recyclables.~~

\* \* \*

\* \* \* Commercial Hauler Requirements \* \* \*

Sec. 2. 10 V.S.A. § 6607a is amended to read:

§ 6607a. WASTE TRANSPORTATION

(a) A commercial hauler desiring to transport waste within the State shall apply to the Secretary for a permit to do so, by submitting an application on a form prepared for this purpose by the Secretary and by submitting the disclosure statement described in section 6605f of this title. These permits shall have a duration of five years and shall be renewed annually. The application shall indicate the nature of the waste to be hauled. The Secretary may specify conditions that the Secretary deems necessary to assure compliance with State law.

(b) As used in this section:

(1) “Commercial hauler” means:

(A) any person that transports regulated quantities of hazardous waste; and

(B) any person that transports solid waste for compensation in a vehicle.

(2) The commercial hauler required to obtain a permit under this section is the legal or commercial entity that is transporting the waste, rather than the individual employees and subcontractors of the legal or commercial entity. In the case of a sole proprietorship, the sole proprietor is the commercial entity.

(3) The Secretary shall not require a commercial hauler to obtain a permit under this section, comply with the disclosure requirements of this section, comply with the reporting and registration requirements of section

6608 of this title, or pay the fee specified in 3 V.S.A. § 2822, if:

(A) the commercial hauler does not transport more than four cubic yards of solid waste at any time; and

(B) the solid waste transportation services performed are incidental to other nonwaste transportation-related services performed by the commercial hauler.

\* \* \*

(g)(1) Except as set forth in subdivisions (2), (3), and (4) of this subsection, a commercial hauler that offers the collection of municipal solid waste shall:

(A) Beginning on July 1, 2015, ~~shall~~ offer to collect mandated recyclables ~~separated~~ separate from other solid waste and deliver mandated recyclables to a facility maintained and operated for the management and recycling of mandated recyclables.

(B) ~~Beginning on July 1, 2016, offer to collect leaf and yard residuals separate from other solid waste and deliver leaf and yard residuals to a location that manages leaf and yard residuals in a manner consistent with the priority uses established under subdivisions 6605k(a)(3)-(5) of this title.~~

(C) Beginning on July 1, 2018, 2020, offer collection of food residuals separate from other solid waste and deliver to a location that manages food residuals in a manner consistent with the priority uses established under subdivisions 6605k(a)(2)-(5) of this title.

(2) In a municipality that has adopted a solid waste management ordinance addressing the collection of mandated recyclables, ~~leaf and yard residuals~~, or food residuals, a commercial hauler in that municipality is not required to comply with the requirements of subdivision (1) of this subsection and subsection (h) of this section for the material addressed by the ordinance if the ordinance:

(A) is applicable to all residents of the municipality;

(B) prohibits a resident from opting out of municipally provided solid waste services; and

(C) does not apply a variable rate for the collection for the material addressed by the ordinance.

(3) A commercial hauler is not required to comply with the requirements of subdivision (1)(A), ~~(B)~~, ~~or (C)~~ or (B) of this subsection in a specified area within a municipality if:

(A) the Secretary has approved a solid waste implementation plan for

the municipality;

(B) for purposes of waiver of the requirements of subdivision (1)(A) of this subsection (g), the Secretary determines that under the approved plan:

(i) the municipality is achieving the per capita disposal rate in the State Solid Waste Plan; and

(ii) the municipality demonstrates that its progress toward meeting the diversion goal in the State Solid Waste Plan is substantially equivalent to that of municipalities complying with the requirements of subdivision (1)(A) of this subsection (g);

(C) the approved plan delineates an area where solid waste management services required by subdivision (1)(A), ~~(B)~~, or ~~(C)~~ or (B) of this subsection (g) are not required; and

(D) in the delineated area, alternatives to the services, including on-site management, required under subdivision (1)(A), ~~(B)~~, or ~~(C)~~ or (B) of this subsection (g) are offered, the alternative services have capacity to serve the needs of all residents in the delineated area, and the alternative services are convenient to residents of the delineated area.

(4) A commercial hauler is not required to comply with the requirements of subdivision (1)(A), ~~(B)~~, or ~~(C)~~ or (B) of this subsection for mandated recyclables, ~~leaf and yard residuals~~, or food residuals collected as part of a litter collection.

(h) A commercial hauler certified under this section that offers the collection of municipal solid waste may not charge a separate line item fee on a bill to a residential customer for the collection of mandated recyclables, provided that a commercial hauler may charge a fee for all service calls, stops, or collections at a residential property and a commercial hauler may charge a tiered or variable fee based on the size of the collection container provided to a residential customer or the amount of waste collected from a residential customer. A commercial hauler certified under this section may incorporate the cost of the collection of mandated recyclables into the cost of the collection of solid waste and may adjust the charge for the collection of solid waste. A commercial hauler certified under this section that offers the collection of solid waste may charge a separate fee for the collection of ~~leaf and yard residuals~~ or food residuals from a residential customer.

(i) A commercial hauler that operates a bag-drop or fast-trash site at a fixed location to collect municipal solid waste shall offer at the site all collection services required under 10 V.S.A. § 6605(j).

Sec. 3. UNIVERSAL RECYCLING STAKEHOLDER GROUP;

COMMERCIAL HAULER SERVICES; FOOD RESIDUAL  
COLLECTION SERVICES

(a) The Agency of Natural Resources has convened a Universal Recycling Stakeholder Group to provide valuable input, advice, and assistance to the Agency and the State in the implementation of 2012 Acts and Resolves No. 148 (Act 148). The work of the Stakeholder Group has been integral to the successful implementation of Act 148 and the work of the Stakeholder Group is commended by the General Assembly.

(b) As part of the ongoing Agency of Natural Resource's Universal Recycling Stakeholder Group, the Secretary of Natural Resources shall seek the input of the Stakeholder Group regarding the requirement under 10 V.S.A. § 6607a(g) that commercial solid waste haulers offer the service of collection of food residuals separate from other solid waste beginning July 1, 2020. The Secretary shall request that the Stakeholder Group review whether:

(1) the requirements under subsection 6607a(g) should be amended so that commercial haulers are only required to offer collection of food residuals:

(A) in municipalities, solid waste management districts, or other areas based on population, housing, or route density; or

(B) based on other appropriate criteria specified by the Working Group.

(2) sufficient regional capacity to process food residuals is available to allow for the collection of food residuals by all commercial solid waste haulers beginning on July 1, 2020.

(b) The Secretary of Natural Resources, after consultation with the Universal Recycling Stakeholder Group, shall include in the report the Agency shall submit under 6604(b) of this title recommendations addressing subdivisions (a)(1) and (2) of this section.

\* \* \* Food Residual Management \* \* \*

Sec. 4. 10 V.S.A. § 6605k(b) is amended to read:

(b) A person who produces more than an amount identified under subsection (c) of this section in food residuals ~~and is located within 20 miles of a certified organics management facility that has available capacity and that is willing to accept the food residuals shall:~~

(1) ~~Separate~~ separate food residuals from other solid waste, provided that a de minimis amount of food residuals may be disposed of in solid waste when a person has established a program to separate food residuals and the program includes a component for the education of program users regarding

the need to separate food residuals; and

(2) ~~Arrange~~ arrange for the transfer of food residuals to a location that manages food residuals in a manner consistent with the priority uses established under subdivisions (a)(2)-(5) of this section or shall manage food residuals on site.

(a) The Secretary of Natural Resources or designee shall provide written or oral testimony to the House Committee on Natural Resources, Fish, and Wildlife and the Senate Committee on Natural Resources and Energy in January 2019 and in January 2020 regarding the success of a pilot project funded by private beverage manufacturers and distributors and other private entities in the State for the collection and recycling of plastic film.

(b) The Secretary shall request from the pilot project information necessary for evaluation of the project, including:

- (1) whether the pilot project was effectively implemented;
- (2) the collection opportunities for plastic film, including convenience;
- (3) the education or outreach provided regarding opportunities or methods for reducing the use or disposal of plastic film;
- (4) costs to operate the pilot project; and
- (5) any measurable reduction achieved in the amount of plastic film disposed of as solid waste.

(c) In the testimony required under subsection (a) of this section, the Secretary shall:

- (1) summarize the effectiveness of the pilot project based on information collected under subsection (a);
- (2) recommend whether the State should encourage the pilot project to continue; and
- (3) recommend to what extent or at what percentage the unclaimed beverage container deposits should be allowed to be retained by beverage manufacturers or distributors to assist in paying for the costs of collection and recycling of plastic film or mandated recyclables.

(d) As used in this section:

(a) As used in this section, “deposit initiator” means the first distributor or manufacturer to collect the deposit on a beverage container sold to any person within the State.

(b) A deposit initiator shall open a separate interest-bearing account in a Vermont branch of a financial institution to be known as the deposit transaction account. The deposit initiator shall keep the deposit transaction account separate from all other revenues and accounts.

(c) Beginning on July 1, 2020, each deposit initiator shall deposit in its deposit transaction account the refund value established by section 1522 of this title for all beverage containers sold by the deposit initiator. The deposit initiator shall deposit the refund value for each beverage container in the account not more than three business days after the date on which the beverage container is sold. All interest, dividends, and returns earned on the deposit transaction account shall be paid directly to the account. The deposit initiator shall pay all refunds on returned beverage containers from the deposit transaction account.

(d) Beginning on October 10, 2020, and quarterly thereafter, every deposit initiator shall report to the Secretary of Natural Resources and the Commissioner of Taxes concerning transactions affecting the deposit initiator’s deposit transaction account in the preceding quarter. The deposit initiator shall submit the report on a form provided by the Commissioner of Taxes. The report shall include:

(1) the balance of the account at the beginning of the preceding quarter;

(e)(1) On or before October 10, 2020, and quarterly thereafter, each deposit initiator shall remit from its deposit transaction account to the Commissioner of Taxes any abandoned beverage container deposits from the preceding quarter. The amount of abandoned beverage container deposits for a quarter is the amount equal to the amount of deposits that should be in the deposit transaction account less the sum of:

(A) income earned on amounts on the account during that quarter; and

(B) the total amount of refund value paid out by the deposit initiator for beverage containers during that quarter.

(2) In any calendar quarter, the deposit initiator may submit to the Commissioner of Taxes a request for reimbursement of refunds paid under this chapter that exceed the funds that are or should be in the deposit initiator's deposit transaction account. The Commissioner of Taxes shall pay a request for reimbursement under this subdivision from the funds remitted to the Commissioner under subdivision (1) of this subsection, provided that:

(A) the Commissioner determines that the funds in the deposit initiator's deposit transaction action are insufficient to pay the refunds on returned beverage containers; and

(B) a reimbursement paid by the Commissioner to the deposit initiator shall not exceed the amount paid by the deposit initiator under subdivision (1) of this subsection (e) in the preceding 12 months less amounts paid to the initiator pursuant to this subdivision (2) during that same 12-month period.

(f) The Secretary of Natural Resources may prohibit the sale of a beverage that is sold or distributed in the State by a deposit initiator who fails to comply with the requirements of this chapter. The Secretary may allow the sale of a beverage upon the deposit initiator's coming into compliance with the requirements of this chapter.

**Senate Proposal of Amendment**

**H. 132**

An act relating to limiting landowner liability for posting the dangers of swimming holes

The Senate proposes to the House to amend the bill by striking all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. 12 V.S.A. § 5793 is amended to read:

§ 5793. LIABILITY LIMITED

(a) Land. An owner shall not be liable for property damage or personal injury sustained by a person who, without consideration, enters or goes upon the owner's land for a recreational use unless the damage or injury is the result of the willful or wanton misconduct of the owner.

(b) Equipment, fixtures, machinery, or personal property.

(1) Unless the damage or injury is the result of the willful or wanton misconduct of the owner, an owner shall not be liable for property damage or personal injury sustained by a person who, without consideration and without actual permission of the owner, enters or goes upon the owner's land for a recreational use and proceeds to enter upon or use:

(A) equipment, machinery, or personal property; or

(B) structures or fixtures not described in subdivision 5792(2)(A)(iii) or (iv) of this title.

(2) Permission to enter or go upon an owner's land shall not, by itself, include permission to enter or go upon structures or to go upon or use equipment, fixtures, machinery, or personal property.

(c) Posting. An owner may post a sign warning against dangers on the owner's land or water. An owner who posts a sign pursuant to this subsection shall not be liable for any damage or injury allegedly arising out of the posting unless the damage or injury is the result of the willful or wanton misconduct of the owner.

Sec. 2. 9 V.S.A. chapter 152 is added to read:

CHAPTER 152. MODEL STATE CONSUMER JUSTICE  
ENFORCEMENT ACT; STANDARD-FORM CONTRACTS

§ 6055. UNCONSCIONABLE TERMS IN STANDARD-FORM  
CONTRACTS PROHIBITED

(a) Unconscionable terms. There is a rebuttable presumption that the following contractual terms are substantively unconscionable when included in a standard-form contract to which only one of the parties to the contract is an individual and that individual does not draft the contract:

(1) A requirement that resolution of legal claims take place in an inconvenient venue. An inconvenient venue is defined for State law claims as a place other than the state in which the individual resides or the contract was consummated and for federal law claims as a place other than the federal judicial district where the individual resides or the contract was consummated.

(2) A waiver of the individual's right to assert claims or seek remedies provided by State or federal statute.

(3) A waiver of the individual's right to seek punitive damages as provided by law.

(4) Pursuant to 12 V.S.A. § 465, a provision that limits the time in which an action may be brought under the contract or that waives the statute of limitations.

(5) A requirement that the individual pay fees and costs to bring a legal claim substantially in excess of the fees and costs that this State's courts require to bring such a State law claim or that federal courts require to bring such a federal law claim.

(b) Relation to common law and the Uniform Commercial Code. In determining whether the terms described in subsection (a) of this section are unenforceable, a court shall consider the principles that normally guide courts in this State in determining whether unconscionable terms are enforceable. Additionally, the common law and Uniform Commercial Code shall guide courts in determining the enforceability of unfair terms not specifically identified in subsection (a) of this section.

(c) Severability. If a court finds that a standard-form contract contains an illegal or unconscionable term, the court shall:

(1) refuse to enforce the entire contract or the specific part, clause, or provision containing the illegal or unconscionable term; or

(2) so limit the application of the illegal or unconscionable term or the clause containing such term as to avoid any illegal or unconscionable result.

(d) Unfair and deceptive act and practice.
