An act relating to liability for the contamination of potable water supplies.

Reported favorably with recommendation of amendment by Senator Campion for the Committee on Natural Resources and Energy.

The Committee recommends that the bill be amended by striking out all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. 10 V.S.A. § 6615e is added to read:

§ 6615e. RELIEF FOR CONTAMINATED POTABLE WATER SUPPLIES

(a) Definitions. As used in this section:

(1) “Public water system” means any system or combination of systems owned or controlled by a person that provides drinking water through pipes or other constructed conveyances to the public and that has at least 15 service connections or serves an average of at least 25 individuals daily for at least 60 days out of the year. A “public water system” includes all collection, treatment, storage, and distribution facilities under the control of the water
supplier and used primarily in connection with the system, and any collection or pretreatment storage facilities not under the control of the water supplier that are used primarily in connection with the system. “Public water system” shall also mean any part of a system that does not provide drinking water, if use of such a part could affect the quality or quantity of the drinking water supplied by the system. “Public water system” shall also mean a system that bottles drinking water for public distribution and sale.

(2) “Public community water system” means a public water system that serves at least 15 service connections used by year-round residents or regularly serves at least 25 year-round residents.

(b) Extension of public community water system. In addition to a response action required under section 6615 or 6615b of this title, any person who the Secretary has determined released perfluorooctanoic acid into the air, groundwater, surface water, or onto the land shall be strictly, jointly, and severally liable for the costs of extending the water supply of a public water system to a property when:

(1) the property is served by a potable water supply regulated under chapter 64 of this title;

(2) the Secretary has determined that the potable water supply on the property:

(A) is a failed supply under chapter 64 of this title due to perfluorooctanoic acid contamination; or

(B) is likely to be contaminated by perfluorooctanoic acid due to the proximity of the public water supply to other public water supplies contaminated by perfluorooctanoic acid or due to other relevant factors; and

(3) the person the Secretary determined released perfluorooctanoic acid into the air, groundwater, surface water, or onto the land is the cause of or contributor to the perfluorooctanoic acid contamination or likely contamination of the potable water supply.

(c) Liability payment. A person liable under subsection (b) of this section for the extension of the water supply of a public water system shall pay the operator of the public water system for the extension of the water supply within 30 days of notification of liability by the Secretary or within an alternate time frame ordered by the Secretary. If the person liable for the extension of the water supply does not pay the operator within the required time frame, the person shall be liable for interest on the assessed cost of the extension of the water supply.

(d) Appeal standard. Notwithstanding subsection 8504(h) of this title, the Environmental Division of the Superior Court shall review an appeal of a
decision of the Secretary under this section on the record pursuant to Rule 74 of the Vermont Rules of Civil Procedure. Prior to issuing a final liability determination under subsection (b) of this section, the Secretary shall post a proposed liability determination to the website of the Agency of Natural Resources for public notice and written comment for 30 days. In developing the record of a decision under this section, the Secretary shall provide any person an opportunity to supplement the record of the liability determination.

Sec. 2. APPLICATION OF LIABILITY

(a) This act shall apply to any determination of liability made by the Secretary of Natural Resources under 10 V.S.A. § 6615e after the effective date of the act.

(b) Notwithstanding any contrary provision of 1 V.S.A. § 214, this act shall apply to any relevant release of perfluorooctanoic acid regardless of the date of the relevant release, including releases that occurred prior to the effective date of this act.

Sec. 3. EFFECTIVE DATE

This act shall take effect on passage.

(B) there are insufficient services in the juvenile court system and the Department for Children and Families and the Department of Corrections to meet the youth’s treatment and rehabilitation needs.

(2) The court shall grant the motion if the court finds that:

(d) The Department for Children and Families and the Department of Corrections shall be responsible for supervision of and providing services to the youth until he or she reaches 22 years of age. Both Departments shall designate a case manager who together shall appoint a lead Department to have final decision-making authority over the case plan and the provision of services to the youth. The youth shall be eligible for appropriate community-based programming and services provided by both Departments.

§ 5285. MODIFICATION OR REVOCATION OF DISPOSITION

(a) If it appears that the youth has violated the terms of juvenile probation ordered by the court pursuant to subdivision 5284(c)(1) of this title, a motion for modification or revocation of youthful offender status may be filed in the Family Division of the Superior Court. The court shall set the motion for hearing as soon as practicable. The hearing may be joined with a hearing on a violation of conditions of probation under section 5265 of this title. A supervising juvenile or adult probation officer may detain in an adult facility a youthful offender who has attained 18 years of age for violating conditions of probation.

(b) A hearing under this section shall be held in accordance with section 5268 of this title.
(c) If the court finds after the hearing that the youth has violated the terms of his or her probation, the court may:

(1) maintain the youth’s status as a youthful offender, with modified conditions of juvenile probation if the court deems it appropriate;

(2) revoke the youth’s status as a youthful offender and transfer the case with a record of the petition, affidavit, adjudication, disposition, and revocation to the Criminal Division for sentencing; or

(3) transfer supervision of the youth to the Department of Corrections with all of the powers and authority of the Department and the Commissioner under Title 28, including graduated sanctions and electronic monitoring.

(d) If a youth’s status as a youthful offender is revoked and the case is transferred to the Criminal Division pursuant to subdivision (c)(2) of this section, the court shall hold a sentencing hearing and impose sentence. When determining an appropriate sentence, the court may take into consideration the youth’s degree of progress toward rehabilitation while on youthful offender status. The Criminal Division shall have access to all Family Division records of the proceeding.

§ 5286. REVIEW PRIOR TO 18 YEARS OF AGE

(a) If a youth is adjudicated as a youthful offender prior to reaching 18 years of age, the Family Division shall review the youth’s case before he or she reaches 18 years of age and set a hearing to determine whether the court’s jurisdiction over the youth should be continued past 18 years of age. The hearing may be joined with a motion to terminate youthful offender status under section 5285 of this title. The court shall provide notice and an opportunity to be heard at the hearing to the State’s Attorney, the youth, the Department for Children and Families, and the Department of Corrections.

(b) After receiving a notice of review under this section, the State may file a motion to modify or revoke pursuant to section 5285 of this title.
