§ 4605. ALTERNATIVE DRUG OR BIOLOGICAL PRODUCT SELECTION

(a)(1) When a pharmacist receives a prescription for a drug which that is listed either by generic name or brand name in the most recent edition of or supplement to the U.S. Department of Health and Human Services’ publication Approved Drug Products With Therapeutic Equivalence Evaluations (the “Orange Book”) of approved drug products, the pharmacist shall select the lowest priced drug from the list which is equivalent as defined by the “Orange Book,” unless otherwise instructed by the prescriber, or by the purchaser if the purchaser agrees to pay any additional cost in excess of the benefits provided by the purchaser’s health benefit plan if allowed under the legal requirements applicable to the plan, or otherwise to pay the full cost for the higher priced drug.
(2) When a pharmacist receives a prescription for a biological product, the pharmacist shall select the lowest priced interchangeable biological product unless otherwise instructed by the prescriber, or by the purchaser if the purchaser agrees to pay any additional cost in excess of the benefits provided by the purchaser’s health benefit plan if allowed under the legal requirements applicable to the plan, or otherwise to pay the full cost for the higher priced biological product.

(3) Notwithstanding subdivisions (1) and (2) of this subsection, when a pharmacist receives a prescription from a Medicaid beneficiary, the pharmacist shall select the preferred brand-name or generic drug or biological product from the Department of Vermont Health Access’s preferred drug list.

(b) The purchaser shall be informed by the pharmacist or his or her representative that an alternative selection as provided under subsection (a) of this section will be made unless the purchaser agrees to pay any additional cost in excess of the benefits provided by the purchaser’s health benefit plan if allowed under the legal requirements applicable to the plan, or otherwise to pay the full cost for the higher priced drug or biological product.

(c) When refilling a prescription, pharmacists shall receive the consent of the prescriber to dispense a drug or biological product different from that originally dispensed, and shall inform the purchaser that a generic substitution shall be made pursuant to this section unless the purchaser agrees to pay any additional cost in excess of the benefits provided by the purchaser’s health benefit plan if allowed under the legal requirements applicable to the plan, or otherwise to pay the full cost for the higher priced drug or biological product.

Sec. 9. 18 V.S.A. § 4635 is amended to read:

§ 4635. PHARMACEUTICAL PRESCRIPTION DRUG COST TRANSPARENCY

(a) As used in this section:

(1) “Manufacturer” shall have the same meaning as “pharmaceutical manufacturer” in section 4631a of this title.

(b)(1)(A) The Green Mountain Care Board, in collaboration with the Department of Vermont Health Access, shall annually create a list of up to 15 prescription drugs on which the State spends significant health care dollars and for which the wholesale acquisition cost has increased by 50 percent or more over the past five years or by 15 percent or more over the past 12 months during the previous calendar year, creating a substantial public interest in understanding the development of the drugs’ pricing. The drugs identified shall represent different drug classes. The list shall include at least one generic and one brand-name drug and shall indicate each of the drugs on the list that the Department considers to be specialty drugs. The Department shall include the percentage of the wholesale acquisition cost increase for each drug on the list; rank the drugs on the list from those with the largest increase in wholesale acquisition cost to those with the smallest increase; indicate whether each drug was included on the list based on its cost increase over the past five years or during the previous calendar year, or both; and provide the Department’s total expenditure for each drug on the list during the most recent calendar year.

(B) The Department of Vermont Health Access shall create annually a list of up to 10 prescription drugs on which the State spends significant health care dollars and for which the cost to the Department of Vermont Health Access, net of rebates and other price concessions, has increased by 50 percent or more over the past five years or by 15 percent or more during the previous calendar year, creating a substantial public interest in understanding the development of the drugs’ pricing. The list shall include at least one generic and one brand-name drug and shall indicate each of the drugs on the list that the Department
considers to be specialty drugs. The Department shall rank the drugs on the
list from those with the greatest increase in net cost to those with the smallest
increase and indicate whether each drug was included on the list based on its
cost increase over the past five years or during the previous calendar year, or
both.

(C)(i) Each health insurer with more than 5,000 covered lives in this
State for major medical health insurance shall create annually a list of 10
prescription drugs on which its health insurance plans spend significant
amounts of their premium dollars and for which the cost to the plans, net of
rebates and other price concessions, has increased by 50 percent or more over
the past five years or by 15 percent or more during the previous calendar year,
or both, creating a substantial public interest in understanding the development
of the drugs’ pricing. The list shall include at least one generic and one brand-
name drug and shall indicate each of the drugs on the list that the health
insurer considers to be specialty drugs.

(ii) A health insurer shall not be required to identify the exact
percentage by which the net cost to its plans for any prescription drug
increased over any specific period of time, but shall rank the drugs on its list in
order from the largest to the smallest cost increase and shall provide the
insurer’s total expenditure, net of rebates and other price concessions, for each
drug on the list during the most recent calendar year.

(2) The Board Department of Vermont Health Access and the health
insurers shall provide to the Office of the Attorney General and the Green
Mountain Care Board the list of prescription drugs developed pursuant to
this subsection and the percentage of the wholesale acquisition cost increase
for each drug and annually on or before June 1. The Office of the Attorney
General and the Green Mountain Care Board shall make all of the information
available to the public on their respective websites.

(c)(1)(A) For each prescription drug identified of the prescription drugs
listed by the Department of Vermont Health Access and the health insurers
pursuant to subsection (b) subdivisions (b)(1)(B) and (C) of this section, the
Office of the Attorney General shall identify 15 drugs as follows:

(i) of the drugs appearing on more than one payer’s list, the Office
of the Attorney General shall identify the top 15 drugs on which the greatest
amount of money was spent across all payers during the previous calendar
year, to the extent information is available; and

(ii) if fewer than 15 drugs appear on more than one payer’s list, the
Office of the Attorney General shall rank the remaining drugs based on the
amount of money spent by any one payer during the previous calendar year, in
descending order, and select as many of the drugs at the top of the list as
necessary to reach a total of 15 drugs.

(B) For the 15 drugs identified by the Office of the Attorney General pursuant to subdivision (A) of this subdivision (1), the Office of the Attorney General shall require the drug's manufacturer of each such drug to provide a justification all of the following:

(i) Justification for the increase in the wholesale acquisition net cost of the drug to the Department of Vermont Health Access, to one or more health insurers, or both, which shall be provided to the Office of the Attorney General in a format that the Office of the Attorney General determines to be understandable and appropriate and shall be provided in accordance with a timeline specified by the Office of the Attorney General. The manufacturer shall submit to the Office of the Attorney General all relevant information and supporting documentation necessary to justify the manufacturer's wholesale acquisition net cost increase over to the Department of Vermont Health Access, to one or more health insurers, or both during the identified period of time, which may include including:

(A)(I) all factors that have contributed to the wholesale acquisition each factor that specifically caused the net cost increase over to the Department of Vermont Health Access, to one or more health insurers, or both during the specified period of time;

(B)(II) the percentage of the total wholesale acquisition cost increase attributable to each factor; and

(C)(III) an explanation of the role of each factor in contributing to the wholesale acquisition cost increase.

(ii) A separate version of the information submitted pursuant to subdivision (i) of this subdivision (1)(B), which shall be made available to the public by the Office of the Attorney General and the Green Mountain Care Board pursuant to subsection (d) of this section. In the event that the manufacturer believes it necessary to redact certain information in the public version as proprietary or confidential, the manufacturer shall provide an explanation for each such redaction to the Office of the Attorney General. The information, format, and any redactions shall be subject to approval by the Office of the Attorney General.

(iii) Additional information in response to all requests for such information by the Office of the Attorney General.

(2) Nothing in this section shall be construed to restrict the legal ability of a prescription drug manufacturer to change prices to the extent permitted under federal law.
(d)(1) The Attorney General, in consultation with the Department of Vermont Health Access, shall provide a report to the General Assembly on or before December 1 of each year based on the information received from manufacturers pursuant to this section. The Attorney General shall also post the report and the public version of each manufacturer’s information submitted pursuant to subdivision (c)(1)(B)(ii) of this section on the Office of the Attorney General’s website.

(2) The Green Mountain Care Board shall post on its website the report prepared by the Attorney General pursuant to subdivision (1) of this subsection and the public version of each manufacturer’s information submitted pursuant to subdivision (c)(1)(B)(ii) of this section, and may inform the public of the availability of the report and the manufacturers’ justification information.

(e) Information provided to the Office of the Attorney General pursuant to this section is exempt from public inspection and copying under the Public Records Act and shall not be released in a manner that allows for the identification of an individual drug or manufacturer or that is likely to compromise the financial, competitive, or proprietary nature of the information, except for the information prepared for release to the public pursuant to subdivision (c)(1)(B)(ii) of this section.

(f) The Attorney General may bring an action in the Civil Division of the Superior Court, Washington County for injunctive relief, costs, and attorney’s fees, and to impose on a manufacturer that fails to provide any of the information required by subsection (c) of this section, in the format requested by the Office of the Attorney General and in accordance with the timeline specified by the Office of the Attorney General, a civil penalty of not more than $10,000.00 per violation. Each unlawful failure to provide information shall constitute a separate violation. In any action brought pursuant to this section, the Attorney General shall have the same authority to investigate and to obtain remedies as if the action were brought under the Consumer Protection Act, 9 V.S.A. chapter 63.

Sec. 10. 18 V.S.A. § 4637 is added to read:

§ 4637. NOTICE OF INTRODUCTION OF NEW HIGH-COST PRESCRIPTION DRUGS

(a) As used in this section:

(1) “Manufacturer” shall have the same meaning as “pharmaceutical manufacturer” in section 4631a of this title.

(b) A prescription drug manufacturer shall notify the Office of the Attorney General in writing if it is introducing a new prescription drug to
market at a wholesale acquisition cost that exceeds the threshold set for a specialty drug under the Medicare Part D program. The manufacturer shall provide the written notice within three calendar days following the release of the drug in the commercial market. A manufacturer may make the notification pending approval by the U.S. Food and Drug Administration (FDA) if commercial availability is expected within three calendar days following the approval.

(c) Not later than 30 calendar days following notification pursuant to subsection (b) of this section, the manufacturer shall provide all of the following information to the Office of the Attorney General in a format that the Office prescribes:

(1) a description of the marketing and pricing plans used in the launch of the new drug in the United States and internationally;

(2) the estimated volume of patients who may be prescribed the drug;

(3) whether the drug was granted breakthrough therapy designation or priority review by the FDA prior to final approval; and

(4) the date and price of acquisition if the drug was not developed by the manufacturer.

(d) The manufacturer may limit the information reported pursuant to subsection (c) of this section to that which is otherwise in the public domain or publicly available.

(e) The Office of the Attorney General shall publish on its website at least quarterly the information reported to it pursuant to this section. The information shall be published in a manner that identifies the information that is disclosed on a per-drug basis and shall not be aggregated in a manner that would not allow identification of the drug.

(f) The Attorney General may bring an action in the Civil Division of the Superior Court, Washington County for injunctive relief, costs, and attorney’s fees and to impose on a manufacturer that fails to provide the information required by subsection (c) of this section a civil penalty of not more than $1,000.00 per day for every day after the notification period described in subsection (b) of this section that the required information is not reported. In any action brought pursuant to this section, the Attorney General shall have the same authority to investigate and to obtain remedies as if the action were brought under the Consumer Protection Act, 9 V.S.A. chapter 63.

Sec. 22. 23 V.S.A. § 1222 is amended to read:

§ 1222. INSPECTION OF REGISTERED VEHICLES

(a) Except for school buses, which shall be inspected as prescribed in section 1282 of this title, and motor buses as defined in subdivision 4(17) of this title, which shall be inspected twice during the calendar year at six-month intervals, all motor vehicles registered in this State shall be inspected once each year. Any motor vehicle, trailer, or semi-trailer not currently inspected in this State shall be inspected within 15 days from following the date of its registration in the State of Vermont.

(b)(1) The inspections shall be made at garages or qualified service stations, designated by the Commissioner as inspection stations, for the purpose of determining whether those motor vehicles are properly equipped and maintained in good mechanical condition; provided, however, the scope of the safety inspection of a motor vehicle other than a school bus or a
commercial motor vehicle shall be limited to parts or systems that are relevant to the vehicle’s safe operation, and such vehicles shall not fail the safety portion of the inspection unless the condition of the part or system poses or may pose a danger to the operator or to other highway users.

(2) The charges for such inspections made by garages or qualified service stations designated to conduct periodic inspections shall be subject to the approval of the Commissioner. If a fee is charged for inspection, it shall be based upon the hourly rate charged by each official inspection station or it may be a flat rate fee and, in either instance, the fee shall be prominently posted and displayed beside the official inspection station certificate. In addition, the official inspection station may disclose the State inspection certificate charge on the repair order as a separate item and collect the charge from the consumer.

(b) In the proposed rule amendments, the Commissioner may direct inspection stations to identify advisory, recommended repairs that are not required for the vehicle to pass inspection.

(c) Except as provided in subdivision (a)(2) and subsection (d) of this section, nothing in this section or Sec. 22 of this act is intended to affect the emissions-related requirements of the rule governing motor vehicle inspections.

The authority conferred in this subsection shall expire on January 15, 2019.

(e) As soon as practicable after the effective date of this section, the Commissioner of Motor Vehicles, in consultation with the Commissioner of Environmental Conservation, shall develop a program of waivers related to the emissions component of the State’s inspection program that is consistent with the requirements of the Clean Air Act and its implementing regulations.

(f) On November 30, 2018, the Commissioners of Motor Vehicles and of Environmental Conservation shall send a written update to the Joint Transportation Oversight Committee that includes:

(2) if the authority granted in subsection (d) of this section is exercised:

(A) whether the authority is still being exercised; and

(B) the number of conditional passes issued since the effective date of this section;

(3) a summary of the status of efforts to amend the Department’s rule as required under subsection (a) of this section, and an estimate of the likely effective date of the amended rule if not yet adopted; and

(4) a summary of the status of the requirement to develop a program of waivers related to the emissions component of the State’s inspection program and any efforts to educate consumers and inspection stations about issues related to emissions inspections, including: the availability of any such waivers; manufacturer warrantees available for emissions components for certain vehicle models and model years; and vehicle readiness for emissions testing.

An act relating to limiting landowner liability for posting the dangers of swimming holes.

Reported favorably with recommendation of proposal of amendment by Senator Sears for the Committee on Judiciary.

The Committee recommends that the Senate propose to the House to amend the bill by striking out all after the enacting clause and inserting in lieu thereof the following:

§ 5793. LIABILITY LIMITED

(b) Equipment, fixtures, machinery, or personal property.

(1) Unless the damage or injury is the result of the willful or wanton misconduct of the owner, an owner shall not be liable for property damage or personal injury sustained by a person who, without consideration and without actual permission of the owner, enters or goes upon the owner’s land for a recreational use and proceeds to enter upon or use:

Sec. 2. 9 V.S.A. chapter 152 is added to read:

CHAPTER 152. MODEL STATE CONSUMER JUSTICE ENFORCEMENT ACT; STANDARD-FORM CONTRACTS

§ 6055. UNCONSCIONABLE TERMS IN STANDARD-FORM CONTRACTS PROHIBITED

(a) Unconscionable terms. There is a rebuttable presumption that the following contractual terms are substantively unconscionable when included in a standard-form contract to which only one of the parties to the contract is an individual and that individual does not draft the contract:

(1) A requirement that resolution of legal claims take place in an inconvenient venue. An inconvenient venue is defined for State law claims as a place other than the state in which the individual resides or the contract was consummated and for federal law claims as a place other than the federal judicial district where the individual resides or the contract was consummated.

(2) A waiver of the individual’s right to assert claims or seek remedies provided by State or federal statute.

(3) A waiver of the individual’s right to seek punitive damages as provided by law.

(4) Pursuant to 12 V.S.A. § 465, a provision that limits the time in which an action may be brought under the contract or that waives the statute of limitations.

(5) A requirement that the individual pay fees and costs to bring a legal claim substantially in excess of the fees and costs that this State’s courts require to bring such a State law claim or that federal courts require to bring such a federal law claim.

(b) Relation to common law and the Uniform Commercial Code. In determining whether the terms described in subsection (a) of this section are unenforceable, a court shall consider the principles that normally guide courts in this State in determining whether unconscionable terms are enforceable. Additionally, the common law and Uniform Commercial Code shall guide courts in determining the enforceability of unfair terms not specifically identified in subsection (a) of this section.

(c) Severability. If a court finds that a standard-form contract contains an illegal or unconscionable term, the court shall:

(1) refuse to enforce the entire contract or the specific part, clause, or provision containing the illegal or unconscionable term; or
(2) so limit the application of the illegal or unconscionable term or the clause containing such term as to avoid any illegal or unconscionable result.

(d) Unfair and deceptive act and practice. It is an unfair and deceptive practice in violation of section 2453 of this title to include one of the presumptively unconscionable terms identified in subsection (a) of this section in a standard-form contract to which only one of the parties to the contract is an individual and that individual does not draft the contract. Notwithstanding any other provisions to the contrary, a party who prevails in a claim under this section shall be entitled to $1,000.00 in statutory damages per violation and an award of reasonable costs and attorney’s fees.

(e) Separate violations. Each term found to be unconscionable pursuant to subsection (a) of this section shall constitute a separate violation of this section.

(f) Applicability. This section shall not apply to contracts to which one party is:

(1) regulated by the Vermont Department of Financial Regulation; or

(2) a financial institution as defined by 8 V.S.A. § 11101(32).

Sec. 3. 12 V.S.A. § 5652 is amended to read:

§ 5652. VALIDITY OF ARBITRATION AGREEMENTS

(a) General rule. Unless otherwise provided in the agreement, a written agreement to submit any existing controversy to arbitration or a provision in a written contract to submit to arbitration any controversy thereafter arising between the parties creates a duty to arbitrate, and is valid, enforceable, and irrevocable, except:

(1) upon such grounds as exist for the revocation of a contract; and

(2) as provided in 9 V.S.A. chapter 152.

Sec. 4. EFFECTIVE DATES

§ 842. REVIEW BY LEGISLATIVE COMMITTEE

(a) Objection; time frame; process. Within 30 days of the date a rule is first placed on the Committee’s agenda but no later than 45 days after the filing of a final proposal unless the agency consents to an extension of this review period, the Legislative Committee on Administrative Rules, by majority vote of the entire Committee, may object under subsection (b), (c), or (d) of this section, and recommend that the agency amend or withdraw the proposal. The agency shall be notified promptly of the objections. Failure to give timely notice shall be deemed approval. The agency shall within 14 days of after receiving notice respond in writing to the Committee and send a copy to the Secretary of State. In its response, the agency may include revisions to the proposed rule or filing documents that seek to cure defects noted by the Committee. After receipt of this response, the Committee may withdraw or modify its objections.

(b) Grounds for objection. The Committee may object under this subsection if:

(1) a proposed rule is beyond the authority of the agency;
(2) a proposed rule is contrary to the intent of the Legislature;
(3) a proposed rule is arbitrary; or
(4) the agency did not adhere to the strategy for maximizing public input prescribed by the Interagency Committee on Administrative Rules.
(5) a proposed rule is not written in a satisfactory style in accordance with section 833 of this title;

(6) the economic impact analysis fails to recognize a substantial economic impact of the proposed rule, fails to include an evaluation and statement of costs to local school districts required under section 838 of this title, or fails to recognize a substantial economic impact of the rule to such districts; or

(7) the environmental impact analysis fails to recognize a substantial environmental impact of the proposed rule.

(c) Objections; legal effect.

(1) When objection is made under this subsection, and the objection is not withdrawn after the agency responds, on majority vote of the entire Committee, it may file the objection in certified form with the Secretary of State. The objection shall contain a concise statement of the Committee’s reasons for its action. The Secretary shall affix to each objection a certification of its filing and as soon as practicable transmit a copy to the agency.

(2) After a Committee objection is filed with the Secretary under this subsection, or on the same grounds under subsection 817(d) of this title, to the extent that the objection covers a rule or portion of a rule, the burden of proof thereafter shall be on the agency in any action for judicial review or for enforcement of the rule to establish that the part objected to is within the authority delegated to the agency, is consistent with the intent of the Legislature, is not arbitrary, and is written in a satisfactory style in accordance with section 833 of this title, and that the agency did adhere to the strategy for maximizing public input prescribed by the Interagency Committee on Administrative Rules and its economic and environmental impact analyses did not fail to recognize a substantial economic or environmental impact. The objection of the Committee shall not be admissible evidence in any proceeding other than to establish the fact of the objection. If the agency fails to meet its burden of proof, the Court shall declare the whole or portion of the rule objected to invalid.

(3) The failure of the Committee to object to a rule is not an implied legislative authorization of its substantive or procedural lawfulness.

(e) The Committee may object under this subsection if a proposed rule is not written in a satisfactory style according to section 833 of this title.

(d) The Committee may object under this subsection if the economic impact statement fails to recognize a substantial economic impact of the proposed rule that the Committee describes in its notice of objection. The
Committee may object one time under this subsection and return the proposed rule to the agency as unacceptable for filing. The agency may then cure the defect and adopt the rule, or it may adopt the rule without change.

(e) Notice of objection; inclusion on rule copies. When an objection is made under subsection (b) of this section and has been certified by the Secretary of State, notice of the objection shall be included on all copies of the rule distributed to the public.

§ 843. FILING OF ADOPTED RULES

(a) An adopting authority may adopt a properly filed final proposed rule after:

(1) The passage of 30 days from the date a rule is first placed on the committee’s agenda or 45 days after filing of a final proposal under section 841 of this title, whichever occurs first, provided the agency has not received notice of objection from the Legislative Committee on Administrative Rules; or

(2) Receiving notice of approval from the Legislative Committee on Administrative Rules; or

(3) Responding to an objection of the Legislative Committee on Administrative Rules under section 842 of this title. After responding to such an objection, an agency may adopt the rule without change or may make a germane change in accordance with subsection (b) of this section.

(b) The text of the adopted rule shall be the same as the text of the final proposed rule submitted under section 841, except that any germane change may be made by the agency in response to an objection or expressed concern of the Legislative Committee on Administrative Rules.

(c) Adoption shall be complete upon proper filing with the Secretary of State and with the Legislative Committee on Administrative Rules. An agency shall have eight months from the date of initial filing with the Secretary of State to adopt a rule unless extended by action or request of the Legislative Committee on Administrative Rules. The Secretary of State shall refuse to accept a final filing after that date, except that:

(1) Within 30 days after discovering that the text of a final adopted rule deviates from the text of a final proposed rule as approved by the Legislative Committee on Administrative Rules, an agency shall correct the adopted rule to conform to the final proposed rule as so approved and shall refile the adopted rule in the manner set forth in this section, along with documentation demonstrating that the refiled adopted rule conforms to the final proposed rule as approved.
(2) An agency may refile a final adopted rule in the manner set forth in this section solely for the purpose of correcting one or more typographic errors that do not change the substance or effect of the rule.

§ 844. EMERGENCY RULES

(a) Where an agency believes that there exists an imminent peril to public health, safety, or welfare, it may adopt an emergency rule. The rule may be adopted without having been prefilled or filed in proposed or final proposed form, and may be adopted after whatever notice and hearing that the agency finds to be practicable under the circumstances. The agency shall make reasonable efforts to ensure that emergency rules are known to persons who may be affected by them.

(b) Emergency rules adopted under this section shall not remain in effect for more than 120 180 days. An agency may propose a permanent rule on the same subject at the same time that it adopts an emergency rule.

(c) Emergency rules adopted under this section shall be filed with the Secretary of State and with the Legislative Committee on Administrative Rules. The Legislative Committee on Administrative Rules shall distribute copies of emergency rules to the appropriate standing committees.

(d) Emergency rules adopted under this section shall include:

(1) as much of the information required for the filing of a proposed rule as is practicable under the circumstances; and

(2) a signed and dated statement by the adopting authority explaining the nature of the imminent peril to the public health, safety, or welfare and approving of the contents of the rules.

(e)(1) On a majority vote of the entire Committee, the Committee may object under this subsection if an emergency rule is:

(A) beyond the authority of the agency;

(B) contrary to the intent of the Legislature;

(C) arbitrary; or

(D) not necessitated by an imminent peril to public health, safety, or welfare sufficient to justify adoption of an emergency rule.

(2) When objection is made under this subsection, on majority vote of the entire Committee, the Committee may file the objection in certified form with the Secretary of State. The objection shall contain a concise statement of the Committee’s reasons for its action. The Secretary shall affix to each
objection a certification of its filing and as soon as practicable transmit a copy to the agency. After a Committee objection is filed with the Secretary under this subsection, to the extent that the objection covers a rule or portion of a rule, the burden of proof thereafter shall be on the agency in any action for judicial review or for enforcement of the rule to establish that the part objected to is within the authority delegated to the agency, is consistent with the intent of the Legislature, is not arbitrary, and is justified by an imminent peril to the public health, safety, or welfare. If the agency fails to meet its burden of proof, the Court shall declare the whole or portion of the rule objected to invalid. The failure of the Committee to object to a rule is not an implied legislative authorization of its substantive or procedural lawfulness.

(3) When the Committee makes an objection to an emergency rule under this subsection, the agency may withdraw the rule to which an objection was made. Prior to withdrawal, the agency shall give notice to the Committee of its intent to withdraw the rule. A rule shall be withdrawn upon the filing of a notice of withdrawal with the Secretary of State and the Committee. If the emergency rule amended an existing rule, upon withdrawal of the emergency rule, the existing rule shall revert to its original form, as though the emergency rule had never been adopted.

(f) In response to an expressed concern of the Legislative Committee on Administrative Rules, an agency may make a germane change to an emergency rule that is approved by the Committee. A change under this subsection shall not be considered a newly adopted emergency rule and shall not extend the period during which the emergency rule remains in effect.

(g) In the alternative to the grounds specified in subsection (a) of this section, an agency may adopt emergency amendments to existing rules using the process set forth in this section if each of the subdivisions (1)–(5) of this subsection applies. On a majority vote of the entire Committee, the Legislative Committee on Administrative Rules may object to the emergency amendments on the basis that one or more of these subdivisions do not apply or under subdivision (e)(1)(A), (B), or (C) of this section, or both.

(1) The existing rules implement a program controlled by federal statute or rule or by a multistate entity.

(2) The controlling federal statute or rule has been amended to require a change in the program or the multistate entity has made a change in the program that is to be implemented in all of the participating states.

(3) The controlling federal statute or rule or the multistate entity requires implementation of the change within 120 days or less.

(4) The adopting authority finds each of the following in writing:
(A) The agency cannot by the date required for implementation complete the final adoption of amended rules using the process set forth in sections 837 through 843 of this title.

(B) Failure to amend the rules by the date required for implementation would cause significant harm to the public health, safety, or welfare or significant financial loss to the State.

(5) On the date the emergency rule amendments are adopted pursuant to this subsection, the adopting authority profiles a corresponding permanent rule pursuant to section 837 of this title.

§ 845. EFFECT OF RULES

(a) Rules shall be valid and binding on persons they affect, and shall have the force of law unless amended or revised or unless a court of competent jurisdiction determines otherwise. Except as provided by subsections 842(b), (c) and 844(e) of this title, rules shall be prima facie evidence of the proper interpretation of the matter to which they refer.

(b) No agency shall grant routine waivers of or variances from any provisions of its rules without either amending the rules, or providing by rule for a process and specific criteria under which the agency may grant a waiver or variance procedure in writing. The requirement to publish a code shall be considered satisfied if a commercial publisher offers such a code in print at a competitive price and at no charge online. However, if the Secretary establishes the centralized rule system under section 818 of this title
as a digital system, then the system shall include the online publication of this code.

(b) The Secretary of State shall publish not less than quarterly a bulletin setting forth the text of all rules filed since the immediately preceding publication and any objections filed under subsection 842(b) or 844(e) of this title.

(c) The bulletin may omit any rule if either:

(2) all three of the following apply:

(A) its publication would be unduly cumbersome or expensive; and

(B) the rule is made available on application to the adopting agency; and

(C) the bulletin contains a notice stating the general subject matter of the omitted rule and stating how a copy of the rule and any objection filed under subsection 842(b) or 844(e) of this title may be obtained.

(c) Repeal for nonpublication.

(1) On July 1, 2018, a rule shall be repealed without formal proceedings under this chapter if:

(A) as of July 1, 2016, the rule was in effect but not published in the code of administrative rules; and

(B) the rule is not published in such code before July 1, 2018.

(2) An agency seeking to publish a rule described in subdivision (1) of this subsection may submit a digital copy of the rule to the Secretary of State with proof acceptable to the Secretary that as of July 1, 2016 the rule was adopted and in effect under this chapter and the digital copy consists of the text of such rule without change.

(d) Amendment of authority for rule.

(1) If the statutory authority for a rule, as stated by the agency under subdivision 838(b)(4) of this title, is amended by the General Assembly, and the amendment does not transfer authority from the adopting agency to another agency, the agency within 30 days following the effective date of the statutory amendment shall review the rule and make a written determination as to whether such the statutory amendment repeals the authority upon which the rule is based, or requires revision of the rule and shall, within 60 days of the effective date of the statutory amendment, inform in writing submit a copy of this written determination to the Secretary of State and the Legislative Committee on Administrative Rules whether repeal or revision of the rule is required by the statutory amendment, in such manner as the Secretary may prescribe by rule or procedure.

* * * Public Records Act * * *

Sec. 2. 1 V.S.A. § 315 is amended to read:

§ 315. STATEMENT OF POLICY; SHORT TITLE

(a) It is the policy of this subchapter to provide for free and open examination of records consistent with Chapter I, Article 6 of the Vermont
Constitution. Officers of government are trustees and servants of the people and it is in the public interest to enable any person to review and criticize their decisions even though such examination may cause inconvenience or embarrassment. All people, however, have a right to privacy in their personal and economic pursuits, which ought to be protected unless specific information is needed to review the action of a governmental officer. Consistent with these principles, the General Assembly hereby declares that certain public records shall be made available to any person as hereinafter provided. To that end, the provisions of this subchapter shall be liberally construed to implement this policy, and the burden of proof shall be on the public agency to sustain its action.

(b) The General Assembly finds that public records are essential to the administration of State and local government. Public records contain information that allows government programs to function, provides officials with a basis for making decisions, and ensures continuity with past operations. Public records document the legal responsibilities of government, help protect the rights of citizens, and provide citizens a means of monitoring government programs and measuring the performance of public officials. Public records provide documentation for the functioning of government and for the retrospective analysis of the development of Vermont government and the impact of programs on citizens.

(c) This subchapter may be known and cited as the Public Records Act or the PRA.

Sec. 3. 1 V.S.A. § 317 is amended to read:

§ 317. DEFINITIONS; PUBLIC AGENCY; PUBLIC RECORDS AND DOCUMENTS; EXEMPTIONS

* * *

(e)(1) For any exemption to the Public Records Act enacted or substantively amended in legislation introduced in the General Assembly in 2019 or later, in the fifth year after the effective date of the enactment, reenactment, or substantive amendment of the exemption, the exemption shall be repealed on July 1 of that fifth year except if the General Assembly reenacts the exemption prior to July 1 of the fifth year or if the law otherwise requires.

(2) Legislation that enacts, reenacts, or substantively amends an exemption to the Public Records Act shall explicitly provide for its repeal on July 1 of the fifth year after the effective date of the exemption unless the legislation specifically provides otherwise.

(f) Unless otherwise provided by law, a record produced or acquired during the period of applicability of an exemption that is subsequently repealed shall,
if exempt during that period, remain exempt following the repeal of the exemption.

Sec. 4. LEGISLATIVE INTENT

(a) In Sec. 3 of this act, the repeal and reenactment provision added in 1 V.S.A. § 317(e) shall apply only to Public Records Act exemptions that are enacted, reenacted, or substantively amended in legislation introduced in the General Assembly in 2019 or later.

(b) In rearranging the text of existing law in 1 V.S.A. § 318(b)-(c) within Sec. 5 of this act, the General Assembly intends to make the text more organized and clear, and does not intend to effect any substantive changes through the rearrangement of existing text.

Sec. 5. 1 V.S.A. § 318 is amended to read:

§ 318. PROCEDURE

(a)(1) As used in this section, “promptly” means immediately, with little or no delay, and, unless otherwise provided in this section, not more than three business days:

(A) from receipt of a request under this subchapter; or

(B) in the case of a reversal on appeal by a head of the agency pursuant to subsection (c) of this section, from the date of the determination on appeal.

(2) A custodian or head of the agency who fails to comply with the applicable time limit provisions of this section shall be deemed to have denied the request or the appeal upon the expiration of the time limit.

(b) Upon request, the custodian of a public record shall promptly produce the record for inspection or a copy of the record, except that:

(1) If the record is in active use or in storage and therefore not available for use at the time the person asks to examine it, the custodian shall promptly certify this fact in writing to the applicant and, in the certification, set a date and hour within one calendar week of the request when the record will be available for examination.

(2) If the custodian considers the record to be exempt from inspection and copying under the provisions of this subchapter, the custodian shall promptly so certify in writing. Such certification shall identify the records withheld and the basis for the denial. A record shall be produced for inspection or a certification shall be made that a record is exempt within three business days of receipt of the request, unless otherwise provided in subdivision (5) of this subsection. The certification shall:
(A) identify the records withheld;

(B) include the asserted statutory basis for denial and a brief statement of the reasons and supporting facts for denial. The custodian shall also;

(C) provide the names and titles or positions of each person responsible for denial of the request; and

(D) notify the person of his or her right to appeal to the head of the agency any adverse determination.

(3) If appealed to the head of the agency, the head of the agency shall make a determination with respect to any appeal within five business days after the receipt of such appeal. If an appeal of the denial of the request for records is in whole or in part upheld, the agency shall notify the person making such request of the provisions for judicial review of that determination under section 319 of this title. [Repealed.]

(4) If a record does not exist, the custodian shall promptly certify in writing that the record does not exist under the name given to the custodian by the applicant or by any other name known to the custodian.

(5) In unusual circumstances as herein specified, the time limits prescribed in this subsection may be extended by written notice to the person making such the request setting forth the reasons for such the extension and the date on which a determination is expected to be dispatched. No such notice shall specify a date that would result in an extension for more than ten business days from receipt of the request or, in the case of a reversal on appeal by a head of the agency pursuant to subsection (c) of this section, from the date of the determination on appeal. As used in this subdivision, “unusual circumstances” means to the extent reasonably necessary to the proper processing of the particular request:

(A) the need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request;

(B) the need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(C) the need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request or among two or more components of the agency having substantial subject matter interest therein, or with the Attorney General.

(b) Any person making a request to any agency for records under
subsection (a) of this section shall be deemed to have exhausted the person’s administrative remedies with respect to each request if the agency fails to comply within the applicable time limit provisions of this section. Upon any determination by an agency to comply with a request for records, the records shall be made available promptly to the person making such request. Any notification of denial of any request for records under this section shall set forth the names and titles or positions of each person responsible for the denial of such request.

(c)(1) Any denial of access by the custodian of a public record may be appealed to the head of the agency. The head of the agency shall make a written determination on an appeal within five business days after the receipt of the appeal.

(2) If the head of the agency upholds the denial of a request for records, in whole or in part, the written determination shall include:

(A) the asserted statutory basis for upholding the denial and;

(B) a brief statement of the reasons and supporting facts for upholding the denial; and

(C) notification of the provisions for judicial review of the determination under section 319 of this title.

(2)(3) If the head of the agency reverses the denial of a request for records, the records shall be promptly made available to the person making the request. A failure by the agency to comply with any of the time limit provisions of this section shall be deemed a final denial of the request for records by the agency.

* * *

(h) The head of a State agency or department shall:

(1) designate the agency’s or department’s records officer described in 3 V.S.A. § 218, or shall designate some other person, to be accountable for overseeing the processing of requests for public records received by the agency or department in accordance with this section; and

(2) post on the agency’s or department’s website the name and contact information of the person designated under subdivision (1) of this subsection.

Sec. 6. 1 V.S.A. § 318a is added to read:

§ 318a. EXECUTIVE BRANCH AGENCY PUBLIC RECORDS REQUEST SYSTEM

(a) The Secretary of Administration shall maintain and update the Public Records Request System established pursuant to 2006 Acts and Resolves

Sec. 27. APPLICATIONS FOR PLANNING GRANTS FOR CAPITAL CONSTRUCTION; UNIFIED UNION SCHOOL DISTRICTS; SCHOOL CONSOLIDATION

(a) Applications for planning grants. The Secretary of Education shall accept applications for planning grants for capital construction that would result in the consolidation of student populations and the closure of at least one building pursuant to the provisions of this section.

(b) Districts eligible to apply. A district is eligible to apply for a planning grant under this section (eligible district) if it:

(1) is a unified union school district created by the affirmative votes of the electorate between June 30, 2015 and December 31, 2018;

(2) is either its own supervisory district or is a member district within a supervisory union;

(3) is fully operational or will be fully operational before July 2, 2019; and

(4) provides or has intended to provide education for students in the same grade, after becoming fully operational, by operating more than one school building offering that grade.

(c) Eligible projects.

(1) An eligible district can apply for a grant to reimburse the cost of architects, engineers, or other professional planning costs under this section if the proposed project will:

(A) consolidate the provision of education for all resident students in at least four grade levels into one existing building that will house those grades either by renovating or adding additional square-footage to that building or both; and

(B) result in the closure of at least one existing building that houses those grades in the year prior to the proposed consolidation of students.
(2) Notwithstanding the provisions of subdivision (1)(A) of this subsection, if an eligible district operates more than two schools providing education in the pertinent grades, then a project is eligible under this section if the project will result in the closure of at least one school building and the consolidation of students into one or more remaining buildings.

(d) Process.

(1) An eligible district shall submit a written application to the Secretary of Education on or before October 1, 2018. The application shall specify the purpose of and need for the proposed eligible project, shall include educational specifications based upon a facility analysis and enrollment projections, and shall concisely provide details addressing the ways in which the proposed project:

(A) will cause the eligible district to provide education in a manner that is more educationally appropriate;

(B) will cause the eligible district to provide education in a manner that provides greater educational opportunities in a more equitable manner;

(C) will result in or lead to sustained financial savings for the eligible district;

(D) will result in or lead to more efficient use of statewide education funds;

(E) will result in improvements that comply with standards for school construction adopted by the Division of Fire Safety, the Agency of Natural Resources, the Division for Historic Preservation, the Department of Health, the Agency of Agriculture, Food and Markets, the Agency of Transportation, and any standards of other State or federal agencies and local or regional planning authorities; and

(F) will incorporate recommendations received after consultation with the School Energy Management Program and Efficiency Vermont, as appropriate.

(2) The Secretary, in consultation with other public and private entities at the Secretary’s discretion, shall evaluate and rank all eligible projects based upon the proposed project’s ability:

(B) to support increased connectivity, energy efficiency, and use of renewable resources; and
(C) to cease using buildings that are inappropriate for direct instruction due to, for example, conditions that threaten the health or safety of students or employees, difficulty in complying with the requirements of the Americans with Disabilities Act or other State or federal laws or regulations, or excessive energy use.

(3) On or before January 15, 2019, the Secretary shall present a prioritized list of eligible projects to the General Assembly together with a request for capital funding not to exceed a total of $300,000.00 to provide planning grants for some or all projects on the list. Nothing shall prohibit the Secretary from declining to include one or more projects on the prioritized list if the Secretary, in his or her sole judgment, determines that the project does not sufficiently promote the goals outlined in subdivision (1) of this subsection.

(e) Disclaimers. Nothing in this section shall be construed:

(1) to guarantee that the General Assembly shall appropriate funds during the 2019 Legislative Session or after for planning grants contemplated by this section; or

(2) to suggest that the General Assembly intends to lift the suspension of state aid for school construction imposed by 2013 Acts and Resolves No. 51, Sec. 45.

Sec. 2. 23 V.S.A. chapter 10 is added to read:

CHAPTER 10. TRANSPORTATION NETWORK COMPANIES

§ 750. DEFINITIONS; INSURANCE REQUIREMENTS

(a) Definitions. As used in this chapter:

(1) “Digital network” or “network” means any online-enabled application, software, website, or system offered or used by a transportation network company that enables the prearrangement of rides with transportation network company drivers.

(2) “Personal vehicle” means a vehicle that is:

(A) used by a driver to provide a prearranged ride;

(B) owned, leased, or otherwise authorized for use by the driver; and

(C) not a taxicab, limousine, or other for-hire vehicle.

(3) “Prearranged ride” or “ride” means the transportation provided by a driver to a transportation network company rider, beginning when a driver accepts the rider’s request for a ride through a digital network controlled by a company; continuing while the driver transports the rider; and ending when the last rider departs from the vehicle. The term does not include:

(A) shared-expense carpool or vanpool arrangements;

(B) use of a taxicab, limousine, or other for-hire vehicle;

(C) use of a public or private regional transportation company that operates along a fixed route; or

(D) a ride furnished through a broker using a publicly funded network to connect riders to drivers through the Elders and Persons with Disabilities Program, Medicaid Non-Emergency Medical Transportation Program, or other similar governmental transportation program.
(4) “Transportation network company” or “company” means a person that uses a digital network to connect riders to drivers who provide prearranged rides.

(5) “Transportation network company driver” or “driver” means an individual who:

(A) receives connections to potential riders and related services from a transportation network company in exchange for payment of a fee to the company; and

(B) uses a personal vehicle to offer or provide a prearranged ride to riders upon connection through a digital network controlled by a transportation network company in exchange for compensation or payment of a fee.

(6) “Transportation network company rider” or “rider” means an individual who uses a company’s digital network to connect with a driver who provides rides in his or her personal vehicle between points chosen by the rider.

(b) Company’s financial responsibility.

(1) Beginning on July 1, 2018, a driver, or company on the driver’s behalf, shall maintain primary automobile insurance that recognizes that the driver is a company driver or otherwise uses a vehicle to transport passengers for compensation and covers the driver while the driver is logged on to the company’s digital network or while the driver is engaged in a prearranged ride.

(2)(A) The following automobile insurance requirements shall apply while a participating driver is logged on to the transportation network company’s digital network and is available to receive transportation requests but is not engaged in a prearranged ride:

(i) primary automobile liability insurance in the amount of at least $50,000.00 for death and bodily injury per person, $100,000.00 for death and bodily injury per incident, and $25,000.00 for property damage; and

(ii) any other State-mandated coverage under section 941 of this title.

(B) The coverage requirements of this subdivision (2) may be satisfied by any of the following:

(i) automobile insurance maintained by the driver;

(iii) any combination of subdivisions (i) and (ii) of this subdivision (2)(B).
(3)(A) The following automobile insurance requirements shall apply while a driver is engaged in a prearranged ride:

   (i) primary automobile liability insurance that provides at least $1,000,000.00 for death, bodily injury, and property damage; and

(B) The coverage requirements of this subdivision (3) may be satisfied by any of the following:

   (i) automobile insurance maintained by the driver;

   (ii) automobile insurance maintained by the company; or

   (iii) any combination of subdivisions (i) and (ii) of this subdivision (3)(B).

(4) If insurance maintained by a driver under subdivision (2) or (3) of this subsection has lapsed or does not provide the required coverage, insurance maintained by the company shall provide such coverage beginning with the first dollar of a claim and shall have the duty to defend such claim.

(5) Coverage under an automobile insurance policy maintained by the company shall not be dependent on a personal automobile insurer first denying a claim nor shall a personal automobile insurance policy be required to first deny a claim.

(6) Insurance required by this subsection may be placed with an insurer licensed under chapter 101 (insurance companies generally) or 138 (surplus lines insurance) of this title.

(7) Insurance satisfying the requirements of this subsection shall be deemed to satisfy the financial responsibility requirement for a motor vehicle under section 800 of this title.

(8) A driver shall carry proof of coverage satisfying this section at all times during use of a vehicle in connection with a company’s digital network. In the event of an accident or traffic violation, a driver shall provide this insurance coverage information to the directly interested parties, automobile insurers, and law enforcement, upon request. Upon such request, a driver shall also disclose whether he or she was logged on to the network or was on a prearranged ride at the time of an accident or traffic violation.

(9) A person who fails to maintain primary automobile insurance as required in subdivisions (2) and (3) of this subsection (b) shall be assessed a civil penalty consistent with subsection 800(b) of this title, and such violation shall be a traffic violation within the meaning of chapter 24 of this title.
person who fails to carry proof of insurance as required under subdivision (8) of this subsection (b) shall be subject to a civil penalty consistent with subsection 800(d) of this title. Notwithstanding any provision of law to the contrary, a person who operates a vehicle without financial responsibility as required by this subsection (b) is subject to administrative action as set forth in chapter 11 of this title.

(c) Disclosures. A transportation network company shall disclose in writing to its drivers the following before they are allowed to accept a request for a prearranged ride on the company’s digital network:

1. the insurance coverage, including the types of coverage and the limits for each coverage, that the company provides while the driver uses a personal vehicle in connection with the company’s network; and

2. that the driver’s own automobile insurance policy, depending on its terms, might not provide any coverage while the driver is logged on to the company’s network and available to receive transportation requests or engaged in a prearranged ride.

(d)(1) Automobile insurers. Notwithstanding any other provision of law to the contrary, insurers that write automobile insurance in Vermont may exclude any and all coverage afforded under a policy issued to an owner or operator of a personal vehicle for any loss or injury that occurs while a driver is logged on to a transportation network company’s digital network or while a driver provides a prearranged ride. This right to exclude all coverage may apply to any coverage in an automobile insurance policy, including:

A. liability coverage for bodily injury and property damage;
B. personal injury protection coverage;
C. uninsured and underinsured motorist coverage;
D. medical payments coverage;
E. comprehensive physical damage coverage; and
F. collision physical damage coverage.

2. Nothing in this subsection implies or requires that a personal automobile insurance policy provide coverage while the driver is logged on to a company’s digital network, while the driver is engaged in a prearranged ride, or while the driver otherwise uses a vehicle to transport passengers for compensation.

3. Nothing in this section shall be construed to require an insurer to use any particular policy language or reference to this section in order to exclude any and all coverage for any loss or injury that occurs while a driver is logged
on to a company’s digital network or while a driver provides a prearranged ride.

(4) Nothing in this subsection is deemed to preclude an insurer from providing primary or excess coverage for the driver’s vehicle, if it chooses to do so by contract or endorsement.

(5) Insurers that exclude the coverage described under subsection (b) of this section shall have no duty to defend or indemnify any claim expressly excluded thereunder.

(6) Nothing in this section is deemed to invalidate or limit an exclusion contained in a policy, including any policy in use or approved for use in Vermont prior to the enactment of this section, that excludes coverage for vehicles used to carry persons or property for a charge or available for hire by the public.

(7) An insurer that defends or indemnifies a claim against a driver that is excluded under the terms of its policy shall have a right of contribution against other insurers that provide automobile insurance to the same driver in satisfaction of the coverage requirements of subsection (b) of this section at the time of loss.

(8) In a claims coverage investigation, transportation network companies shall immediately provide, upon request by directly involved parties or any insurer of the transportation network company driver, if applicable, the precise times that a transportation network company driver logged on and off the transportation network company’s digital network in the 12-hour period immediately preceding and in the 12-hour period immediately following the accident. Insurers providing coverage under subsection (b) of this section shall disclose, upon request by any other insurer involved in the particular claim, the applicable charges, exclusions, and limits provided under any automobile insurance maintained in order to satisfy the requirements of subsection (b) of this section.

§ 751. DRIVER REQUIREMENTS; BACKGROUND CHECKS

This subdivision shall not be construed to exempt drivers from undergoing an annual background check as required under subdivision (2) of this subsection (b).

(d) A company shall establish and enforce a zero tolerance policy for drug and alcohol use by drivers during any period when a driver is engaged in, or is logged into the company’s network but is not engaged in, a prearranged ride. The policy shall include provisions for investigations of alleged policy violations and the suspension of drivers under investigation.

(e) A company shall require that a personal vehicle used to provide prearranged rides complies with all applicable laws and regulations concerning vehicle equipment.

§ 752. RECORDS; INSPECTION

2. regulatory models adopted in other state and local jurisdictions, including in both urban and rural municipalities in Vermont, applicable to transportation network companies and other vehicle for hire companies;

3. matters related to passenger safety, including driver background checks, periodic vehicle safety inspections, and signage;

4. matters related to insurance coverage, including minimum liability coverage, disclosure requirements, and claims procedures, generally, and with consideration of other, similarly situated jurisdictions, other commercial automobile policy requirements, enhanced personal liability coverage for drivers, and the costs and benefits of requiring Med Pay coverage;
