**Rep Frenier of Chelsea** explained his vote as follows:

“Madam Speaker:

Some people come to know their God best when they worship with members of their own gender. Their custom is to have separated restrooms. The smallest temples, mosques and churches have only single stall restrooms. We have stepped on their customs.”

**Rep. Gamache of Swanton** explained her vote as follows:

(2) The rules shall establish uniform performance standards for ignition interlock devices including required levels of accuracy in measuring blood alcohol concentration, efficacy in distinguishing valid breath samples, the occurrence of random retests while the vehicle is running, and automatic signaling by the vehicle if the operator fails such a retest. After an initial random retest to occur within 15 minutes of the vehicle starting, subsequent random retests shall occur on average not more often than once every 30 minutes. The Commissioner shall certify devices that meet these standards, specify any periodic calibration that may be required to ensure accuracy of the devices, and specify the means and frequency of the retrieval and sharing of data collected by ignition interlock devices. Persons who elect to obtain an ignition interlock RDL or certificate following a conviction under this

The surviving spouse may register the vessel, snowmobile, or all-terrain vehicle by paying a transfer fee not to exceed $2.00 in the name of the surviving spouse, and no fee shall be assessed.

(2) Notwithstanding any contrary provision of law, and except as provided in subdivision (3) of this subsection, whenever the estate of an individual consists in whole or in part of a vessel, snowmobile, or all-terrain vehicle, and the person’s will or other testamentary document does not specifically address disposition of the same, the surviving spouse shall be deemed to be the owner and title to the vessel, snowmobile, or all-terrain vehicle shall automatically pass to the surviving spouse. Upon request, the Department shall register and title the vessel, snowmobile, or all-terrain vehicle in the name of the surviving spouse, and no fee shall be assessed.

(3) This subsection shall not apply if the vessel, snowmobile, or all-terrain vehicle is titled in the name of one or more persons other than the decedent and the surviving spouse.

*** Motor Vehicle Purchase and Use Tax ***

Sec. 21. 32 V.S.A. § 8902(5) is amended to read:

(5) “Taxable cost” means the purchase price as defined in subdivision (4) of this section or the taxable cost as determined under section 8907 of this title. For any purchaser who has paid tax on the purchase or use of a motor vehicle that was sold or traded by the purchaser or for which the purchaser received payment under a contract of insurance, the taxable cost of the replacement motor vehicle other than a leased vehicle shall exclude:

***

(B) the amount received from the sale of a motor vehicle last registered in his or her name, the amount not to exceed the average book clean trade-in value of the same make, type, model, and year of manufacture as designated by the manufacturer and as shown in the NADA Official Used Car Guide, National Automobile Dealers Association (New England edition), or any comparable publication, provided such sale occurs within three months of the taxable purchase. However, this three-month period shall be extended day-for-day for any time that a member of a guard unit or of the U.S. Armed Forces, as defined in 38 U.S.C. § 101(10), spends outside Vermont due to activation or deployment, and an additional 60 days following the person’s return from activation or deployment. Such amount shall be reported on forms supplied by the Commissioner of Motor Vehicles;
Sec. 22. 32 V.S.A. § 8907 is amended to read:

§ 8907. COMMISSIONER, COMPUTATION OF TAXABLE COSTS

(a) The Commissioner may investigate the taxable cost of any motor vehicle transferred subject to the provisions of this chapter. If the motor vehicle is not acquired by purchase in Vermont or is received for an amount which does not represent actual value, or if no tax form is filed or it appears to the Commissioner that a tax form contains fraudulent or incorrect information, the Commissioner may, in his or her discretion, fix the taxable cost of the motor vehicle at the average book clean trade-in value of vehicles of the same make, type, model, and year of manufacture as designated by the manufacturer, as shown in the NADA Official Used Car Guide, National Automobile Dealers Association (New England Edition) or any comparable publication, less the lease end value of any leased vehicle. The Commissioner may compute and assess the tax due thereon, and notify the purchaser thereof forthwith by certified mail, and the purchaser shall remit the same within 15 days thereafter.

Sec. 23. MOTOR VEHICLE PURCHASE AND USE TAX; EXTENSION OF THREE-MONTH PERIOD TO REDUCE TAXABLE COST

(a) Notwithstanding 32 V.S.A. § 8902(5)(B), the three-month limitation on the period in which to reduce the taxable cost of a motor vehicle by the sale of a previously owned vehicle shall not apply in the case of vehicles sold to the manufacturer pursuant to buyback agreement under a Volkswagen, Audi, or Porsche diesel engine defeat device settlement or judgment, if the vehicle is sold to the manufacturer:

(1) on or before November 10, 2017, in the case of 2.0 liter diesel engine Volkswagens and Audis; or

(2) on or before one year after buybacks commence under the 3.0 liter diesel engine class action settlement for Volkswagens, Audis, and Porsches.

(b) If a person paid a purchase and use tax in excess of the amount that would have been required if this section had been in effect at the time of the tax payment, the Commissioner of Motor Vehicles, upon application, shall issue the person a refund in accordance with this section.

Sec. 24. VERMONT STRONG MOTOR VEHICLE PLATES
(a) In 2012 Acts and Resolves No. 71, Sec. 1, as amended by 2012 Acts and Resolves No. 143, Sec. 13, the General Assembly authorized the Department of Motor Vehicles to distribute “Vermont Strong” commemorative plates and authorized operators of certain Vermont-registered vehicles to display the commemorative plates over the regular front registration plates of such vehicles until June 30, 2014. In 2014 Acts and Resolves No. 189, Sec. 26, the authorized display period was extended to June 30, 2016.

(b) Through an executive order issued on June 2, 2016, No. 3–74, the Governor ordered and directed that the Commissioner of Motor Vehicles continue to permit Vermonters to display Vermont Strong plates on the front of eligible vehicles and that Vermont law enforcement officers refrain from ticketing or otherwise penalizing any Vermonter for displaying a Vermont Strong plate on eligible vehicles “until the General Assembly next has the opportunity to consider and clarify the duration of Vermont Strong Commemorative License Plates.”

(c) Under 23 V.S.A. § 511(a), “A motor vehicle operated on any highway shall have displayed in a conspicuous place either one or two number plates as the Commissioner may require.” The Commissioner has implemented this authority through a regulation, CVR 14-050-025, which states, “Two registration plates are issued to and must be displayed by all registered vehicles” with the exception of certain listed vehicles. The listed exceptions do not include pleasure cars or motor trucks, which therefore are required to display two registration plates unless otherwise provided by law.

(d) This subsection supersedes Executive Order 3–74. The display of Vermont Strong commemorative plates in place of front registration plates no longer is authorized. On and after September 1, 2017, the Commissioner of Motor Vehicles and law enforcement officers shall enforce the provisions of 23 V.S.A. § 511(a) and CVR 14-050-025 that require the display of two registration plates on pleasure cars and on motor trucks. Prior to September 1, 2017, the Commissioner shall take measures to raise public awareness that the display of Vermont Strong commemorative plates in place of front registration plates no longer is authorized.

(b) In the case of a crash involving a serious bodily injury or fatality, clearance of the crash scene may be delayed until the crash investigation is completed.

(c) A towing operator shall undertake removal of a vehicle or cargo under this section only if summoned to the scene by the vehicle owner or vehicle operator, or an enforcement officer, and is authorized to perform the removal as follows:

(1) The owner or operator of the vehicle or cargo being removed shall summon to the scene the towing operator of the owner’s or operator’s choice in consultation with the enforcement officer and designate the location to where the vehicle or cargo is to be removed.

(2) The provisions of subdivision (1) of this subsection shall not apply when the owner or operator is incapacitated or otherwise unable to summon a towing operator, does not make a timely choice of a towing operator, or defers to the enforcement officer’s selection of the towing operator.

(3) The authority provided to the owner or operator under subdivision (1) of this subsection may be superseded by the enforcement officer if the towing operator of choice cannot respond to the scene in a timely fashion and the vehicle or cargo is a hazard, impedes the flow of traffic, or may not legally remain in its location in the opinion of the enforcement officer.

(d)(1) Except as provided in subdivision (2) of this subsection, the vehicle owner and the motor carrier, if any, shall be responsible to the law enforcement agency or towing operator for reasonable costs incurred solely in
the removal and subsequent disposition of the vehicle or cargo under this section.

(2) When applicable, the provisions of 10 V.S.A. § 6615 (liability for release of hazardous materials) shall apply in lieu of this subsection.

(f) Any enforcement officer causing the removal of a motor vehicle under this section shall notify the Department as to the location and date of discovery of the vehicle, date of removal of the vehicle, name of the towing service removing the vehicle, and place of storage. The officer shall record and remove from the vehicle, if possible, any information that might aid the Department in ascertaining the ownership of the vehicle and forward the information to the Department. A motor vehicle towed under authority of this section may qualify as an abandoned motor vehicle under subchapter 7 of chapter 21 of this title.

(g)(1) Except as otherwise provided in subdivision (2) of this subsection, the operator of a vehicle involved in a crash who is required by law to stop the vehicle, or who elects to stop the vehicle, at the crash scene shall move and stop the vehicle at the nearest location where the vehicle will not impede traffic or jeopardize the safety of a person.

(2) The duty to move a vehicle under subdivision (1) of this subsection shall not apply when:

(A) the crash involved the death of or apparent injury to any person;
(B) the vehicle to be moved was transporting hazardous material;
(C) the vehicle cannot be operated under its own power without further damage to the vehicle or the highway; or
(D) the movement cannot be made without endangering other highway users.

(3) An operator required to move a vehicle under this subsection who fails to do so shall not be ticketed, assessed a civil penalty, or have points assessed against his or her driving record.

Sec. 26. 23 V.S.A. § 1128 is amended to read:

§ 1128. ACCIDENTS—DUTY TO STOP
(a) The operator of a motor vehicle who has caused or is involved in an accident resulting in injury to any person other than the operator, or in damage to any property other than the vehicle then under his or her control, shall immediately stop and render any assistance reasonably necessary. Subsection 1102(g) of this title (stopping not to impede traffic or jeopardize safety; exceptions) governs the location where a person shall stop. The operator shall give his or her name, residence, license number, and the name of the owner of the motor vehicle to any person who is injured or whose property is damaged and to any enforcement officer. A person who violates this section shall be fined not more than $2,000.00 or imprisoned for not more than two years, or both.

** * Inspections; Emissions Repairs * **

Sec. 27a. MOTOR VEHICLE INSPECTIONS; EMISSIONS REPAIRS

(a) As of March 20, 2017, the Department of Motor Vehicles has required all motor vehicle inspection stations to conduct inspections through an Automated Vehicle Inspection Program (AVIP). AVIP replaced a paper-based inspection program, and it requires inspection data to be collected and stored electronically.

(b) Notwithstanding 10 V.S.A. § 567 and C.V.R. 14-050-022 (inspection of motor vehicles), any vehicle inspected in Vermont prior to May 1, 2018 that fails the on board diagnostic (OBD) system portion of the inspection, if applicable, and passes the safety-related portion shall pass inspection and receive an inspection sticker, even if the vehicle has been subject to a prior inspection under AVIP and has previously failed the OBD system portion. In such cases, the inspection station shall provide the vehicle owner an inspection report indicating that the vehicle passed the safety portion of the inspection but failed the OBD portion, and that the owner has a 12-month period from the date of the inspection to make OBD system-related repairs.

Pending the question, Shall the recommendation of amendment by the Committee on Transportation be amended as offered by Rep. Keefe? Rep. Sharpe of Bristol demanded the Yeas and Nays, which demand was sustained by the Constitutional number. The Clerk proceeded to call the roll and the
question, Shall the recommendation of amendment by the Committee on Transportation be amended as offered by Rep. Keefe? was decided in the affirmative. Yeas, 127. Nays, 11.

Rep. Graham of Williamstown explained his vote as follows:

“Madam Speaker:

We pass laws expecting people to obey. Now we’re passing laws to allow people to violate federal law. I just don’t get it.”

Rep. Stuart of Brattleboro explained her vote as follows:

“Madam Speaker:

I wholeheartedly commend the Transportation Committee for their excellent work on S.127 and for their ongoing commitment to improve our transportation system.

I also commend the ongoing work of my colleague Representative Mollie Burke of Brattleboro who has worked for years — in collaboration — with Transportation Committee veterans like chair Pat Brennan and Dave Potter to improve our transportation system and infrastructure while striving to safeguard the needs of poor Vermonters. Representative Burke, in particular, has worked tirelessly as a member of the Commerce Committee to implement and combat global climate change.

While I commend the intent of this amendment, I voted against it because I respect the committee process and believe it’s important to investigate fully how instituting higher inspection requirements would affect poor Vermonters.”

Thereupon, the bill having appeared on the Calendar one day for notice, was taken up, read the second time, the proposal of amendment of the committee on Transportation was agreed to and third reading ordered.

Joint Senate Resolution Amended; Third Reading Ordered

J.R.S. 25

Rep. Belaski of Windsor, for the committee on Corrections and Institutions, to which had been referred Joint Senate Resolution, entitled
Joint resolution authorizing the Commissioner of Forests, Parks and Recreation to amend conservation easements related to the former Hancock Lands and adjacent Averill Inholdings in Essex County and to sell the Bertha Tract in Mendon and the Burch Tract in Killington to the Trust for Public Land

Reported in favor of its passage when amended by striking all after the enacting clause and inserting in lieu thereof the following:

Joint resolution authorizing the Commissioner of Forest, Parks, and Recreation to amend conservation easements related to the former Hancock Lands and adjacent Averill Inholdings in Essex County, to sell the Bertha Tract in Mendon and the Burch Tract in Killington to the Trust for Public Lands, to authorize the Commissioner to amend the Department of Forests, Parks and Recreation’s existing lease with the Smuggler’s Notch Management Company Ltd. and to authorize the Department to enter into a land exchange with the Smuggler’s Notch Management Company Ltd.

Whereas, in 1996, the Department of Forests, Parks and Recreation acquired from the John Hancock Mutual Life Insurance Company a conservation easement for certain lands (known as the Hancock Lands) in Warren’s Gore, and separately in 2005, the Department acquired a second conservation easement for inholdings within the former Hancock Lands in the town of Averill, and

Whereas, these easements envisioned that the covered lands could be subdivided and would be dedicated primarily to conservation purposes but commercial forestry management, including maple sugaring and syrup activities, were permissible, and

Whereas, the Department has now determined that the language in both easements is ambiguous concerning the construction of forestry management-related structures such as a sugarhouse, and

Whereas, upon consultation with the U.S. Forest Service, whose Forest Legacy Program facilitated the Department’s acquisition of the easements, the Department has determined the easements should be amended with clarifying language subject to the approval of the owners of the parcels that resulted from the subdivision, and

Whereas, the Department owns the Bertha Tract in Mendon and the adjacent Burch Tract in Killington, both of which contain Green Mountain Club-held easements for segments of the Long Trail, and

Whereas, the Department proposes to sell these tracts to the Trust for Public Land in anticipation of their eventual transfer to the U.S. Forest Service for inclusion in the Green Mountain National Forest at which time the Green Mountain Club’s easements would terminate and the covered Long Trail
segments would be subject to federal protection, and

Whereas, in 1987, the Department entered into a lease with the Smuggler’s Notch Management Company Ltd. (Smuggler’s Notch), terminating in 2058 and renewable in ten-year increments, in which the Department leases 2,000 acres (the boundaries having last been amended in 2005) in the Mt. Mansfield State Forest to Smuggler’s Notch for use as a ski resort, and

Whereas, under the terms of the lease, Smuggler’s Notch’s Madonna-Sterling base lodge (and all other buildings and structures on the leasehold property) have remained State property, and

Whereas, the 45-year-old lodge is in need of major improvements and the current lease makes it economically difficult for Smuggler’s Notch to finance these improvements, and

Whereas, Smuggler’s Notch proposes to assume ownership of the base lodge and two acres of surrounding land contained in the leasehold and in exchange Smuggler’s Notch proposes: (i) to relinquish its leasehold interest in approximately 330 acres of land near the summit of Whiteface Mountain, and (ii) to convey a right-of-way to the State across a separate parcel of land that Smuggler’s Notch owns in the Mt. Mansfield State Forest, and

Whereas, pursuant to the authority granted in 10 V.S.A. § 2606(b), the Commissioner of Forests, Parks and Recreation believes that these land transactions are in the best interest of the State, now therefore be it

Resolved by the Senate and House of Representatives:

That the General Assembly authorizes the Commissioner of Forests, Parks and Recreation:

First: To amend certain terms and conditions of the conservation easements that the Department acquired with federal Forest Legacy funding: (i) on approximately 31,000 acres (known as the Hancock Lands) from the John Hancock Mutual Life Insurance Company on December 17, 1996; and (ii) on 210 acres (known as the Averill Inholdings) from the Trust for Public Land on December 7, 2005 in order to clarify the allowed uses for forestry-management-related structures and facilities, including their associated infrastructure and utilities.
Second: To sell to the Trust for Public Land two tracts, with the goal that the Trust will subsequently convey these tracts to the U.S. Forest Service for inclusion in the Green Mountain National Forest: (i) an approximately 113-acre tract in the town of Mendon (known as the Bertha Tract), and (ii) a 58-acre tract in the town of Killington (known as the Burch Tract), both of which the Department acquired from the Green Mountain Club on March 31, 2003 and that the sale shall be pursuant to the terms of a mutually satisfactory purchase and sales agreement. The selling price shall be based on the tracts’ fair market value that an appraisal shall determine. The sale of these tracts is contingent on support from the towns of Mendon and Killington. The proceeds of the sale shall be deposited in the Agency of Natural Resources Land Acquisition Fund to be used to acquire additional properties for Long Trail protection purposes.

Third: To amend the lease between the Department and Smuggler’s Notch to:

(1) Revise the leasehold boundary to conform to the land exchange authorized in the fourth provision of this resolution.

(2) Include new lease provisions: (i) authorizing the Department to add new terms to reflect new laws, administrative rules, and policies should the leasehold be sold, including the sale of all or substantially all of the lessee’s assets; and (ii) clarifying the various types of revenue generated within the ski leasehold area that must be incorporated into the ski lease fee payment but not changing the underlying formula.

(3) Update the indemnification and liability language to meet current State requirements.

(4) Clarify public access rights to the leasehold land, including Smuggler’s Notch’s right to restrict access for safety reasons.

Fourth: To enter into a land exchange with Smuggler’s Notch that provides for:

(1) The Department to convey to Smuggler’s Notch the base lodge and approximately two acres of surrounding land located within the Smuggler’s Notch leasehold.

(2) Smuggler’s Notch’s relinquishing to the State 330 acres more or less of land within the leasehold located below the summit of Whiteface Mountain.

(3) Smuggler’s Notch’s conveying to the Department, for management purposes in the Mt. Mansfield State Forest, a right-of-way, for a route to be mutually agreed upon, through a separate parcel of land that Smuggler’s Notch owns on the west side of Route 108.
(4) That the proposed exchanges listed in subdivisions (1)–(3) of this provision of the resolution are contingent on the approval of the Town of Cambridge and that Smuggler’s Notch’s leasehold interest in the 330 more or less acres to be removed from the lease be equal or greater than the appraised value of the base lodge and two acres of surrounding land.

(5) That Smuggler’s Notch, upon the conveyance of the base lodge and the surrounding approximately two acres to its ownership, shall continue to pay the Department 2.5 percent of all revenue generated at the base lodge for as long as the lease shall remain in effect, and be it further

Resolved: That the Secretary of State be directed to send a copy of this resolution to the Commissioner of Forests, Parks and Recreation.

The resolution having appeared on the Calendar one day for notice, was taken up and read the second time, the report of the committee on Corrections and Institutions agreed to and third reading ordered.
