Sec. B.1. 24 V.S.A. chapter 138 is added to read:

CHAPTER 138. RURAL ECONOMIC DEVELOPMENT
INFRASTRUCTURE DISTRICTS

§ 5701. PURPOSE

The purpose of this chapter is to enable formation of special municipal districts to finance, own, and maintain infrastructure that provides economic development opportunities in rural and underresourced areas of the State, including areas within one or more municipalities. Specifically, this chapter provides mechanisms for public and private partnerships, including opportunities for tax-incentivized financing and voluntary citizen engagement, to help overcome density and economic hardship.

§ 5702. ESTABLISHMENT; GENERAL PROVISIONS

(a) Establishment. Upon written application by 20 or more voters within a proposed district or upon its own motion, the legislative body of a municipality may establish a rural economic development infrastructure district. The application shall describe the infrastructure to be built or acquired; the plan for financing its acquisition; the anticipated economic benefit; the source of revenues for loan, bond, or lease payments; and plans for retention and disbursement of excess revenues, if any. The application also shall clearly state that the proposed district shall not have authority to levy taxes upon the grand list and may not levy service charges or fees upon any underlying municipality except for services used by such municipality, its own officers, and employees in the operation of municipal functions. Notice of establishment of a district shall be recorded as provided in subsection (e) of this section, posted in at least three public places within the municipality for at least 30 days, and published in a newspaper of general circulation within the municipality not more than 10 days from the date of establishment by the legislative body. Following 40 days from the later of the date of establishment by the legislative body of the municipality or an affirmative vote under

subdivision (d)(1) or (2) of this section, the district shall be deemed to be a body politic and corporate, capable of exercising those powers and prerogatives explicitly granted by the legislative body of the municipality in accordance with this chapter and the district's establishment application.

(b) Districts involving more than one municipality. Where the limits of a proposed district include two or more municipalities, or portions of two or more municipalities, the application required by this section shall be made to and considered by the legislative body of each such municipality.

(c) Alteration of district limits. The legislative body of a municipality in which a district is located may alter the limits of a district upon application to the governing board of the district, provided the governing board gives prior written consent. A district expansion need not involve contiguous property. Notice of an alteration of the limits of a district shall be recorded as provided in subsection (e) of this section, posted in at least three public places within the municipality for at least 30 days, and published in a newspaper of general circulation within the municipality not more than 10 days from the date of the legislative body's decision to alter the limits of a district.

(d)(1) Contestability. If a petition signed by five percent of the voters of the municipality objecting to the proposed establishment or alteration of limits of a district is presented to the municipal clerk within 30 days of the date of posting and publication of the notice required by subsection (a) or (c) of this section, as applicable, the legislative body of the municipality shall cause the question of whether the municipality shall establish or alter the limits of the district to be considered at a meeting called for that purpose. The district shall be established in accordance with the application or the limits altered unless a majority of the voters of the municipality present and voting votes to disapprove such establishment or alteration of limits.

(2) If a petition signed by five percent of the voters of the municipality objecting to a legislative body's decision denying the establishment or the alteration of limits of a district is presented to the municipal clerk within 30 days of the legislative body's decision, the legislative body shall cause the question of whether the municipality shall establish or alter the limits of the district to be considered at an annual or special meeting called for that purpose.

(e) Recording. A record of the establishment of a district and any alteration of district limits made by a legislative body shall be filed with the clerk of each municipality in which the district is located, and shall be recorded with the Secretary of State.

§ 5703. LIMITATIONS; TAXES; INDEBTEDNESS; EMINENT DOMAIN

Notwithstanding any grant of authority in this chapter to the contrary:

(1) A district shall not accept funds generated by the taxing or assessment power of any municipality in which it is located.

(2) A district shall not have the power to levy, assess, apportion, or collect any tax upon property within the district, nor upon any of its underlying municipalities, without specific authorization of the General Assembly.

(3) All obligations of the district, including financing leases, shall be secured by and payable only out of the assets of or revenues or monies in the district, including revenue generated by an enterprise owned or operated by the district.

(4) A district shall not have powers of eminent domain.

§ 5704. GOVERNING BOARD; COMPOSITION; MEETINGS; REPORT

(a) Governing board. The legislative power and authority of a district and the administration and the general supervision of all fiscal, prudential, and governmental affairs of a district shall be vested in a governing board, except as otherwise specifically provided in this chapter.

(b) Composition. The first governing board of the district shall consist of four to eight members appointed in equal numbers by the legislative bodies of the underlying municipalities. It shall draft the district's bylaws specifying the size, composition, quorum requirements, and manner of appointing members to the permanent governing board. The bylaws shall require that a majority of the board shall be appointed annually by the legislative bodies of the underlying municipalities. Board members shall serve staggered, three-year terms, and shall be eligible to serve successive terms. The legislative bodies of the municipalities in which the district is located shall fill board vacancies, and may remove board members at will. Any bylaws developed by the governing board under this subsection shall be submitted for approval to the legislative bodies of the municipalities within the district and shall be considered duly adopted 45 days from the date of submission, provided none of the legislative bodies disapprove of the bylaws.

(c) First meeting. The first meeting of the district shall be called upon 30 days' posted and published notice by a presiding officer of a legislative body in which the district is located. Voters within a municipality in which the district is located are eligible to vote at annual and special district meetings. At the first meeting of the district, and at each subsequent annual meeting, there shall be elected from among board members a chair, vice chair, clerk, and treasurer who shall assume their respective offices upon election. At the first meeting, the fiscal year of the district shall be established and rules of

parliamentary procedure shall be adopted. Prior to assuming their offices, officers may be required to post bond in such amounts as determined by resolution of the board. The cost of such bond shall be borne by the district.

(d) Annual and special meetings. Unless otherwise established by the voters, the annual district meeting shall be held on the second Monday in January and shall be warned by the clerk or, in the clerk's absence or neglect, by a member of the board. Special meetings shall be warned in the same manner on application in writing by five percent of the voters of the district. A warning for a district meeting shall state the business to be transacted. The time and place of holding the meeting shall be posted in two or more public places in the district not more than 40 days nor less than 30 days before the meeting and recorded in the office of the clerk before the same is posted.

(e) Annual report. The district shall report annually to the legislative bodies and the citizens of the municipalities in which the district is located on the results of its activities in support of economic growth, job creation, improved community efficiency, and any other benefits incident to its activities.

§ 5705. OFFICERS

(a) Generally. The district shall elect at its first meeting and at each annual meeting thereafter a chair, vice chair, clerk, and treasurer, who shall hold office until the next annual meeting and until others are elected. The board may fill a vacancy in any office.

(b) Chair. The chair shall preside at all meetings of the board and make and sign all contracts on behalf of the district upon approval by the board. The chair shall perform all duties incident to the position and office as required by the general laws of the State.

(c) Vice chair. During the absence of or inability of the chair to render or perform his or her duties or exercise his or her powers, the same shall be performed and exercised by the vice chair and when so acting, the vice chair shall have all the powers and be subject to all the responsibilities given to or imposed upon the chair. During the absence or inability of the vice chair to render or perform his or her duties or exercise his or her powers, the board shall elect from among its members an acting vice chair who shall have the powers and be subject to all the responsibilities given or imposed upon the vice chair.

(d) Clerk. The clerk shall keep a record of the meetings, votes, and proceedings of the district for the inspection of its inhabitants.

(e) Treasurer. The treasurer of the district shall be appointed by the board, and shall serve at its pleasure. The treasurer shall have the exclusive charge

and custody of the funds of the district and shall be the disbursing officer of the district. When warrants are authorized by the board, the treasurer may sign, make, or endorse in the name of the district all checks and orders for the payment of money and pay out and disburse the same and receipt therefor. The treasurer shall keep a record of every obligation issued and contract entered into by the district and of every payment made. The treasurer shall keep correct books of account of all the business and transactions of the district and such other books and accounts as the board may require. The treasurer shall render a statement of the condition of the finances of the district at each regular meeting of the board and at such other times as required of the treasurer. The treasurer shall prepare the annual financial statement and the budget of the district for distribution, upon approval of the board, to the legislative bodies of district members. Upon the treasurer's termination from office by virtue of removal or resignation, the treasurer shall immediately pay over to his or her successor all of the funds belonging to the district and at the same time deliver to the successor all official books and papers.

§ 5706. AUDIT

Once the district becomes operational, the board shall cause an audit of the financial condition of the district to be performed annually by an independent professional accounting firm. The results of the audit shall be provided to the governing board and to the legislative bodies of the municipalities in which the district is located.

§ 5707. COMMITTEES

The board has authority to establish one or more committees and grant and delegate to them such powers as it deems necessary. Members of an executive committee shall serve staggered terms and shall be board members. Membership on other committees established by the board is not restricted to board members.

§ 5708. DISTRICT POWERS

(b)(1) In order to permit the legislature to respond to these developing opportunities and concerns on an informed basis, on or before November 30, 2017, the Center for Legal Innovation at Vermont Law School, in consultation with the Commissioner of Financial Regulation, the Secretary of Commerce and Community Development, and the Attorney General, shall submit a report to the General Assembly that includes:

(6) “Related costs” means expenses incurred and paid by the municipality, exclusive of the actual cost of constructing and financing improvements, that are directly related to the creation and implementation of a municipal tax increment financing district, including reimbursement of sums previously advanced by the municipality for those purposes, direct municipal

expenses such as departmental or personnel costs related to creating or administering the project, and audit costs allocable to the district.

§ 1904. MUNICIPAL TAX INCREMENT FINANCING DISTRICT

(a) General authority. Notwithstanding any provision of subchapter 5 of this chapter or 32 V.S.A. § 5404a to the contrary, upon approval of the legislative body of any municipality, a municipality may create a municipal tax increment financing district, and may incur debt to provide funding for improvements and related costs for the district.

(b) Municipal approval; voter approval.

(1) The legislative body of the municipality shall hold one or more public hearings to consider a municipal tax increment financing plan. Following public notice, hearing, and opportunity to comment, the legislative body of the municipality may grant approval of the plan.

(2) When adopted by the act of the legislative body of that municipality, the plan shall be recorded with the municipal clerk and lister or assessor, and the creation of the district shall occur at 12:01 a.m. on April 1 of the calendar year so voted by the municipal legislative body.

(3) The municipality may only incur debt for the project if the voters of the municipality approve the debt obligation by a majority vote at a regular or special meeting for which voting upon the debt obligation was properly warned.

(4) Following final voter approval, the municipality has up to five years to incur debt pursuant to the financing plan.

(c) Life of district.

(1) A municipality may incur indebtedness against revenues of the municipal tax increment financing district over any period authorized by the legislative body of the municipality.

(2) Any indebtedness incurred under subdivision (1) of this subsection may be retired over any period authorized by the legislative body of the municipality.

(3) The district shall continue until the date and hour the indebtedness is retired or, if no debt is incurred, after the period authorized by the legislative body of the municipality to incur indebtedness.

(d) Financing. During the life of an active district, the following apply, notwithstanding any provision of law to the contrary:

(1) Valuation.

(A) Within 30 days of voter approval pursuant to subsection (b) of this section, the lister or assessor for a municipality shall certify to the legislative body of the municipality the original taxable value of a tax increment financing district as of the date the voters approved the debt obligation.

(B) On or before June 30 following voter approval and annually thereafter, the lister or assessor shall assess and certify to the legislative body the current value of a project parcel.

(2) Tax rate.

(A) The lister or assessor shall use the original taxable value of a project parcel when computing the municipal tax rate.

(B) When calculating the amount of tax due on a project parcel, the treasurer shall apply the municipal tax rate to the current assessed value, rather than the original taxable value.

(3) Tax increment.

(A) The "tax increment" is the amount of tax paid on a project parcel, as calculated pursuant to subdivision (2)(B) of this subsection (d) using the current assessed value, that exceeds the amount of tax that would have been due if the tax rate were applied to the original taxable value.

(B) The municipality may retain any share of the municipal tax increment to service the debt, beginning the first year in which debt is incurred.

(C) A municipal tax increment financing district created pursuant to this subchapter is not authorized to retain any education property tax increment.

(D) A municipality shall segregate the tax increment in a special account and in its official books and records.

(4) Use of tax increment.

(A) As of each date the municipality receives a tax payment and retains a portion of the tax increment pursuant to this section, the municipality shall use the portion of the municipal tax increment that is necessary to pay costs actually incurred as of that date for debt service and related costs.

(B) If, after paying for improvements and related costs, there remains any excess portion of the tax increment, the municipality may retain the increment to prepay principal and interest on the financing, use for future financing payments, or use for defeasance of the financing.

(e) Annual audit.

(1) The municipality shall ensure that the segregated account for the tax increment financing district required by this section is subject to the annual audit requirements prescribed in sections 1681 and 1690 of this title.

(2) Any audit procedures shall include verification of the original taxable value and current assessed value, expenditures for project debt service and related costs, annual and total tax increment funds generated, and allocation of tax increment funds.

Sec. 16. 32 V.S.A. chapter 245 is added to read:

CHAPTER 245. HEALTH CARE FUND CONTRIBUTION
ASSESSMENT

§ 10501. PURPOSE

For the purpose of more equitably distributing the costs of health care to uninsured residents of this State, an employers' health care fund contribution is established to provide a fair and reasonable method for sharing health care costs with employers that do not offer their employees health care coverage and employers that offer insurance but whose employees enroll in Medicaid.

§ 10502. DEFINITIONS

As used in this chapter:

(1) "Employee" means an individual who is:

(A) 18 years of age or older for all of a calendar quarter,

(B) employed full-time or part-time, and

(C) reported by an employer for purposes of complying with Vermont unemployment compensation law pursuant to 21 V.S.A. chapter 17.

(2) "Employer" means a person who is required to furnish unemployment insurance coverage pursuant to 21 V.S.A. chapter 17.

(3)(A) "Full-time equivalent" or "FTE" means the number of employees expressed as the number of employee hours worked during a calendar quarter divided by 520. The FTE calculation shall be based on a 40-hour work week. No more than one FTE may be assessed against an individual employee, regardless of the actual number of hours worked by that employee during the calendar quarter.

(B) The hours worked during a calendar quarter means hours worked during all pay periods in that quarter for which gross wages were reported and paid. Unworked hours, such as vacation or sick time, may be excluded from the FTE calculation.

(C) "Full-time equivalent" shall not include any employee hours attributable to a seasonal employee or part-time employee of an employer who offers health care coverage to all of its regular full-time employees, provided

that the seasonal employee or part-time employee has health care coverage under either a private plan or any public plan except Medicaid.

(4) "Health care coverage" shall mean any private or public plan that includes both hospital and physician services.

(5) "Part-time employee" shall mean an employee who works for an employer for fewer than 30 hours a week or fewer than 390 hours in a calendar quarter.

(6) "Seasonal employee" means an employee who:

(A) works for an employer for 20 weeks or fewer in a calendar year; and

(B) works in a job scheduled to last 20 weeks or fewer.

(7) "Uncovered employee" means:

(A) an employee of an employer who does not offer to pay any part of the cost of health care coverage for its employees;

(B) an employee who is not eligible for health care coverage offered by an employer to any other employees; or

(C) an employee who is offered and is eligible for coverage by the employer but elects not to accept the coverage and:

(i) is enrolled in Medicaid;

(ii) has no other health care coverage under either a private or public plan except Medicaid; or

(iii) has purchased health insurance coverage as an individual through the Vermont Health Benefit Exchange.

§ 10503. HEALTH CARE FUND CONTRIBUTION ASSESSMENT

(a) The Commissioner of Taxes shall assess and an employer shall pay a quarterly Health Care Fund contribution for each full-time equivalent uncovered employee employed during that quarter in excess of four full-time equivalent employees.

(b) The amount of the contribution shall be \$158.77 for each full-time equivalent employee in excess of four. Starting in calendar year 2018, the amount of the contribution shall be adjusted by a percentage equal to any percentage change in premiums for the second lowest-cost silver-level plan in the Vermont Health Benefit Exchange.

(c) Health Care Fund contribution assessments under this chapter shall be determined on a calendar quarter basis, due and payable on or before the 25th

day of the calendar month succeeding the close of each quarter. All administrative provisions of chapter 151 of this title shall apply to this chapter, except penalty and interest shall apply according to chapter 103 of this title.

(d) Revenues from the Health Care Fund contributions collected shall be deposited into the State Health Care Resources Fund established under 33 V.S.A. § 1901d.

(e)(1) Notwithstanding any provision of law to the contrary, the Department of Taxes shall provide the Joint Fiscal Office with all returns or return information relating to the Health Care Fund contribution assessment except information that would identify a taxpayer. The information sharing required by this subsection shall occur quarterly within a reasonable time following the return due date for each quarter.

(2) When handling information shared pursuant to this subsection, the Joint Fiscal Office shall be subject to the same requirements and penalties as employees of the Department of Taxes under section 3102 of this title. It shall be considered an unauthorized disclosure for an officer, employee, or agent of the Joint Fiscal Office to disclose returns or return information provided pursuant to this subsection that does not combine a taxpayer's information with at least nine other taxpayers.

§ 10504. HOURS WORKED BY UNCOVERED EMPLOYEES;
CALCULATION AND REPORTING

(a) Employers shall report to the Department of Taxes the number of hours worked by each uncovered employee on a return provided by the Department. The return shall be filed at the same time payment is required under subsection 10503(c) of this chapter, shall be filed electronically, and shall include any information required by the Commissioner.

(b) Quarterly health care contributions shall be calculated in the following manner:

(1) An employer shall divide the total hours worked by all uncovered employees during a quarter by 520, to represent one full-time equivalent employee. The employer shall then round the resulting number down to the nearest whole number and subtract four. The employer shall then multiply the resulting number by the amount established under subsection 10503(b) of this chapter to determine the amount of assessment due for the quarter.

(A) For full-time salaried employees, employers shall use 520 hours a quarter for the total hours worked.

(B) For all employees who worked more than 520 hours in a quarter, employers shall use 520 hours a quarter for the total hours worked.

(2) The Commissioner shall provide an electronic declaration of health care coverage form for employers to collect the health coverage statuses of their employees for purposes of this assessment. The form shall preserve the confidentiality of the type of coverage possessed by the employee and the employer shall only use the form for purposes of this assessment.

(A) An employer shall annually obtain a declaration of health care coverage from every employee who is not enrolled in a plan offered by the employer.

(B) An employer shall maintain declarations of health care coverage for a minimum of three years in a manner reasonably available for review and audit.

(C) Employees for whom no declaration of coverage is obtained shall be treated as uncovered.

(c) In the case of an employee leasing agreement, leased employees shall be considered employees of a client company and not employees of an employee leasing company.

§ 10505. HEALTH BENEFIT COSTS

(1) the total monthly premium cost paid for any employer-sponsored health benefit plan;

(2) the employer's share and the employee's share of the total monthly premium; and

(b) Notwithstanding the provisions of subsection (a) of this section, an employer who reports the cost of coverage under an employer-sponsored health benefit plan as required by 26 U.S.C. § 6051(a)(14) shall be deemed to be in full compliance with the requirements of this section.

* * *

§ 5412. REDUCTION OF LISTED VALUE AND RECALCULATION OF
EDUCATION TAX LIABILITY

(a)(1) If a listed value is reduced as the result of an appeal or court action, ~~and if the municipality files a written request with the Commissioner within 30 days after the date of the determination, entry of the final order, or settlement agreement if the Commissioner determines that the settlement value is the fair market value of the parcel, the Commissioner~~ made pursuant to section 4461

of this title, a municipality may submit a request for the Director of Property Valuation and Review to recalculate its education property tax liability for the education grand list value lost due to a determination, declaratory judgment, or settlement. The Director shall recalculate the municipality's education property tax liability for the each year at issue, in accord with the reduced valuation, provided that:

(A) ~~the~~ The reduction in valuation is the result of an appeal under chapter 131 of this title to the Director of Property Valuation and Review or to a court, with no further appeal available with regard to that valuation, or any judicial decision with no further right of appeal, or a settlement of either an appeal or court action if the Commissioner Director determines that the settlement value is the fair market value of the parcel;

(B) ~~the~~ The municipality notified the Commissioner of the appeal or court action, in writing, within 10 days after notice of the appeal was filed under section 4461 of this title or after the complaint was served; and submits the request on or before January 15 for a request involving an appeal or court action resolved within the previous calendar year.

(C) ~~as a result of the valuation reduction of the parcel, the value of the municipality's grand list is reduced at least one percent. [Repealed.]~~

(D) The Director determines that the municipality's actions were consistent with best practices published by the Property Valuation and Review in consultation with the Vermont Assessors and Listers Association. The municipality shall have the burden of showing that its actions were consistent with the Director's best practices.

(2) A determination of the Director made under subdivision (1) of this subsection may be appealed within 30 days by an aggrieved municipality to the Commissioner for a hearing to be held in accordance with 3 V.S.A. §§ 809–813. The Commissioner's determination may be further appealed to Superior Court, which shall review the Commissioner's determination using the record that was before the Commissioner. The Commissioner's determination may only be overturned for abuse of discretion.

(3) ~~The municipality's~~ Upon the Director's request, a municipality submitting a request under subdivision (1) of this subsection shall include a copy of the agreement, determination or final order, and any other documentation necessary to show the existence of these conditions.

(b) ~~To the extent that the municipality has paid that liability, the Commissioner Director shall allow a credit for any reduction in education tax liability against the next ensuing year's education tax liability or, at the request of the municipality, may refund to the municipality an amount equal to the~~

reduction in education tax liability.

(c) If a listed value is increased as the result of an appeal under chapter 131 of this title or court action, whether adjudicated or settled and the ~~Commissioner~~ Director determines that the settlement value is the fair market value of the parcel, with no further appeal available with regard to that valuation, the ~~Commissioner~~ Director shall recalculate the municipality's education property tax for each year at issue, in accord with the increased valuation, and shall assess the municipality for the additional tax at the same time the ~~Commissioner~~ Director assesses the municipality's education tax liability for the next ensuing year, unless the resulting assessment would be less than \$300.00. Payment under this section shall be due with the municipality's education tax liability for the next ensuing year.

(d) Recalculation of education property tax under this section shall have no effect other than to reimburse or assess a municipality for education property tax changes ~~which~~ that result from property revaluation.

However, the total amount for all reductions made under this section in one year shall not exceed \$100,000.00. If total reductions for a calendar year would exceed this amount, the Director shall instead prorate the reductions proportionally among all municipalities eligible for a reduction so that total reductions equal \$100,00.00.

(f) Prior to the issuance of a final administrative determination or judicial order, a municipality may request that the Director certify that best practices were followed for purposes of meeting the requirements of subdivision (a)(1)(D) of this section. The Director may choose to grant certification, deny certification, or refrain from a decision until a request is submitted under subdivision (a)(1) of this section. The Director shall consider the potential impact on the Education Fund, the unique character of the subject property or properties, and any extraordinary circumstances when deciding whether to grant certification under this subsection. The Director shall be bound by a decision to grant certification unless the municipality agrees to a settlement after such certification was made.

* * * Calculation of Certain Rates; Five Percent Hold Harmless Rule * * *

Sec. 29c. CALCULATION OF TAX RATES FOR MEMBER TOWNS IN VOLUNTARY SCHOOL GOVERNANCE MERGERS.

(a) Definitions. As used in this section:

(1) “Five percent provision” means collectively the provisions in 2010 Acts and Resolves No. 153, 2012 Acts and Resolves No. 156, and 2015 Acts and Resolves No. 46, limiting a town’s equalized homestead property tax rate increase or decrease, and related household income percentage adjustments to five percent in a single year during the years in which the corresponding tax rate reductions apply to a new union school district’s equalized unified homestead property rate.

(2) “Tax rate reductions” means collectively the equalized homestead property tax rate reductions, and related household income percentage reductions, provided for voluntary school governance mergers in 2010 Acts and Resolves No. 153, 2012 Acts and Resolves No. 156, and 2015 Acts and Resolves No. 46.

(3) “Education spending in the prior fiscal year” means the total education spending of all merging districts in the year prior to merger, divided by the total number of equalized pupils of all the merging districts in the year prior to merger.

(4) “Tax rate of a member town” means collectively the equalized homestead property tax rate, and related household income percentage reductions, for the referenced town.

(b) Tax rate reduction review.

(1) In a fiscal year in which the tax rate reductions are applied to a new union school district, if the district’s education spending per equalized pupil increases by four percent or less over its education spending per equalized pupil in the prior fiscal year, then it shall be presumed to not trigger Tax Rate Reduction Review.

(2) In a fiscal year in which the tax rate reductions are applied to a new union school district, if the district’s education spending per equalized pupil increases by more than four percent over its education spending per equalized pupil in the prior fiscal year, then it shall be subject to a Tax Rate Reduction

Review.

(3) Upon the request of the Secretary, a union school district shall submit its budget to Tax Rate Reduction Review to determine whether its increase in education spending per equalized pupil was beyond the school district's control or for other good cause. In conducting the Review, the Secretary will select three business managers and three superintendents to serve in an advisory role in the Review. The Review shall consider at least the following factors:

(A) the extent to which the increase in education spending per equalized pupil is caused by declining enrollment in the union school district;

(B) the extent to which the increase in education spending per equalized pupil is caused by unifying employee contracts in the course of the union school district formation process; and

(C) the extent to which the increase in education spending per equalized pupil is caused by increases in tuition paid by the union school district.

(4) If, at the conclusion of the Review, the Secretary determines that the union school district's budget contains excessive increases in educational spending per equalized pupil that are within the district's control and are not supported by good cause, then union school district rates for the fiscal year will be determined as follows:

(A) The tax rate of a member town that would otherwise be increased by no more than five percent shall be increased by no more than five percent plus the difference between a four percent increase in education spending per equalized pupil and the actual increase in the union school district's education spending per equalized pupil.

(B) The tax rate of a member town that would otherwise be decreased by no more than five percent shall be decreased by no more than five percent minus the difference between a four percent increase in education spending per equalized pupil and the actual increase in the union school district's education spending per equalized pupil.

Rep. Beck of St. Johnsbury explained his vote as follows:

“Madam Speaker:

The H. 509 conference Report does nothing to reduce property taxes. What it does is use phantom savings and one-time reserve money to create an illusion that voters will clearly realize, and pay for dearly in FY19.”

Rep. Sharpe of Bristol explained his vote as follows:

“Madam Speaker:

I applaud the efforts of the speaker to reach a compromise with the Governor on this important subject. When the Governor insists on significant cost increases for hard working school support staff including bus drivers, para professional classroom aids, janitors and school cafeteria workers, it leaves me no option but to disagree and help pass a bill that requires thoughtful analysis of a system to make Vermont more affordable for all.”

Rep. Stuart of Brattleboro explained her vote as follows:

“Madam Speaker:

Teachers are on the front lines every day taking care of our state's most precious assets, our children and our young people. Madam Speaker, those of us in the House are concerned about property taxes, and we heard Vermonters' call to lower property taxes. We did that by developing a responsible plan. Madam Speaker, as a member of the House, I am not willing to take anything away from the people who take care of our state's most precious asset, our children and our young people. Madam Speaker, I commend all those who carefully crafted this bill, which strikes a balance between lowering property taxes and taking care of Vermont's youth.”

Rep. Wright of Burlington explained his vote as follows:

“Madam Speaker:

The answer to the Governor’s proposal to maximize savings to property taxes, help our local school boards deal with a massively complex issue, while still holding teachers harmless, was an illusion. We have failed our property taxpayers once again. The cry of 'where is the beef' or 'where are the savings', will be heard clear across Vermont.”

Rep. Yantachka of Charlotte explained his vote as follows:

“Madam Speaker:

The right of employees to enter into collective bargaining with their employer is a right that was hard-fought and won over the last century and a half. It is a right that we should not throw away. My yes vote underlies my support for this sacred principle.”

Sec. A.105 OFFSETTING APPROPRIATIONS

(a) In the absence of specific provisions to the contrary in this act, when total appropriations are offset by estimated receipts, the State appropriations shall control, notwithstanding receipts being greater or less than anticipated.

Sec. A.106 FEDERAL FUNDS

(a) In fiscal year 2018, the Governor, with the approval of the Legislature or the Joint Fiscal Committee if the Legislature is not in session, may accept federal funds available to the State of Vermont, including block grants in lieu of or in addition to funds herein designated as federal. The Governor, with the approval of the Legislature or the Joint Fiscal Committee if the Legislature is not in session, may allocate all or any portion of such federal funds for any purpose consistent with the purposes for which the basic appropriations in this act have been made.

(b) If, during fiscal year 2018, federal funds available to the State of Vermont and designated as federal in this and other acts of the 2017 session of the Vermont General Assembly are converted into block grants or are abolished under their current title in federal law and reestablished under a new title in federal law, the Governor may continue to accept such federal funds for any purpose consistent with the purposes for which the federal funds were appropriated. The Governor may spend such funds for such purposes for no

more than 45 days prior to Legislative or Joint Fiscal Committee approval. Notice shall be given to the Joint Fiscal Committee without delay if the Governor intends to use the authority granted by this section, and the Joint Fiscal Committee shall meet in an expedited manner to review the Governor's request for approval.

Housing Bond Proceeds for Affordable Housing * * *

Sec. I.1 FINDINGS AND PURPOSE; AFFORDABLE HOUSING BOND

(a) Findings.

(1) The General Assembly finds that investments are needed to help house the most vulnerable Vermonters as well as creating more homes for workers.

(2) The shortage of affordable and available homes has been highlighted recently by:

(A) the Vermont Futures Project of the Vermont Chamber of Commerce, which set a growth target of 5,000 new and improved housing units annually;

(B) a national consultant's recommendations for a Roadmap to End Homelessness, which calls for, over the next five years, 368 new units for permanent supportive housing and 1,251 new homes affordable to families with income that is not more than 30 percent of the median; and

(C) the 2015 statewide housing needs assessment by Bowen National Research, which found the largest gaps in housing affordable to households with income below 30 percent of median and households with income between 85 percent and 120 percent of median, and found a lack of housing availability across the income spectrum.

(b) Purpose and intent.

(1) The purpose of Secs. I.1–I.12 of this act is to promote the development and improvement of housing for Vermonters.

(2) It is the intent of the General Assembly:

(A) to extend the clean water surcharge to provide an interim source of revenue for addressing water quality issues throughout the State;

(B) to continue its work on identifying a long-term funding source or sources that are sufficient in scope and targeted in design to address these water quality issues; and

(C) once one or more long-term funding sources are identified and enacted, but not later than July 1, 2027, to reduce the amount of the clean water surcharge to 0.04 percent.

(b) Pursuant to Sec. I.4 of this act, in 32 V.S.A. § 9610(d), the first \$2,500,000.00 of revenue generated from the property transfer tax is transferred to the Vermont Housing Finance Agency to service the bonds, notes, and other obligations incurred by the Agency pursuant to 10 V.S.A. § 621(22), the proceeds of which the Vermont Housing and Conservation Board shall use to create affordable housing pursuant to 10 V.S.A. § 314.

(c) Transferring the first \$2,500,000.00 of property transfer tax revenues to the Vermont Housing Finance Agency for debt service reduces the amount of revenues available for allocation to the respective statutory recipients identified in subsection (a) of this section.

(d) To compensate for this reduction of available property transfer tax revenue, it is the intent of the General Assembly through this act to provide for the transfer of \$2,500,000.00 to the Vermont Housing and Conservation Trust Fund, as follows:

(1) Sec. D.100 of this act appropriates \$11,304,840.00 in fiscal year 2018 from the Vermont Housing and Conservation Trust Fund to the Vermont Housing and Conservation Board. Upon the effective date of this act, the Board shall transfer the amount of \$1,500,000.00 back to the Vermont Housing and Conservation Trust Fund, resulting in a fiscal year 2018 total appropriation to the Board of \$9,804,840.00. In fiscal year 2018 only, the Commissioner of Taxes shall transfer the amount of \$1,500,000.00 from the Vermont Housing

and Conservation Trust Fund to the General Fund.

(2) As provided in Sec. I.9 of this act, from July 1, 2017 until July 1, 2027, pursuant to 32 V.S.A. § 9602a, the Commissioner of Taxes shall annually transfer the first \$1,000,000.00 in revenue generated by the clean water surcharge of 0.2 percent to the Vermont Housing and Conservation Trust Fund. In fiscal year 2018 only, the Commissioner shall transfer the amount of \$1,000,000.00 from the Vermont Housing and Conservation Trust Fund to the General Fund.

(3) After July 1, 2027, pursuant to 32 V.S.A. § 9602a as amended in Sec. I.10 of this act, the Commissioner of Taxes shall annually transfer the \$1,000,000.00 in total revenue generated by the clean water surcharge of 0.04 percent to the Vermont Housing and Conservation Trust Fund.

Rep. Botzow of Pownal explained his vote as follows:

“Madam Speaker:

The budget’s support for economic development will make a difference for Vermonters. While living within our means, focused investments in career pathways, economic development marketing, micro businesses and small business development create opportunities across our state. Thank you!”

Rep. Copeland-Hanzas of Bradford explained her voter as follows:

“Madam Speaker:

The body supported this budget a few short weeks ago. We stood together 143-1 to put in place a careful, austere budget that will protect Vermonters in the event that the administration in D.C. accomplishes the devastating cuts to

human services, health care and the environment they aspire to. We stood in near unanimity a few short weeks ago to protect this state from a devastating vision from D.C. The question today is – what has changed?”

Rep. Lippert of Hinesburg explained his vote as follows:

“Madam Speaker:

I vote yes to provide critical funds to support Vermonters with mental health needs. This budget prioritizes essential crisis support services, while directing much needed increased compensation to fund services to Vermonters with employees providing direct mental health and disability service needs.”

Rep. Mrowicki of Putney explained his vote as follows:

“Madam Speaker:

I whole heartedly support the hard work of you Appropriations Committee. In the best of circumstances, budgets are difficult. I especially applaud that our young children, the future of Vermont, will see a small increase of 25 million for early care and education. Given the daily chaos in Washington, I hope that chaos doesn’t spread to Vermont and that the hard work on this budget doesn’t get trumped by politics.”

Rep. Stevens of Waterbury explained his vote as follows:

“Madam Speaker:

Congratulations to the Appropriations Committee for creating a better budget than was passed nearly unanimously in April. Included in this budget is a 35 million dollar bond that will help commercial and nonprofit housing developers create hundreds of new housing units for low and middle income Vermonters. This budget also invests in programs that will help us shelter the homeless, keep them off the streets during extreme weather and allows communities to focus on building housing with reduced permitting and costs. This bill will go a long way to adding energy to our sluggish building economy. Thanks go to our Appropriations Committee, and to the committees of jurisdiction who contributed to this well thought out budget. I’ll be voting yes.”

Rep. Toll of Danville explained her vote as follows:

“Madam Speaker:

The budget before the body this evening includes no new taxes and no new fees and makes critical investments in Vermonters that have had the support of this chamber, the Senate and the Governor. This is a responsible budget. Growth rates are far below the forecasted revenue growth rate. All state funds grew from FY 17 to 18 at 0.7%. This is a budget that has been widely

embraced and it should be supported on its merits.”

Rep. Turner of Milton explained his vote as follows:

“Madam Speaker:

This is a good budget, unfortunately it does not capture their nearly 75 million in savings achieved from new teacher health care policies mandated by the affordable care act. Thank you.”
