Rep. Krowinski of Burlington explained her vote as follows:

“Madam Speaker:

It’s time to rewrite the rules so that women’s work and contributions are fully valued. Women in Vermont are paid 84 cents for every dollar paid to men, amounting to an annual wage gap of nearly $8,000. The practice of having to disclose one’s current salary only reinforces the pay gap by gender or race in our state. By eliminating this step, we can help level the playing field. I am proud to support this equal pay bill.”

Thereupon, third reading was ordered.

Rep. Donovan of Burlington explained her vote as follows:

“Madam Speaker:

President Trump stated 3 to 5 million voted illegally in 2016. After a thorough investigation by the Brennon Center of Justice at New York University it was determined to be fake news.

President Trump then stated he lost New Hampshire because thousands of Massachusetts residents were bussed to the neighboring state to cast ballots against him. After thorough investigation, this too was determined to be fake news.”

Rep. Giambatista of Essex explained his vote as follows:

“Madam Speaker:

Vermont is a leader on ensuring the right to vote for all of our citizens. When a national commission was convened to collect sensitive voter data from Vermont and other states, I heard my neighbors’ calls for privacy loud and clear. The passage of this bill is an important step to ensure personal and private voter information is kept secure. I urge the body to pass this sensible bill.”

Thereupon, third reading was ordered.

Second Reading; Bill Amended; Third Reading Ordered

H. 673

Rep. Keefe of Manchester, for the committee on Human Services, to which had been referred House bill, entitled

An act relating to miscellaneous amendments to the Reach Up program

Reported in favor of its passage when amended by striking all after the enacting clause and inserting in lieu thereof the following:
Sec. 1. 33 V.S.A. § 1103 is amended to read:

§ 1103. ELIGIBILITY AND BENEFIT LEVELS

(a) Financial assistance shall be given for the benefit of a dependent child to the relative or caretaker with whom the child is living, unless otherwise provided. The amount of financial assistance to which an eligible person is entitled shall be determined with due regard to the income, resources, and maintenance available to that person and, as far as funds are available, shall provide that person a reasonable subsistence compatible with decency and health. The Commissioner may fix by regulation maximum amounts of financial assistance, and act to ensure that the expenditures for the programs shall not exceed appropriations for them consistent with section 101 of this title. In no case may the Department expend State funds in excess of the appropriations for the programs under this chapter.

(c) The Commissioner shall adopt rules for the determination of eligibility for the Reach Up program and benefit levels for all participating families that include the following provisions:

(7) The equity value of one operable motor vehicle in a family with a single parent or caretaker and of two operable motor vehicles in a two-parent family for each adult in the family and the equity value of one operable motor vehicle for any child of driving age who needs a vehicle to attend school or work shall be excluded for purposes of determining eligibility for the Reach Up program. The Commissioner shall take all steps necessary to retain current resource protections under the Food Stamps program Supplemental Nutrition Assistance Program (SNAP) so that the rules under the Food Stamps program SNAP and the Reach Up program are compatible.

Sec. 2. 33 V.S.A. § 1107(a) is amended to read:

(a)(1) The Commissioner shall provide all Reach Up services to participating families through a case management model informed by knowledge of the family’s home, community, employment, and available resources. Services may be delivered in the district office, the family’s home, or the community in a way that facilitates progress toward accomplishment of the family development plan. Case management may be provided to other
eligible families. The case manager, with the full involvement of the family, shall recommend, and the Commissioner shall modify as necessary, a family development plan established under the Reach First or Reach Up program for each participating family, with a right of appeal as provided by section 1132 of this title. A case manager shall be assigned to each participating family as soon as the family begins to receive financial assistance. If administratively feasible and appropriate, the case manager shall be the same case manager the family was assigned in the Reach First program. The applicant for or recipient of financial assistance under this chapter shall have the burden of demonstrating the existence of his or her condition.

(2) In addition to the services provided pursuant to subsection (b) of this section, the Commissioner shall provide for a mandatory case review for each participating family with a program director or the program director’s designee when the family reaches 18 and 36 months of enrollment, respectively, in the Reach Up program to assess whether the participating family:

(A) is in compliance with a family development plan or work requirement;

(B) is properly claiming a deferment, if applicable;

(C) has any unaddressed barriers to self-sufficiency and, if so, how those barriers may be better addressed by the Department for Children and Families or other State programs; and

(D) has additional opportunities to achieve earned income through the program without a corresponding loss of benefits.

(3) The case manager shall meet with each participating family following any statutory or rule changes affecting the amount of the earned income disregard, asset limitations, or other eligibility or benefit criteria in the Reach Up program to inform the family of the changes and advise the family about ways to maximize the opportunities to achieve earned income without a corresponding loss of benefits.

Within 30 days of the effective date of the principal-earner parent’s sanction the primary caretaker shall report to the family’s case manager, complete an assessment, modify the family’s family development plan, and comply with the requirements of subdivision (1) of this subsection.

All other Vermont consumers will pay a fee to the credit reporting agency of up to $10.00 to place the freeze on their credit report. The security freeze will prohibit a credit reporting agency from releasing any information in your credit report without your express authorization. A security freeze must be requested in writing by certified mail.

The security freeze is designed to help prevent credit, loans, and services from being approved in your name without your consent. However, you
should be aware that using a security freeze to take control over who gains access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding new loans, credit, mortgage, insurance, government services or payments, rental housing, employment, investment, license, cellular phone, utilities, digital signature, internet credit card transaction, or other services, including an extension of credit at point of sale.

When you place a security freeze on your credit report, within ten business days you will be provided a personal identification number or password or other equally or more secure method of authentication to use if you choose to remove the freeze on your credit report or authorize the release of your credit report for a specific party, parties, or period of time after the freeze is in place. To provide that authorization, you must contact the credit reporting agency and provide all of the following:

1. The unique personal identification number or password or other method of authentication provided by the credit reporting agency.

2. Proper identification to verify your identity.

3. The proper information regarding the third party or parties who are to receive the credit report or the period of time for which the report shall be available to users of the credit report.

A credit reporting agency may not charge a fee of up to $5.00 to a consumer who is not a victim of identity theft to remove the freeze on your credit report or authorize the release of your credit report for a specific party, parties, or period of time after the freeze is in place. For a victim of identity theft, there is no charge when the victim submits a copy of a police report, investigative report, or complaint filed with a law enforcement agency about unlawful use of the victim’s personal information by another person.

A credit reporting agency that receives a request from a consumer to lift temporarily a freeze on a credit report shall comply with the request no later than three business days after receiving the request.

A security freeze will not apply to “preauthorized approvals of credit.” If you want to stop receiving preauthorized approvals of credit, you should call [INSERT PHONE NUMBERS] [ALSO INSERT ALL OTHER CONTACT INFORMATION FOR PRESCREENED OFFER OPT OUT OPT OUT.] A security freeze does not apply to a person or entity, or its affiliates, or collection agencies acting on behalf of the person or entity with which you have an existing account that requests information in your credit report for the purposes of reviewing or collecting the account, provided you have previously given your consent to this use of your credit reports. Reviewing the account
includes activities related to account maintenance, monitoring, credit line
increases, and account upgrades and enhancements.

You have a right to bring a civil action against someone who violates your
rights under the credit reporting laws. The action can be brought against a
credit reporting agency or a user of your credit report.”

(d) The information required to be disclosed by this section shall be
disclosed in writing. The information required to be disclosed pursuant to
subsection (c) of this section shall be disclosed on one side of a separate
document, with text no smaller than that prescribed by the Federal Trade
Commission for the notice required under 15 U.S.C. §1681q §1681g. The
information required to be disclosed pursuant to subsection (c) of this section
may accurately reflect changes in numerical items that change over time (such
as the phone telephone number or address of Vermont State agencies), and
remain in compliance.

(e) The Attorney General may revise this required notice by rule as
appropriate from time to time so long as no new substantive rights are created
therein.

If a credit reporting agency intends to remove a freeze upon a consumer’s credit report pursuant to this subdivision, the credit reporting agency shall notify the consumer in writing prior to removing the freeze on the consumer’s credit report.

(h) If a third party requests access to a credit report on which a security freeze is in effect and this request is in connection with an application for credit or any other use and the consumer does not allow his or her credit report to be accessed for that specific party or period of time, the third party may treat the application as incomplete.

(i) If a consumer requests a security freeze pursuant to this section, the credit reporting agency shall disclose to the consumer the process of placing and lifting temporarily lifting a security freeze and the process for allowing access to information from the consumer’s credit report for a specific party, parties, or period of time while the security freeze is in place.

Rep. Mrowicki of Putney explained his vote as follows:
“Madam Speaker:
I want to thank the Chair of Judiciary for the reminder that this bill is another tool to protect those who’ve experienced domestic abuse and another way we can offer support to those who’ve experienced domestic abuse and say we support you, in staying safe.”

Rep. Stuart of Brattleboro explained her vote as follows:
“Madam Speaker:
I’m proud of the good work the House Commerce and Economic Development, Ways and Means, and Judiciary Committees did on this bill. Madam Speaker, protecting our fellow Vermonters’ private personal information from bad actors who would use such information for nefarious purpose is a duty I take more seriously than ever in our interconnected world. Madam Speaker, this is a good step in the right direction of protecting Vermonters’ private personal information.”

Rep. Turner of Milton explained his vote as follows:
“Madam Speaker:
The notion that this bill will protect consumers from someone gathering
your information, which is currently available public, is false. To suggest
otherwise misleads the very constituents we are supposedly attempting to
protect! Thank you.”

Adjournment

At three o'clock and fifty-two minutes in the afternoon, on motion of Rep.
Turner of Milton, the House adjourned until tomorrow at nine o'clock and
thirty minutes in the forenoon.
