Rep. Grad of Moretown explained her vote as follows:

“Madam Speaker:

I voted no on this motion for a number of reasons.
First, a public hearing on gun legislation was held 6 weeks ago in this chamber that I and other members attended.

Second, this bill received an enormous amount of testimony in committee.

Third, I, with the help of my committee assistant, have created a public record on my committee page where I forward all emails to be posted there. All paper messages are kept on file.

Fourth, my committee held hearings for House members to testify on S.55.

Fifth, members held public hearings in Barre, Bennington and elsewhere.

Sixth, the Education Committees of this body and the other body held public hearings.

The House Judiciary Committee has done its due diligence thoughtfully and with the utmost process and so I voted no.”

Rep. Hebert of Vernon explained his vote as follows:

“Madam Speaker:

I voted yes. Many of my constituents have been pleading for a public hearing on this proposed monumental shift in Vermont culture. This refusal by this body to respect and honor their requests is indefensible.”

Rep. Joseph of North Hero explained his vote as follows:

“Madam Speaker:

There is no need for a delay. I have attended a public meeting where people spoke out about S.55. I placed a description of that meeting in my local newspaper, The Islander, and received phone calls and emails from constituents in all 6 towns that I represent. The public is well-informed about this bill.”

Rep. Krowinski of Burlington explained her vote as follows:

“Madam Speaker:

I vote no. I’m proud of the work our Judiciary committee has done to thoroughly vet this gun violence prevention bill. Vermonters are ready for us to act. Let’s get to work.”

Rep. Mrowicki of Putney explained his vote as follows:

“Madam Speaker:

I voted No.

We have had many public hearings on this issue. The time for talk is done. It’s time to vote.”
Rep. Poirier of Barre City explained his vote as follows:

“Madam Speaker:
I voted yes to give the people of Vermont what they want – a public hearing.”

Rep. Sibilia of Dover explained her vote as follows:

“Madam Speaker:
I attended the well-attended Senate public hearing in this chamber. The member from Wilmington and I held a hearing in our towns last week in Whitingham.”

Rep. Turner of Milton explained his vote as follows:

“Madam Speaker:
Our legislative process was designed to be a slow methodical process in order to allow all stakeholders equal opportunity to share their view on the issue at hand. It seems that in this case, this body didn’t want to hear anymore from the gun rights advocacy. Adding additional time would have allowed everyone the time they requested. Thank you.”

Rep. Walz of Barre City explained his vote as follows:

“Madam Speaker:
I voted NO on this question, but not because I am opposed to public hearings. We already held a very large public hearing on this bill here at the State House, and a number of us have held hearings in our local communities. Barre’s was just on Tuesday. And I know all of us have heard from the public in other ways. The process has been a good one. It is time to make some decisions.”

Rep. Willhoit of St. Johnsbury explained his vote as follows:

“Madam Speaker:
I vote yes because, while the Senate held a public hearing early this session, neither S.55 as passed by the Senate nor as further amended by House Judiciary were discussed.

Given the significance of our body’s work today, the people of Vermont deserve a public hearing.”

Rep. Wright of Burlington explained his vote as follows:

“Madam Speaker:
A public hearing in one community or one committee is not the same as a
full public hearing in the well of the House. I voted yes to allow both sides to weigh in on an issue that emerged as a very different bill than anything the public or the legislature was considering 6 weeks ago. This is too important to not ensure that all sides, across the state, not just in a committee hearing, feel they had the opportunity to be heard.”

Pending the question, Shall the House propose to the Senate to amend the bill as offered by the committee on Judiciary? Reps. Higley of Lowell and Buckholz of Hartford moved to amend the proposal of amendment as offered by the committee on Judiciary as follows:

By adding a new Sec. 10 to read as follows:

Sec. 10. PREK TO GRADE 4 EDDIE EAGLE GUN SAFE PROGRAM

Once each school year, every Vermont school shall ensure that all students in grades PreK to 4 watch the National Rifle Association’s (NRA) Eddie Eagle Gun Safe Program educational video, and shall contact the NRA to obtain related educational materials that shall be made available to students.

and by renumbering the remaining section (effective date) to be numerically correct.

Thereupon, Rep. Buckholz of Hartford asked and was granted leave of the House to withdraw the amendment.

Pending the question, Shall the House propose to the Senate to amend the bill as offered by the committee on Judiciary? Rep. Bancroft of Westford moved to amend the proposal of amendment as offered by the committee on Judiciary as follows:

In Sec. 6, 13 V.S.A. § 4019, by striking out subsection (b) in its entirety and inserting in lieu thereof a new subsection (b) to read as follows:

(b)(1) Except as provided in subsection (e) of this section, an unlicensed person shall not transfer a firearm to another unlicensed person unless:

(A)(i) the proposed transferor and the proposed transferee physically appear together with the firearm before a licensed dealer and request that the licensed dealer facilitate the transfer; and

(ii) the licensed dealer agrees to facilitate the transfer and determines that the proposed transferee is not prohibited by State or federal law from purchasing or possessing the firearm; or

(B)(i) the proposed transferee physically appears at a law enforcement agency and requests that the agency conduct a background check on him or her; and
(ii) upon a request for a background check made pursuant to subdivision (i) of this subdivision (B), the law enforcement agency shall conduct a background check on the proposed transferee, and:

(I) shall issue a certificate, valid for 30 days following the date of issuance, stating that the proposed transferee is not prohibited by State or federal law from purchasing or possessing a firearm; or

(II) shall decline to continue facilitating the transfer if the agency determines that the proposed transferee is prohibited by federal or State law from purchasing or possessing a firearm.

(iii) The proposed transferee shall retain the original certificate issued under subdivision (B)(ii)(I) of this subdivision (1) and provide a copy to the proposed transferor prior to the sale. A proposed transferor shall not transfer a firearm to a proposed transferee until the certificate is received.

(iv) A law enforcement agency that conducts a background check on a proposed transferee pursuant to this subdivision (1) may charge a fee of not more than $10.00.

(2) A person shall not, in connection with the transfer or attempted transfer of a firearm pursuant to this section, knowingly make a false statement or exhibit a false identification intended to deceive a licensed dealer with respect to any fact material to the transfer.

Pending the question, Shall the report of the Committee on Judiciary be amended as offered by Rep. Bancroft of Westford? Rep. Bancroft of Westford demanded the Yeas and Nays, which demand was sustained by the Constitutional number. The Clerk proceeded to call the roll and the question, Shall the report of the Committee on Judiciary be amended as offered by Rep. Bancroft of Westford? was decided in the negative. Yeas, 57. Rep. Burditt of West Rutland explained his vote as follows:

“Madam Speaker:

I vote no. However, I like the potential of this amendment. Unfortunately it need more time and vetting to do it right. I hope the member pursues
reprenster of Chelsea explained his vote as follows:

“Madam Speaker:

This amendment makes a bad bill better but not good enough. It is still a bad bill and always will be.”

rep. Morris of Bennington explained her vote as follows:

“Madam Speaker:

This body has been falsely painted as rushing through this deliberative process. Moving forward with floor amendments on issues of this importance flies in the face of the very criticism aimed against the good members of this body. While an important consideration it has not had the time or review needed to ensure its appropriateness.”

rep. Rosenquist of Georgia explained his vote as follows:

“Madam Speaker:

I voted yes. This is a practical way of getting this done. What happens if you can’t find a gun dealer to do the transaction. This is constraint of trade. I can’t sell my weapon.”

rep. Wright of Burlington explained his vote as follows:

“Madam Speaker:

I voted yes. It is unfortunate to hear that this amendment may have had merit, but that the committee did not have time to adequately consider it, right after voting against a delay to provide for a public hearing, a delay that would also have allowed time to properly consider this proposal. A proposal that might have worked better and been less costly for Vermonters, while potentially achieving the same result.”

Pending the question, Shall the House propose to the Senate to amend the bill as offered by the committee on Judiciary? Rep. McFaun of Barre Town moved to amend the proposal of amendment as offered by the committee on Judiciary as follows:

Rep. Bancroft of Westford explained his vote as follows:

“Madam Speaker:

I voted yes under the assumption that there will be an amendment to change the effective date of the bump-stock ban.”

Rep. Devereux of Mount Holly explained his vote as follows:

“Madam Speaker:

I want to prohibit bumpstocks, but until we figure out a way to not turn the present owners into criminals I cannot support this.”

Rep. McCoy of Poultney explained her vote as follows:

“Madam Speaker:

I voted no today as there is no time frame for those law abiding citizens to relinquish their bump-fire stocks purchased legally without fines and imprisonment. I look forward to an amendment to rectify this section of the bill.”

Rep. McCullough of Williston explained his vote as follows:

“Madam Speaker:

I support this ban on bump stocks. This is ‘common sense’ legislation. Also, it is comforting for me to know the National Rifle Association agrees and has my back.”

Rep. Sibilia of Dover explained her vote as follows:

“Madam Speaker:

This is a reasonable measure. We have to make reasonable accommodations for Vermonters to comply. I will offer an amendment that will accomplish that.”

Rep. Stuart of Brattleboro explained her vote as follows:

“Madam Speaker:

Shortly after the massacre of roughly 59 innocent civilians at an outdoor concert at the Mandalay Bay Hotel in Las Vegas, I attended a legislative conference there I had paid for months before.

Madam Speaker, The cold-hearted shooter mowed down these individuals with a semi-automatic weapon equipped with a bump stock on a beautiful evening of what was supposed to be wonderful outdoor country music.
As I looked out the window of the Mandalay Bay Hotel each night, the location where the deranged killer shot those concert goers and wounded 500 others from his hotel window, I could not stop thinking about the mothers and fathers, sisters and brothers and friends that now have a hole in their hearts. Madam Speaker, I vote yes to banning bump stocks.”

Recess

At two o'clock and fifty-three minutes in the afternoon, the Speaker declared a recess until the fall of the gavel.

At three o'clock and thirty-three minutes in the afternoon, the Speaker called the House to order.

Consideration Resumed; Bill Amended; Third Reading Ordered

S. 55

Consideration resumed on Senate bill, entitled

An act relating to the disposition of unlawful and abandoned firearms

Pending the question, Shall the House propose to the Senate to amend the bill as recommended in the report of the Committee on Judiciary in the third instance, Section 6, only? Rep. Turner of Milton demanded the Yeas and Nays, which demand was sustained by the Constitutional number. The Clerk proceeded to call the roll and the question, Shall the House propose to the Senate to amend the bill as recommended in the report of the Committee on Judiciary in the third instance, Section 6, only? was decided in the affirmative. Rep Donahue of Northfield explained her vote as follows:

"Madam Speaker:

Friend to friend transfers in Vermont are not the loophole in background checks that will increase safety if closed. The real gaps in law are beyond our control because that have to do with the flaws in the ability to establish who prohibited persons are under federal law, how to identify persons we are trying to address as risks in accessing weapons, who are also the very persons who will lie on applications. This law may feel like it addresses our safety issues.
In fact, it does almost nothing in that regard while simultaneously burdening the ability of law-abiding citizens to purchase and sell firearms. My test for sensible gun safety laws are approaches to safety that are actually effective and workable, and that does not place burdens disproportionate to actual benefits. This bill fails that test.”

**Rep. Dunn of Essex** explained her vote as follows:

“Madam Speaker:

I support section 6 of S. 55. There have been times in all of our lives that we thought we knew a person, and we were wrong. Domestic abusers, and those who have a restraining order, are found in all socio-economic groups. They are in fact frequently indistinguishable from you and I. I believe background checks are necessary to prevent a person we thought we knew from receiving a gun he should not have. And if its only one mass shooting we prevent that might mean 15-20 people live. This is worth it.”

**Rep. Harrison of Chittenden** explained his vote as follows:

“Madam Speaker:

This requirement is too easy to sidestep by traveling a short drive to New Hampshire to avoid this requirement and fee. I plan to offer an amendment to delay this section to address this issue.”

**Rep. Mrowicki of Putney** explained his vote as follows:

“Madam Speaker:

Background checks work if they save just one life it’s worth it.”

**Rep. Rachelson of Burlington** explained her vote as follows:

“Madam Speaker:

Research from many reputable studies has shown that universal background checks from all firearm purchases, including private sales, are effective in saving lives including through suicide decreasing gun fatality rates and keeping guns out of the hands of criminals when someone is denied a handgun purchase the risk that they will commit a crime drops as much as 30%.”

**Rep. Rosenquist of Georgia** explained his vote as follows:

“Madam Speaker:

I voted no on this portion of the bill since the process presented is impractical, a financial burden, and is a constraint on trade. If you cannot find a compliant dealer you cannot complete the sale. The amendment from the member from Westford was much more straight forward and practical. I may have voted yes on this portion if his amendment had been added.”

**Rep. Bancroft of Westford** explained his vote as follows:

“Madam Speaker:

I am bothered by the duplicity of those who support the 26th Amendment of the US Constitution and, at the same time, support limiting the rights of individuals between the age of 18 and 20. I am curious of what sort of mental gymnastics one must go through to on one hand conclude the 18-20 year olds are not intellectually mature enough to buy a firearm, buy or drink alcohol, and starting July 1 prohibited from growing and possessing marijuana and then on the other hand believe they have the mental acumen to decide who our local, state and nation leaders will be and join our armed forces.”

**Rep. Donahue of Northfield** explained her vote as follows:

“Madam Speaker:

I do not support age discrimination in constitutional rights among those who have reached the age of majority.”

**Rep. Dunn of Essex** explained her vote as follows:

“Madam Speaker:

I voted yes for this portion of the bill. In the U.S. a minor is generally legally defined as 18 years of age. Although in Vermont in the context of alcohol, gambling and marijuana the age is 21. And to rent a car is 25. I do support 21 as the age for purchasing a gun. And if they satisfactorily complete a Vermont hunter safety course they can buy a gun sooner.”

Pending the question, Shall the House propose to the Senate to amend the bill as offered by the committee on Judiciary in the sixth instance (Sec. 10 only)? **Rep. Sibilia of Dover** moved to amend the proposal of amendment as offered by the committee on Judiciary as follows:

By striking out Sec. 10 in its entirety and inserting in lieu thereof a new Sec. 10 to read as follows:

Sec. 10. EFFECTIVE DATES
(a) This section and Secs. 1-8 shall take effect upon passage.

(b) Sec. 9 (bump stocks) shall take effect on October 1, 2018.

Which was agreed to.

Pending the question, Shall the House propose to the Senate to amend the bill as offered by the committee on Judiciary in the sixth instance (Sec. 10 only)? Rep. Harrison of Chittenden moved to amend the proposal of amendment as offered by the committee on Judiciary as follows:

In Sec. 10 (effective dates), in subsection (a), by striking out “1-8” and inserting in lieu thereof “1–5 and 7–8” and by adding a subsection (c) to read as follows:

(c) Sec. 6 (background checks) shall take effect when New Hampshire enacts, by legislative or administrative enactment of statewide applicability and enforcement, a requirement that a background check be conducted prior to the private sale of any firearm.

Which was disagreed to.

Thereupon the sixth instance of amendment was agreed to.

Pending the question, Shall the bill be read a third time? Rep. Krowinski of Burlington demanded the Yeas and Nays, which demand was sustained by the Constitutional number. The Clerk proceeded to call the roll and the question, Shall the bill be read a third time? was decided in the affirmative. Yeas, 85. Nays, 59.

Rep. Ancel of Calais explained her vote as follows:

“Madam Speaker:

After Sandy Hook, I made a promise that I would support any reasonable restrictions on firearms that were consistent with the constitution. S. 55 represents my first real opportunity to act on that promise and I am proud to vote yes. I do this on behalf of my three grandsons and to honor the young people who have raised their voices to demand that we act.

Rep. Chestnut-Tangerman of Middletown Springs explained his vote
as follows:

“Madam Speaker:

I voted yes on all three of these measures, in part because of changes made for reasonable exemptions. These steps alone obviously will not eradicate gun violence, but I believe that they are an important part of the mix. What all of these measures do cumulatively is decrease both the possibility and the lethality of impulsive destruction.”

Rep. Christie of Hartford explained his vote as follows:

“Madam Speaker:

This is a complex issue, our work today was an important part. I remember the Friday night of Sandy Hook I met with my superintendent and we started the hard work of securing our schools, my responsibility to the 1500 students and staff 400 staff. Each of our schools have a police officer and yesterday we did active shooter training and I will continue to work to keep our community safe. I vote yes to share the hope.”

Rep. Colburn of Burlington explained her vote as follows:

“Madam Speaker:

I have two daughters, ages 11 and 1, and I have watched and listened in gratitude and awe as students around the state have flooded into this building to speak not just to their experience, but to the experience of my own children. They have begged us to act. I do not believe, as many have claimed, that this bill offers them false promises. I believe it offers common-sense, evidence based gun safety reforms that have proven to reduce fatalities in jurisdictions that have adopted them. I vote yes as one step to improve the safety of all Vermonters. I echo the words of a Burlington high school student who earlier this week testified ‘we act now because we have the privilege to be alive right now.’”

Rep. Copeland-Hanzas of Bradford explained her vote as follows:

“Madam Speaker:

We’ve heard the argument that the safety measures in this bill won’t solve the problem. But I don’t think anyone in this chamber would argue we shouldn’t have BAC limits, require bartenders to cut you off if you are overly impaired, equip our police with BAC sensors or allow our court system to take away your rights to drive if you have driven while intoxicated. Our kids are asking us to take real and meaningful steps to lessen the chances that someone with violent intent will have free and unfettered ability to murder them while they are at school. Moviegoers, concertgoers, churchgoers, night club patrons
across the country should be afforded this small piece of mind. I am proud of the work we’ve done today in this chamber.”

Rep. Donovan of Burlington explained her vote as follows:

“Madam Speaker:

I voted yes on S. 55 for the young woman who was taken off life support last evening at the UVM medical center after being shot in the head on Main street in Burlington. This one young life lost in a random shooting because a man had access to a handgun.”

Rep. Morris of Bennington explained her vote as follows:

“Madam Speaker:

This work is hard and very important. We took large measures to have very thoughtful considerations to each aspect of this bill. As a gun owner, as a mother, as a Vermonter, I take this work seriously and with great respect for the responsibility given to each person who sits in these seats. I vote in support of this bill for needed change, for our future.”

Rep. Stuart of Brattleboro explained her vote as follows:

“Madam Speaker:

‘What about our right to live’ a young woman from Florida stated on the TV news shortly after the most recent school shooting in Parkland, Florida. That was her counterpoint to the constitution’s right to bear arms. America comprises a mere 4.2% of the world’s population, yet we own 42% of the world’s guns. A recent study shows Americans are 10 times more likely to be killed by guns than people in other developed countries. Madam Speaker, I support Vermont’s hunting traditions and responsible gun ownership. This bill does nothing to infringe upon those or Vermonters’ second amendment rights. But we must stand up as lawmakers and leaders to stem the slaughter of innocent civilians. Our youth are pleading with us for common sense gun legislation. S.55 is a step in the right direction.”

Rep. Wright of Burlington explained his vote as follows:

“Madam Speaker:

Regrettably, I could not support this bill. I voted for 3 of the provisions, as well as supporting other bills such as the extreme risk protection bill and domestic violence. But the universal background check, without consideration of an amendment that might have been better and united people rather than divide them, made this bill unpalatable to me, unfortunately.”

“Madam Speaker:

I voted in favor of the extreme protection orders legislators in this body passed. We have to maintain our ability to enact and staff that law if it is to make a difference in ensuring student safety.”

“Madam Speaker:

I voted no, but when we have competing needs and refuse to consider additional revenues, we end up starving both. This is not living up to our responsibilities.”
