The inmate shall be provided, both orally and in writing, with a specific explanation of the decision to discontinue the medication and with notice of the right to have his or her community-based prescriber notified of the decision. CHAPTER 10. TRANSPORTATION NETWORK COMPANIES

§ 750. DEFINITIONS; INSURANCE REQUIREMENTS

(a) Definitions. As used in this chapter:

(1) “Digital network” or “network” means any online-enabled application, software, website, or system offered or used by a transportation network company that enables the prearrangement of rides with transportation network drivers.

(2) “Personal vehicle” means a vehicle that is:

(A) used by a driver to provide a prearranged ride;

(B) owned, leased, or otherwise authorized for use by the driver; and

(C) not a taxicab, limousine, or other for-hire vehicle.

(3) “Prearranged ride” or “ride” means the transportation provided by a driver to a transportation network rider, beginning when a driver accepts the rider’s request for a ride through a digital network controlled by a company; continuing while the driver transports the rider; and ending when the last requesting rider departs from the vehicle. The term does not include:

(A) shared-expense carpool or vanpool arrangements;

(B) use of a taxicab, limousine, or other for-hire vehicle;
(C) use of a public or private regional transportation company that operates along a fixed route; or

(D) a ride furnished through a broker using a publicly funded network to connect riders to drivers through the Elders and Persons with Disabilities Program, Medicaid Non-Emergency Medical Transportation Program, or other similar governmental transportation program.

(4) “Transportation network company” or “company” means a person that uses a digital network to connect riders to drivers who provide prearranged rides.

(5) “Transportation network company driver” or “driver” means an individual who:

(B) uses a personal vehicle to offer or provide a prearranged ride to riders upon connection through a digital network controlled by a transportation network company in exchange for compensation or payment of a fee.

(6) “Transportation network company rider” or “rider” means an individual who uses a company’s digital network to connect with a driver who provides rides in his or her personal vehicle between points chosen by the rider.

(b) Company’s financial responsibility.

(1) Beginning on July 1, 2017, a driver, or company on the driver’s behalf, shall maintain primary automobile insurance that recognizes that the driver is a company driver or otherwise uses a vehicle to transport passengers for compensation and covers the driver while the driver is logged on to the company’s digital network or while the driver is engaged in a prearranged ride.

(2)(A) The following automobile insurance requirements shall apply while a participating driver is logged on to the transportation network company’s digital network and is available to receive transportation requests but is not engaged in a prearranged ride:

(i) primary automobile liability insurance in the amount of at least $50,000.00 for death and bodily injury per person, $100,000.00 for death and bodily injury per incident, and $25,000.00 for property damage; and

(5) Coverage under an automobile insurance policy maintained by the company shall not be dependent on a personal automobile insurer first denying a claim nor shall a personal automobile insurance policy be required to first deny a claim.

(6) Insurance required by this subsection may be placed with an insurer licensed under chapter 101 (insurance companies generally) or 138 (surplus lines insurance) of this title.

(7) Insurance satisfying the requirements of this subsection shall be deemed to satisfy the financial responsibility requirement for a motor vehicle under section 800 of this title.

(8) A driver shall carry proof of coverage satisfying this section at all times during use of a vehicle in connection with a company’s digital network. In the event of an accident, a driver shall provide this insurance coverage

Notwithstanding any provision of law to the contrary, a person who operates a vehicle without financial responsibility as required by this subsection (b) is subject to administrative action as set forth in chapter 11 of this title.

(c) Disclosures. A transportation network company shall disclose in writing to its drivers the following before they are allowed to accept a request for a prearranged ride on the company’s digital network:

(1) the insurance coverage, including the types of coverage and the limits for each coverage, that the company provides while the driver uses a personal vehicle in connection with the company’s network; and

(2) that the driver’s own automobile insurance policy, depending on its terms, might not provide any coverage while the driver is logged on to the company’s network and available to receive transportation requests or engaged in a prearranged ride.

(d)(1) Automobile insurers. Notwithstanding any other provision of law to the contrary, insurers that write automobile insurance in Vermont may exclude any and all coverage afforded under a policy issued to an owner or operator of a personal vehicle for any loss or injury that occurs while a driver is logged on to a transportation network company’s digital network or while a driver provides a prearranged ride. This right to exclude all coverage may apply to any coverage in an automobile insurance policy, including:

(A) liability coverage for bodily injury and property damage;
(B) personal injury protection coverage;
(C) uninsured and underinsured motorist coverage;
(D) medical payments coverage;
(E) comprehensive physical damage coverage; and
(F) collision physical damage coverage.

(2) Nothing in this subsection implies or requires that a personal
automobile insurance policy provide coverage while the driver is logged on to a company’s digital network, while the driver is engaged in a prearranged ride, or while the driver otherwise uses a vehicle to transport passengers for compensation.

(3) Nothing in this section shall be construed to require an insurer to use any particular policy language or reference to this section in order to exclude any and all coverage for any loss or injury that occurs while a driver is logged on to a company’s digital network or while a driver provides a prearranged ride.

(4) Nothing in this subsection is deemed to preclude an insurer from providing primary or excess coverage for the driver’s vehicle, if it chooses to do so by contract or endorsement.

(5) Insurers that exclude the coverage described under subsection (b) of this section shall have no duty to defend or indemnify any claim expressly excluded thereunder.

(6) Nothing in this section is deemed to invalidate or limit an exclusion contained in a policy, including any policy in use or approved for use in Vermont prior to the enactment of this section, that excludes coverage for vehicles used to carry persons or property for a charge or available for hire by the public.

(7) An insurer that defends or indemnifies a claim against a driver that is excluded under the terms of its policy shall have a right of contribution against other insurers that provide automobile insurance to the same driver in satisfaction of the coverage requirements of subsection (b) of this section at the time of loss.

(8) In a claims coverage investigation, transportation network companies shall immediately provide, upon request by directly involved parties or any insurer of the transportation network company driver, if applicable, the precise times that a transportation network company driver logged on and off the transportation network company’s digital network in the 12-hour period immediately preceding and in the 12-hour period immediately following the accident. Insurers providing coverage under subsection (b) of this section shall disclose, upon request by any other insurer involved in the particular claim, the applicable charges, exclusions, and limits provided under any automobile insurance maintained in order to satisfy the requirements of subsection (b) of this section.

§ 752. DRIVER REQUIREMENTS; BACKGROUND CHECKS

(2)(A) The following automobile insurance requirements shall apply while a participating driver is logged on to the transportation network company’s digital network and is available to receive transportation requests but is not engaged in a prearranged ride:

(i) primary automobile liability insurance in the amount of at least $50,000.00 for death and bodily injury per person, $100,000.00 for death and bodily injury per incident, and $25,000.00 for property damage; and

(5) Coverage under an automobile insurance policy maintained by the company shall not be dependent on a personal automobile insurer first denying a claim nor shall a personal automobile insurance policy be required to first deny a claim.

(6) Insurance required by this subsection may be placed with an insurer licensed under chapter 101 (insurance companies generally) or 138 (surplus lines insurance) of this title.

(7) Insurance satisfying the requirements of this subsection shall be deemed to satisfy the financial responsibility requirement for a motor vehicle under section 800 of this title.

(8) A driver shall carry proof of coverage satisfying this section at all
times during use of a vehicle in connection with a company’s digital network. In the event of an accident or traffic violation, a driver shall provide this insurance coverage information to the directly interested parties, automobile insurers, and law enforcement, upon request. Upon such request, a driver shall also disclose whether he or she was logged on to the network or was on a prearranged ride at the time of an accident or traffic violation.

(9) A person who fails to maintain primary automobile insurance as required in subdivisions (2) and (3) of this subsection (b) shall be assessed a civil penalty consistent with subsection 800(b) of this title, and such violation shall be a traffic violation within the meaning of chapter 24 of this title. A person who fails to carry proof of insurance as required under subdivision (8) of this subsection (b) shall be subject to a civil penalty consistent with subsection 800(d) of this title. Notwithstanding any provision of law to the contrary, a person who operates a vehicle without financial responsibility as required by this subsection (b) is subject to administrative action as set forth in chapter 11 of this title.

(c) Disclosures. A transportation network company shall disclose in writing to its drivers the following before they are allowed to accept a request for a prearranged ride on the company’s digital network:

(1) the insurance coverage, including the types of coverage and the limits for each coverage, that the company provides while the driver uses a personal vehicle in connection with the company’s network; and

(2) that the driver’s own automobile insurance policy, depending on its terms, might not provide any coverage while the driver is logged on to the company’s network and available to receive transportation requests or engaged in a prearranged ride.

(d)(1) Automobile insurers. Notwithstanding any other provision of law to the contrary, insurers that write automobile insurance in Vermont may exclude any and all coverage afforded under a policy issued to an owner or operator of a personal vehicle for any loss or injury that occurs while a driver is logged on to a transportation network company’s digital network or while a driver provides a prearranged ride. This right to exclude all coverage may apply to any coverage in an automobile insurance policy, including:

(B) personal injury protection coverage;

(C) uninsured and underinsured motorist coverage;

(D) medical payments coverage;

(E) comprehensive physical damage coverage; and
(F) collision physical damage coverage.

(2) Nothing in this subsection implies or requires that a personal automobile insurance policy provide coverage while the driver is logged on to a company’s digital network, while the driver is engaged in a prearranged ride, or while the driver otherwise uses a vehicle to transport passengers for compensation.

(3) Nothing in this section shall be construed to require an insurer to use any particular policy language or reference to this section in order to exclude any and all coverage for any loss or injury that occurs while a driver is logged on to a company’s digital network or while a driver provides a prearranged ride.

(4) Nothing in this subsection is deemed to preclude an insurer from providing primary or excess coverage for the driver’s vehicle, if it chooses to do so by contract or endorsement.

(5) Insurers that exclude the coverage described under subsection (b) of this section shall have no duty to defend or indemnify any claim expressly excluded thereunder.

(6) Nothing in this section is deemed to invalidate or limit an exclusion contained in a policy, including any policy in use or approved for use in Vermont prior to the enactment of this section, that excludes coverage for vehicles used to carry persons or property for a charge or available for hire by the public.

(7) An insurer that defends or indemnifies a claim against a driver that is excluded under the terms of its policy shall have a right of contribution against other insurers that provide automobile insurance to the same driver in satisfaction of the coverage requirements of subsection (b) of this section at the time of loss.

(8) In a claims coverage investigation, transportation network companies shall immediately provide, upon request by directly involved parties or any insurer of the transportation network company driver, if applicable, the precise times that a transportation network company driver logged on and off the transportation network company’s digital network in the 12-hour period immediately preceding and in the 12-hour period immediately following the accident. Insurers providing coverage under subsection (b) of this section shall disclose, upon request by any other insurer involved in the particular claim, the applicable charges, exclusions, and limits provided under any automobile insurance maintained in order to satisfy the requirements of subsection (b) of this section.

This subdivision shall not be construed to exempt drivers from undergoing an annual background check as required under subdivision (2) of this subsection (b).

(d) A company shall establish and enforce a zero tolerance policy for drug and alcohol use by drivers during any period when a driver is engaged in, or is logged into the company’s network but is not engaged in, a prearranged ride. The policy shall include provisions for investigations of alleged policy violations and the suspension of drivers under investigation.

(e) A company shall require that a personal vehicle used to provide prearranged rides complies with all applicable laws and regulations concerning vehicle equipment.

§ 752. RECORDS; INSPECTION

(a) The Commissioner of Motor Vehicles or designee, not more frequently than once per year, shall visually inspect a random sample of up to 25 drivers’ records per company demonstrating compliance with the requirements of this chapter. (a) The Commissioner of Financial Regulation, in consultation with the Commissioner of Motor Vehicles, the Director of the Office of Professional Regulation, and representatives from other State agencies and departments, as the Commissioner deems necessary, and with input from the Vermont League of Cities and Towns and industry and consumer stakeholders, including representatives of transportation network companies (TNCs) and non-TNC companies and career drivers, shall conduct a study of whether and to what extent vehicles for hire, vehicle for hire drivers, and vehicle for hire companies should be regulated by the State, and how State regulations would affect relevant municipal regulations. Among other things, the Commissioner shall consider:

1. issues related to public safety, necessity, and convenience;

2. regulatory models adopted in other state and local jurisdictions, including in both urban and rural municipalities in Vermont, applicable to transportation network companies and other vehicle for hire companies;

3. matters related to passenger safety, including driver background checks, periodic vehicle safety inspections, and signage;

4. matters related to insurance coverage, including minimum liability coverage, disclosure requirements, and claims procedures, generally, and with consideration of other, similarly situated jurisdictions, other commercial

automobile policy requirements, enhanced personal liability coverage for drivers, and the costs and benefits of requiring Med Pay coverage;

The purpose of the study is to ensure these requirements correlate with potential liability exposure so that persons are made whole in the event of an automobile accident involving a transportation network company driver.

(b) Consistent with the purpose of this section, and in a form and manner prescribed by the Commissioner, each TNC company doing business in Vermont shall submit claims data elements necessary to inform the Commissioner’s determination with respect to the appropriateness of the statutory minimum levels of financial responsibility. (b)(1) The court shall grant the motion and issue a temporary ex parte extreme risk protection order if it finds by a preponderance of the evidence that at the time the order is requested the respondent poses an imminent and extreme risk of causing harm to himself or herself or another person by purchasing, possessing, or receiving a dangerous weapon or by having a dangerous weapon within the respondent’s custody or control. The petitioner shall cause a copy of the order to be served on the respondent pursuant to section 4056 of this title, and the court shall deliver a copy to the holding station.

(2)(A) An extreme risk of harm to others may be shown by establishing that:

(i) the respondent has inflicted or attempted to inflict bodily harm on another; or

(ii) by his or her threats or actions the respondent has placed others in reasonable fear of physical harm to themselves; or

(iii) by his or her actions or inactions the respondent has presented a danger to persons in his or her care.

(B) An extreme risk of harm to himself or herself may be shown by establishing that the respondent has threatened or attempted suicide or serious bodily harm.

(c)(1) Unless the petition is voluntarily dismissed pursuant to subdivision (2) of this subsection, the court shall hold a hearing within 14 days after the issuance of a temporary ex parte extreme risk protection order to determine if a final extreme risk protection order should be issued. If not voluntarily dismissed, the temporary ex parte extreme risk protection order shall expire when the court grants or denies a motion for an extreme risk protection order under section 4053 of this title.

(2) The prosecutor may voluntarily dismiss a motion filed under this section at any time prior to the hearing if the prosecutor determines that the respondent no longer poses an extreme risk of causing harm to himself or herself or another person by purchasing, possessing, or receiving a dangerous weapon or by having a dangerous weapon within the respondent’s custody or control. If the prosecutor voluntarily dismisses the motion pursuant to this subdivision, the court shall vacate the temporary ex parte extreme risk protection order and direct the person in possession of the dangerous weapon
(d)(1) An order issued under this section shall prohibit a person from purchasing, possessing, or receiving a dangerous weapon or having a dangerous weapon within the person’s custody or control for a period of up to 14 days. (C) The date and time of the hearing when the respondent may appear to contest the order before the court. This opportunity to contest shall be scheduled as soon as reasonably possible, which in no event shall be more than 14 days after the date of issuance of the order.

If you have not done so already, you are required to surrender all dangerous weapons in your custody, control, or possession to [insert name of law enforcement agency], a federally licensed firearms dealer, or a person approved by the court. While this order is in effect, you are not allowed to purchase, possess, or receive a dangerous weapon; attempt to purchase, possess, or receive a dangerous weapon; or have a dangerous weapon in your custody or control. A hearing will be held on the date and time noted above to determine if a final extreme risk prevention order should be issued. Failure to appear at that hearing may result in a court making an order against you that is valid for up to 60 days. You may seek the advice of an attorney regarding any matter connected with this order.”

(2)(A) The court may issue an ex parte extreme risk protection order by telephone or by reliable electronic means pursuant to this subdivision if requested by the petitioner.

(B) Upon receipt of a request for electronic issuance of an ex parte extreme risk protection order, the judicial officer shall inform the petitioner that a signed or unsigned motion and affidavit may be submitted electronically. The affidavit shall be sworn to or affirmed by administration of the oath over the telephone to the petitioner by the judicial officer. The administration of the oath need not be made part of the affidavit or recorded, but the judicial officer
shall note on the affidavit that the oath was administered.

(C) The judicial officer shall decide whether to grant or deny the motion and issue the order solely on the basis of the contents of the motion and the affidavit or affidavits provided. If the motion is granted, the judicial officer shall immediately sign the original order, enter on its face the exact date and time it is issued, and transmit a copy to the petitioner by reliable electronic means. The petitioner shall cause a copy of the order to be served on the respondent pursuant to section 4056 of this title.

(D) On or before the next business day after the order is issued:

(i) the petitioner shall file the original motion and affidavit with the court; and

(ii) the judicial officer shall file the signed order, the motion, and the affidavit with the clerk. The clerk shall enter the documents on the docket immediately after filing.

(e) Form motions and form orders shall be provided by the Court Administrator and shall be maintained by the clerks of the courts.

(f) Every order issued under this section shall bear the following language: “VIOLATION OF THIS ORDER IS A CRIME SUBJECT TO A TERM OF IMPRISONMENT OR A FINE, OR BOTH, AS PROVIDED BY 13 V.S.A. § 4058, AND MAY ALSO BE PROSECUTED AS CRIMINAL CONTEMPT PUNISHABLE BY FINE OR IMPRISONMENT, OR BOTH.”

(g) Affidavit forms required pursuant to this section shall bear the following language: “MAKING A FALSE STATEMENT IN THIS AFFIDAVIT IS A CRIME SUBJECT TO A TERM OF IMPRISONMENT OR A FINE, OR BOTH, AS PROVIDED BY 13 V.S.A. § 4058.”

(h) If the court denies a petition filed under this section, the court shall state the particular reasons for the denial in its decision.

§ 4055. TERMINATION AND RENEWAL MOTIONS

(a)(1) The respondent may file a motion to terminate an extreme risk protection order issued under section 4053 of this title or an order renewed under subsection (b) of this section. A motion to terminate shall not be filed more than once during the effective period of the order. The State shall have the burden of proof by a preponderance of the evidence.

(2) The court shall grant the motion and terminate the extreme risk protection order unless it finds by a preponderance of the evidence that the respondent continues to pose an extreme risk of causing harm to himself or herself or another person by purchasing, possessing, or receiving a dangerous
weapon or by having a dangerous weapon within the respondent’s custody or control.

(b)(1) A State’s Attorney or the Office of the Attorney General may file a motion requesting that the court renew an extreme risk protection order issued under this section or section 4053 of this title for an additional period of up to one year. The motion shall be accompanied by an affidavit and shall be filed not more than 30 days and not less than 14 days before the expiration date of the order. The motion and affidavit shall comply with the requirements of subsection 4053(c) of this title, and the moving party shall have the burden of proof by a preponderance of the evidence.

(2) The court shall grant the motion and renew the extreme risk protection order for an additional period of up to one year if it finds by a preponderance of the evidence that the respondent continues to pose an extreme risk of causing harm to himself or herself or another person by purchasing, possessing, or receiving a dangerous weapon or by having a dangerous weapon within the respondent’s custody or control. The order shall comply with the requirements of subdivision 4053(f)(2) and subsections 4053(j) and (k) of this title.

(c) The court shall hold a hearing within 14 days after a motion to terminate or a motion to renew is filed under this section. Notice of the hearing shall be served pursuant to section 4056 of this title concurrently with the motion.

(d) If the court denies a motion filed under this section, the court shall state the particular reasons for the denial in its decision.

(e) Form termination and form renewal motions shall be provided by the Court Administrator and shall be maintained by the clerks of the courts.

(f) When findings are required under this section, the court shall make either written findings of fact or oral findings of fact on the record.

§ 4056. SERVICE

(a) A petition, ex parte temporary order, or final order issued under this subchapter shall be served in accordance with the Vermont Rules of Civil Procedure and may be served by any law enforcement officer. A court that issues an order under this chapter during court hours shall promptly transmit the order electronically or by other means to a law enforcement agency for service, and shall deliver a copy to the holding station.

(b) A respondent who attends a hearing held under section 4053, 4054, or 4055 of this title at which a temporary or final order under this subchapter is issued and who receives notice from the court on the record that the order has
been issued shall be deemed to have been served. A respondent notified by the
court on the record shall be required to adhere immediately to the provisions
of the order. However, even when the court has previously notified the
respondent of the order, the court shall transmit the order for additional service
by a law enforcement agency.

(c) Extreme risk protection orders shall be served by the law enforcement
agency at the earliest possible time and shall take precedence over other
summonses and orders. Orders shall be served in a manner calculated to
ensure the safety of the parties. Methods of service that include advance
notification to the respondent shall not be used. The person making service
shall file a return of service with the court stating the date, time, and place at
which the order was delivered personally to the respondent.

(d) If service of a notice of hearing issued under section 4053 or 4055 of
this title cannot be made before the scheduled hearing, the court shall continue
the hearing and extend the terms of the order upon request of the petitioner for
such additional time as it deems necessary to achieve service on the
respondent.

§ 4057. PROCEDURE

(a) Except as otherwise specified, proceedings commenced under this
subchapter shall be in accordance with the Vermont Rules for Family
Proceedings and shall be in addition to any other available civil or criminal
remedies.

(b) The Court Administrator shall establish procedures to ensure access to
relief after regular court hours or on weekends and holidays. The Court
Administrator is authorized to contract with public or private agencies to assist
petitioners to seek relief and to gain access to Superior Courts. Law
enforcement agencies shall assist in carrying out the intent of this section.

(c) The Court Administrator shall ensure that the Superior Court has
procedures in place so that the contents of orders and pendency of other
proceedings can be known to all courts for cases in which an extreme risk
protection order proceeding is related to a criminal proceeding.

§ 4058. ENFORCEMENT; CRIMINAL PENALTIES

(a) Law enforcement officers are authorized to enforce orders issued under
this chapter. Enforcement may include collecting and disposing of dangerous
weapons pursuant to section 4059 of this title and making an arrest in
accordance with the provisions of Rule 3 of the Vermont Rules of Criminal
Procedure.

(b)(1) A person who intentionally commits an act prohibited by a court or
fails to perform an act ordered by a court, in violation of an extreme risk protection order issued pursuant to section 4053, 4054, or 4055 of this title, after the person has been served with notice of the contents of the order as provided for in this subchapter, shall be imprisoned not more than one year or fined not more than $1,000.00, or both.

(2) A person who files a petition for an extreme risk protection order under this subchapter knowing that information in the petition is false or with the intent to harass the respondent shall be imprisoned not more than one year or fined not more than $1,000.00, or both.

(c) In addition to the provisions of subsections (a) and (b) of this section, violation of an order issued under this subchapter may be prosecuted as criminal contempt under Rule 42 of Vermont Rules of Criminal Procedure. The prosecution for criminal contempt may be initiated by the State’s Attorney in the county in which the violation occurred. The maximum penalty that may be imposed under this subsection shall be a fine of $1,000.00 or imprisonment for six months, or both. A sentence of imprisonment upon conviction for criminal contempt may be stayed, in the discretion of the court, pending the expiration of the time allowed for filing notice of appeal or pending appeal if any appeal is taken.

§ 4059. RELINQUISHMENT, STORAGE, AND RETURN OF DANGEROUS WEAPONS

(a) A person who is required to relinquish a dangerous weapon other than a firearm in the person’s possession, custody, or control by an extreme risk protection order issued under section 4053, 4054, or 4055 of this title shall upon service of the order immediately relinquish the dangerous weapon to a cooperating law enforcement agency. The law enforcement agency shall transfer the weapon to the Bureau of Alcohol, Tobacco, Firearms and Explosives for proper disposition.

(b)(1) A person who is required to relinquish a firearm in the person’s possession, custody, or control by an extreme risk protection order issued under section 4053, 4054, or 4055 of this title shall, unless the court orders an alternative relinquishment pursuant to subdivision (2) of this subsection, upon service of the order immediately relinquish the firearm to a cooperating law enforcement agency or an approved federally licensed firearms dealer.

(2)(A) The court may order that the person relinquish a firearm to a person other than a cooperating law enforcement agency or an approved federally licensed firearms dealer unless the court finds that relinquishment to the other person will not adequately protect the safety of any person.

(B) A person to whom a firearm is relinquished pursuant to
subdivision (A) of this subdivision (2) shall execute an affidavit on a form approved by the Court Administrator stating that the person:

(i) acknowledges receipt of the firearm;

(ii) assumes responsibility for storage of the firearm until further order of the court and specifies the manner in which he or she will provide secure storage;

(iii) is not prohibited from owning or possessing firearms under State or federal law; and

(iv) understands the obligations and requirements of the court order, including the potential for the person to be subject to civil contempt proceedings pursuant to subdivision (C) of this subdivision (2) if the person permits the firearm to be possessed, accessed, or used by the person who relinquished the item or by any other person not authorized by law to do so.

(C) A person to whom a firearm is relinquished pursuant to subdivision (A) of this subdivision (2) shall be subject to civil contempt proceedings under 12 V.S.A. chapter 5 if the person permits the firearm to be possessed, accessed, or used by the person who relinquished the item or by any other person not authorized by law to do so. In the event that the person required to relinquish the firearm or any other person not authorized by law to possess the relinquished item obtains access to, possession of, or use of a relinquished item, all relinquished items shall be immediately transferred to the possession of a law enforcement agency or approved federally licensed firearms dealer pursuant to subdivision (b)(1) of this section.

(b) A law enforcement agency or an approved federally licensed firearms dealer that takes possession of a firearm pursuant to subdivision (b)(1) of this section shall photograph, catalogue, and store the item in accordance with standards and guidelines established by the Department of Public Safety pursuant to 20 V.S.A. § 2307(i)(3).

(c) Nothing in this section shall be construed to prohibit the lawful sale of firearms or other items.

(d) An extreme risk protection order issued pursuant to section 4053 of this title or renewed pursuant to section 4055 of this title shall direct the law enforcement agency, approved federally licensed firearms dealer, or other person in possession of a firearm under subsection (b) of this section to release it to the owner upon expiration of the order.

(e)(1) A law enforcement agency, an approved federally licensed firearms dealer, or any other person who takes possession of a firearm for storage purposes pursuant to this section shall not release it to the owner without a
court order unless the firearm is to be sold pursuant to subdivision (2)(A) of this subsection. If a court orders the release of a firearm stored under this section, the law enforcement agency or firearms dealer in possession of the firearm shall make it available to the owner within three business days after receipt of the order and in a manner consistent with federal law.

(2)(A)(i) If the owner fails to retrieve the firearm within 90 days after the court order releasing it, the firearm may be sold for fair market value. Title to the firearm shall pass to the law enforcement agency or firearms dealer for the purpose of transferring ownership.

(ii) The law enforcement agency or firearms dealer shall make a reasonable effort to notify the owner of the sale before it occurs. In no event shall the sale occur until after the court issues a final extreme risk protection order pursuant to section 4053 of this title.

(iii) As used in this subdivision (2)(A), “reasonable effort” shall mean notice shall be served as provided for by Rule 4 of the Vermont Rules of Civil Procedure.

(B) Proceeds from the sale of a firearm pursuant to subdivision (A) of this subdivision (2) shall be apportioned as follows:

(i) associated costs, including the costs of sale and of locating and serving the owner, shall be paid to the law enforcement agency or firearms dealer that incurred the cost; and

(ii) any proceeds remaining after payment is made to the law enforcement agency or firearms dealer pursuant to subdivision (i) of this subdivision (2)(B) shall be paid to the original owner.

(f) A law enforcement agency shall be immune from civil or criminal liability for any damage or deterioration of a firearm stored or transported pursuant to this section. This subsection shall not apply if the damage or deterioration occurred as a result of recklessness, gross negligence, or intentional misconduct by the law enforcement agency.

(g) This section shall be implemented consistent with the standards and guidelines established by the Department of Public Safety under 20 V.S.A. § 2307(i).

(h) Notwithstanding any other provision of this chapter:

(1) A dangerous weapon shall not be returned to the respondent if the respondent’s possession of the weapon would be prohibited by state or federal law.

(2) A dangerous weapon shall not be taken into possession pursuant to
this section if it is being or may be used as evidence in a pending criminal matter.

§ 4060. APPEALS

An extreme risk protection order issued by the court under section 4053 or 4055 of this title shall be treated as a final order for the purposes of appeal. Appeal may be taken by either party to the Supreme Court under the Vermont Rules of Appellate Procedure, and the appeal shall be determined forthwith.

§ 4061. EFFECT ON OTHER LAWS

This chapter shall not be construed to prevent a court from prohibiting a person from possessing firearms under any other provision of law.

Sec. 2. FINDINGS

The General Assembly finds:

(1) The State of Vermont has a compelling interest in preventing domestic abuse.

(2) Domestic violence is often volatile, escalates rapidly, and is possibly fatal. The victim has a substantial interest in obtaining immediate relief because any delay may result in further injury or death. The State’s compelling interest in protecting domestic violence victims from actual or threatened harm and safeguarding children from the effects of exposure to domestic violence justifies providing law enforcement officers with the authority to undertake immediate measures to stop the violence. For these reasons the State has a special need to remove firearms from a home where law enforcement has probable cause to believe domestic violence has occurred.

(3) The General Assembly recognizes that it is current practice for law enforcement to remove firearms from a domestic violence scene if the firearms are contraband or evidence of the offense. However, given the potential harm of delay during a domestic violence incident, this legislation authorizes law enforcement officers to temporarily remove other dangerous firearms from persons arrested or cited for domestic violence, while protecting rights guaranteed by the Vermont and U.S. Constitutions, and insuring that those firearms are returned to the owner as soon as doing so would be safe and lawful.

Sec. 3. 13 V.S.A. § 1048 is added to read:

§ 1048. REMOVAL OF FIREARMS

(a)(1) When a law enforcement officer arrests, cites, or obtains an arrest warrant for a person for domestic assault in violation of this subchapter, the officer may remove any firearm obtained pursuant to a search warrant or a
judicially recognized exception to the warrant requirement if the removal is necessary for the protection of the officer or any other person.

(2) As used in this section, “judicially recognized exception to the warrant requirement” includes a search incident to a lawful arrest, a search with consent, a search under exigent circumstances, a search of objects in plain view, and a search pursuant to a regulatory statute.

(b) A person cited for domestic assault shall be arraigned on the next business day after the citation is issued except for good cause shown.

(c)(1) At arraignment, the court shall issue a written order releasing any firearms removed pursuant to subsection (a) of this section unless:

(A) the firearm is being or may be used as evidence in a pending criminal or civil proceeding;

(B) a court orders relinquishment of the firearm pursuant to 15 V.S.A. chapter 21 (abuse prevention) or any other provision of law consistent with 18 U.S.C. § 922(g)(8), in which case the weapon shall be stored pursuant to 20 V.S.A. § 2307;

(C) the person requesting the return is prohibited by law from possessing a firearm; or

(D) the court imposes a condition requiring the defendant not to possess a firearm.

(2) If the court under subdivision (1) of this subsection orders the release of a firearm removed under subsection (a) of this section, the law enforcement agency in possession of the firearm shall make it available to the owner within three business days after receipt of the written order and in a manner consistent with federal law.

(d)(1) A law enforcement officer shall not be subject to civil or criminal liability for acts or omissions made in reliance on the provisions of this section. This section shall not be construed to create a legal duty to a victim or to any other person, and no action may be filed based upon a claim that a law enforcement officer removed or did not remove a firearm as authorized by this section.

(2) A law enforcement agency shall be immune from civil or criminal liability for any damage or deterioration of firearms removed, stored, or transported pursuant to this section. This subdivision shall not apply if the damage or deterioration occurred as a result of recklessness, gross negligence, or intentional misconduct by the law enforcement agency.

(3) This section shall not be construed to limit the authority of a law
enforcement agency to take any necessary and appropriate action, including disciplinary action, regarding an officer’s performance in connection with this section.

Sec. 4. 15 V.S.A. § 554 is amended to read:

§ 554. DECREES NISI

(a) A decree of divorce from the bonds of matrimony in the first instance, shall be a decree nisi and shall become absolute at the expiration of three months 90 days from the entry thereof but, in its discretion, the court which grants the divorce may fix an earlier date upon which the decree shall become absolute. If one of the parties dies prior to the expiration of the nisi period, the decree shall be deemed absolute immediately prior to death.

(b) Either party may file any post-trial motions under the Vermont Rules of Civil Procedure. The time within which any such motion shall be filed shall run from the date of entry of the decree of divorce and not from the date the nisi period expires. The court shall retain jurisdiction to hear and decide the motion after expiration of the nisi period. A decree of divorce shall constitute a civil judgment under the Vermont Rules of Civil Procedure.

(c) If the stated term at which the decree nisi was entered has adjourned when a motion is filed, the presiding judge of the stated term shall have power to hear and determine the matter and make new decree therein as fully as the court might have done in term time; but, in the judge’s discretion, the judge may strike off the decree and continue the cause to the next stated term.

Sec. 5. EFFECTIVE DATE

This act shall take effect on passage, except that Sec. 4 shall take effect on July 1, 2018.

Thereupon the bill was read the second time.

Pending the question Shall the House propose to the Senate to amend the bill as recommended by the committee on Judiciary? Rep. Lalonde of South Burlington moved to substitute an amendment for the recommendation of proposal of amendment of the committee on Judiciary by striking all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. 13 V.S.A. § 9 is amended to read:

§ 9. ATTEMPTS

(a) A Attempts; generally. Except as provided in subsection (d) of this section, a person who attempts to commit an offense and does an act toward the commission thereof, but by reason of being interrupted or prevented fails in the execution of the same, shall be punished as herein provided unless other
express provision is made by law for the punishment of the attempt. If the offense attempted to be committed is murder, aggravated murder, kidnapping, arson causing death, human trafficking, aggravated human trafficking, aggravated sexual assault, or sexual assault, a person shall be punished as the offense attempted to be committed is by law punishable.

(b) Felonies. If the offense attempted to be committed is a felony other than those set forth in subsection (a)(d) of this section, a person shall be punished by the less severe of the following punishments:

(1) imprisonment for not more than 10 years or fined not more than $10,000.00, or both; or

(2) as the offense attempted to be committed is by law punishable.

(c) Misdemeanors. If the offense attempted to be committed is a misdemeanor, a person shall be imprisoned or fined, or both, in an amount not to exceed one-half the maximum penalty for which the offense so attempted to be committed is by law punishable.

(d) Serious violent felonies.

(1) If the offense attempted to be committed is murder, aggravated murder, kidnapping, arson causing death, human trafficking, aggravated human trafficking, aggravated sexual assault, or sexual assault, the penalty shall not exceed the maximum penalty for the offense attempted to be committed, but any presumptive or mandatory minimum penalty applicable to the offense attempted to be committed shall not apply to an attempt to commit that offense.

(2) Notwithstanding subsection (a) of this section, a person is guilty of an attempt to commit an offense under this subsection if, with the purpose of committing the offense, he or she performs any act that is a substantial step toward the commission of the offense. A “substantial step” is conduct strongly corroborative of the actor’s intent to complete the commission of the offense and that advances beyond mere preparation.

(3) Conduct shall not be held to constitute a substantial step under subdivision (2) of this subsection unless it is strongly corroborative of the actor’s criminal purpose. Without negating the sufficiency of other conduct, the following, if strongly corroborative of the actor’s criminal purpose, shall not be held insufficient as a matter of law:

(A) lying in wait, searching for, or following the contemplated victim of the crime;

(B) enticing or seeking to entice the contemplated victim of the crime to go to the place contemplated for the commission of the crime;
(C) reconnoitering the place contemplated for the commission of the crime;

(D) unlawfully entering a structure, vehicle, or enclosure contemplated for the commission of the crime;

(E) possessing materials to be employed in the commission of the crime that are:
   (i) specially designed for such unlawful use; or
   (ii) that can serve no lawful purpose under the circumstances;

(F) possessing, collecting, or fabricating of materials to be employed in the commission of the crime, at or near the place contemplated for its commission, if such possession, collection, or fabrication serves no lawful purpose of the actor under the circumstances; or

(G) soliciting an innocent agent to engage in conduct constituting an element of the crime.

(4) Defenses.

(A) It is no defense to a prosecution under this subsection (d) that the offense attempted was, under the actual attendant circumstances, factually or legally impossible of commission, if such offense could have been committed had the attendant circumstances been as the actor believed them to be.

(B) It shall be an affirmative defense to a charge under this subsection (d) that the actor abandoned his or her effort to commit the crime or otherwise prevented its commission, under circumstances manifesting a complete and voluntary renunciation of his or her criminal purpose. The establishment of such a defense does not affect the liability of an accomplice who did not join in such abandonment or prevention. Renunciation of criminal purpose is not voluntary if it is motivated, in whole or in part, by circumstances, not present or apparent at the inception of the actor’s course of conduct, that increase the probability of detection or apprehension or that make more difficult the accomplishment of the criminal purpose. Renunciation is not complete if it is motivated by a decision to postpone the criminal conduct until a more advantageous time or to transfer the criminal effort to another but similar objective or victim.
