## Remarks Journalized

On motion of **Rep. Morris of Bennington**, the following remarks by **Rep. Yantachka of Charlotte** were ordered printed in the Journal:

“Madam Speaker:

Today we heard the resolution read honoring the Clemmons family of Charlotte and the establishment of the *Sense of Place* project on their Family Farm in collaboration with Artplace America. Dr. Jackson Clemmons and Mrs. Lydia Clemmons came to Vermont from Ohio in 1961 when he was offered a job at the UVM College of Medicine. Looking for a place to live during his visit to UVM, he decided to check out a little town called Charlotte outside of Burlington. After taking a bus to Shelburne he walked 6 miles along a dirt road to an old, run-down farm that had been on the market for years. To quote the story from their website,

'Jack fell in love with the place immediately: for him, it was a dream come true! Bursting with excitement, he telephoned Lydia, who had stayed back in Cleveland with their two young children, to tell her all about it.'

They bought the 148 acre farm with the large, white farmhouse, the barn and 4 other buildings in 1962 and have lived and worked there since, turning the farm into what it is today: a center for the arts, the sciences, and opportunities to learn and share across religions, cultures and experiences with the local community and with visitors from near and far.

I also want to acknowledge their daughter Lydia who has supplied the main energy behind the project. Unfortunately, she could not be here with them today because she is on a business trip to Ethiopia.

I encourage you to visit their website at [clemmonsfamilyfarm.org](http://clemmonsfamilyfarm.org) to learn more about this Vermont treasure and the activities that abound there.

I am proud to introduce to you, Madam Speaker, and this body,

Dr. Jackson Clemmons and Mrs. Lydia Clemmons, Co-Owners of the Clemmons Family Farm

They are accompanied by:

Shanta Lee Gander, Managing Director of the *A Sense of Place* project.

They are seated in the Senate seats and the member from Bennington and I ask you to welcome them.”

Subchapter 4. Wholesale Prescription Drug Importation Program

§ 4651. WHOLESAL IMPORTATION PROGRAM FOR PRESCRIPTION

(a) The Agency of Human Services, in consultation with interested stakeholders and appropriate federal officials, shall design a wholesale prescription drug importation program that complies with the applicable requirements of 21 U.S.C. § 384, including the requirements regarding safety and cost savings. The program design shall:

(1) designate a State agency that shall either become a licensed drug wholesaler or contract with a licensed drug wholesaler in order to seek federal

certification and approval to import safe prescription drugs and provide significant prescription drug cost savings to Vermont consumers;

(2) use Canadian prescription drug suppliers regulated under the laws of Canada or of one or more Canadian provinces, or both;

(3) ensure that only prescription drugs meeting the U.S. Food and Drug Administration's safety, effectiveness, and other standards shall be imported by or on behalf of the State;

(4) import only those prescription drugs expected to generate substantial savings for Vermont consumers;

(5) ensure that the program complies with the tracking and tracing requirements of 21 U.S.C. §§ 360eee and 360eee-1 to the extent feasible and practical prior to imported drugs coming into the possession of the State wholesaler and that it complies fully after imported drugs are in the possession of the State wholesaler;

(6) prohibit the distribution, dispensing, or sale of imported products outside Vermont's borders;

(7) establish a fee on each prescription or establish another financing mechanism to ensure that the program is funded adequately in a manner that does not jeopardize significant consumer savings; and

(b) The Agency of Human Services shall seek the appropriate federal approvals, waivers, exemptions, or agreements, or a combination thereof, as

needed to enable all covered entities enrolled in or eligible for the federal 340B Drug Pricing Program to participate in the State's wholesale prescription drug importation program to the fullest extent possible without jeopardizing their eligibility for the 340B Program.

§ 4654. IMPLEMENTATION PROVISIONS

Upon certification and approval by the Secretary of the U.S. Department of Health and Human Services, the Agency of Human Services shall begin implementation of the wholesale prescription drug importation program and shall begin operating the program within six months following the date of the Secretary's approval. (2) contract with one or more Vermont-licensed distributors;

(3) contract with one or more licensed and regulated Canadian suppliers;

(5) develop a registration process for health insurance plans, pharmacies, and prescription drug-administering health care providers who are willing to participate in the program;

(6) create a publicly available source for listing the prices of imported prescription drug products that shall be made available to all participating entities and consumers;

(7) create an outreach and marketing plan to generate program awareness;

(8) starting in the weeks before the program becomes operational, create and staff a hotline to answer questions and address the needs of consumers, employers, health insurance plans, pharmacies, health care providers, and other affected sectors;

(9) establish the audit function and a two-year audit work-plan cycle; and

(10) conduct any other activities that the Agency determines to be important for successful implementation of the program.

§ 4655. ANNUAL REPORTING

(a) Annually on or before January 15, the Agency of Human Services shall report to the House Committee on Health Care and the Senate Committees on Health and Welfare and on Finance regarding the operation of the wholesale prescription drug importation program during the previous calendar year, including:

(1) which prescription drugs were included in the wholesale importation program;

(2) the number of participating pharmacies, health care providers, and health insurance plans;

(3) the number of prescriptions dispensed through the program;

(4) the estimated savings to consumers, health plans, employers, and the State during the previous calendar year and to date;

(5) information regarding implementation of the audit plan and audit findings; and

(6) any other information the Secretary of Human Services deems relevant.

(b) The provisions of 2 V.S.A. § 20(d) (expiration of required reports) shall not apply to the report to be made under this section.

## Sec. 2. WHOLESAL IMPORTATION PROGRAM; CONDITION FOR IMPLEMENTATION

The Agency of Human Services shall be required to design and commence implementation of the wholesale prescription drug importation program described in Sec. 1 of this act only to the extent that funds are appropriated for this purpose in the budget bill enacted by the General Assembly for fiscal year 2019 or are otherwise made available.

And that after passage the title of the bill be amended to read: “An act relating to the wholesale importation of prescription drugs into Vermont”

**Rep. Till of Jericho**, for the committee on Ways and Means, recommended that the House propose to the Senate to amend the bill as recommended by the committee on Health Care and when amended as follows:

**Rep. Frenier of Chelsea** explained his vote as follows:

I voted no because the bottom line for drug companies will not change regardless of what we do here in Vermont. If we attempt to take advantage of Canada’s bulk purchase pricing, neither the Canadians nor the drug companies will allow tiny Vermont’s drug purchases to alter the current sweet deal they both enjoy. This is a waste of time and money.”

**Rep. Till of Jericho** explained his vote as follows:

“Madam Speaker:

I vote yes. S.175 provides a possible pathway to tremendous savings on pharmaceutical costs for Vermonters. It would be irresponsible for us to not try to pursue this possibility when health care costs are so overwhelming to so many of our constituents.”
