Sec. 2. EDUCATION WEIGHTING REPORT

(a) The Agency of Education, the Joint Fiscal Office, and the Office of Legislative Council, in consultation with the Secretary of Human Services, the Vermont Superintendent’s Association, the Vermont School Boards Association, and the Vermont National Education Association, shall consider and make recommendations on the criteria used for determining weighted long-term membership of a school district under 16 V.S.A. § 4010, including the following.

(1) The current weighting factors and any supporting evidence or basis in the historical record for these factors.

(2) The relationship between each of the current weighting factors and the quality and equity of educational outcomes for students.

(3) Whether any of the weighting factors, including the weighting factors for students from economically deprived backgrounds and for students for whom English is not the primary language, should be modified, and if so, how the weighting factors should be modified and if the modification would further the quality and equity of educational outcomes for students.

(4) Whether to add any weighting factors, including a school district population density factor, and if so, why the weighting factor should be added and if the weighting factor would further the quality and equity of educational outcomes for students. In considering whether to recommend the addition of a school district population density factor, the Agency of Education shall consider the practices of other states, information from the National Council for State Legislatures, and research conducted by higher education institutions working on identifying rural or urban education financing factors.

(b) In addition to considering and making recommendations on the criteria used for the determining weighted long-term membership of a school district under subsection (a) of this section, the Agency of Education may consider and make recommendations on other methods that would further the quality and equity of educational outcomes for students.

§ 175. POSTSECONDARY EDUCATIONAL INSTITUTIONS; CLOSING

(a) When an institution of higher education, whether or not chartered in this State, proposes to discontinue the regular course of instruction, either permanently or for a temporary period other than a customary vacation period, the institution shall:

(1) promptly inform the State Board;

(2) prepare the academic record of each current and former student in a form satisfactory to the State Board and including interpretive information required by the Board; and

(3) deliver the records to a person designated by the State Board to act as permanent repository for the institution’s records, together with the reasonable cost of entering and maintaining the records.

(e) When an institution of higher education is unable or unwilling to comply with the requirements of subsection (a) of this section, the State Board may expend State funds necessary to ensure the proper storage and availability of the institution’s records. The Attorney General shall then seek recovery under this subsection, in the name of the State, of all of the State’s incurred costs and expenses, including attorney’s fees, arising from the failure to comply. Claims under this subsection shall be a lien on all the property of a defaulting institution, until all claims under this subsection are satisfied. The lien shall take effect from the date of filing notice thereof in the records of the town or towns where property of the defaulting institution is located.

(g)(1) Each institution of higher education accredited in Vermont, except institutions that are members of the Association of Vermont Independent Colleges (AVIC), the University of Vermont, and the Vermont State Colleges, shall acquire and maintain a bond from a corporate surety licensed to do business in Vermont in the amount of $50,000.00 to cover costs that may be incurred by the State under subsection (e) of this section due to the institution’s failure to comply with the requirements of subsection (a) of this section, and the institution shall provide evidence of the bond to the Secretary within 30 days of receipt. The State shall be entitled to recover up to the full amount of the bond in addition to the other remedies provided in subsection (e) of this section.
(2) AVIC shall maintain a memorandum of understanding with each of its member colleges under which each member college agrees to:

(A) upon the request of AVIC, properly administer the student records of a member college that fails to comply with the requirements of subsection (a) of this section; and

(B) contribute on an equitable basis and in a manner determined in the sole discretion of AVIC to the costs of another AVIC member or other entity selected by AVIC maintaining the records of a member college that fails to comply with the requirements of subsection (a) of this section.

Sec. 4. PREKINDERGARTEN EDUCATION RECOMMENDATIONS

On or before November 1, 2017, the Secretaries of Human Services and of Education shall jointly present recommendations to the House and Senate Committees on Education, House Committee on Human Services, and Senate Committee on Health and Welfare that will ensure equity, quality, and affordability, and reduce duplication and complexity, in the current delivery of prekindergarten services.

*** High School Completion Program ***

Sec. 5. 16 V.S.A. § 942(6) is amended to read:

(6) “Contracting agency” “Local adult education and literacy provider” means an entity that enters into a contract with the Agency to provide “flexible pathways to graduation” services itself or in conjunction with one or more approved providers in Vermont is awarded Federal or State grant funds to conduct adult education and literacy activities.

Sec. 6. 16 V.S.A. § 943 is amended to read:

§ 943. HIGH SCHOOL COMPLETION PROGRAM

(a) There is created a High School Completion Program to be a potential component of a flexible pathway for any Vermont student who is at least 16 years old of age, who has not received a high school diploma, and who may or may not be enrolled in a public or approved independent school.

(b) If a person who wishes to work on a personalized learning plan leading to graduation through the High School Completion Program is not enrolled in a public or approved independent school, then the Secretary shall assign the prospective student to a high school district, which shall be the district of residence whenever possible. The school district in which a student is enrolled or to which a nonenrolled student is assigned shall work with the contracting agency local adult education and literacy provider that serves the high school
district and the student to develop a personalized learning plan. The school district shall award a high school diploma upon successful completion of the plan.

(c) The Secretary shall reimburse, and net cash payments where possible, a school district that has agreed to a personalized learning plan developed under this section in an amount:

(1) established by the Secretary for the development and ongoing evaluation and revision of the personalized learning plan and for other educational services typically provided by the assigned district or an approved independent school pursuant to the plan, such as counseling, health services, participation in cocurricular activities, and participation in academic or other courses; provided, however, that this amount shall not be available to a school district that provides services under this section to an enrolled student; and

(2) negotiated by the Secretary and the contracting agency, local adult education and literacy provider, with the approved provider, for services and outcomes purchased from the approved provider on behalf of the student pursuant to the personalized learning plan.

* * * Act 46 Findings and Purpose * * *

Sec. 7. FINDINGS AND PURPOSE

(a) 2015 Acts and Resolves No. 46 established a multi-year, phased process that provides multiple opportunities for school districts to unify existing governance units into more “sustainable governance structures” designed to meet the General Assembly’s identified educational and fiscal goals while recognizing and reflecting local priorities. It has been the General Assembly’s intent to revitalize Vermont’s small schools – to promote equity in their offerings and stability in their finances – through these changes in governance.

(b) While Vermont generally does an excellent job educating our children, we fall short in two critical areas. First, we are not as successful as we need to be in educating children from families with low income, and second, while we have a very high graduation rate from our high schools, not enough of our graduates continue their education. Fulfilling the goals of Act 46 is a critical step in addressing these shortcomings.

(c) As of Town Meeting Day 2017, voters in 96 Vermont towns have voted to merge 104 school districts into these slightly larger, more sustainable governance structures, resulting in the creation of 20 new unified union districts (serving prekindergarten–grade 12 students). As a result, approximately 60 percent of Vermont’s school-age children live or will soon live in districts that satisfy the goals of Act 46.
(d) These slightly larger, more flexible unified union districts have begun to realize distinct benefits, including the ability to offer kindergarten–grade 8 choice among elementary schools within the new district boundaries; greater flexibility in sharing students, staff, and resources among individual schools; the elimination of bureaucratic redundancies; and the flexibility to create magnet academies, focusing on a particular area of specialization by school.

(e) Significant areas of the State, however, have experienced difficulty satisfying the goals of Act 46. The range of complications is varied, including operating or tuitioning models that differ among adjoining districts, geographic isolation due to lengthy driving times or inhospitable travel routes between proposed merger partners, and greatly differing levels of debt per equalized pupil between districts involved in merger study committees.

(f) This act is designed to make useful changes to the merger time lines and allowable governance structures under Act 46 without weakening or eliminating the Act’s fundamental phased merger and incentive structures and requirements. Nothing in this act should suggest that it is acceptable for a school district to fail to take reasonable and robust action to seek to meet the goals of Act 46.

*** Side-by-Side Structures ***

Sec. 8. 2012 Acts and Resolves No. 156, Sec. 15 is amended to read:

Sec. 15. TWO OR MORE MERGERS; REGIONAL EDUCATION DISTRICT INCENTIVES

(a) Notwithstanding 2010 Acts and Resolves No. 153, Sec. 3(a)(1) of No. 153 of the Acts of the 2009 Adj. Sess. (2010) that requires a single regional education district (“RED”) to have an average daily membership of at least 1,250 or result from the merger of at least four districts, or both, two or more new districts shall be eligible jointly for the incentives provided in Sec. 4 of No. 153, Sec. 4 if:

***

(3) one of the new districts provides education in all elementary and secondary grades by operating one or more schools and the other new district or districts pay tuition for students in one or more grades; each new district has a model of operating schools or paying tuition that is different from the model of the other, which may include:

(A) operating a school or schools for all resident students in prekindergarten through grade 12;

(B) operating a school or schools for all resident students in some grades and paying tuition for resident students in the other grades; or
(C) operating no schools and paying tuition for all resident students in prekindergarten through grade 12;

**

(b) The incentives provided under this act shall be available only if the new districts receive final approval of their electorate on or before November 30, 2017. This section is repealed on July 1, 2019.

Sec. 9. THREE-BY-ONE SIDE-BY-SIDE STRUCTURE; EXEMPTION FROM STATEWIDE PLAN

(a) If the conditions of this section are met, the Merged District and the Existing District or Districts shall be exempt from the requirement under 2015 Acts and Resolves No. 46, Secs. 9 and 10, to self-evaluate and make a proposal to the Secretary of Education and State Board of Education and from the State Board’s statewide plan.

(1) The new district is formed by the merger of at least three existing districts (Merged District) and, together with one or two existing districts (each an Existing District), are, following the receipt of all approvals required under this section, members of the same supervisory union (Three-by-One Side-by-Side Structure).

(2) As of March 7, 2017, town meeting day, each Existing District is either:

(A) geographically isolated, due to lengthy driving times or inhospitable travel routes between the Existing District’s school or schools and the nearest school in which there is excess capacity as determined by the State Board of Education; or

(B) structurally isolated, because all adjoining school districts have operating or tuitioning models that differ from the Existing District.

(3) The Merged District and each Existing District have, following the receipt of all approvals required under this section, a model of operating schools or paying tuition that is different from the model of each other; provided, however, that if two Existing Districts are members of the Three-by-One Side-by-Side Structure, the Existing Districts may have the same model of operating schools or paying tuition if they are geographically isolated from each other, within the meaning of subdivision (2)(A) of this subsection. These models are:

(A) operating a school or schools for all resident students in prekindergarten through grade 12;
(B) operating a school or schools for all resident students in some grades and paying tuition for resident students in the other grades; or

(C) operating no schools and paying tuition for all resident students in prekindergarten through grade 12.

(4) Each Existing District and the districts proposing to merge into the Merged District jointly submit a proposal to the State Board after the effective date of this section and demonstrate in their proposal that:

(A) the Three-by-One Side-by-Side Structure is better suited to them than a governance structure described in 2015 Acts and Resolves No. 46, Sec. 6 and will meet the goals set forth in Sec. 2 of that act;

(B) each Existing District meets one or more of the criteria set forth in subdivision (2) of this subsection (a);

(C) each Existing District has a detailed action plan it proposes to take to continue to improve its performance in connection with each of the goals set forth in 2015 Acts and Resolves No. 46, Sec. 2.

(5) Each Existing District and the districts proposing to merge into the Merged District obtain State Board approval of their proposal to form the proposed Three-by-One Side-by-Side Structure.

(6) Each Existing District obtains the approval of its electorate to be an Existing District in the proposed Three-by-One Side-by-Side Structure on or before November 30, 2017.

(7) The districts proposing to merge into the Merged District receive final approval from their electorate for the merger proposal on or before November 30, 2017, and the Merged District becomes fully operational on or before July 1, 2019.

(8) The Three-by-One Side-by-Side Structure is formed on or before November 30, 2019 in the manner approved by the State Board.

(b) The districts that are proposing to merge into the Merged District may include:

(1) districts that have not received, as of the effective date of this section, approval from their electorate to merge, regardless of whether the Merged District will be eligible to receive incentives under 2010 Acts and Resolves No. 153, 2012 Acts and Resolves No. 156, or 2015 Acts and Resolves No. 46, each as amended; and

(2) districts that received, on or after July 1, 2010 but prior to the effective date of this section, approval from their electorate to merge but are not operational as a Merged District as of the effective date of this section,
regardless of whether the Merged District is eligible to receive incentives under 2010 Acts and Resolves No. 153, 2012 Acts and Resolves No. 156, or 2015 Acts and Resolves No. 46, each as amended.

(c) The formation of a Three-by-One Side-by-Side Structure shall not entitle the Merged District or an Existing District to qualify for the incentives provided in 2010 Acts and Resolves No. 153, Sec. 4. However, a Merged District that is otherwise entitled to incentives under 2010 Acts and Resolves No. 153, 2012 Acts and Resolves No. 156, or 2015 Acts and Resolves No. 46, each as amended, shall not lose these incentives due to its participation as a member of a Three-by-One Side-by-Side Structure.

Sec. 10. TWO-BY-TWO-BY-ONE SIDE-BY-SIDE STRUCTURE; REGIONAL EDUCATION DISTRICT INCENTIVES

(a) Notwithstanding 2010 Acts and Resolves No. 153, Sec. 3(a)(1) that requires a single regional education district (RED) to have an average daily membership of at least 1,250 or result from the merger of at least four districts, or both, two or more new districts shall be eligible for the incentives provided in No. 153, Sec. 4 as amended by 2012 Acts and Resolves No. 156 and 2015 Acts and Resolves No. 46 if:

(1) Each new district is formed by the merger of at least two existing districts (each a Merged District) and, together with an Existing District, are, following the receipt of all approvals required under this section, members of the same supervisory union (Two-by-Two-by-One Side-by-Side Structure).

(2) As of March 7, 2017, town meeting day, the Existing District is either:

(A) geographically isolated, due to lengthy driving times or inhospitable travel routes between the Existing District’s school or schools and the nearest school in which there is excess capacity as determined by the State Board of Education; or

(B) structurally isolated, because all adjoining school districts have operating or tuitioning models that differ from the Existing District.

(3) Each Merged District and the Existing District, following the receipt of all approvals required under this section, have a model of operating schools or paying tuition that is different from the model of each other. These models are:

(A) operating a school or schools for all resident students in prekindergarten through grade 12;

(B) operating a school or schools for all resident students in some grades and paying tuition for resident students in the other grades; or
(C) operating no schools and paying tuition for all resident students in prekindergarten through grade 12.

(4) The Two-by-Two-by-One Side-by-Side Structure meets all criteria for RED formation other than the size criterion of 2010 Acts and Resolves No. 153, Sec. 3(a)(1) (average daily membership of at least 1,250) and otherwise as provided in this section.

(5) The Existing District and the districts proposing to merge into the Merged Districts jointly submit a proposal to the State Board after the effective date of this section and demonstrate in their proposal that:

(A) the Two-by-Two-by-One Side-by-Side Structure is better suited to them than a governance structure described in 2015 Acts and Resolves No. 46, Sec. 6 and will meet the goals set forth in Sec. 2 of that act;

(B) the Existing District meets one or more of the criteria set forth in subdivision (2) of this subsection (a); and

(C) the Existing District has a detailed action plan it proposes to take to continue to improve its performance in connection with each of the goals set forth in 2015 Acts and Resolves No. 46, Sec. 2.

(6) The Existing District and the districts proposing to merge into the Merged Districts obtain State Board approval of their proposal to form the proposed Two-by-Two-by-One Side-by-Side Structure.

(7) The Existing District obtains the approval of its electorate to be an Existing District in the proposed Two-by-Two-by-One Side-by-Side Structure on or before November 30, 2017.

(8) The districts proposing to merge into each Merged District receive final approval from their electorate for the merger proposal on or before November 30, 2017, and each Merged District becomes fully operational on or before July 1, 2019.

(9) Each Merged District has the same effective date of merger.

(10) The Two-by-Two-by-One Side-by-Side Structure is formed on or before November 30, 2019 in the manner approved by the State Board.

(b) The districts that are proposing to merge into the Merged Districts may include:

(1) districts that have not received, as of the effective date of this section, approval from their electorate to merge, regardless of whether the Merged District will be eligible to receive incentives under 2010 Acts and Resolves No. 153, 2012 Acts and Resolves No. 156, or 2015 Acts and Resolves No. 46, each as amended; and
(2) districts that received, on or after July 1, 2010 but prior to the effective date of this section, approval from their electorate to merge but are not operational as a Merged District as of the effective date of this section, regardless of whether the Merged District is eligible to receive incentives under 2010 Acts and Resolves No. 153, 2012 Acts and Resolves No. 156, or 2015 Acts and Resolves No. 46, each as amended.

(c) If the conditions of this section are met, the incentives provided in 2010 Acts and Resolves No. 153, Sec. 4 shall be available to each Merged District, unless the Merged District has already received incentives under 2010 Acts and Resolves No. 153, 2012 Acts and Resolves No. 156, or 2015 Acts and Resolves No. 46, each as amended. These incentives shall not be available to the Existing District.

(d) If the conditions of this section are met, the Existing District shall be exempt from the requirement under 2015 Acts and Resolves No. 46, Secs. 9 and 10, to self-evaluate and make a proposal to the Secretary of Education and State Board of Education and exempt from the State Board’s statewide plan.

* * * Withdrawal from Union School District * * *

Sec. 11. TEMPORARY AUTHORITY TO WITHDRAW FROM UNION SCHOOL DISTRICT

(a) Notwithstanding any provision of 16 V.S.A. § 721a to the contrary, a school district may withdraw from a union high school district without approval by the remaining members of the union high school district upon the following conditions:

(1) The school district proposing to withdraw from the union high school district operates a school or schools for all resident students in prekindergarten through grade 6 and pays tuition for resident students in grade 7 through grade 12.

(2) At least one year has elapsed since the union high school district became a body politic and corporate as provided in 16 V.S.A. § 706g.

(3) A majority of the voters of the school district proposing to withdraw from the union high school district present and voting at a school district meeting duly warned for that purpose votes to withdraw from the union high school district. The clerk of the school district shall certify the vote to the Secretary of State, who shall record the certificate in his or her office and shall give notice of the vote to the Secretary of Education and to the other members of the union high school district.

(4) The State Board approves the withdrawal based on a recommendation from the Secretary of Education.
The withdrawal process is completed on or before July 1, 2019.

(b) In making his or her recommendation, the Secretary of Education shall assess whether:

(1) students in the withdrawing school district would attend a school that complies with the rules adopted by the State Board pertaining to educational programs; and

(2) it is in the best interests of the State, the students, and the districts remaining in the union high school district for the union to continue to exist.

(c) The State Board shall:

(1) consider the recommendation of the Secretary and any other information it deems appropriate;

(2) hold a public meeting within 60 days of receiving the recommendation of the Secretary, and provide due notice of this meeting to the Secretary and all members of the union high school district;

(3) within 10 days of the meeting, notify the Secretary and all members of the union high school district of its decision;

(4) if it approves the withdrawal, declare the membership of the withdrawing school district in the union high school district terminated as of July 1 immediately following, or as soon after July 1 as the financial obligations of the withdrawing school district have been paid to, or an agreement has been made with, the union high school district in an amount to satisfy those obligations; and

(5) file the declaration with the Secretary of State, the clerk of the withdrawing school district, and the clerk of the union high school district concerned.

Sec. 12. REPEAL

*** Reduction of Average Daily Membership; Guidelines for Alternative Structures ***

Sec. 13. 2015 Acts and Resolves No. 46, Sec. 5 is amended to read:

Sec. 5. PREFERRED EDUCATION GOVERNANCE STRUCTURE; ALTERNATIVE STRUCTURE GUIDELINES

***

(c) Alternative structure: supervisory union with member districts. An Education District as envisioned in subsection (b) of this section may not be
possible or the best model to achieve Vermont’s education goals in all regions of the State. In such situations, a supervisory union composed of multiple member districts, each with its separate school board, can may meet the State’s goals, particularly if:

1. the member districts consider themselves to be collectively responsible for the education of all prekindergarten through grade 12 students residing in the supervisory union;

2. the supervisory union operates in a manner that complies with its obligations under 16 V.S.A. § 261a and that maximizes efficiencies through economies of scale and the flexible management, transfer, and sharing of nonfinancial resources among the member districts, which may include a common personnel system, with the goal of increasing the ratio of students to full-time equivalent staff;

3. the supervisory union has the smallest number of member school districts practicable, achieved wherever possible by the merger of districts with similar operating and tuitioning patterns; and

4. the supervisory union has the smallest number of member school districts practicable after consideration of greatly differing levels of indebtedness among the member districts; and

  (5) the combined average daily membership of all member districts is not less than 1,100.

Districts that submit such a proposal shall have the opportunity to add to or otherwise amend their proposal in connection with the Secretary’s consideration of the proposal and conversations with the district or districts under subsection (a) of this section, and in connection with testimony presented to the State Board under subsection (b) of this section. The State Board may, in its discretion, approve an alternative governance proposal at any time on or before November 30, 2018.

(e) After the State Board of Education issues the statewide plan under subsection (b) of this section, districts subject to merger shall have 90 days to form a study committee under 16 V.S.A. § 706b and to draft Articles of Agreement for the new district. During this period, the study committee shall hold at least one public hearing to consider and take comments on the draft Articles of Agreement.

(f) If the study committee formed under subsection (e) of this section does not approve Articles of Agreement within the 90-day period provided in that subsection, the provisions in the default Articles of Agreement included in the statewide plan shall apply to the new district.

(g) Applicability. This section shall not apply to:

(1) an interstate school district;

(2) a regional career technical center school district formed under 16 V.S.A. chapter 37, subchapter 5A; or

(i) When assigning an amount of credit under this subdivision (F), the Board shall consider making multiple lengths of time available over which a customer may take a credit and differentiating the amount according to the
length of time chosen. For example, a monthly credit amount may be higher if taken over 10 years and lower if taken over 20 years. Factors relevant to this consideration shall include the customer's ability to finance the net metering system, the cost of that financing, and the net present value to all ratepayers of the net metering program.

(ii) In this subdivision (ii), “existing net metering system” means a net metering system for which a complete application was filed before January 1, 2017.

(I) Commencing 10 years from the date on which an existing net metering system was installed, the Board may apply to the system the same rules governing bill credits and the use of those credits on the customer’s bill that it applies to net metering systems for which applications were filed on or after January 1, 2017, other than any adjustments related to siting and tradeable renewable energy credits.

(A) “Blended residential rate” means the lower of the provider’s residential retail rate or the weighted statewide average of all providers’ residential retail rates, as determined by the Board. For the purpose of this subdivision (A):

(ii) If a provider’s general residential service tariff does include inclining block rates, the provider’s residential rate shall be a blend of the provider’s general residential service inclining block rates that is determined by adding together all of the revenues to the provider during the most recent calendar year from kWh sold under those block rates and dividing the sum by the total kWh sold by the company at those rates during the same year.

(B) “Existing net metering system” means a net metering system for which a complete application was filed with the Board before January 1, 2017.

(C) “Nonbypassable charge” means a charge on the bill of a retail electricity provider that a customer must pay whether or not the customer engages in net metering. Only the following shall be nonbypassable charges under this subsection (f):

(ii) the energy efficiency charge pursuant to subdivision 209(d)(3) of this title;

(b) Notwithstanding 1 V.S.A. § 214 and any contrary provision of 2014 Acts and Resolves No. 99, Sec. 10(f), Secs. 7 and 7a shall apply to:

(1) existing net metering systems as defined in Sec. 7a;

(2) net metering systems for which complete applications were or are filed on or after January 1, 2017; and

(3) net metering rules of the Public Service Board adopted on or after January 1, 2017.

Sec. 1. FINDINGS; INTENT

(a) The General Assembly finds:

(1) According to numerous studies over many years, pretrial diversion programs result in outcomes for participants that are better than incarceration, including reducing the likelihood that participants commit future crimes and improving substance abuse and mental health outcomes. For example, according to a study of the New York City Jail Diversion Project, 12 months after their offense, offenders who go through a diversion program are less likely to reoffend, spend less time in prison, have received more treatment, and are less likely to suffer drug relapses. In addition, a study in the Journal of the American Academy of Psychiatry and the Law indicates that diversion programs reduce the amount of time participants spend in jail for future offenses from an average of 173 days to an average of 40 days during the year after the offense. Research also demonstrates that offenders who have participated in diversion programs are better able to find employment.

(2) Diversion programs benefit the criminal justice system by reducing costs and allowing resources to be allocated more efficiently for more serious offenders. According to studies by the Urban Institute and the National Alliance on Mental Illness, diversion programs reduce costs and improve outcomes by allowing offenders with mental illness to receive more appropriate treatment outside the criminal justice system. As reported in the Psychiatric Rehabilitation Journal, diversion programs reduce costs by decreasing the need for and use of hospitalization and crisis services by offenders.
(b) It is the intent of the General Assembly that:

(1) Sec. 2 of this act result in an increased use of the Diversion Program throughout the State and a more consistent use of the program between different regions of the State;

(2) the Office of the Attorney General collect data pursuant to 3 V.S.A. § 164(d) on Diversion Program use, including the effect of this act on use of the Program statewide and in particular regions of the State; and

(3) consideration be given to further amending the Diversion Program statutes before Sec. 2 of this act sunsets on July 1, 2020, if it is determined that Sec. 2 of this act did not produce the intended increases in Diversion Program usage.

Sec. 2. 3 V.S.A. § 164 is amended to read:

§ 164. ADULT COURT DIVERSION PROJECT PROGRAM

(a) The Attorney General shall develop and administer an adult court diversion project program in all counties. The project program shall be operated through the juvenile diversion project and shall be designed to assist adults who have been charged with a first or second misdemeanor or a first nonviolent felony. The Attorney General shall adopt only such rules as are necessary to establish an adult court diversion project program for adults, in compliance with this section.

(b) The program shall be designed for two purposes:

(1) To assist adults who have been charged with a first or a second misdemeanor or a first nonviolent felony.

(2) To assist adults with substance abuse or mental health treatment needs regardless of the person’s prior criminal history record. Programming for these persons is intended to support access to appropriate treatment or other resources with the aim of improving the person’s health and reducing future adverse involvement in the justice system. A person charged with a felony offense that is a listed crime pursuant to 13 V.S.A. § 5301 shall not be eligible under this section.

(c) The adult court diversion project administered by the Attorney General program shall encourage the development of diversion projects programs in local communities through grants of financial assistance to municipalities, private groups or other local organizations. The Attorney General may require local financial contributions as a condition of receipt of project program grants.
(d) The Office of the Attorney General shall develop program outcomes following the designated State of Vermont performance accountability framework and, in consultation with the Department of State’s Attorneys and Sheriffs, the Office of the Defender General, the Center for Crime Victim Services, and the Judiciary, report annually on or before December 1 to the General Assembly on services provided and outcome indicators.

(e) All adult court diversion projects programs receiving financial assistance from the Attorney General shall adhere to the following provisions:

(1) The diversion project program shall accept only persons against whom charges have been filed and the court has found probable cause, but are not yet adjudicated. The prosecuting attorney may refer a person to diversion either before or after arraignment and shall notify in writing the diversion program and the court of his or her intention to refer the person to diversion. If a person is charged with a qualifying crime as defined in 13 V.S.A. § 7601(4)(A), the prosecutor shall provide the person with the opportunity to participate in the Court Diversion Program unless the prosecutor states on the record at arraignment or a subsequent hearing why a referral to the Program would not serve the ends of justice. If the prosecuting attorney refers a case to diversion, the prosecuting attorney may release information to the victim upon a showing of legitimate need and subject to an appropriate protective agreement defining the purpose for which the information is being released and in all other respects maintaining the confidentiality of the information; otherwise files held by the court, the prosecuting attorney, and the law enforcement agency related to the charges shall be confidential and shall remain confidential unless:

(A) the Board declines to accept the case;

(B) the person declines to participate in diversion;

(C) the Board accepts the case, but the person does not successfully complete diversion;

(D) the prosecuting attorney recalls the referral to diversion.

(2) Alleged offenders shall be informed of their right to the advice and assistance of private counsel or the public defender at all stages of the diversion process, including the initial decision to participate, and the decision to accept the adult diversion contract, so that the candidate may give informed consent.

(3) The participant shall be informed that his or her selection of the adult diversion contract is voluntary.
Each State’s Attorney, in cooperation with the Office of the Attorney General and the adult court diversion project program, shall develop clear criteria for deciding what types of offenses and offenders will be eligible for diversion; however, the State’s Attorney shall retain final discretion over the referral of each case for diversion.

All information gathered in the course of the adult diversion process shall be held strictly confidential and shall not be released without the participant’s prior consent (except that research and reports that do not require or establish the identity of individual participants are allowed).

Information related to the present offense that is divulged during the adult diversion program shall not be used in the prosecutor’s case against the person in the person’s criminal or juvenile case for any purpose, including impeachment or cross-examination. However, the fact of participation and success, or reasons for failure may become part of the prosecutor’s records.

The adult court diversion project program shall maintain sufficient records so that the reasons for success or failure of the program in particular cases and overall can be investigated by program staff. These records shall include a centralized statewide filing system that will include the following information about individuals who have successfully completed an adult court diversion program:

(i) name and date of birth;
(ii) offense charged and date of offense;
(iii) place of residence;
(iv) county where diversion process took place; and
(v) date of completion of diversion process.

These records shall not be available to anyone other than the participant and his or her attorney, State’s Attorneys, the Attorney General and directors of adult court diversion projects.

Adult court diversion projects programs shall be set up to respect the rights of participants.

Each participant shall pay a fee to the local adult court diversion project. The amount of the fee shall be determined by project officers or employees based upon the financial capabilities of the participant. The fee shall not exceed $300.00. The fee shall be a debt due from the participant, and payment of such shall be required for successful completion of the program. Notwithstanding 32 V.S.A. § 502(a), fees collected under this subdivision shall be retained and used solely for the purpose of the court diversion program.
The Attorney General is authorized to accept grants and gifts for the purposes of this section, such acceptance being pursuant to 32 V.S.A. § 5.

Within 30 days of the two-year anniversary of a successful completion of adult diversion, the court shall provide notice to all parties of record of the court’s intention to order the sealing of all court files and records, law enforcement records other than entries in the adult court diversion project’s centralized filing system, fingerprints, and photographs applicable to the proceeding. The court shall give the State’s Attorney an opportunity for a hearing to contest the sealing of the records. The court shall seal the records if it finds:

(1) two years have elapsed since the successful completion of the adult diversion program by the participant and the dismissal of the case by the State’s Attorney; and

(2) the participant has not been convicted of a subsequent felony or misdemeanor during the two-year period, and no proceedings are pending seeking such conviction; and

(3) rehabilitation of the participant has been attained to the satisfaction of the court.

Upon the entry of an order sealing such files and records under this section, the proceedings in the matter under this section shall be considered never to have occurred, all index references thereto shall be deleted, and the participant, the court, and law enforcement officers and departments shall reply to any request for information that no record exists with respect to such participant inquiry in any matter. Copies of the order shall be sent to each agency or official named therein.

Inspection of the files and records included in the order may thereafter be permitted by the court only upon petition by the participant who is the subject of such records, and only to those persons named therein.

The process of automatically sealing records as provided in this section shall only apply to those persons who completed diversion on or after July 1, 2002. Any person who completed diversion prior to July 1, 2002 must apply to the court to have his or her records sealed. Sealing shall occur if the requirements of subsection (e)(g) of this section are met.

Subject to the approval of the Attorney General, the Vermont Association of Court Diversion Programs may develop and administer programs to assist persons under this section charged with delinquent, criminal, and civil offenses.
Sec. 3. 13 V.S.A. § 7554c is amended to read:

§ 7554c. PRETRIAL RISK ASSESSMENTS; NEEDS SCREENINGS

(a)(1) The objective of a pretrial risk assessment is to provide information to the Court for the purpose of determining whether a person presents a risk of nonappearance or a threat to public safety or a risk of re-offense so the Court can make an appropriate order concerning bail and conditions of pretrial release. The assessment shall not assess victim safety or risk of lethality in domestic assaults.

(2) The objective of a pretrial needs screening is to obtain a preliminary indication of whether a person has a substantial substance abuse or mental health issue that would warrant a subsequent court order for a more detailed clinical assessment.

(3) Participation in a risk assessment or needs screening pursuant to this section does not create any entitlement for the assessed or screened person.

(b)(1) A person whose offense or status falls into any of the following categories shall be offered a risk assessment and, if deemed appropriate by the pretrial monitor, a needs screening prior to arraignment:

(A) misdemeanors and felonies, excluding listed crimes and drug trafficking, cited into court; and

(B) persons who are arrested and lodged and unable to post bail within 24 hours of lodging, excluding persons who are charged with an offense for which registration as a sex offender is required upon conviction pursuant to subchapter 3 of chapter 167 of this title or an offense punishable by up to life imprisonment who is arrested, lodged, and unable to post bail within 24 hours of lodging shall be offered a risk assessment and, if deemed appropriate by the pretrial services coordinator, a needs screening prior to arraignment.

(2) As used in this section, “listed crime” shall have the same meaning as provided in section 5301 of this title and “drug trafficking” means offenses listed as such in Title 18 A person charged with an offense for which registration as a sex offender is required pursuant to subchapter 3 of chapter 167 of this title or an offense punishable by a term of life imprisonment shall not be eligible under this section.

(3) Participation in risk assessment or needs screening shall be voluntary and a person’s refusal to participate shall not result in any criminal legal liability to the person.
(4) In the event an assessment or screening cannot be obtained prior to arraignment, the risk assessment and needs screening shall be conducted as soon as practicable.

(5) A person who qualifies pursuant to subdivisions (1)(A)-(D) subdivision (1) of this subsection and who has an additional pending charge or a violation of probation shall not be excluded from being offered a risk assessment or needs screening unless the other charge is a listed crime.

(6)(A) The Administrative Judge and Court Administrator, in consultation with the Secretary of Human Services and the Commissioner of Corrections, shall develop a statewide plan for the phased, consistent rollout of the categories identified in subdivisions (1)(A) through (D) of this subsection, in the order in which they appear in this subsection. The Administrative Judge and Court Administrator shall present the plan to the Joint Legislative Corrections Oversight Committee on or before October 15, 2014. Any person charged with a criminal offense, except those persons identified in subdivision (b)(2) of this section, may choose to engage with a pretrial services coordinator.

(B) All persons whose offense or status falls into one of the categories shall be eligible for a risk assessment or needs screening on or after October 15, 2015. Prior to that date, a person shall not be guaranteed the offer of a risk assessment or needs screening solely because the person’s offense or status falls into one of the categories. Criminal justice professionals charged with implementation shall adhere to the plan.

(c) The results of the risk assessment and needs screening shall be provided to the person and his or her attorney, the prosecutor, and the Court. Pretrial services coordinators may share information only within the limitations of subsection (e) of this section.

(d)(1) At arraignment, in consideration of the risk assessment and needs screening, the Court may order the person to comply with the following conditions:

(A) meet with a pretrial monitor services coordinator on a schedule set by the Court; and

(B) participate in a needs screening with a pretrial services coordinator; and

(C) participate in a clinical assessment by a substance abuse or mental health treatment provider and follow the recommendations of the provider.
(2) The Court may order the person to follow the recommendation of the pretrial monitor if the person has completed a risk assessment or needs screening engage in pretrial services. Pretrial services may include the pretrial services coordinator:

(A) supporting the person in meeting conditions of release imposed by the court, including the condition to appear for judicial proceedings; and

(B) connecting the person with community-based treatment programs, rehabilitative services, recovery supports, and restorative justice programs.

(3) If possible, the Court shall set the date and time for the clinical assessment at arraignment. In the alternative, the pretrial services coordinator shall coordinate the date, time, and location of the clinical assessment and advise the Court, the person and his or her attorney, and the prosecutor.

(4) The conditions An order authorized in subdivision (1) or (2) of this subsection shall be in addition to any other conditions of release permitted by law and shall not limit the Court in any way. Failure to comply with a court order authorized by subdivision (1) or (2) of this subsection shall not constitute a violation of section 7559 of this title.

(5) This section shall not be construed to limit a court’s authority to impose conditions pursuant to section 7554 of this title.

(e)(1) Information obtained from the person during the risk assessment or needs screening shall be exempt from public inspection and copying under the Public Records Act and, except as provided in subdivision (2) of this subsection, only may be used for determining bail, conditions of release, and appropriate programming for the person in the pending case. The information a pretrial services coordinator may report is limited to whether a risk assessment indicates risk of nonappearance, whether further substance use assessment or treatment is indicated, whether mental health assessment or treatment is indicated, whether a person participated in a clinical assessment, and whether further engagement with pretrial services is recommended unless the person provides written permission to release additional information. Information related to the present offense directly or indirectly derived from the risk assessment, needs screening, or other conversation with the pretrial services coordinator shall not be used against the person in the person’s criminal or juvenile case for any purpose, including impeachment or cross-examination. However, the fact of participation or nonparticipation in risk assessment or needs screening may be used in subsequent proceedings. The immunity provisions of this subsection apply only to the use and derivative use
of information gained as a proximate result of the risk assessment or needs screening, or other conversation with the pretrial services coordinator.

(2) The person shall retain all of his or her due process rights throughout the risk assessment and needs screening process and may release his or her records at his or her discretion.

(3) The Vermont Supreme Court in accordance with judicial rulemaking as provided in 12 V.S.A. § 1 shall promulgate and the Department of Corrections in accordance with the Vermont Administrative Procedure Act pursuant to 3 V.S.A. chapter 25 shall adopt rules related to the custody, control, and preservation of information consistent with the confidentiality requirements of this section. Emergency rules adopted prior to January 1, 2015 pursuant to this section shall be considered to meet the “imminent peril” standard under 3 V.S.A. § 844(a) All records of information obtained during risk assessment or needs screening shall be stored in a manner making them accessible only to the Director of Pretrial Services and Pretrial Service Coordinators for a period of three years, after which the records shall be maintained as required by sections 117 and 218 of this title and any other State law. The Director of Pretrial Services shall be responsible for the destruction of records when ordered by the court.

(f) The Attorney General’s Office shall:

(1) contract for or otherwise provide the pretrial services described in this section, including performance of risk assessments, needs screenings, and pretrial monitoring services, and

(2) develop pretrial services outcomes following the designated State of Vermont performance accountability framework and, in consultation with the Department of State’s Attorneys and Sheriffs, the Office of the Defender General, the Center for Crime Victim Services, and the Judiciary, report annually or before December 1 to the General Assembly on services provided and outcome indicators.

Sec. 4. MISDEMEANOR POSSESSION OF DRUGS; PRETRIAL SERVICES

(a) It is the intent of the General Assembly to encourage persons cited or arrested for a misdemeanor drug possession charge the opportunity to engage with pretrial services, and, if appropriate, enter treatment, and that, in turn, a person who complies with such conditions will be eligible for dismissal of the charge.

(b) The Attorney General, the Defender General, and the Executive Director of the Department of State’s Attorneys and Sheriffs shall work collaboratively to develop a specific legislative proposal to accomplish this
intent with an implementation date of July 1, 2018 and report to the Senate and House Committees on Judiciary and on Appropriations, the Senate Committee on Health and Welfare, and the House Committee on Human Services on or before November 1, 2017.

Sec. 5. 13 V.S.A. § 7041 is amended to read:

§ 7041. DEFERRED SENTENCE

(a) Upon an adjudication of guilt and after the filing of a presentence investigation report, the court may defer sentencing and place the respondent on probation upon such terms and conditions as it may require if a written agreement concerning the deferring of sentence is entered into between the state’s attorney and the respondent and filed with the clerk of the court.

(b) Notwithstanding subsection (a) of this section, the court may defer sentencing and place the respondent on probation without a written agreement between the state’s attorney and the respondent if the following conditions are met:

(1)(A) the respondent is 28 years old of age or younger; or

(B) the respondent is 29 years of age or older and has not previously been convicted of a crime;

(2) the crime for which the respondent is being sentenced is not a listed crime as defined in subdivision 5301(7) of this title;

(3) the court orders, unless waived by the State’s Attorney:

(A) a presentence investigation in accordance with the procedures set forth in Rule 32 of the Vermont Rules of Criminal Procedure, unless the state’s attorney agrees to waive the presentence investigation; or

(4) the court permits the victim to submit a written or oral statement concerning the consideration of deferment of sentence;

(5) the court reviews the presentence investigation and the victim’s impact statement with the parties; and

Sec. 6. 13 V.S.A. § 5231 is amended to read:

§ 5231. RIGHT TO REPRESENTATION, SERVICES AND FACILITIES

(a) A needy person who is being detained by a law enforcement officer without charge or judicial process, or who is charged with having committed or is being detained under a conviction of a serious crime, or who is charged with having committed or is being detained under a conviction of any criminal offense if the person was 25 years of age or less at the time the alleged offense was committed, is entitled:

(1) To be represented by an attorney to the same extent as a person having his or her own counsel;

(2) To be provided with the necessary services and facilities of representation. Any such necessary services and facilities of representation that exceed $1,500.00 per item must receive prior approval from the court after a hearing involving the parties. The court may conduct the hearing outside the presence of the state, but only to the extent necessary to preserve privileged or confidential information. This obligation and requirement to obtain prior court approval shall also be imposed in like manner upon the attorney general or a state’s attorney prosecuting a violation of the law.

(b) The attorney, services and facilities, and court costs shall be provided at public expense to the extent that the person, at the time the court determines need, is unable to provide for the person’s payment without undue hardship.

Sec. 7. 13 V.S.A. § 5232 is amended to read:

§ 5232. PARTICULAR PROCEEDINGS

Counsel shall be assigned under section 5231 of this title to represent needy persons in any of the following:

(3) Proceedings For proceedings arising out of a petition brought in a juvenile court, including any subsequent proceedings arising from an order issued in the juvenile proceeding:
(A) the child; and

(B) when the court deems the interests of justice require representation, of either the child or his or her the child's parents or guardian, or both, including any subsequent proceedings arising from an order therein.

Sec. 8. 13 V.S.A. § 5234 is amended to read:

§ 5234. NOTICE OF RIGHTS; REPRESENTATION PROVIDED

(a) If a person who is being detained by a law enforcement officer without charge or judicial process, or who is charged with having committed or is being detained under a conviction of a serious crime, or who is charged with having committed or is being detained under a conviction of any criminal offense if the person was 25 years of age or less at the time the alleged offense was committed, is not represented by an attorney under conditions in which a person having his or her own counsel would be entitled to be so represented, the law enforcement officer, magistrate, or court concerned shall:

(1) Clearly inform him or her of the right of a person to be represented by an attorney and of a needy person to be represented at public expense; and,

(2) If the person detained or charged does not have an attorney and does not knowingly, voluntarily and intelligently waive his or her right to have an attorney when detained or charged, notify the appropriate public defender that he or she is not so represented. This shall be done upon commencement of detention, formal charge, or post-conviction proceeding, as the case may be. As used in this subsection, the term “commencement of detention” includes the taking into custody of a probationer or parolee.

(b) Upon commencement of any later judicial proceeding relating to the same matter, the presiding officer shall clearly inform the person so detained or charged of the right of a needy person to be represented by an attorney at public expense.

(c) Information given to a person by a law enforcement officer under this section is effective only if it is communicated to a person in a manner meeting standards under the Constitution of the United States relating to admissibility in evidence against him or her of statements of a detained person.

(d) Information meeting the standards of subsection (c) of this section and given to a person by a law enforcement officer under this section gives rise to a rebuttable presumption that the information was effectively communicated if:

(1) It is in writing or otherwise recorded;
Sec. 9. LEGISLATIVE FINDINGS

The General Assembly finds that:

(1) According to Michael Botticelli, former Director of the Office of National Drug Control Policy, the National Drug Control Strategy recommends treating “addiction as a public health issue, not a crime.” Further, the strategy “rejects the notion that we can arrest and incarcerate our way out of the nation’s drug problem.”

(2) Vermont Chief Justice Paul Reiber has declared that “the classic approach of ‘tough on crime’ is not working in [the] area of drug policy” and that treatment-based models are proving to be a more effective approach for dealing with crime associated with substance abuse.

(3) A felony conviction record is a significant impediment to gaining and maintaining employment and housing, yet we know that stable employment and housing are an essential element to recovery from substance abuse and desistance of criminal activity that often accompanies addiction.

(4) In a 2014 study by the PEW Research Center, 67 percent of people polled said government should focus more on providing treatment to people who use illicit drugs and less on punishment. The Center later reported that states are leading the way in reforming drug laws to reflect this opinion: State-level actions have included lowering penalties for possession and use of illegal drugs, shortening mandatory minimums or curbing their applicability, removing automatic sentence enhancements, and establishing or extending the jurisdiction of drug courts and other alternatives to the regular criminal justice system.

(5) Vermont must look at alternative approaches to the traditional criminal justice model for addressing low-level illicit drug use if it is going to reduce the effects of addiction and addiction-related crime in this State.

Sec. 10. STUDY

(a) The Office of Legislative Council shall examine the issue of a public health approach to low-level possession and use of illicit drugs in Vermont as an alternative to the traditional criminal justice model, looking to trends both nationally and internationally, with a goal of providing policymakers a range of approaches to consider during the 2018 legislative session.
(b) The Office of Legislative Council shall report its findings to the General Assembly on or before November 15, 2017.

Sec. 11. SUNSET

Sec. 2 of this act shall be repealed on July 1, 2020.

Sec. 12. EFFECTIVE DATE

This act shall take effect on July 1, 2017.

(E) grant an exception where the consumer asks for consideration of repeated events or the insurer has considered this event previously.

(3) An insurer is not out of compliance with any law or rule relating to underwriting, rating, or rate filing as a result of granting an exception under this section. Nothing in this section shall be construed to provide a consumer or other insured with a cause of action that does not exist in the absence of this section.

(4) The insurer shall provide notice to consumers that reasonable exceptions are available and information about how the consumer may inquire further.

(5) Within 30 days of the insurer’s receipt of sufficient documentation of an event described in subdivision (1) of this subsection, the insurer shall inform the consumer of the outcome of the request for a reasonable exception. Such communication shall be in writing or provided to an applicant in the same medium as the request.

(f) Dispute resolution and error correction. If it is determined through the dispute resolution process set forth in the federal Fair Credit Reporting Act, 15 U.S.C. § 1681i(a)(5), that the credit information of a current insured was incorrect or incomplete and if the insurer receives notice of such determination from either the consumer reporting agency or from the insured, the insurer shall reunderwrite and rerate the consumer within 30 days of receiving the notice. After reunderwriting or rerating the insured, the insurer shall make any adjustments necessary, consistent with its underwriting and rating guidelines. If an insurer determines that the insured has overpaid premium, the insurer shall refund to the insured the amount of overpayment calculated back to the shorter of either the last 12 months of coverage or the actual policy period.

(g)(1) Initial notification. If an insurer writing personal insurance uses credit information in underwriting or rating a consumer, the insurer or its agent shall disclose, either on the insurance application or at the time the insurance application is taken, that it may obtain credit information in connection with
such application. Such disclosure shall be either written or provided to an applicant in the same medium as the application for insurance. The insurer need not provide the disclosure statement required under this section to any insured on a renewal policy if such consumer has previously been provided a disclosure statement.

(2) Use of the following example disclosure statement constitutes compliance with this section: “In connection with this application for insurance, we may review your credit report or obtain or use a credit-based insurance score based on the information contained in that credit report. We may use a third party in connection with the development of your insurance score.”

(h) Adverse action notification. If an insurer takes an adverse action based upon credit information, the insurer must meet the notice requirements of this subsection. Such insurer shall:

(1) Provide notification to the consumer that an adverse action has been taken, in accordance with the requirements of the federal Fair Credit Reporting Act, 15 U.S.C. § 1681m(a).

(2) Provide notification to the consumer explaining the reason for the adverse action. The reasons must be provided in sufficiently clear and specific language so that a person can identify the basis for the insurer’s decision to take an adverse action. Such notification shall include a description of up to four factors that were the primary influences of the adverse action. The use of generalized terms such as “poor credit history,” “poor credit rating,” or “poor insurance score” does not meet the explanation requirements of this subsection. Standardized credit explanations provided by consumer reporting agencies or other third party vendors are deemed to comply with this section.

(i) Filing. Insurers that use insurance scores to underwrite and rate risks must file their scoring models, or other scoring processes, with the Department of Financial Regulation. A third party may file scoring models on behalf of insurers. A filing that includes insurance scoring may include loss experience justifying the use of credit information. Any filing relating to credit information is considered trade secret under and not subject to disclosure under Vermont’s Public Records Act.

(j) Indemnification. An insurer shall indemnify, defend, and hold agents harmless from and against all liability, fees, and costs arising out of or relating to the actions, errors, or omissions of a producer who obtains or uses credit information or insurance scores, or both, for an insurer, provided the producer follows the instructions of or procedures established by the insurer and complies with any applicable law or regulation. Nothing in this section shall
be construed to provide a consumer or other insured with a cause of action that does not exist in the absence of this section.

(k) Sale of policy term information by consumer reporting agency. A consumer reporting agency shall not provide or sell data or lists that include any information that in whole or in part was submitted in conjunction with an insurance inquiry about a consumer’s credit information or a request for a credit report or insurance score. Such information includes the expiration dates of an insurance policy or any other information that may identify time periods during which a consumer’s insurance may expire and the terms and conditions of the consumer’s insurance coverage. The restrictions provided in this subsection do not apply to data or lists the consumer reporting agency supplies to the insurance producer from whom information was received, the insurer on whose behalf such producer acted, or such insurer’s affiliates or holding companies. Nothing in this section shall be construed to restrict any insurer from being able to obtain a claims history report or a motor vehicle report.
