Housing Bond Proceeds for Affordable Housing **

Sec. 1. FINDINGS AND PURPOSE; AFFORDABLE HOUSING BOND

(a) Findings.

(1) The General Assembly finds that investments are needed to help house the most vulnerable as well as creating more homes for workers.

(2) The shortage of affordable and available homes has been highlighted recently by:

(A) the Vermont Futures Project of the Vermont Chamber of Commerce, which set a growth target of 5,000 new and improved housing units annually;

(B) a national consultant’s recommendations for a Roadmap to End Homelessness, which calls for, over the next five years, 368 new units for permanent supportive housing and 1,251 new homes affordable to families with income that is not more than 30 percent of the median; and

(C) the 2015 statewide housing needs assessment by Bowen National Research, which found the largest gaps in housing affordable to households with income below 30 percent of median and households with income between 85 percent and 120 percent of median, and found a lack of housing availability across the income spectrum.

(b) Purpose. The purpose of this act is to promote the development and improvement of housing for Vermonters.

Sec. 2. 10 V.S.A. § 314 is added to read:

§ 314. AFFORDABLE HOUSING BOND; INVESTMENT

The Vermont Housing and Conservation Board shall use the proceeds of bonds, notes, and other obligations issued by the Vermont Housing Finance Agency pursuant to subdivision 621(22) of this title and transferred to the Vermont Housing and Conservation Trust Fund to fund the creation and improvement of owner-occupied and rental housing for Vermonters with very low to middle income, in areas targeted for growth and reinvestment, as follows:
(1) not less than 25 percent of the housing shall be targeted to Vermonters with very low income, meaning households with income below 50 percent of area median income;

(2) not less than 25 percent of the housing shall be targeted to Vermonters with moderate income, meaning households with income between 80 and 120 percent of area median income; and

(3) the remaining housing shall be targeted to Vermonters with income that is less than or equal to 120 percent of area median income, consistent with the provisions of this chapter.

Sec. 3. 10 V.S.A. § 323 is amended to read:

§ 323. ANNUAL REPORT

Prior to January 31 of each year, the board shall submit a report concerning its activities to the governor and legislative committees on agriculture, natural resources and energy, appropriations, ways and means, finance, and institutions to the House Committees on Agriculture and Forestry, on Appropriations, on Corrections and Institutions, on Natural Resources, Fish and Wildlife, and on Ways and Means and the Senate Committees on Agriculture, on Appropriations, on Finance, on Institutions, and on Natural Resources and Energy. The report shall include, but not be limited to, the following:

(1) a list and description of activities funded by the board during the preceding year, including commitments made to fund projects through housing bond proceeds pursuant to section 314 of this title, and project descriptions, levels of affordability, and geographic location;

(a) Not later than 30 days after the receipt of any property transfer return, a town clerk shall file the return in the office of the town clerk and electronically forward a copy of the acknowledged return to the Commissioner; provided, however, that with respect to a return filed in paper format with the town, the Commissioner shall have the discretion to allow the town to forward a paper copy of that return to the department.

(b) The copies of property transfer returns in the custody of the town clerk may be inspected by any member of the public.
(c) Prior to distributions of property transfer tax revenues under 10 V.S.A. § 312, 24 V.S.A. § 4306(a), and 32 V.S.A. § subdivision 435(b)(10) of this title, one two percent of the revenues received from the property transfer tax shall be deposited in a special fund in the Department of Taxes for Property Valuation and Review administration costs.

(d)(1) Prior to any distribution of property transfer tax revenue under 10 V.S.A. § 312, 24 V.S.A. § 4306(a), subdivision 435(b)(10) of this title, and subsection (c) of this section, $2,500,000.00 of the revenue received from the property transfer tax shall be transferred to the Vermont Housing Finance Agency to pay the principal of and interest due on the bonds, notes, and other obligations authorized to be issued by the Agency pursuant to 10 V.S.A. § 621(22), the proceeds of which the Vermont Housing and Conservation Board shall use to create affordable housing pursuant to 10 V.S.A. § 314.

(2) As long as the bonds, notes, and other obligations incurred pursuant to subdivision (1) of this subsection remain outstanding, the rate of tax imposed pursuant to section 9602 of this title shall not be reduced below a rate estimated, at the time of any reduction, to generate annual revenues of at least $12,000,000.00.

Sec. 5. 10 V.S.A. § 621 is amended to read:

§ 621. GENERAL POWERS AND DUTIES

The Agency shall have all of the powers necessary and convenient to carry out and effectuate the purposes and provisions of this chapter, including without limitation those general powers provided a business corporation by 11A V.S.A. § 3.02 and those general powers provided a nonprofit corporation by 11B V.S.A. § 3.02 and including, without limiting the generality of the foregoing, the power to:

***

Sec. 6. 10 V.S.A. § 631(l) is added to read:

(l)(1) The bonds, notes, and other obligations authorized to be issued pursuant to subdivision 621(22) of this title shall be secured by a pledge of the property transfer tax revenues to be transferred to the Agency pursuant to 32 V.S.A. § 9610(d) and shall mature on or before June 30, 2039.

(2) The Agency may issue the bonds, notes, and other obligations in one or more series at one time or from time to time, provided that the aggregate annual debt service on the bonds, notes, and other obligations shall not exceed $2,500,000.00 at any time.

* * * Funding for Affordable Housing Bond Program; Allocation of Revenues; Intent * * *

Sec. 7. INTENT; FUNDING FOR AFFORDABLE HOUSING BOND PROGRAM; ALLOCATION OF PROPERTY TRANSFER TAX REVENUES

(a) Revenues from the property transfer tax, before the passage of this act, were allocated pursuant to statute as follows:

(1) The first two percent was deposited in a special fund in the Department of Taxes for Property Valuation and Review administration costs pursuant to 32 V.S.A. § 9610(c).

(2) Of the remaining 98 percent of the revenues:

(A) 17 percent was deposited in the Municipal and Regional Planning Fund created in 24 V.S.A. § 4306.

(B) 50 percent was deposited in the Vermont Housing and Conservation Trust Fund created in 10 V.S.A. § 312.

(C) 33 percent was deposited in the General Fund created in 32 V.S.A. § 435.
Pursuant to Sec. 4 of this act, in 32 V.S.A. § 9610(d), the first $2,500,000.00 of revenue generated from the property transfer tax is transferred to the Vermont Housing Finance Agency to service the bonds, notes, and other obligations incurred by the Agency pursuant to 10 V.S.A. § 621(22), the proceeds of which the Vermont Housing and Conservation Board shall use to create affordable housing pursuant to 10 V.S.A. § 314.

Transferring the first $2,500,000.00 of property transfer tax revenues to the Vermont Housing Finance Agency for debt service reduces the amount of revenues available for allocation to the respective statutory recipients identified in subsection (a) of this section.

To compensate for this reduction of available property transfer tax revenue, it is the intent of the General Assembly through this act to provide for the transfer of $2,500,000.00 to the Vermont Housing and Conservation Trust Fund, as follows:

1. Sec. D.100(a)(2) of H.518 (2017) appropriates $11,304,840.00 in fiscal year 2018 from the Vermont Housing and Conservation Trust Fund to the Vermont Housing and Conservation Board. Upon the effective date of this act, the Board shall transfer the amount of $1,500,000.00 back to the Vermont Housing and Conservation Trust Fund, resulting in a fiscal year 2018 total appropriation to the Board of $9,804,840.00. In fiscal year 2018 only, the Commissioner of Taxes shall transfer the amount of $1,500,000.00 from the Vermont Housing and Conservation Trust Fund to the General Fund.

2. As provided in Sec. 9 of this act, from July 1, 2017 until July 1, 2039, pursuant to 32 V.S.A. § 9602a, the first $1,000,000.00 in revenue generated by the clean water surcharge of 0.2 percent shall be transferred to the Vermont Housing and Conservation Trust Fund. In fiscal year 2018 only, the Commissioner of Taxes shall transfer the amount of $1,000,000.00 from the Vermont Housing and Conservation Trust Fund to the General Fund.

** Task Force to Create the Department of Liquor and Lottery **

Sec. 166. FINDINGS AND PURPOSE

(a) The General Assembly finds:
The Department of Liquor Control and the State Lottery serve similar roles in Vermont’s government by generating significant revenue for the State through the sales of a controlled product.

The Department of Liquor Control is responsible for enforcing Vermont’s laws related to alcoholic beverages and tobacco.

The Department is overseen by the Liquor Control Board, which also grants alcohol and tobacco licenses, serves as a quasi-judicial body to adjudicate violations by licensees, and adopts rules necessary to implement the alcoholic beverage and tobacco laws. The Liquor Control Board is composed of five members that are appointed by the Governor for staggered five-year terms. Each member receives per diem compensation for attendance at meetings.

The Lottery Commission oversees and manages the Vermont Lottery and adopts rules necessary to operate it. It is composed of five members that are appointed by the Governor for three-year terms. Each member receives per diem compensation for attendance at meetings.

The respective responsibilities and duties of the Liquor Control Board and Lottery Commission place significant demands on their part-time, volunteer members.

Sec. 1. 10 V.S.A. chapter 15, subchapter 4 is added to read:

Subchapter 4. Rural Economic Development Initiative

§ 325m. RURAL ECONOMIC DEVELOPMENT INITIATIVE

(a) Definitions. As used in this subchapter:

(1) “Industrial park” means an area of land permitted as an industrial park under chapter 151 of this title or under 24 V.S.A. chapter 117, or under both.

(2) “Rural area” means a county of the State designated as “rural” or “mostly rural” by the U.S. Census Bureau in its most recent decennial census.

(3) “Small town” means a town in the State with a population of less than 5,000 at the date of the most recent U.S. Census Bureau decennial census.

(b) Establishment. There is created within the Vermont Housing and Conservation Board a Rural Economic Development Initiative to promote and facilitate community economic development in the small towns and rural areas of the State. The Rural Economic Development Initiative shall collaborate with municipalities, businesses, industrial parks, regional development corporations, and other appropriate entities to access funding and other assistance available to small towns and businesses in rural areas of the State when existing State resources or staffing assistance is not available.

(c) Services; access to funding.

(1) The Rural Economic Development Initiative shall provide the following services to small towns and businesses in rural areas:
(A) identification of grant or other funding opportunities available to small towns, businesses in rural areas, and industrial parks in small towns and rural areas that facilitate business development, siting of businesses, workforce development, broadband deployment, infrastructure development, or other economic development opportunities;

(B) technical assistance to small towns, businesses in rural areas, and industrial parks in small towns and rural areas in writing grants, accessing and completing the application process for identified grants or other funding opportunities, including writing applications for grants or other funding, coordination with providers of grants or other funding, strategic planning for the implementation or timing of activities funded by grants or other funding, and compliance with the requirements of grant awards or awards of other funding.

(2) In providing services under this subsection, the Rural Economic Development Initiative shall give first priority to projects that have received necessary State or municipal approval and that are ready for construction or implementation.

(d) Services; business development. The Rural Economic Development Initiative shall provide small towns and rural areas with services to facilitate business development in these areas. These services shall include:

(1) Identifying businesses or business types suitable for a small town, rural areas, industrial parks in a small town or rural area, or coworker spaces or generator spaces in rural areas. In identifying businesses or business types, the Rural Economic Development Initiative shall seek to:

(A) identify businesses or business types in the following priority areas:

(i) milk plants, milk handlers, or dairy products, as those terms are defined in 6 V.S.A. § 2672;

(ii) the outdoor equipment or recreation industry;

(iii) the value-added forest products industry;

(iv) the value-added food industry;

(v) phosphorus removal technology; and

(vi) composting facilities.

(B) explore with a small town or rural area whether underused or closed school buildings are appropriate sites for coworker or generator spaces.
(2) Recommending available grants, tax credits, or other incentives that a small town or rural area can use to attract businesses.

(3) In providing services under this subsection, the Rural Economic Development Initiative shall coordinate with the Secretary of Commerce and Community Development in order to avoid duplication by the Rural Economic Development Initiative of business recruitment and workforce development services provided by the Agency of Commerce and Community Development.

(e) Report. Beginning on January 15, 2018, and annually thereafter, the Rural Economic Development Initiative shall submit to the Senate Committees on Agriculture and on Economic Development, Housing and General Affairs and the House Committees on Agriculture and Forestry and on Commerce and Economic Development a report regarding the activities and progress of the Initiative. The report shall include:

(1) a summary of the Initiative’s activities in the preceding calendar year;

(2) an evaluation of the effectiveness of the services provided by the Initiative to small towns, rural areas, and industrial parks;

(6) recommended changes to the program, including proposed legislative amendments to further economic development in small towns and rural areas in the State.

Sec. 2. FUNDING; LEGISLATIVE INTENT; RURAL ECONOMIC DEVELOPMENT INITIATIVE

It is the intent of the General Assembly that $75,000.00 appropriated to the Agency of Agriculture, Food and Markets in fiscal year 2018 shall be allocated by the Agency of Agriculture, Food and Markets to the Vermont Housing and Conservation Board for implementation of the Rural Economic Development Initiative under 10 V.S.A. chapter 15, subchapter 4.
Sec. 3. VERMONT MILK COMMISSION; EQUITABLE DAIRY PRICING

On or before October 1, 2017, the Secretary of Agriculture, Food and Markets shall convene the Vermont Milk Commission under 6 V.S.A. chapter 161 to review and evaluate proposals that enhance and stabilize the dairy industry in Vermont and New England and that may be appropriate for inclusion in the federal Farm Bill 2018. The Secretary of Agriculture, Food and Markets shall submit to the congressional delegation of Vermont proposals that the Milk Commission recommends for inclusion in the federal Farm Bill 2018.

Sec. 4. EXECUTIVE BRANCH CROSS-PROMOTION OF LOAN, GRANT, AND INCENTIVE PROGRAMS

(a) The General Assembly finds that it is within the authority of the Executive Branch to manage a process of continuous improvement for agency and statewide programs and operations. While undertaking these efforts, the Executive Branch shall ensure that State loan, grant, and other incentive programs cross-promote:

(1) the availability of financial and technical assistance from the State through education and outreach materials; and

(2) the State policies funded by State incentive programs, including the adoption of renewable energy, rural economic development, public access to conserved lands, and water quality improvements.

(b) The Secretary of Administration shall provide material or information regarding the cross-promotion of State policies on State websites and within application materials available to the public regarding State loan, grant, and other incentive programs.

Sec. 5. REPORT; ENERGY EFFICIENCY CHARGE; COMMERCIAL AND INDUSTRIAL CUSTOMERS

(a) On or before January 15, 2018, the Commissioner of Public Service (the Commissioner) shall submit a report with recommendations as described in subsection (b) of this section.

(1) In preparing the report, the Commissioner shall consult with the Secretary of Commerce and Community Development, the energy efficiency utilities (EEU) appointed under 30 V.S.A. § 209(d)(2), the regional development corporations, the Public Service Board, and other affected persons.
(2) The Commissioner shall submit the report to the Senate Committees on Finance, on Natural Resources and Energy, and on Agriculture and the House Committees on Ways and Means, on Energy and Technology, on Commerce and Economic Development, and on Agriculture and Forestry.

(b) The report shall provide the Commissioner’s recommendations on:

(1) Whether and how to increase the use by commercial and industrial customers of self-administered efficiency programs under 30 V.S.A. § 209(d) and (j), including:

   (A) Potential methods and incentives to increase participation in self-administration of energy efficiency, including:

       (i) Potential changes to the eligibility criteria for existing programs.

       (ii) Use of performance-based structures.

       (iii) Self-administration of energy efficiency by a commercial and industrial customer, with payment of an energy efficiency charge (EEC) amount only for technical assistance by an EEU, if the customer demonstrates that it possesses in-house expertise that supports such self-administration and implements energy efficiency measures that the customer demonstrates are cost-effective and save energy at a benefit-cost ratio similar to the EEU.

   (B) The potential inclusion of such methods and incentives in EEU demand resource plans.

   (C) Periodic reporting by the EEU of participation rates in self-administration of energy efficiency by commercial and industrial customers located in the small towns in the State’s rural areas. As used in this subdivision (C):

       (i) “Rural area” means a county of the State designated as “rural” or “mostly rural” by the U.S. Census Bureau in its most recent decennial census.

       (ii) “Small town” means a town in a rural area of the State with a population of less than 5,000 at the date of the most recent U.S. Census Bureau decennial census.

(2) The potential establishment of a multiyear pilot program that allows a category of commercial and industrial customers to apply the total amount of their Energy Efficiency Charge (EEC), for the period of the pilot, to investments that reduce the customer’s total energy consumption.

   (A) The goal of such a program would be to reduce significantly all energy costs for the customer, and to transform the energy profile of the
customer such that significant savings would be generated and endure over the long term. Customers in the program would receive the full amount of their EEC contributions, for the period of the pilot, in the form of direct services and incentives provided by an EEU, which would consider how to lower customers’ bills cost-effectively across electric, heating, transportation, and process fuels using energy efficiency, demand management, energy storage, fuel switching, and on-site renewable energy.

(B) In the report, the Commissioner shall consider:

(i) the definition of eligible commercial and industrial customers;

(ii) the potential establishment and implementation of such a program in a manner similar to an economic development rate for the EEU;

(iii) the interaction of such a program with the existing programs for self-managed energy efficiency under 30 V.S.A. § 209(d), including the Energy Savings Account, Self-Managed Energy Efficiency, and Customer Credit Programs;

(iv) the benefits and costs of such a program, including:

(I) a reduction in the operating costs of participating customers;

(II) the effect on job retention and creation and on economic development;

(III) the effect on greenhouse gas emissions;

(IV) the effect on systemwide efficiency benefits that would otherwise be obtained with the EEC funds, such as avoided supply costs, avoided transmission and distribution costs, avoided regional network service charges, and lost revenues from the regional forward-capacity market;

(V) the potential impact on commercial and industrial customers that may not be eligible to participate in such a program;

(VI) the extent to which such a program may result in cost shifts or subsidization among rate classes, and methods for avoiding or mitigating these effects;

(VII) the effect on the budgets developed through the demand resource planning process;

(VIII) the costs of administration;

(IX) any other benefits and costs of the potential program; and

(v) the consistency of such a program with least-cost planning as defined in 30 V.S.A. § 218c; with State energy goals and policy set forth in
(c) The report submitted under this section shall include a proposed timeline to phase in the recommendations contained in the report. In developing this timeline, the Commissioner shall consider the impact to the established budgets of the EEUs, the regulatory requirements applicable to the EEUs, and the value of rapid implementation of the recommendations.

Sec. 6. 30 V.S.A. § 209(d)(3) is amended to read:

(3) Energy efficiency charge; regulated fuels. In addition to its existing authority, the Board may establish by order or rule a volumetric charge to customers for the support of energy efficiency programs that meet the requirements of section 218c of this title, with due consideration to the State’s energy policy under section 202a of this title and to its energy and economic policy interests under section 218e of this title to maintain and enhance the State’s economic vitality. The charge shall be known as the energy efficiency charge, shall be shown separately on each customer’s bill, and shall be paid to a fund administrator appointed by the Board and deposited into the Electric Efficiency Fund. When such a charge is shown, notice as to how to obtain information about energy efficiency programs approved under this section shall be provided in a manner directed by the Board. This notice shall include, at a minimum, a toll-free telephone number, and to the extent feasible shall be on the customer’s bill and near the energy efficiency charge.
