An act relating to juvenile justice.

Reported recommending that the bill be amended by striking out all after the enacting clause and inserting in lieu thereof the following:

**Findings**

Sec. 1. 33 V.S.A. § 5101 is amended to read:

§ 5101. **LEGISLATIVE FINDINGS AND PURPOSES**

(a) The General Assembly finds and declares as public policy that an effective youth justice system: protects public safety; connects youths and young adults to age-appropriate services that reduce the risk of reoffense; and, when appropriate, shields youths from the adverse impact of a criminal record.

(b) In order to accomplish these goals, the system should be based on the implementation of data-driven evidence-based practices that offer a broad range of alternatives, such that the degree of intervention is commensurate with the risk of reoffense.
(c) High-intensity interventions with low-risk offenders not only decrease program effectiveness, but are contrary to the goal of public safety in that they increase the risk of recidivism. An effective youth justice system includes pre-charge options that keep low-risk offenders out of the criminal justice system altogether.

(d) The juvenile judicial proceedings chapters shall be construed in accordance with the following purposes:

1. to provide for the care, protection, education, and healthy mental, physical, and social development of children coming within the provisions of the juvenile judicial proceedings chapters;

2. to remove from children committing delinquent acts the taint of criminality and the consequences of criminal behavior and to provide supervision, care, and rehabilitation which ensure:

   (A) balanced attention to the protection of the community;

   (B) accountability to victims and the community for offenses; and

   (C) the development of competencies to enable children to become responsible and productive members of the community;

3. to preserve the family and to separate a child from his or her parents only when necessary to protect the child from serious harm or in the interests of public safety;

4. to ensure that safety and timely permanency for children are the paramount concerns in the administration and conduct of proceedings under the juvenile judicial proceedings chapters;

5. to achieve the foregoing purposes, whenever possible, in a family environment, recognizing the importance of positive parent-child relationships to the well-being and development of children; and

6. to provide judicial proceedings through which the provisions of the juvenile judicial proceedings chapters are executed and enforced and in which the parties are ensured a fair hearing, and that their constitutional and other legal rights are recognized and enforced.

(b)(e) The provisions of the juvenile judicial proceedings chapters shall be construed as superseding the provisions of the criminal law of this State to the extent the same are inconsistent with this chapter.
Sec. 2. 13 V.S.A. § 7609 is added to read:

§ 7609. EXPUNGEMENT OF CRIMINAL HISTORY RECORDS OF AN INDIVIDUAL 18-21 YEARS OF AGE

(a) Procedure. Except as provided in subsection (b) of this section, the record of the criminal proceedings for an individual who was 18-21 years of age at the time the individual committed a qualifying crime shall be expunged within 30 days after the date on which the individual successfully completed the terms and conditions of the sentence for the conviction of the qualifying crime, absent a finding of good cause by the court. The court shall issue an order to expunge all records and files related to the arrest, citation, investigation, charge, adjudication of guilt, criminal proceedings, and probation related to the sentence. A copy of the order shall be sent to each agency, department, or official named in the order. Thereafter, the court, law enforcement officers, agencies, and departments shall reply to any request for information that no record exists with respect to such individual. Notwithstanding this subsection, the record shall not be expunged until restitution has been paid in full.

(b) Exceptions.

(1) A criminal record that includes both qualifying and nonqualifying offenses shall not be eligible for expungement pursuant to this section.

(2) The Vermont Crime Information Center shall retain a special index of sentences for sex offenses that require registration pursuant to chapter 167, subchapter 3 of this title. This index shall only list the name and date of birth of the subject of the expunged files and records, the offense for which the subject was convicted, and the docket number of the proceeding that was the subject of the expungement. The special index shall be confidential and shall be accessed only by the director of the Vermont Crime Information Center and an individual designated for the purpose of providing information to the Department of Corrections in the preparation of a presentence investigation in accordance with 28 V.S.A. §§ 204 and 204a.

*** Juvenile Delinquency Proceedings ***

Sec. 3. 33 V.S.A. § 5225 is amended to read:

§ 5225. PRELIMINARY HEARING; RISK ASSESSMENT

(a) Preliminary hearing. A preliminary hearing shall be held at the time and date specified on the citation or as otherwise ordered by the court. If a child is taken into custody prior to the preliminary hearing, the preliminary hearing shall be at the time of the temporary care hearing. Counsel for the child shall be assigned prior to the preliminary hearing.
(b) Risk and needs screening.

(1) Prior to the preliminary hearing, the child shall be afforded an opportunity to undergo a risk and needs screening, which shall be conducted by the Department or by a community provider that has contracted with the Department to provide risk and need screenings for children alleged to have committed delinquent acts.

(2) If the child participates in such a screening, the Department or the community provider shall report the risk level result of the screening, the number and source of the collateral contacts made, and the recommendation for charging or other alternatives to the State’s Attorney. The State’s Attorney shall consider the results of the risk and needs screening in determining whether to file a charge. In lieu of filing a charge, the State’s Attorney may refer a child directly to a youth-appropriate community-based provider that has been approved by the Department, which may include a community justice center or a balanced and restorative justice program. Referral to a community-based provider pursuant to this subsection shall not require the State’s Attorney to file a charge. If the community-based provider does not accept the case or if the child fails to complete the program in a manner deemed satisfactory and timely by the provider, the child’s case shall return to the State’s Attorney for charging consideration.

(3) If a charge is brought in the Family Division, the risk level result shall be provided to the child’s attorney. Except on agreement of the parties, the results shall not be provided to the court until after a merits finding has been made.

(c) Counsel for the child shall be assigned prior to the preliminary hearing. Referral to diversion. Based on the results of the risk and needs screening, if a child presents a low to moderate risk to reoffend, the State’s Attorney shall refer the child directly to court diversion unless the State’s Attorney states on the record why a referral to court diversion would not serve the ends of justice. If the court diversion program does not accept the case or if the child fails to complete the program in a manner deemed satisfactory and timely by the provider, the child’s case shall return to the State’s Attorney for charging consideration.

(d) Guardian ad litem. At the preliminary hearing, the court shall appoint a guardian ad litem for the child. The guardian ad litem may be the child’s parent, guardian, or custodian. On its own motion or motion by the child’s attorney, the court may appoint a guardian ad litem other than a parent, guardian, or custodian.

(e) Admission; denial. At the preliminary hearing, a denial shall be entered to the allegations of the petition, unless the juvenile, after adequate
consultation with the guardian ad litem and counsel, enters an admission. If the juvenile enters an admission, the disposition case plan required by section 5230 of this title may be waived and the court may proceed directly to disposition, provided that the juvenile, the custodial parent, the State’s Attorney, the guardian ad litem, and the Department agree.

(f) Conditions. The court may order the child to abide by conditions of release pending a merits or disposition hearing.

Sec. 4. 33 V.S.A. § 5203 is amended to read:

§ 5203. TRANSFER FROM OTHER COURTS

(a) If it appears to a Criminal Division of the Superior Court that the defendant was under 18 years of age at the time the offense charged was alleged to have been committed and the offense charged is a misdemeanor, that court shall forthwith transfer the case to the Family Division of the Superior Court under the authority of this chapter an offense not specified in subsection 5204(a) of this title, that court shall forthwith transfer the proceeding to the Family Division of the Superior Court under the authority of this chapter, and the minor shall then be considered to be subject to this chapter as a child charged with a delinquent act.

(2) Information related to the present alleged offense directly or indirectly derived from the risk and needs screening or other conversation with the Department or community-based provider shall not be used against the youth in the youth’s criminal or juvenile case for any purpose, including impeachment or cross-examination. However, the fact of participation in risk and needs screening may be used in subsequent proceedings.

(e) If a youth presents a low to moderate risk to reoffend based on the results of the risk and needs screening, the State’s Attorney shall refer a youth directly to court diversion unless the State’s Attorney states on the record at the hearing held pursuant to section 5283 of this title why a referral would not serve the ends of justice. If the court diversion program does not accept the case or if the youth fails to complete the program in a manner deemed satisfactory and timely by the provider, the youth’s case shall return to the State’s Attorney for charging consideration.
Sec. 6. 33 V.S.A. § 5282 is amended to read:

§ 5282. REPORT FROM THE DEPARTMENT

(a) Within 30 days after the case is transferred to the Family Division or a youthful offender petition is filed in the Family Division, youth has completed the risk and needs screening pursuant to section 5280 of this title, unless the court extends the period for good cause shown, the Department for Children and Families shall file a report with the Family Division of the Superior Court.
