Sec. 18. 23 V.S.A. § 1222 is amended to read:

§ 1222. INSPECTION OF REGISTERED VEHICLES

(a) Except for school buses, which shall be inspected as prescribed in section 1282 of this title, and motor buses as defined in subdivision 4(17) of this title, which shall be inspected twice during the calendar year at six-month intervals, all motor vehicles registered in this State shall be inspected once each year. Any motor vehicle, trailer, or semi-trailer not currently inspected in this State shall be inspected within 15 days from following the date of its registration in the State of Vermont.

(b)(1) The inspections shall be made at garages or qualified service stations, designated by the Commissioner as inspection stations, for the purpose of determining whether those motor vehicles are properly equipped and maintained in good mechanical condition; provided, however, the scope of the safety inspection of a motor vehicle other than a school bus or a commercial motor vehicle shall be limited to parts or systems that are relevant to the vehicle’s safe operation, and such vehicles shall not fail the safety portion of the inspection unless the condition of the part or system poses or may pose a danger to the operator or to other highway users.

(2) The charges for such inspections made by garages or qualified service stations designated to conduct periodic inspections shall be subject to the approval of the Commissioner. If a fee is charged for inspection, it shall be based upon the hourly rate charged by each official inspection station or it may be a flat rate fee and, in either instance, the fee shall be prominently posted and displayed beside the official inspection station certificate. In addition, the official inspection station may disclose the State inspection certificate charge on the repair order as a separate item and collect the charge from the consumer.

Sec. 19. RULEMAKING; TRANSITION

(a) As soon as practicable after the effective date of this section, and not later than May 1, 2018, the Commissioner of Motor Vehicles (Commissioner) shall file with the Secretary of State proposed amended rules governing motor vehicle inspections that:

(1) are consistent with the permissible scope of safety inspections under the amendments to 23 V.S.A. § 1222 in Sec. 18 of this act; and

(2) clarify ambiguous language in the rules.
(b) In the proposed rule amendments, the Commissioner may direct inspection stations to identify advisory, recommended repairs that are not required for the vehicle to pass inspection.

(c) Except as provided in subdivision (a)(2) and subsection (d) of this section, nothing in this section or Sec. 18 of this act is intended to affect the emissions-related requirements of the rules governing motor vehicle inspections.

(d) Notwithstanding 10 V.S.A. § 567 and C.V.R. 14-050-022, the Commissioner may establish criteria to allow vehicles that would otherwise fail inspection to pass the inspection and receive an inspection sticker, provided that the vehicle satisfies all inspection requirements that are relevant to the vehicle’s safe operation. The authority conferred in this subsection shall expire on July 1, 2019.
