

Water Quality Sub-Committee Act 250 Commission

We are meeting Thursday March 29 at 8 here at the state house in the meeting room in Legislative Council or through the call in number

In preparation for the meeting here is the charge for the committee

Commission on Act 250: Sub-Committees		Commissioners	Advisors
Water Quality	Water quality issues facing Vermont and ways Act 250 can help address; evaluation of how well Act 250 currently addresses; science basis for existing Act 250 criteria on water quality	Rep. Deen	TROC Peter Gregory VLCT, Karen Horn, AAFM Laura Dipietro, VNRC, VPA, NRB Chair Diane Snelling

Frame for evaluating each parameter

- Why are we looking at this issue?
- How often does the issue come up?
- How well is the Act currently doing at meeting the relevant goals to this issue?
- Do we need to revise jurisdiction, criteria and/or the Capability and Development Plan to better address the issue?
- Questions on this subject to ask the public that will engage them on it.
