Hearing Date/Time:

- 1. What are the outcomes of well-being that our Committee's jurisdiction contributes to achieving?
- 2. What indicator(s) does our Committee need to monitor to gauge progress made in Vermont?
- 3. How is Vermont doing on this indicator now? (Where have we been; where are we headed?)
 - Review indicator data on a trend line over time
 - Consider the causes/forces at work behind the data (policy changes, environmental, societal, demographic shifts...)
