Thank you Fran. I will forward your comments on a carbon pricing study? ~Theresa

**Subject:** Comment on budget

Hello,

I am unable to attend one of the budget hearings since they are all at least one hour from my home. Here is my comment:

I would like the budget to include a non-partisan, in-depth study of the ESSEX plan so that we can see exactly how it would work.

Thank you in advance for including this in the comments on the Vermont state budget.
