Subject: Governor's budget

To Theresa Utton-Jerman,

Many thanks for dealing with this! Having followed global warming since the mid-'60s, I'm more than a little concerned that our governor cannot deal with it. I know that I don't have to go into details for you, just want you to know that *I'm another person wanting action*. I so wish that I were still in the Legislature ('91 - '95, House). Whatever you can do, I'm appreciative.

Sincerely, Judy (Larson) DiMario, Fayston
