

Tax – VT Center for Geographic Information – Digital Orthophotographic
Quadrangle Mapping..... \$250,000

The requested Capital funding is used to continue the State’s engineering quality Orthophotographic imagery collection at a resolution that supports statewide resiliency planning and high quality infrastructure management and planning needs of agencies, towns, and Regional Planning Commissions as well as the general public.

The orthophotographic imagery acquisition program is part of a long-term, continuous, imagery collection cycle in the state. Complete statewide imagery collection is completed every five years as 20% of the State is collected every year.
