
Cultural Facilities Awards 2001-2017

"We are in community each time we find a place where we belong." - Peter F. Block

Addison County		
Bixby Memorial Library	\$27,060	to install two ADA-compliant bathrooms on the main floor of the library
Bridport Historical Society	\$3,083	to support the installation of a new heating system and insulation
DAR John Strong Mansion Museum	\$2,900	to support the installation of a climate control system to correct destructive temperature and humidity fluctuations
Friends of the Vergennes Opera House	\$17,400	to support the installation of an air handling system in the historic opera house
Friends of the Vergennes Opera House	\$20,000	to support the planning and installation of a sprinkler system for the Vergennes Opera House
Henry Sheldon Museum of Vermont History	\$1,330	to support the purchase and installation of track lighting
Henry Sheldon Museum of Vermont History	\$9,460	to support improvements to make the main entrance physically accessible
Isley Public Library	\$2,994	to support the installation of a physically accessible push-button door opener and accompanying signage
Ripton United Methodist Church	\$13,042	to support the completion of an accessible bathroom, installation of a heating system, electrical upgrades, and the construction of library shelving
Rokeby Museum	\$5,554	to support upgrades to exhibit lighting and security
Salisbury Congregational Church	\$2,466	to support the purchase of a modular stage system
Town Hall Theater	\$3,110	to support the installation of an accessible ramp
Town Hall Theater	\$2,875	to install snow guards on the slate roof
Town Hall Theater	\$15,000	to support the enlargement of the loading dock door
Town of Bristol	\$6,066	to support stage improvements including upgrades to stage lighting, installation of a movie screen, and the rigging and installation of an historic painted curtain
Town of Bristol	\$21,000	to support sound system upgrades including an assistive listening system and acoustic improvements in Holley Hall
Town of Ferrisburgh	\$5,000	to support renovation of electrical service in the Ferrisburgh Grange Hall by installing modern code-compliant wiring and switches on the second floor, which houses a multi-use community hall
Town of Ferrisburgh	\$5,500	to support the purchase of operable curtains with valances for the four large windows in the Community Center space
Vermont Folklife Center	\$6,802	to support the construction of a false wall, wiring, and the purchase and installation of a projector for the new Vision and Voice Gallery
Vermont Folklife Center	\$20,000	to support the installation of a lift to improve accessibility of the John Warren House
Walter S. Burnham Committee	\$13,210	to support improvements to Burnham Hall's performance space in Lincoln
Bennington County		
Bennington Museum	\$5,000	to support the installation of air conditioning and environmental controls in five of the Bennington Museum's twelve galleries
Dorset Historical Society	\$3,500	to support construction of a new foundation and moving the existing building
Dorset Players	\$12,950	to support new HVAC units in the Dorset Playhouse
Dorset Players	\$7,878	to support lighting and sound system upgrades
Friends of Hildene	\$3,200	to support the installation of UV-protected storm windows at the Hildene Mansion
Friends of Hildene	\$9,500	to support the construction of an ADA-compliant ramp
Park-McCullough House Association	\$3,360	to support adaptation and renovation of the south bay of the Carriage Barn and Education Center of the Park-McCullough House
Rupert Schoolhouse	\$5,000	to support the purchase and installation of an elevator for the Rupert Schoolhouse, providing accessibility to the second floor of the historic society and library
Shires Media Partnership, Inc. (WBTV-AM)	\$9,000	to support the purchase of new station automation software, hardware, and wiring

Caledonia County		
Catamount Film and Arts Center	\$17,400	to support renovation of the first two floors of the Masonic Lodge of St. Johnsbury into a community art center
Catamount Film and Arts Center	\$30,000	to support the purchase and installation of a digital theater system
Fairbanks Museum and Planetarium	\$4,216	to support the installation of a comprehensive security camera system for use throughout the building's interior
Fairbanks Museum and Planetarium	\$3,100	to support improvements to the heating system at the Fairbanks Museum
Fairbanks Museum and Planetarium	\$3,019	to support the installation of safety glass in 65 glass display cases in the grand gallery of the Museum
Grass Roots Art and Community Effort	\$3,360	to upgrade the current heating system in the old firehouse in downtown Hardwick to ensure year-round usable space
Grass Roots Art and Community Effort	\$1,213	to support the modification of the entryway to become fully accessible, including an earthen ramp, designated parking spaces, and a three-foot door with sidelights
Hardwick Town House	\$3,500	to support the removal of the wood/oil furnace and replace it with an energy-efficient oil furnace
Lyndon Historical Society	\$5,000	to support preservation of Lyndon's only publicly-owned one-room schoolhouse by converting it to a living history museum
Northeast Kingdom Arts Council	\$4,000	to support the construction of accessible restrooms at the Hardwick Town House
Northeast Kingdom Arts Council	\$5,105	to support the purchase and installation of new granite steps and handrails at the entrance of the Hardwick Town House
Northeast Kingdom Arts Council	\$2,740	to support electrical wiring and utility and stage lighting upgrades to the Hardwick Town House
Peacham Library	\$21,150	to support the creation of a theater/performance space including AV equipment, theatrical lighting, and storage cabinets
Pope Memorial Library	\$9,536	to support the installation of a new floor and room darkening curtains and to purchase a portable stage
South Congregational Church	\$1,400	to support the modernization and upgrade of wiring system in the Church
St. Johnsbury Athenaeum	\$3,360	to improve safety and access to the front entrance of the Athenaeum
St. Johnsbury Athenaeum	\$20,000	to support the installation of a UV-filtering interior secondary glazing system
St. Johnsbury History & Heritage Center	\$5,606	to support basement renovations for the safe storage and preservation of historical artifacts
Vermont Children's Theater	\$5,518	to support access improvements to restrooms, the entrance, and parking areas
Vermont Children's Theater	\$3,533	to support the purchase and installation of new theater curtains
Chittenden County		
Birds of Vermont Museum	\$1,250	to support the purchase of an experimental fiber optic panel to improve display lighting at the Birds of Vermont Museum
Birds of Vermont Museum	\$17,898	to build an ADA accessible bridge and walkway
Brick Meeting House Society	\$3,360	to create an accessible main entrance to the Brick Meeting House
Burlington City Arts	\$1,565	to support the renovation of the lighting system in the Firehouse Gallery
Burlington City Arts	\$2,908	to support the renovation of electrical, lighting, and ventilation systems in the Burlington City Arts clay and craft studio
Burlington City Arts	\$13,655	to support upgrades to multi-media equipment and blackout shades for the Contois Auditorium
Burlington College	\$8,510	to install ADA-compliant handrails and signage
City of Winooski	\$5,781	to support the installation of a ceiling-mounted projector and a dividing wall for the O'Brien Community Center's community room
Fletcher Free Library	\$1,250	to support the replacement of two sets of automatic door operators
Fletcher Free Library	\$4,950	to support updating existing lighting in the Library's meeting rooms/art galleries

Chittenden County, continued ...		
Fletcher Free Library	\$16,500	to support audio/visual and technical improvements to three public spaces
Flynn Center for the Performing Arts	\$30,000	to support the purchase and installation of new seating and improvement to wheelchair seating areas
Flynn Center for the Performing Arts	\$2,485	to support the purchase of a portable wheelchair lift in order to make the main stage accessible
Flynn Center for the Performing Arts	\$17,000	to support the purchase of stage equipment including high-quality video projection equipment and a mid-sized screen
Lyric Theatre Company	\$20,300	to support ADA-based improvements to the building's entryway and a dust collection/heating system for the set construction shop
National Museum of the Morgan Horse	\$750	to support the installation of environmental controls at the American Morgan Horse Museum
Richmond Historical Society	\$3,500	to support the installation of a new ramp on the south side of Round Church
Shelburne Museum	\$27,000	to support the installation of new cases with LED lighting for display of the waterfowl decoy collection
Town of Essex	\$20,000	to support the purchase and installation of new seating and seating platforms
Town of Huntington	\$28,942	to support the installation of a lift to improve accessibility to the second floor
Vermont Youth Orchestra Association	\$11,025	to support an upgrade to the direct digital control system of an existing HVAC system
Winooski Valley Park District	\$15,000	to upgrade the sprinkler system
Essex County		
Alice M. Ward Memorial Library	\$1,434	to support the installation of electricity and a ramp to increase accessibility to the Carriage House and its programming
Town of Concord	\$1,000	to support the installation of a fully accessible bathroom in the Town Hall
Town of Guildhall	\$1,065	to support the purchase and installation of a new stage curtain for the Guildhall auditorium
Franklin County		
Bakersfield Historical Society	\$5,000	to support rewiring, increased electrical capabilities, and improvement of the lighting
Bakersfield Historical Society	\$1,402	to support an accessible ramp and landing at the front entrance of the Bakersfield Historical Society
Friends of the Opera House at Enosburg Falls	\$3,341	to support the installation of the cooling side of the heating/cooling system
Friends of the Opera House at Enosburg Falls	\$18,601	to support the purchase and installation of drapes and sound equipment
Friends of the Opera House at Enosburg Falls	\$7,636	to support the upgrade of stage lighting and rigging for historic painted curtains
Richford Historical Society	\$3,600	to support the repair and upgrade of the electrical system and the installation of new wiring needed in order to accommodate a wheelchair lift, accessible bathroom, more outlets, and lighting fixtures
St. Albans Historical Society	\$14,000	to support the installation of heating and cooling (HVAC) capability to the third floor of the museum
Town of Franklin	\$2,862	to support construction of an ADA-compliant unisex bathroom in the Franklin Town Hall
Town of Franklin	\$4,900	to support upgrades to existing wiring and lighting systems
Town of Montgomery	\$3,516	to support the correction of drainage problems, the rebuilding of the exterior ADA ramp, and repair of the elevator
Town of Richford	\$5,500	to support the rigging of stage curtains and installation of electrical curtain motors

Grand Isle County		
Island Arts	\$21,000	to support the installation of a mound septic system for the County Arts and Education Center
Isle La Motte Historical Society	\$2,500	to support the installation of a permanent storage system for art
North Hero Historical Society	\$11,592	to support the installation of an acoustically engineered ceiling in the North Hero Community Hall's main level
North Hero Historical Society	\$6,642	to install insulation and air conditioning in the North Hero Community Hall
Lamoille County		
Bryan Memorial Gallery	\$8,000	to support the renovation of Bryan Memorial Gallery's Middle Room
Bryan Memorial Gallery	\$10,000	to create an office and meeting space within the gallery
Cambridge Arts Council	\$3,375	to replace the back and side stage curtains, replace stage rigging, and to clean and fire-proof the front grand stage curtains in the auditorium of the Cambridge Elementary School
Cambridge Historical Society	\$3,139	to upgrade the interior wiring in the Warner Lodge Masonic Hall in Cambridge to meet current compliance codes
Fletcher Union Meetinghouse Assoc.	\$4,900	to support the replacement of the heating system
Helen Day Art Center, Inc.	\$18,750	to replace and make flooring improvements to aid in safe access to gallery and classroom spaces
Hyde Park Opera House	\$3,080	to support the conversion of the electrical service from 200 to 400 amps and install adequate backstage lighting
Johnson Public Library	\$2,300	to support an upgrade to lighting and electrical service while installing historic-style fixtures more suited to the character of the 100-year-old building
Lamoille County Players	\$13,710	to support the installation of air conditioning in the Hyde Park Opera House
Morristown Centennial Library	\$20,000	to support the installation of an elevator to allow access to all parts of the library
River Arts of Morrisville	\$14,000	to support new electrical systems and access to the Lamoille Grange building as part of a restoration project to create a community arts center
Vermont Ski Museum	\$4,000	to support the installation of nine storm windows and UV filters for the protection of exhibits and building preservation at the Vermont Ski Museum
Vermont Studio Center	\$14,350	to support the restoration of the historic stage in the Vermont Studio Center's lecture hall, formerly the Johnson Opera House
Vermont Studio Center	\$20,000	to support the installation of a three-stop lift in the Red Mill building
Vermont Studio Center	\$9,250	to support the rebuilding of stairs and the purchase of window shades and a projector for the Lowes Lecture Hall
Orange County		
Barrett Memorial Hall	\$7,920	to support the purchase and installation of exterior lighting and stage lighting, and the renovation of the stage floor
Blake Memorial Library Association	\$5,000	to make accessibility improvements to the bathroom
Bradford Congregational Church	\$8,847	to support restoration of an 1886 Cole and Woodberry organ to the original mechanical tracker action
Bradford Public Library	\$2,933	to support the repair and renovation of the library heating system
Brookfield Community Partnership	\$7,500	to support ADA-compliant access for the building and install new wiring for the performance area
Brookfield Community Partnership	\$4,410	to support rewiring areas of the Old Town Hall used for programming, including stage lighting and sound
Brookfield Community Partnership	\$6,000	to support the building and installation of a fire escape from the auditorium
Chandler Center for the Arts	\$5,000	to support the rewiring of chandeliers in the main hall, improve gallery lighting, replace exit signs, and replace marquee lights for improved energy efficiency

Orange County, continued ...		
Chandler Center for the Arts	\$4,500	to support enhancements to the Chandler Gallery including a newly constructed outdoor information center, energy efficient lighting, and a modified system for displaying artwork
Chandler Center for the Arts	\$7,786	to support technical improvements to Chandler Music Hall's stage lighting and sound system
Kimball Public Library	\$20,000	to support the installation of a fire sprinkler system
Parish Players	\$3,360	to improve the safety and comfort of the Eclipse Grange by installing a propane-fired forced-air heating system
Town of Fairlee	\$5,424	to support the hanging of backdrops, paint stabilization, and replacement of stage curtains in the Town Hall
Town of Fairlee	\$30,000	to support the installation of an elevator in the Town Hall
Town of Strafford	\$15,588	to support the purchase and installation of a safe LP gas heating system in the 1799 Town House
United Church of Thetford	\$4,950	to support improvements to an existing bathroom including accessibility and efficiencies in water and electrical use
Washington Unitarian Universalist Church	\$3,475	to upgrade the electrical system to code
White River Craft Center	\$11,200	to support the purchase and installation of a furnace
White River Craft Center	\$4,471	to support furnace room upgrades in the north wing including a new furnace, fire-rated sheetrock, and fire door
Orleans County		
The Art House	\$3,771	to support upgrades to electrical and lighting systems at the Masonic Hall
Barton Memorial Building R&R Committee	\$3,325	to support installation of changes which will increase public safety within the building including emergency lighting, handrails, upgrading electrical circuitry and lighting, and clearing storage areas
Brownington Village Congregational Church	\$17,390	to support the rehabilitation of the Brownington Village Congregation Church to become a community resource
Greensboro Free Library	\$12,450	to support the installation of a new heating system
North Country Union High School	\$3,360	to create visual art display areas in the hallway and cafeteria of North Country Union High School
Orleans County Historical Society	\$3,600	to support pathway construction between buildings at the Old Stone House Museum
Orleans County Historical Society	\$19,125	to support upgrades to plumbing and heating systems in the Grammar School building
Town of Stannard	\$3,136	to create an accessible entrance and bathroom in the 19th century schoolhouse in Stannard
Rutland County		
Carving Studio and Sculpture Center	\$18,000	to support the construction of an accessible ramp, ADA-compliant parking, and connecting walkways
Carving Studio and Sculpture Center	\$29,000	to support the installation of two ADA-compliant bathrooms and a new furnace system
Friends of the Brandon Town Hall	\$20,000	to support the installation of a fire suppression system
Friends of the Brandon Town Hall	\$4,202	to support the upgrade of electrical wiring and the purchase and installation of theater lighting and sound equipment
Mount Holly Community Association	\$17,000	to support a water supply connection, septic, and ADA-compliant improvements to the lower floor of the Community Center
Paramount Center	\$13,313	to support the installation of a state-of-the-art large screen for the "Big Flicks at the Paramount" Paramount Center initiative
Paramount Center	\$30,000	to support the installation of a projection, reception, and sound enhancement system
Paramount Center	\$27,000	to support the acquisition of a sound array speaker system
Pawlett Historical Society	\$8,729	to convert the cemetery building into an historical display and storage space, and install an ADA accessible bathroom

Rutland County, continued ...		
Poultney Historical Society	\$13,100	to support the installation of a heating system and an upgrade to electrical wiring
Poultney Public Library	\$30,000	to support upgrades to plumbing and HVAC system
Preservation Trust of Vermont	\$25,000	to support the installation of a fire alarm and smoke-tight doors at the Vermont Marble Museum
Rutland Area Art Association	\$30,000	to support the rewiring of the building and upgrade of electrical services to ensure code compliance
Rutland Free Library Association	\$12,150	to support safety, accessibility, and plumbing upgrades to the main lobby restrooms
Shrewsbury Historical Society	\$4,638	to support the construction of an earthen ramp and landing as well as second exit/entrance to make the museum ADA compliant
Sudbury Meeting House	\$3,404	to support the restoration of the Sudbury Meeting House, including the installation of accessible restrooms
Sudbury Meeting House	\$7,070	to support rewiring of the building including installation of additional exterior and interior lighting and stage lights
Tinmouth Library	\$2,695	to support the installation of a ramp and an ADA-compliant bathroom to serve the Old Firehouse and the Tinmouth Library
Town of Chittenden	\$15,000	to support the installation of electrical wiring, security and emergency lighting, and the purchase and installation of an accessible lift in the North Chittenden Grange Hall
Town of Pawlet	\$3,360	to rebuild the basement stair enclosure and rear entry porch of the Pawlet Village School to insure full use of the building
Town of Pawlet	\$14,800	to install a three-stop elevator providing access to the second floor auditorium, first floor town offices and basement meeting space
Town of Pawlet	\$26,930	to support the installation of a fire stair at Pawlet Town Hall providing emergency access to the upstairs auditorium
Town of Wallingford	\$975	to support the upgrade of electrical service for the Town Hall
Town of West Rutland	\$14,000	to support code improvements to the West Rutland Town Hall so that it may be re-established as a cultural and social center for the town
Town of West Rutland	\$30,000	to support the renovation of the basement bathrooms in the Town Hall Auditorium
Unitarian Universalist Church of Rutland	\$3,500	to support the building of an accessible bathroom on the main floor and bringing the outside ramp up to code
Washington County		
Adamant Community Arts Center	\$10,314	to support electrical wiring upgrades and building insulation
Barre Historical Society	\$2,293	to support the installation of draperies in the Main Hall of the Barre Socialist Labor Hall to make the venue acoustically acceptable for musical performances
Barre Historical Society	\$4,778	to support the improvement of the performance/presentation space by installing stage lighting and staging
Barre Opera House	\$3,500	to support phase one of a three-year project to upgrade and replace all theatrical lighting equipment
Barre Opera House	\$17,400	to support a theatrical lighting upgrade replacing antiquated lighting instruments with state-of-the-art equipment
Barre Opera House	\$9,250	to support acoustical improvements including the installation of storm windows and noise-cancelling emergency doors
Barre Opera House	\$12,909	to support the upgrade of lighting and sound equipment
Capital City Grange #469	\$20,000	to support ADA accessibility improvements including the installation of a ramp, a new entry way, and an accessible bathroom
Center for Arts and Learning	\$19,340	to install roof and attic insulation
Cutler Memorial Library	\$3,260	to support the installation of a new furnace
Friends of the Capital City Grange Hall	\$25,265	to support renovations to the lower level including an accessible restroom and fire egress
Goddard College	\$30,000	to support the construction of ADA-compliant bathrooms and install light and sound systems in the Haybarn Theatre

Washington County, continued ...		
Lost Nation Theater	\$3,360	to purchase and install a theater track curtaining system in Montpelier City Hall Arts Center
Lost Nation Theater	\$4,000	to support the installation of digital dimmers to upgrade the lighting system at the Lost Nation Theater
Lost Nation Theater	\$20,000	to support upgrades to the lighting system at Montpelier City Hall Auditorium
Lost Nation Theater	\$11,700	to replace the proscenium curtain, upgrade the assisted listening system, and to upgrade the in-house sound system
Maple Corner Community Center	\$20,000	to support the building of an addition to house a wheelchair and companion lift as well as a fire exit staircase
Roxbury Free Library	\$14,900	to support an addition to include an accessible ramp, foyer, and bathroom
Studio Place Arts	\$3,550	to support the installation of cooling systems in the gallery and classrooms of Studio Place Arts
Town of Plainfield	\$28,370	to improve exterior drainage and address mold abatement in the Plainfield Town Hall Opera House
Town of Waterbury	\$30,000	to support the installation of a new HVAC system in the Dr. Henry Janes House
Town of Worcester	\$20,000	to support the installation of an accessible lift and to renovate the restrooms, making them ADA compliant
TW Wood Art Gallery	\$6,393	to support the replacement of wall-to-wall carpeting in the gallery and art center
Worcester Historical Society	\$1,400	to support improvements in the safety and function of the electrical system
Worcester Historical Society	\$3,850	to support the replacement of basement stairs and handrail for the upstairs stairwell
Windham County		
Brattleboro Arts Initiative	\$18,000	to support the replacement of the original 1938 elevator in order to meet accessibility standards
Brattleboro Museum and Art Center	\$16,800	to support the construction of a new restroom, the renovation of an old restroom, and improvements to a kitchen
Dover Historical Society	\$5,495	to support improvements to venue security and climate control by installation of a new furnace, banking for flood abatement, drainage improvements, and installation of alarm and security systems
Dummerston Historical Society	\$5,000	to support the installation of a heating system; install storm windows, insulation, and a moisture barrier; and to improve electrical wiring of the Dummerston Center Schoolhouse
Dummerston Historical Society	\$1,440	to support the construction of an accessible ramp on the Old School House
Dummerston Historical Society	\$2,714	to support the construction of appropriate cabinetry to house the collections, library, and other artifacts
Estey Organ Museum	\$5,000	to support the renovation the Engine House at the former Estey Organ Company into museum and exhibition space including window repair, asbestos removal, floor stabilization, and electrical repairs
Estey Organ Museum	\$7,625	to support access improvements to and winterization of the entrance and restroom areas, and install a multi-media system compatible with assistive listening devices
Friends of the Brattleboro Music Center	\$21,000	to support acoustic upgrades in the music school building
Friends of the Wardsboro Library	\$3,000	to support the construction of an accessible ramp at the Wardsboro Library
Friends of the Wardsboro Library	\$10,250	to support the winterization of the Red Barn community space
Friends of the Wardsboro Library	\$9,082	to support the installation of an HVAC system
Grafton Church	\$5,000	to support the installation of a three-stop lift system and accessible unisex bathroom
Jamaica Town Hall Restoration Committee	\$4,382	to support the installation of a new, more efficient furnace and renovate the stage area formerly occupied by the old furnace in order to be more conducive to performance activities

Windham County, continued ...		
Jamaica Town Hall Restoration Committee	\$13,151	to support the upgrade of curtain and lighting facilities of the Town Hall stage, including shades in the main hall windows
Latchis Arts	\$30,000	to replace the seats in the main hall of the Latchis Theatre and provide seating that meets with current ADA standards
Main Street Arts	\$3,360	to rehabilitate and upgrade the kitchen facilities in the Main Street Arts headquarters in the old Odd Fellows Building in Saxtons River
Main Street Arts	\$1,530	to support the installation of new theatrical lighting equipment in the second floor of the theater/dance space
Main Street Arts	\$30,000	to support the installation of a sprinkler system that meets current fire code
Main Street Arts	\$15,373	to support theatrical lighting system upgrades
New England Youth Theatre	\$19,900	to support the purchase and installation of a new theater lighting system and related technical equipment
New England Youth Theatre	\$7,500	to support the installation of a push-button door opener and lighting improvements for the entrance
Putney Historical Society	\$12,750	to improve first floor and bathroom accessibility and provide a safer means of second floor fire egress
Putney Historical Society	\$30,000	to support theatrical and accessibility upgrades to the Next Stage Performing Arts Center
Saxtons River Historical Society	\$1,000	to support lighting upgrades of the Saxtons River Historical Society Museum
Theatre Restoration Committee	\$3,360	to support accessibility renovations of the Rockingham Town Hall building and theater space in Bellows Falls
Town of Londonderry	\$7,500	to support stage improvements in the Town Hall
Town of Rockingham	\$3,120	to purchase and install fire-retardant curtains for improvements to the lower theater in the Town Hall
Town of Wardsboro	\$5,664	to support new drapery and painted curtain restoration
Town of Wilmington	\$30,000	to make accessibility improvements to the Memorial Hall including a landscaped entrance ramp, front door access, and ADA-compliant bathrooms
Town of Wilmington	\$21,065	to support building envelope improvements and insulation upgrades to Memorial Hall
Whitingham Historical Society	\$2,500	to support upgrades and wiring in Green Mountain Hall
Windsor County		
American Precision Museum	\$6,250	to support safety and access improvements on the first and second floor and in a four-level stair tower
American Precision Museum	\$30,000	to support the repair of a retaining wall damaged by Tropical Storm Irene that holds the outdoor interpretive area
Beaver Meadow Chapel Association	\$22,500	to provide water and sewer services as well as ramp access to the schoolhouse
Black River Academy Museum	\$18,000	to support the purchase and installation of an elevator
Center for Cartoon Studies	\$8,775	to support renovation of the gallery space including street-level bay windows
Charles B. Danforth Library	\$6,900	to support construction of a new accessible bathroom
Chester Restoration Committee	\$4,000	to support the installation of a new heating system for the Academy Building
Hartford Historical Society	\$3,380	to support electrical system upgrades in the Garipay House
Hawks Mountain Grange	\$3,500	to support updating the electrical system at the Hawks Mountain Grange including rewiring, new lights, circuit breakers, exit and fire alarm systems, and updating wiring on the furnace and water system
LPCTV Corp.	\$20,000	to support the construction of a new production studio and performance space for the community
LPCTV Corp.	\$13,750	to support improvements to the acoustic and lighting systems
Montshire Museum of Science	\$3,066	to support the purchase and installation of electric door openers
North Universalist Chapel Society	\$17,936	to support the purchase and installation of a fire detection system, accessible sound system, and improvements to seating

Windsor County, continued ...		
Norwich Historical Society	\$13,050	to support the installation of a new heating system for a stable and suitable environment for their collections in the Lewis House
Norwich Historical Society	\$20,000	to support ADA compliance with the installation of a new accessible ramp, bathroom, and designated parking area
Norwich Historical Society	\$4,967	to support improvements to the exterior walkway
Pentangle Arts Council	\$20,000	to support improvements to Woodstock Town Hall Theater's audio, lighting, and stage curtain systems to meet with modern technology standards
Pentangle Arts Council	\$16,000	to support the replacement of rigging, lighting, and curtain elements in the historic Woodstock Town Hall Theatre
Pierce Hall Community Center	\$17,400	to support the correction of water problems and damage to the lower level of the building to make the building useable by a number of community groups
Pierce Hall Community Center	\$20,000	to support the installation of a heating system
Pierce Hall Community Center	\$9,810	to expand the audience space to 150 or more in the u-shaped balcony
Pierce Hall Community Center	\$4,916	to support the installation of mechanical rigging system to maneuver a historic painted curtain
Reading Public Library	\$20,000	to support the installation of an accessible lift
Royalton Memorial Library Association	\$14,018	to support the purchase and installation of a new heating system
Seven Stars Arts Center	\$7,700	to support heating system upgrades
Town of Hartland	\$3,584	to support an upgrade of theatrical lighting in the auditorium of Damon Hall in Hartland
Vermont Independent School of the Arts	\$15,747	to support the installation of an accessible lift
Weston Community Association	\$20,000	to support the installation of a sprinkler system in the Weston Playhouse
Weston Playhouse Theatre Company	\$6,120	to support the purchase of a new stage lighting console and repair of an existing stage lighting dimmer rack
Wilder Club and Library	\$4,000	to support the installation of storm windows and required plumbing at the Wilder Club and Library
Wilder Club and Library	\$17,600	to support the construction and installation of an accessible platform lift with appropriate signage and lighting
Wilder Club and Library	\$20,000	to replace the library's front entry steps
Wilder Club and Library	\$7,200	to support the installation of an air conditioning system in the main auditorium
Windsor Area Community Partnership	\$2,000	to install a combination stage and storage structure in a former industrial building owned by the Windsor Area Community Partnership
Windsor Public Library	\$9,131	to support installation of energy-efficient lighting and code improvements to life safety systems including hard-wired smoke detectors, egress lighting, directional signs and alarms

The Cultural Facilities Grant program is administered by the Vermont Arts Council, the Vermont Division for Historic Preservation, and the Vermont Historical Society.

Cultural Facilities Awards by County 2001-2017
