

# Orleans County Fair Association ~ Barton, VT

## 2017 Capital Grant Project

The 2017 Capital Grant funds were used for the repair of our Historic Grandstand, “one” of the Oldest in the Nation. Continued progress and funding is necessary to preserve and sustain one of Vermont’s oldest treasures. We were able to complete 1/3 of the front floor beams and decking this year. As seen during our Sunday Demo Derby, the stands were full of people and their safety is of utmost importance.

Thank you for all efforts to continue funding by the State of Vermont for the sustainability of the few remaining agricultural fairs.
