If the district belongs to a union school district, this is only a **PARTIAL** homestead tax rate. The tax rate shown represents the estimated portion of the final homestead tax rate due to spending for students who do not belong to a union school district. The same holds true for the income cap percentage.

- Following current statute, the Tax Commissioner recommended a property yield of \$10,076 for every \$1.00 of homestead tax per \$100 of equalized property value. The Tax Commissioner also recommended an income yield of \$11,875 for a base income percent of 2.0% and a non-residential tax rate of \$1.550. **New and updated data will likely change the proposed property and the income yields and perhaps the non-residential rate.**  
- Final figures will be set by the Legislature during the legislative session and approved by the Governor.  
- The base income percentage cap is 2.0%.
