Budget Adjustment Request January 10, 2018

Agency of Education Secretary Rebecca Holcombe

Budget Adjustment Items

- Statewide School District Data Management System
 - AKA SSDDMS
 - AKA the Uniform Chart of Accounts Project
- Weighting Study
- Reversions
- Flexible Pathways

- 2014 Act 179 Sec. E. 500.1 500.3 the legislature designated \$3.5M from the supplemental property tax relief fund be dedicated to the Education Chart of Accounts project.
 - -The completion data was established as July 1, 2017
 - -The fund was repealed on July 1, 2017

- 2015 No. 58 Sec. E.500.1 extended implementation through July 1, 2019.
- However, there was no corresponding change to extend project funding through July 1, 2019.
 - The fund was repealed on July 1, 2017 per 32 VSA §6075

- 2017 Act 80 Sec. B.500 included an appropriation from the supplemental property tax relief fund to support the chart of accounts project, including 1 Limited Service position.
 - Indicating that the intent was that the funding and the project would sunset simultaneously

- To correct the error, language is included in the BAA to re-appropriate the funds, in accordance with legislative intent.
 - The Joint Fiscal Office is working on updating the language submitted by the administration to be included in the FY 2018 budget adjustment act to reinstate the special fund.

Weighting Study

- 2017 No. 49 required the Agency of Education to undertake a study of the funding formula to review the weights currently used to allocate funds
- These study requirement was enacted into law despite the Agency's request for the necessary resources needed to complete the study.
 - The Agency does not have internal resources to support the work

Weighting Study

- The BAA includes \$300K to allow the Agency to enter into a contract to complete the study
 - Language is being drafted to direct the agency to contract.
 - Agency prefers to be directed to contract with UVM to ensure successful completion in the updated timeline requested by the legislature

Reversions

Reversions

- The BAA includes several reversions of balances in appropriations not needed to carryforward into FY 2018.
- Reversions back into the Ed fund are typical
- The reversions are sufficient to cover the amounts assumed during the FY 2018 budget build.
- * In the Flexible Pathways the reversion is associated with an underspending in high school completion.

Flexible Pathways

- Flexible Pathways
 - \$650K is appropriated in B.504.1 for early college.
 - In FY 2018 the appropriation structure was changed and early college moved to the Flexible Pathways appropriation.
 - In FY 2017 the second early college payment was made in early July instead of late June
 - Due to the need to complete final tax rates after the veto session was complete.
 - In FY 2018 there will be 3 early college payments instead of just 2.
 - This change provides the spending authority needed to make all payments
