

## **H.59: 2017 Technical Corrections High Level Overview**

Prepared by: Sebastian Arduengo, Tucker Anderson, and Jennifer Carbee

Office of Legislative Council

March 1, 2017

This act makes technical corrections to several sections of the Vermont Statutes Annotated without substantively changing the law, including:

- Correcting grammar and spelling errors;
- Formatting lists;
- Making changes to conform to V.S.A. style;
- Correcting references, including cross-references to repealed or changed laws;
- Updating names and locations for public entities and officers;
- Changing terminology for consistency with other state or federal law;
- Making the style of legal citations consistent;
- Correcting terminology for administrative rulemaking; and
- Striking sections that require action at a date already passed.
