

S281 is a must for Vermont and our Country's, World's future. No movement toward living with the tough love relationships called "peace" will succeed until we can accept our personal, tribal prejudices and work with them in good humor and compassion. This leads to our (USA/VT) basic needs to develop pathways for reconciliation with Native America, black America et al, which can then ;propel us toward world peace. This work now can be salvific as time goes on. Our love, Dave and Louise Ransom, 05492 644-8144.
