

Dear Members of the House Government Operations Committee, Please restore S.281 to its essential components and affirmatively report it out of committee. S.281, as passed by the Senate, places Vermont in the forefront of seriously addressing racism in all state government operations. The growing incidences of racist behavior in our country and state demonstrate the need for this bold and innovative bill. Thank you for your service to Vermont. Joseph Gainza, Marshfield, Vermont

"At the risk of sounding ridiculous, let me say that the true revolutionary is guided by great feelings of love." Che

"Love has hands to help others. It has feet to hasten to the poor and needy. It has eyes to see misery and want. It has ears to hear the sighs and sorrows of others. That is what love looks like." St. Augustine
