State	State Population 2016	Patient Numbers	Current Through	Percent of the population who are patients	PTSD as a Specifically Included Condition
North Dakota ³	757,952	Not open			Yes
Ohio ³	11,646,273	Not open			Yes
Oregon	4,144,527	67,141	2/28/17	1.62%	Yes
Pennsylvania ³	12,819,975	Not open			Yes
Rhode Island	1,059,080	16,418	2/24/17	1.55%	Yes
Vermont	624,592	3,391	10/13/16	0.54%	
Washington ⁴	7,384,721	16,520	2/28/17	0.22%	Yes

¹ This is a rough estimate based on Maine's numbers. There is a registry, but only a small fraction of California patients are registered.

² Many families have migrated to Colorado so that patients would be allowed to use medical marijuana, which increases the per capita number of patients.

³ Registry is not open yet.

⁴ Washington has a brand new patient registry. The first day for registrations was July 1, 2016.
