

Dear members of the House Judiciary Committee,

My name is Elizabeth Allen. I am a resident of Essex Center. I am writing to express support for H.492 and the creation of a state Racial Justice Oversight Board on the state level. With this action, the state can institutionalize an analysis of race's intersection with justice. Our government can promote anti-racist application of law enforcement to people regardless of race. Please support this bill and Vermont's reputation as a leader in equal rights.
